## From The Superintendent's Desk

### *From the Desk of Russ Freeman*

Spring is one of my favorite times of the year. The weather has been great this past week and looks like we may be entering a period where we will have cooler temperatures and possibly some rain. Either way, May is just around the corner and we are rapidly moving toward summer. I will keep this section short and move on to the next topic.

### END OF THE YEAR

The school year is rapidly approaching the end. With the warm weather that we have had the last couple of months, sometimes it is difficult for students to concentrate on their studies. This

is when we need to work as a team and encourage everyone to finish the year with a strong academic performance.

With graduation just around the corner on May 13, many seniors are counting the days until they get out of school. This year's senior class has done an outstanding job in the classroom and in their activities. Please encourage the seniors to finish out the year with class and thank them for all they have done to make this an outstanding school year.

### BOARD MEETING

At the April board meeting many items were discussed. I will try to communicate on a couple of those items in this section of this article.

**Facility Improvements:** The board discussed the refinishing of the east gym floor and looked at some options concerning the design that could be painted on the floor. The board approved to spend up to \$24,000 on this project. If all goes well this project will be done prior to the start of school for next year.

**Math Textbooks:** The board approved the purchase of new math textbooks and supporting material for next year. The total cost of this purchase is just under \$84,000. This purchase will continue to allow our students greater opportunities to succeed in their learnings.

## The End

*By Steve Borer, Principal 7-12*

Is the end of the 2011-12 school year the end, or simply the beginning? The end of the school year brings forth the beginning of many opportunities. The class of 2012 now sees the end of their education at Lakeview Community Schools and begins to set their eyes on an entirely new beginning. They will begin a new stage in life, a stage that will no doubt bring challenges but they will tackle those challenges with the same determination as they have done in the past. They will embark on a new journey, a journey towards success. I wish all of them good luck in their new endeavors, may they use their experiences and knowledge they have gained at Lakeview to make a positive mark on their generation.

The end also brings new opportunities to those who are still apart of Lakeview Jr.-Sr. High School. The underclassmen now have the opportunity to seek the same success their predecessors accomplished. They have the opportunity to make their

(Superintendent — Continued from page 1)

**Support Staff Salaries:** The board approved a 3% increase in pay for the hourly support staff employees.

**2012-2013 Calendar:** The board approved next year's school calendar. The start date for students is Monday, August 20.

### ELEMENTARY PROJECT

The Shell Creek Addition/Renovation Project continues to move forward. The weather has continued

to be favorable. If all goes well, students will be using a portion of the east addition before you receive this newsletter.

During this move and several moves over the summer, volunteers will be asked to help make the transition go as smooth as possible. I will thank those volunteers in advance for their time and efforts.

We continue to thank the parents, students and staff for their patience as this project moves forward. If you have questions, please contact any board member or myself.

Please check out the school web site ([lakeviewcs.esu7.org](http://lakeviewcs.esu7.org)) for current pictures.

(Mr. Borer — Continued from page 1)

mark at Lakeview Jr.-Sr. High School, to step up as leaders, to be the difference makers, to make the play, to challenge themselves to improve academically.

The end is also the beginning of a new stage in life for one of our dedicated staff members. Mr. Hilker is moving into a new stage in life. Mr. Hilker will no longer be the Lakeview Ag teacher and FFA advisor. He has set his eyes on a new goal in life and has accepted a position to teach at Central Community College. We are very grateful for the countless hours that Mr. Hilker has dedicated towards his students and developing one of the strongest AG programs in the area. He has been foundational here at Lakeview and will certainly be

missed.

As the year comes to an end I would like to thank all the students, teachers, staff, parents and community for their help in making this year another great year of education at Lakeview Community Schools. The community is very blessed in having such a fine group of youth. Of course they are not perfect as no one is, and like all kids they will make some bad choices, and learn from the consequences, but that's a part of growing up. Learning we are "responsible for our actions" is a vital part of living in a democratic society and a must for this generation and generations to come. Thanks again for supporting your kids, and Lakeview Community Schools. Have a great summer break!

## Attention Parents and current 6<sup>th</sup> grade students:

# 2012 Lakeview Volleyball Skills Camp

# Lakeview Speaker is State Runner-Up

At the Nebraska State Speech Tournament in Kearney on March 17, Lakeview speech team member Brandon Campbell found his natural talent and hard work rewarded as he stepped up to the podium as Nebraska's state runner-up in entertainment speaking. Campbell, whose speech satires the dangers of teenage sleep deprivation, bested all state competitors with the exception of Jordan Geisert of Ogallala, who was crowned champion. For the senior, this capped off an impressive season that included five first place finishes at regular season and postseason tournaments. Congratulations, Brandon!

Lakeview Speech will look to make a return to the state podium next year; speakers are already preparing for the 2012-13 season that begins in November.

**Congratulations Brandon!**

## 7th Grade Orientation

Orientation for next year's 7th graders will be on **Tuesday, May 1 from 8:15 a.m. until 11:30 a.m.** If your child does not currently attend Lakeview, but is interested in attending, please contact the school at 402-564-8518 to get more information.

**BEHAVIOR:** Students will be warned only once per session concerning unacceptable behavior, which will include excessive talking, tardies, not completing assignments, disrupting other students, disrespect for others, etc. The second time a violation occurs, the student will be sent home. If dismissed twice, the student will be placed on probation and the next violation will be cause for permanent expulsion. If expelled, no money will be returned.

An 80% or above is required on all work or it must be redone and/or the student must go over the work with a supervisor. Students will be given daily assignments, and will not be allowed to leave until the assignments have been completed. Homework will also be given as agreed. Students will contract for a C or D to replace an F as this is remedial work.

**ATTENDANCE:** Attendance is mandatory. Anyone missing more than three sessions will be in grave danger of losing credit. Tuition will not be returned nor credit granted. Excessive (3 or more) tardies equal a day missed.

I agree to the behavior, grade procedure, and attendance regulations, and will abide by them.

# From the Guidance Office...

## Seniors ... borrow wisely for college!

Review these tips before you decide how much to borrow in student loans:

- ♦ Borrow only what you need, even if it's less than the amount offered in your award letter.
- ♦ Try to use your student loan money *only* for tuition, books and fees. Get a job during college to pay living expenses.
- ♦ Compare the estimated starting salary of potential careers to your estimated college debt to ensure you can afford future loan payments.
- ♦ File the FAFSA at [fafsa.gov](http://fafsa.gov) each year you attend college.
- ♦ Continue to look for scholarships while you're in college.
- ♦ Keep track of your student loan debt throughout college at [nslds.ed.gov](http://nslds.ed.gov).

To learn more about student loans, see the "[Paying for College](#)" section at [EducationQuest.org](http://EducationQuest.org). Use the [Student Loan Repayment Calculator](#) to estimate future loan payments.

## Making the transition to college...

Seniors, check out the "[Students Transitioning to College](#)" section at [EducationQuest.org](http://EducationQuest.org). You'll find information about:

- Wrapping up your senior year
- How to manage your money
- Selecting a major
- What to expect your freshman year of college
- Helpful apps to download before you head to college

## Juniors... what you can do this summer to prepare for college!

- ♦ **Start narrowing your college choices.** By the fall of your senior year, you should have narrowed your choices to three or four schools. Visit some college campuses this summer and check out college websites.

- ♦ **Watch some videos.** EducationQuest's "[Find the Right Fit](#)" video features two high school seniors who go through the process of finding colleges that match their career interests. The "[Go.Visit.College!](#)" video provides campus visit tips from college students and college representatives. Find them in the "[Videos](#)" section at [EducationQuest.org](http://EducationQuest.org).
- ♦ **Update your [Activities Resume](#) at [EducationQuest.org](http://EducationQuest.org).** Include extracurricular activities, honors, awards and part-time jobs.
- ♦ **Look for scholarships.** Check out [ScholarshipQuest](#) at [EducationQuest.org](http://EducationQuest.org), which has over 2,000 local and state-wide scholarships. You should also pay attention to the scholarships seniors are earning.
- ♦ **Find a summer job to help pay for college expenses.** Ask prospective employers if they offer education assistance programs.

## May "To Do" List

### Seniors

- \_\_\_ Apply for student loans, if necessary.
- \_\_\_ Register for freshmen orientation at your college.
- \_\_\_ Start a list of dorm room essentials.
- \_\_\_ Get a summer job to help pay college expenses.

### Juniors

- \_\_\_ [Register](#) by May 4 for June 9 ACT.
- \_\_\_ Continue campus visits.
- \_\_\_ Get a summer job and save for college.

## Athletic Physical Night

All students planning to participate in athletics during the 2012-2013 school year, must have a signed athletic participation/physical form on file at the high school office.

On Wednesday, May 16, 2012 the Columbus Medical Association is again offering our students the opportunity to obtain their physical for next year. Any student who will be entering grades 8 through 12 (2012-2013 school year) can attend. Incoming 7th graders will receive their information at orientation. Future 8th, 9th, 10th, 11th, and 12th graders will receive theirs in the mail the week of May 7th.

## THANK YOU

Mrs. Higgins would like to thank several people for help with Prom:

Shelly Dreifurst for organizing the kids for the Grand March; Gwen Sander, Stacy Cech and Belinda Cech for chaperoning the dance; The Junior Moms who provided snacks for the dance; The team of Moms and their families who organized the Grand March; All of the patrons who attended one of the Open Houses; Mrs. Blaser for finding a last minute CD player for the Grand March; Tyler Higgins for helping his mom on Saturday with all the last minute items; And anyone I may have missed who made Prom a success!!

The 3rd and 4th grade students went back in time in class. They celebrated Nebraska history by attending a prairie school. They dressed in period clothes, churned butter as taught by Elaine Korte, and made wax candles. They were seated on a bench for school and did not write assignments the normal way. The students brought artifacts and created a Nebraska museum in the church basement. It was neat watching the students walk to school and dress in dresses and breeches.

The students participated in Gathering of the Talents at Concordia University in Seward on April 14th. Grades 3-4-5 and 6-7-8 both received purple ribbons for their one act plays. The students also participated in vocal, dance, piano, creative writing and art. They received a total of 4 purple, 16 blue ribbons and 8 pink ribbons. Everyone did a fabulous job!

# Spelling Bee

12 Platte Center students went to Lakeview High School on Monday, March 26, for a Spelling Bee sponsored by the Lakeview Chapter of the National Honor Society. Participants were:

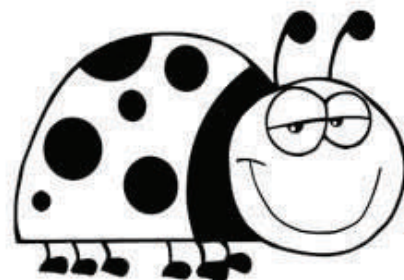

1<sup>st</sup> Grade: Caitlyn Steffen & Chevelle Thomson

## **PTO To Sponsor “Spring Fling”**

On Friday, May 4, from 11:30 a.m.-3 p.m., families at Platte Center Elementary are going to the carnival!

A hot dog lunch will kick off the afternoon of fun. There will be a jump house & a large blow up slide. The balloon man, a tattoo station and cotton candy will be available. The kids will have an obstacle course, a treasure hunt, piñatas, a book walk, ring toss, beanbag toss, and many more fun games. Kids can earn tickets to play games during school hours the week prior to the event.

Many volunteers are needed for stations! Thank you to our **Great** PTO for providing this fun-filled day for us!

## **Kindergarten Visit Day**

was April 13, 2012. Mrs. Jarecki welcomed thirteen excited children to spend the morning learning about Platte Center Elementary and all the fun they will have next year.

Students that did not attend the event are welcome to come any time for a tour of the school and meet Mrs. Jarecki.

## Family Math Night — Weight, Estimation, Measurement and Computation

A Family Math Night was held at Platte Center Elementary on Monday, March 26. Mrs. Schmidt, assisted by Mrs. Terry, presented 6 math activities to the families present.

The evening began with families estimating and weighing objects in grams and guessing the number of objects in a jar. Each person present also created a nameplate with their first name followed by a math vocabulary word that started with the first letter of their first name. Grace Berkeland was *Grace Gram*. They also had to draw a picture and define their math vocabulary work.

In an activity called "Are you a Square", Keilah and Hannah Mason found out that they are perfect squares by measuring their height and arm span. Krystian Szatko was able to find a word that was worth \$1, in the "Value of Words" activity. Families also played a dice game using a number line and learned about probability.

The winners of the estimation jars were Mark Loseke, William Hrouda and Kody Mason. Parent involvement is key to students' success. We appreciate the families who took time from their busy schedules to attend this Family Math Night.

## Shell Creek 4th graders take field trip to Stuhr Museum

Shell Creek 4<sup>th</sup> graders took their yearly field trip to the Stuhr Museum. It was a "pioneer day" for the students as they spent 4 1/2 hours preparing the meal they were going to eat for the day.

The students ground corn for the corn bread "gems" and made butter and jelly to go with the gems. Students also

cut up ham, onions, potatoes and carrots to put in the stew they ate for lunch. Of course the students had to do all the clean up.....from washing dishes to sweeping the crumbs off the floor. Everyone had fun and they were kept very busy.

The dipping of candles and the horse tour rounded out the final minute of the day. It was a day well spent by the 4<sup>th</sup> grade class!

## News from 2<sup>nd</sup> & 3<sup>rd</sup> Grade: Life on the Farm

The second and third graders at Shell Creek attended a program titled “Life on the Farm” put on by the 4H Extension office. During the program the children listened to presentations on sheep, dairy cattle, beef cattle, corn and soybeans, chickens, pigs, horses, and (at the top of the list) farm safety.

During farm safety or “Farm Challenge,” the kids raced one another while carrying bags of feed and made a tractor move by a little game of

tug-o-war! This was by far their favorite activity. They also hid around the tractor to see how many kids could be seen. The students became aware how dangerous that could be! The kids also enjoyed seeing the animals and learning interesting facts about their many uses.

Some of the highlights of the event included witnessing the sheering of a sheep, petting and holding the baby goats, and hearing books about horses. The kids spent either the morning or the afternoon learning about animals and farms. In addition, the students ate lunch at school “picnic-style” as a class. They had a great day!

## High Ability Learners (H.A.L.)

Students who qualify as High Ability Learners, are participating in an after school Math and Science enrichment program for six weeks. Students meet Tuesdays and Thursdays for two weeks after school.

During these sessions, students are engaged in higher levels of learning in Math and Science. The intent of these sessions is to offer students challenges and opportunities outside of our regular curriculum.

## 6th Grade Field Trip.....

On Monday, April 16<sup>th</sup>, the 6<sup>th</sup> grade class went on a field trip to Lincoln. Students visited Morrill Hall where they dug for fossils in the Discovery Center, saw a rock display, fossils of the elephants, Indian and weapon displays and learned about different diseases.

At Memorial Stadium, students ran on the football field, touched the horseshoe, visited the Trophy room, saw several Nebraska athletes and ran through the tunnel. The students had a great time!
