From The Superintendent's Desk — By Mr. Freeman

As I write this article; the fall sports have completed their regular seasons and our thoughts are turning to the changing of seasons from fall to winter. The first quarter of the school year has gone very smoothly. Thanks to all of you for the way you support and represent our school.

SHELL CREEK OPEN HOUSE

There will be an open house of the Shell Creek Elementary School for patrons of the district and those interested in taking a look at the new addition and the remodeling of the school. This event will be held on Sunday, November 4 from 1:00 to 4:00 p.m.

MEET THE CANDIDATES

Along with this Open House will be an opportunity to meet the candidates that are running for the Lakeview School Board. At the present time it is anticipated that all candidates will be present. Those running for

school board are as follows:

Larry Hassebrook

Jerry Jaixen

Tim Mueller

Dan Pabian

Eric Stuthman

There are three seats to be filled in the November 6 election. This would be a good opportunity to visit with each of the candidates prior to Election Day.

FALL WRAP-UP

Once again our fall activities have represented the Lakeview Community School District in a fine fashion. Our athletic teams have had a successful fall. Our fine arts department is gearing up for many activities in the months of November and December. I hope that you will make plans to see our students perform in their fine art activities. The students and sponsors will appreciate your support.

SPORTSMANSHIP

As the winter sport season gets underway remember to give your support not only to our athletes, but also to the visiting team and the officials. We all want our team to win, but we need to keep our emotions in check. Due to the fact that fans sometimes do not keep the contests in perspective, the Nebraska School Activities Association and your local school board have adopted strict expectations for fan behavior. Please do not put yourself in a situation where you may be asked to leave. This is usually embarrassing to the individual, their family, and their team. For major violations a person could be banned from attending contests for the remainder of the season. If you notice one of your friends getting too emotional at a contest and beginning to cross the line of support and drifting into criticizing coaches, officials, or players please try to guide them to proper

Preparing for the 21st Century

By Steve Borer, Principal 7-12

This article is intended to keep you up to date with some of the technology plans we are making for Lakeview Community Schools. Last year at a Board Advisory council we presented the proposal of creating a technology study committee to investigate the many options of improving the technology here at Lakeview K-12.

Earlier this school year we assembled the technology study committee, the committee is made up of School Board members, Parents, Elementary, Junior High, and High School Teachers and Administrators. The committee's task is to investigate and study the op-

tions of implementing more technology into our everyday instruction, so that we can improve the way we deliver our curriculum and prepare our students for the 21st century. Thus far the committee has interviewed 2 schools and has attended a 1 to 1 conference.

The first school we interviewed is a 1 to 1 laptop school, which means they have one laptop for every one of their students in grades 7-12. Every year more and more schools in Nebraska are moving in this direction, it is the study committee's task to find out why these schools are moving in this direction and if it has made a significant differ-

(See Borer — Continued on page 2)

Mr. Borer — Continued from page 1)

ence in the education of their students. The committee is currently investigating the pro's and con's of implementing a 1 to 1 initiative here at Lakeview. The second school the committee interviewed is just beginning the adoption process of being a 1 to 1 Ipad school in grades 9-12. Both of these interviews were extremely informative and the committee was able to ask questions and determine what might be best for Lakeview Community Schools.

Along with interviewing schools some of the committee had the opportunity to attend a 1 to 1 conference, at the conference there were many schools attending who are already 1 to 1 schools and several schools who are considering or investi-

gating the idea of becoming a 1 to 1 school. The schools that are already 1 to 1 were able to share their knowledge and experiences learned through their process. The conference and the discussions held in the open forum were very enlightening and helped our committee brainstorm possibilities for our students and staff here at Lakeview Community Schools.

Throughout our planning process we will continue to keep you up to date. The committee's next steps in the process are to survey staff, students and parents so that we can gather input from all stakeholders. This information will help guide us in making the best decision possible for our students and their future. If you have any questions or would like to add your input please feel free to give me a call.

(Superintendent — Continued from page 1)

behaviors. By working together, we can support our team in a positive manner and we can treat our visitors with respect.

Please plan to attend as many events as you can as the students and their coaches/sponsors appreciate your support. Remember, the involvement of the students, staff, parents, and patrons of the district are what make the programs in the Lakeview Community School District successful.

INCLEMENT WEATHER

As the season begins to change to winter, the condition of the roads becomes a concern for our buses and for our students travel-

ing to and from school and school events. If you have input on the roads in your area, please share that with me prior to 5:40 a.m. so that information can be considered prior to making a decision on the status of school and activities for the day. If this sounds like something you would like to do, please contact me at school so we can exchange contact information.

Parents: You are the ones who must ultimately decide if conditions are safe for your child to travel to school during questionable weather. The school will respect your decision to keep your child home and will assist him/her in getting missed schoolwork made up.

THANKSGIVING

As I write this article the Thanksgiving holiday is just a few weeks away. This is the time of year to take a few moments to think about what we are thankful for in our lives. It could be good health, our freedoms, those who are serving in the armed forces to protect our freedoms, our families and the list goes on for each of us. Sometimes we take many of these things for granted. Take some time over the Thanksgiving holiday to count your blessings and do a good deed for someone else.

COMMUNICATION

If you have any questions about anything in this article or would just like to visit, please give me a call at school or at home.

What uupppp.....in Junior High?

By Steve Borer, Principal

For those of you who sent your child off to 7th grade this year, I hope that your child's transition from 6th grade to 7th grade has been smooth. I know that our Junior High teachers work very hard to help transition the new 7th graders into the Junior High routine. We are ending the first quarter of the school year and by the looks of it, most of the Junior kids appear to be enjoying their experience.

It is a change for many of them, going from 1 teacher all day and not having a bell schedule at the Elementary to having several teachers during the day and moving from class to class using a bell schedule. For some of our Junior High students this can be a difficult transition. Especially if they are the type of student who has a difficult time getting organized. We take extra efforts

in our Computer/Study skills class to provide students with study skills and organizational strategies that we hope gives them a chance to be more successful. Although we take these extra steps sometimes the physical and emotional changes in the Junior High students and the social opportunities they have in the Junior High can present distractions for these students. If you have any questions or would like to speak to our Junior High Guidance counselor, Mrs. Honold is available at the Junior High on Tuesdays and Thursdays of each week.

The Junior High students are ready to read! On Sept 21st, we kicked off our annual Junior High Reading Challenge. This year the 7th and 8th graders are in a reading competition. The class that reads the most pages will get the opportunity to dunk one of the Junior High

teachers or administrator in a dunking booth at the end of the school year at the Junior High Reading Challenge celebration. When students pass their AR test they get the opportunity to vote for 1 teacher or administrator that they want to try to dunk. The teacher or administrator who gets the most votes will get the opportunity to go swimming in the dunk tank. The Junior High Reading Challenge has been a fun and exciting experience for many of the Junior High students and has added an incentive for the students to read outside of school. Research shows that students who read at least 21.4 minutes per day generally improve in all academic areas! Please help us encourage our students to read, it is a skill they will need for the rest of their life!

This year at the Junior High we are

In case of Inclement Weather...

If a decision is made to close school or to have a late start, the announcement will be broadcast on **KTTT, KKOT, KJSK, KZ100, KLIR, US92 radio stations and KOLN-TV, KMTV, and WOWT.** After checking with the National Weather Service, the county roads crew, the Lakeview maintenance staff, and other sources, the Superintendent of Schools will make the decision by approximately 7:00 a.m. Please refer to the news media listed above for up to date information.

If at all possible, refrain from calling the school. In addition to the broadcasts listed above, the Lakeview Community Schools will also be using SCHOOLREACH. If you do not receive a SCHOOLREACH call, then we do not have a working number on file.

Parents: You are the ones who must ultimately decide if conditions are safe for your child to travel to school during questionable weather. The school will respect your decision to keep your child home and will assist him/her in getting missed schoolwork made up.

From the Kitchen

Dear Parent, Guardian:

Your child's school day just got healthier! School lunches now include more fruits, vegetables, and whole grain-rich foods; only fat-free or low-fat milk; "right-size" meals with portions designed for a child's age; and less saturated fat, transfat and sodium. The changes in school meals, the first in 15 years, are based on the latest nutritional guidelines.

Here are some important facts about the new school meals:

- The new school lunch provides 1/3 of the *average* daily calorie needs for kids by age.
- Some highly active students, like athletes, may need some more calories. Some schools may offer second helping s of fruits and vegetables. A second carton of milk may also be an option. Schools can also operate after-school snack and supper programs. Students

and/or sports teams can also bring food from home.

- In practice, many students are being served the same amounts of protein as before under the new standards.

Your child can learn good habits for life by making healthy food choices and getting proper exercise now. This year is a transition year as schools implement these new standards and work together with parents, to ensure that every child, in every community across America, has access to healthy and nutritious meals. Please encourage them to try new foods and eat the healthy foods offered. Reinforce healthy eating by offering similar new foods at home.

Keep updated on the changes at www.fns.usda.gov/healthierschoolday.

Regards,

Jenny Sloup
Food Service Director

National Honor Society

Membership in the Lakeview Chapter of the National Honor Society is open to juniors and seniors who have at least a 93% Cumulative GPA. All eligible sophomores and juniors are given an information form to fill out after 1st semester grades are posted. On this form students are asked to list examples of leadership and community service

that they have exhibited.

Members of the staff are also asked to rate the students. The information forms and the staff survey results are given to a committee of 5 members of the faculty. These members then rate all the students and determine who they think are the best candidates for membership in the group. The National Honor Society sponsor is not a voting member of the Faculty Council.

New members are announced on honors night and are officially inducted in a ceremony the following fall. If you have any questions about NHS, please contact Mrs. Brock at the high school.

Power Drive

By Austin Klug

As the school year progresses, so does our progress in this year's Power Drive season. Only two months in, and car 104 has already competed in one race. At the Wayne Fall Rally, the only Lakeview car to compete completed a total of 91 laps before the batteries died.

While it is a letdown, we still placed in about the middle

out of all the teams. Anthony Roth and Ethan Gilsdorf attended the race, representing the team for 104. Part of the 108 crew attended as well, but were not able to race, due to braking and throttle difficulty.

In the past month, our cars have been plagued with brake problems more than anything else. Bleeding the brakes was the 108 car's main problem, and while working on their car for the Wayne Rally, and the 18 car needed new brakes in the first place. The only car that didn't have brake problems was the 104 car.

Also in preparation for the Wayne Rally, there was a lot of work done on wheels and tires. It was a learning experience for everyone, because there was not a single person who wasn't involved somehow in the tires. The most time consuming work in Power Drive is definitely making sure the rims are true. This painstaking task involves tightening each spoke accordingly.

Despite these difficulties, we are all learning from our hardships. It is still shaping up to be a good year, and there is no doubt in my mind that we will take state this year. Our high hopes and high goals will bring high results.

Softball Season Wrap-Up

Despite the challenges of a very tough schedule, the team had its bright spots. The Viqueens had wins against a very good David City/East Butler team and Class A South Sioux City.

On Monday, October 15th, Coach Kmiecik awarded varsity letters to Freshmen Morgan Peters and Morgan Langmack, Sophomores Makayla Coan, Lizzy Cunningham, Ashley Gilsdorf and Monica Gotschall, Juniors Jade Higgins and Taylor Neuhaufen, and Seniors Makaela Dallman, Allie Steffen, Natalie Cudaback and Natalie Snyder. In addition, Allie Steffen and Natalie Snyder received All-District Honorable Mention honors, and Morgan Langmack and Natalie Snyder were Second-Team All-Conference selections.

Special thanks went to parents, Assistant Coach George Menke, Chad Dallman for his help with the fieldwork, Chris Snyder for keeping book, and Sabrina Steffen, student manager extraordinaire.

Lakeview FFA Continues to

Four freshmen won free FFA jackets sponsored by the Nebraska FFA Foundation. These lucky kids are pictured. They are, left to right, **Morgan Langmack, Austin Foltz, Layne Janssen, and Megan Coan.** To receive a jacket, students completed an essay-based application about why they deserved a jacket.

On September 26th, the freshman FFA members took a trip to Central Community College for Greenhand Leadership Day. There, they learned about leadership opportunities in FFA and career opportunities in Ag Education. Attending for the Lakeview FFA Chapter were the following Greenhands.

Macy Bakenus
Layne Janssen
Kalab Lusche

Megan Coan
Tate Janssen
Austin Maurer

Austin Foltz
Morgan Langmack
Jordan Morse

Kyle Grotelueschen
Kyle Lindstrom
Trevor Schultz

October 2nd saw sophomore and junior Lakeview FFA members traveling to Northeast Community College in Norfolk for the annual Impact Workshop. There students participated in workshops, lead by the Nebraska State FFA Officers. The primary purpose of these workshops was focused on leadership, communication and team work. Students that attended can be found below:

Out of Town Tours

Our annual out of town industry tours will be held Wednesday, October 17. Members will tour the Omaha World Herald and Boys Town. The tours will showcase what

these businesses do and what it takes to be successful. We thank the Omaha World Herald and Boys Town for taking time out of their busy schedules to let our students learn valuable information and see first hand how these businesses are run.

Officers Attend Training

Lakeview's officers and adviser attended an action-packed day at the Fall Leadership Conference held at the Holiday Inn Convention Center, Omaha, on Wednesday, September 26. In addition to hearing an outstanding keynote speaker, Mr. Patrick George, each officer attended the state officer of the same office and learned the duties of their position. Additionally, this year the Lakeview Future Business Leaders of America officer team was invited to host a workshop on recruitment. The officer team shared ideas that chapters could take back home to get their student body fired about joining Future Business Leaders of America! Attendees learned recruitment tips and tricks to set their membership numbers ablaze! Their workshop title was: Start a Fire, Feed the Flames, Ignite Membership! It was indeed an honor to be asked to present and was an excellent way for all officers to gain speaking and presenting experience. All agreed it was a worthwhile day full of fresh ideas to bring back to our chapter.

Junior High Dance Fun for All!

On Saturday, October 6, Lakeview Junior High students were treated to a dance. Students enjoyed busting a move to the tunes provided by Spidey, aka FBLA Webmaster, Chase Gronenthal. Many thanks to all members and officers for their assistance and to junior high students for attending.

NFLC Quickly Approaching

Sixty FBLA members have expressed interest in attending the National Fall Leadership Conference to be held in Denver, CO, on November 8-11. Members will be staying at the Sheraton Denver and will be treated to a variety of nationally known keynote speakers, as well as a plethora of helpful workshops. Additionally, members will be touring the Hammonds Candy Factory as well as the Sports Authority Mile High Stadium. Watch the next newsletter for all the exciting happenings.

T-Shirts Ready to Order

The t-shirt committee has been letting their creative juices flow, and together have come up with an awesome idea for this year's t-shirt. The t-shirt theme will be "Lakeview Future Business Leaders of America Bringing the Heat". Member's signatures will be featured in a flame of fire. Orders will be placed through October 24. We are offering short and long sleeve tees and hooded sweatshirts.

Movies for Membership

Lakeview FBLA unveiled a brand new event: Movies for Membership. Members voted for the movie they wanted shown, and Friday, October 5 Avengers was broadcast on the west gym wall with amazing surround sound. Members got in free and received treats with canned food as payment. Thanks to all who attended! Looks like it will become an annual event!

Annual Hayride at Rodehorst Ranch

The 18th annual hayride is scheduled for Saturday, October 27. Members will enjoy the Hayrack ride, pizza, and relays.

Upcoming Events

October 17 -	Out of Town Industry Tours — Omaha
October 22 -	Pizza Ranch Tip Night 5:00-8:00
November 3 -	Hayrack Ride/Pizza/Relays — 5:00p.m.

November 2012

Seniors...it's time to start the admissions process!

College may still seem far off, but admission deadlines will start hitting this fall. Follow these steps to stay on track:

- **Contact your top colleges NOW** and ask about deadlines and the process for applying for admission, college-based scholarships and financial aid.
- **Apply to your top 3-4 colleges before the deadline.** Along with your application, the colleges will require your high school transcript, class rank, GPA and ACT/SAT score. They may also request a list of your extracurricular activities, letters of recommendation, an essay, and an interview.
- **Update your *Activities Resume*.** Because extracurricular activities are an important part of the admissions application, keep them up-to-date by using the [Activities Resume](#) at [My.EducationQuest.org](#).
- **Contact your admissions representative periodically** to stay informed about deadlines and campus activities.
- **Attend a Financial Aid Program to learn college funding options** — Juniors and seniors - to learn about financial aid and other college funding options, attend an EducationQuest **Financial Aid Program** with your parents or an adult who can help you with college planning. Find dates and locations in the [Upcoming Events section](#) at [EducationQuest.org](#).

Juniors...start researching colleges

If you can narrow your choices by the end of your junior year, your senior year will be less stressful. Here's how to get started:

- **Review [College Profiles](#)** at [EducationQuest.org](#) for information about colleges in Nebraska and across the country. If you're interested in going to an out-of-state school, check out the Midwest Student Exchange Program at <http://msep.mhec.org>.

- **Meet with college representatives** who visit your school, and then visit the websites of the colleges that interest you to learn more about the schools.
- Once you've narrowed your choices, **schedule campus visits**. Try to visit in the spring of your junior year while colleges are still in session.

November "To Do" List

Juniors and seniors...complete these tasks in November to stay on the path to college!

___ Seniors, [register](#) by November 2 for the December 8 ACT.

___ Seniors, [register](#) by November 1 for the December 1 SAT.

___ Apply for scholarships. Visit free sites such as [ScholarshipQuest](#) at [My.EducationQuest.org](#).

___ Meet with college representatives who visit your school.

Native American Day!

Friday, Sept. 28, we had a special visitor to our school. Roger Seefeld, a local archaeologist, shared many Native American artifacts that he has found throughout Nebraska. Arrowheads, bones, pottery, and tools made up his personal collection of items he has found on digs. The students listened as he shared where and how the different items were found. Then they were able to get a closer look and ask questions about the fascinating artifacts. Thank you to Roger for sharing his wonderful collection with the students at Platte Center Elementary.

Your Vote Counts!!

Diane Olmer, Platte County Election Commissioner, recently visited our school to talk to the students about the election process. She showed the students the ballot that will be used on the Nov. 6 election in Platte Center. It included candidates for Village Board of Platte Center and Lakeview School Board, so some students were able to see their parents' names on the ballot. She also brought a voting booth, a voting sleeve, and a ballot box. It was stressed that the rules are strictly followed throughout the election process and that every person's vote is confidential.

Mrs. Olmer explained what the requirements are to be a registered voter: the voter needs to be at least eighteen and a U.S. citizen. Many interesting questions were asked and answered after her presentation. Mrs. Olmer encouraged the students to vote when they reach the legal voting age and to go with their parents to watch them vote.

Stand Together

On Thursday, September 27, the students and staff enjoy an assembly entitled "Stand Together." It was presented on Huge 3-Screen Multi-Media Screens with lots of animated characters, famous young actors and kid-friendly music. The main theme was "bullying" and things students can do to stop a bully from hurting them or their friends. The assembly had a powerful message about each child being unique and special.

At Platte Center Elementary we strive to have respectful, caring students who work together to create a positive atmosphere in the classrooms and on the playground. We continue to talk to the students about bullying both as the bully and the victim. Our hope is that all students feel safe coming to school daily.

VEHICLE DAY

The Platte Center and Shell Creek first graders were fortunate to be a part of the School/Business Partnership Program. On the afternoon of September 19, they went to Ag Park for Vehicle Day 2012. There were twenty five different vehicles for them to explore. It was fun to learn what each vehicle was used for and how it worked. It was an educational day and lots of fun too. These are some of the Platte Center favorites:

Junior-train

Blake-Bookmobile and garbage truck

Hunter-vehicle used to clean out the pipes

Diego-fire truck

Ben-the boat from NPPD

Yordi-tree trimmer

Adrian-tree trimmer

Taylor-Bookmobile and tree trimmer

Jane-ambulance

Rieley-mail truck

William-ambulance, boat, and sewer pipe cleaner

Chelsey-fire truck

Emily-fire truck

Victor-fire truck

Judianne-fire truck

Estrella-tree trimmer

ACCELERATED READER BOOK CAMP KICKOFF

ATTENTION! Members of the 175th Transportation Company were on hand to help students kick off this year's reading "Book Camp". Students were encouraged to be disciplined in their efforts to read more books! National Guard Sergeant Brenda Erickson led the students in boot camp cadences, formations and exercises. Students were able to view a National Guard Humvee and were given special medals to use as reminders to read, read, read!

Platte Center Student Council News

Student Council meets twice a month for a lunch-time meeting. During the month of October several activities were orchestrated: On October 10th StuCo members, Mr. Schrunk and Ms. Hanson donned yellow vests, gloves and heavy duty plastic bags, spending an hour picking up trash in ditches leading into Platte Center. Road-side Pickup is the Student Council's contribution towards a cleaner environment. StuCo is also responsible for "Red Ribbon Week", celebrated October 22-26. Each day the members chose a theme promoting drug awareness. Here are the themes that were chosen:

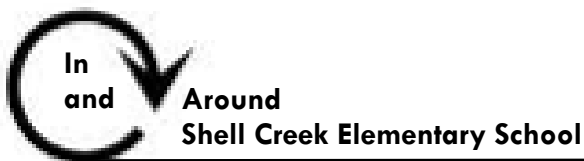

Monday ~ Pajama Day ~ Wear pajamas or sleep wear appropriate for school

Tuesday ~ Crazy wig, hair, hat day ~ Some drugs make a person feel crazy, but we do not want to live that way!

Wednesday ~ Bright Colors or Camouflage Day ~ Being cheery and positive is better than hiding behind drugs!

Thursday ~ Beach Day ~ Drugs do not make you feel good, but a day with friends at the beach does! (no swimwear, please)

Friday ~ Favorite Team or School Spirit Day ~ Wear clothing representing your favorite team or your blue/white school colors to be proud of our **Drug Free School!!!**

Shell Creek Junior Fire Patrol

Junior Fire Patrol has begun! Several children are enrolled. It is a fantastic program that helps the children become aware of fire hazards and how to save lives in case of a fire.

Junior Fire Patrol began on Oct. 11 with the parade. This year's members are Marco Gonzalez, Chase Houdesheldt, Cole Langmack, Kallie Langmack, Adam Nelson, Kienan Prorok, Hailey Reynoldson, Karrin Sieben, Delaney Snyder, Emily Stephenson, Dawson Wurdeman, Ashley Behlen, Landon Bignell, Macy Blaser, Jocelyn Bloebaum, Andrew Brockhaus, Aaron Chin, Austin Ferris, Meera Lange, Kaylee Olmer, Evan Tessendorf, and Travis Vetic. The captains are Cole Langmack in 5Z and Landon Bignell in 5T. Lieutenants are Delaney Synder and Kienan Prorok in 5Z and Austin Ferris and Meera Lange in 5T.

The weekend before the event, many of the children met at the home of Chase Houdesheldt to begin the task of decorating the float. Mr. Houdesheldt graciously cut out flames from wood, painted them, and then attached them to a flatbed for the parade. The children also made many posters and chants for the parade. Chase Houdesheldt even had a loudspeaker to shout out safety messages to the crowd, and Mr. and Mrs. Houdesheldt drove the float! *A huge thank you goes out to them!!!* Many of the kids walked along side the float tossing candy to the people watching.

The night of the parade was really cold, but was a success. Last year we won 2nd place in the parade. This group worked hard to try to win that first place trophy! Time will tell!

The Haunting Continues . . .

Early in October the Fifth Graders took part in a Shell Creek tradition started four years ago by Mrs. Geri Wemhoff, a Shell Creek staff member. Mrs. Wemhoff loves to decorate for all the holidays and found a ghost that she knew students would love to make. Over the years she has lead over 100 students through the process of creating Halloween ghosts using recycled materials and cheesecloth. Working with a partner, this year's group dipped and draped glue soaked cheesecloth over plastic bag shaped figures. After allowing the creations to dry over night, the students then personalized their ghosts with faces and accessories. Mrs. Wemhoff set up tables covered with spider webs and orange lights so that the projects could be shared with the entire school. The students, Mrs. Terry, and Mrs. Zabawa thank her for her time, effort, and patience. The tradition lives on!

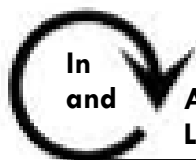

ANTI-BULLING PROGRAM

Youth For Christ and Back to Basics Coalition partnered with East Central Health Department, Columbus Police Department, T4C, and Platte Valley Diversion program to present an anti-bullying program designed to inspire, motivate, and challenge young people to make healthy choices and develop a strong character.

Dictionaries!

Shell Creek third graders received dictionaries through a program sponsored by the Columbus Kiwanis Club. This program was created to provide dictionaries for students to help with their homework and their school work.

Amazing Race 2012

The PTO's of Platte Center and Shell Creek Elementary schools hosted an Amazing Race Challenge for the four Lakeview feeder schools on Sept. 22, 2012. The weather was just as amazing as the race itself! Many people came out to enjoy the day by participating in the race, helping with the games, and preparing the hotdog social after the race. The race was held on Lakeview High School property.

There were 62 students that participated; students were put into five teams of K-2nd grade, and six teams of 3-6th grade. The teams were given clues to find the location where their challenge would be. Upon completing each challenge, they were given another clue to find the next destination and next challenge to complete. The younger students were given six clues and challenges and the older students received 10. The Student Council from LHS provided each of the teams with a Junior High or High School Student to run the course with them and help where needed. A big "Thank You" to those students, we could not have done it without you! During the hot dog social, a Bake Sale sponsored by Audrey Blaser and LHS Student Council members was set up to provide goodies for all those hungry racers.

Many items were donated to help make the day successful: the hotdogs by Wimmers, chips by Frito Lay (Jake Brabec), paper products by Central Valley Ag, buns and condiments by Super Saver and HyVee, prizes by Westbrook Lanes and Runza, McDonalds Orange Drink, and game supplies from Arby's.

Many volunteers helped make this day possible! Event Coordinators were Holly Anderson, Kayla Berkeland, Heather Hrouda, Jolene Neuhalfen, Amanda Schwarz, Crystal Klug and Holly Sprunk. If you see these ladies make sure to tell them thanks for everything they did to make this event happen! People who assisted with games and the hot dogs were: Nancy Briggs, Susan Olmer, Bonnie Scholl, Ms. Kjergaard, Sandy Bennett, Ms. Seiler, Keri Hobza, Jason and Kelli Rosenkranz, Amy Blaser, Bev Holmberg, Kelli Schaad, Mrs. Osten, Mrs. Linder, Amber Pilakouski, Russ Hrouda, Paula Lange, and Mr. and Mrs. Mlinar. Several other parents stepped in to help throughout the afternoon.

The PTO appreciates all of the help! This event took a lot of people to make it run successfully. With the great individuals in our district, we made it happen! Thanks for all the donations, participation and help!
