From The Superintendent’s Desk

From the Desk of Russ Freeman

As I write this article for the newsletter it is raining outside. As we need the moisture, the rain is a blessing. My only hope is that the temperatures continue to stay above freezing so that travel remains safe for everyone. Even though it is still winter, we can now see that spring is around the corner. Hopefully, the remaining days of winter will provide the moisture that we need for the spring and summer, but we can continue to avoid any major winter storms.

CALENDAR CHANGE

We received word a little over one month ago that we would be hosting the Invitational Track Meet on April 27. This is the date of the old Lakeview Invite that we currently rotate hosting with David City Aquinas. Since they host two other meets this year, we will be hosting the invitational. For us to get enough workers and have enough parking, the junior-senior high school will dismiss at approximately noon on April 27. The elementary schools will run their normal schedule. If you have questions about the calendar change please contact any building principal or myself. If you would like to help at the track meet, please contact Mr. Shadley.

BOARD MEETING

At the January board meeting many items were discussed. I will try to communicate some of those items in this section of this article.

Boundary Lines: The board discussed changing the elementary boundary lines prior to the next school year. This item will be discussed at the March 12 board meeting and board members are looking for input from the Lakeview patrons. It was discussed to change the elementary boundary line to 63rd Street. Those living west of that road would attend Platte Center Elementary and those east of that road would attend Shell Creek Elementary. Those living in the old Sunrise Elementary District would continue to be transported to either Platte Center or Shell Creek based on elementary class size. Current residents would be grandfathered into their current school district unless they request a change. If you have input or questions on moving the elementary boundary lines, please contact any of the school board members, the school administration or plan to attend the March 12 meeting to share your thoughts.

Bussing: The board voted to continue running a shuttle bus from Country View and County Mobile to the elementary schools for another year. This will help in the attempt to even out the elementary classroom numbers at the two elementary schools.

Projects: The board voted to move forward with finishing the tuck-pointing of the Lakeview building, refinishing

Oh, The Places They Can Go!

by Steve Borer Principal

Here at Lakeview Jr.-Sr. High School we are making a determined effort to provide our students with career and college experiences at an early age. I am convinced if students have these opportunities at an early age they are going to have a better idea of what they want to be and where they want to go in their life.

When students begin to think about these career opportunities they begin to formulate a mental map of where they want to go and how they will get there. This type of thinking leads to a relevant education for our students and it gives them a purpose or a goal and purpose gives way to motivation. This type of guidance and exploration is a vital component to a well balanced education.

the east gym floor and cleaning of the west well. Other projects are being considered, but those approved needed to be scheduled so that they will cause the least conflict with the building use.

**Purchase:** The board approved the purchase of 35 Apple laptop computers and 2 desktop computers. These purchases will replace current computers used by staff that are beginning to have issues in running the current software needed to fully utilize the machines. The computers being replaced are on average six years old or older.

**ELEMENTARY PROJECT**

The Shell Creek Addition/Renovation Project continues to move forward. The weather continues to be favorable and this is allowing outside work to continue. A brief update is as follows:

**East Side:**
- The block walls are complete.
- Brick work is progressing at a good pace.
- Windows are being installed.
- Duct work is being installed, as well as being tested.

**West Side:**
- The demolition of the kitchen, hallway and restrooms should be totally complete by the time you read this article.
- The foundations on the west side are complete.
- Block work continues as the weather permits.

Some structural steel is set in place.

We continue to thank the parents, students and staff for their patience as this project moves forward. If you have questions, please contact Mr. Mlinar, Mr. Runge or myself.

**(Superintendent — Continued from page 1)**

In 7th and 8th grade Lakeview students get the opportunity to take exploratory classes. These classes give students a chance to explore their interests and enhance their knowledge and skills in areas they may not normally experience. These exploratory experiences help our students assess their own skills and interests and begin to develop the map for their next stage of High School education.

Included in the 7th grade exploratory rotation is a class titled Careers. In the Careers class, 7th graders explore careers of interest, take interest inventories and take skills assessments. All of which help them form a better idea of “the places they can go”, the future is theirs and at Lakeview Jr.-Sr. High School we hope to provide opportunities and experiences that help guide students to their future career.

A part of our career curriculum sequence at Lakeview Jr. High School each year our 8th graders attend the Career Opportunities Fair at Central Community College. The Career Opportunity Fair is scheduled for **March 22nd.**

The Career Fair consists of two main events:
   There are several different businesses representing various career clusters at the event. These businesses will present activities that are hands-on and students get the opportunity to experience various careers in an interactive manner.

As students move from Junior High to High School, students are introduced to the “soft skills” necessary for a successful life and career. In 9th grade English Ms. Givens partners with the Platte County Extension agency and teaches a grant supported program where our students cover a curriculum from the popular book titled “Seven Habits of Highly Effective Teens.” This curriculum is beneficial for helping students understand the “soft skills” needed to work with people. Although the “hard skills” may help people get a job, it will be the “soft skills” that will help them keep their job and gain promotions.

To complete the curriculum sequence in Career education at Lakeview, students in the 11th grade again have the opportunity to take a Career Exploration class. During this time in their High School experience they should have better idea of where they want to go in the future and the Careers class gives them one more chance to solidify those decisions or continue exploring options before making lofty college or career choices their senior year.

We are confident that these educational experiences are a tremendous benefit for our students, and we are excited that they have the chance to participate in these events. If you have any questions, please feel free to give me a call.

In case of Inclement Weather...

If a decision is made to close school or to have a late start, the announcement will be broadcast on KTTT, KKOT, KJNK, KZ100, KLIR, US92 radio stations and KOLN-TV, KMTV, and WOWT. After checking with the National Weather Service, the county roads crew, the Lakeview maintenance staff, and other sources, the Superintendent of Schools will make the decision by approximately 7:00 a.m. Please refer to the news media listed above for up to date information.

Keep in mind that new state law requires children be 5 years old by July 31.

If you are unable to attend on this date or if your child does not plan to attend kindergarten in the Lakeview district the Fall of 2012, please contact Traci Uldrich at 402-564-8518.

Kindergarten registration for the 2012-2013 school year will be held at the Lakeview Community Schools District Office (the high school building), on **Friday, March 16th** from 8:00-11:30 a.m.

Please bring your child’s state certified birth certificate (no copies), current immunization records, and **two** proofs of residency — (1) A current bill with parent(s) name and physical address **AND** (2) Either a lease agreement, property tax statement or mortgage statement. Your child does not need to attend.

A special day, Friday, April 13th, 2012, has been planned for your child to visit a kindergarten room. Your child will receive an invitation at a later date.

If at all possible, refrain from calling the school. In addition to the broadcasts listed above, the Lakeview Community Schools will also be using SCHOOLREACH. When you answer the phone from Lakeview Community Schools, please be sure to say “Hello” and wait a few seconds and the automated message should begin. There is an option to listen to the English message and an option for the Spanish message. If you do not receive a SCHOOLREACH call, then we do not have a working number on file.

Parents: You are the ones who must ultimately decide if conditions are safe for your child to travel to school during questionable weather. The school will respect your decision to keep your child home and will assist him/her in getting missed schoolwork made up.

March is Youth Art Month!
The 2012 Youth Art Month will be held this year from March 7 - April 7, 2012. It will be held at the Columbus Art Gallery located in the lower level of the Columbus Public Library. Gallery hours are weekdays noon to 5:00 and Saturdays 1:30 - 4:30 and will be up from March 7 to April 7.

Ten art pieces from Lakeview Junior and Senior High will be included in the exhibit along with art work from the surrounding schools.

Our Lakeview students will have some terrific art work there so don't miss out!

Lakeview Speech Team has successful season

The Lakeview Speech team commenced the 2012 season with success, placing 5th at Pierce, 2nd at Scotus, and 3rd at Logan View.

During this stretch, three students were crowned champions at their respective events. Lane Grimes won extemporaneous speaking at the Scotus Invitational; Carol Crabtree was the persuasive speaking champion at Logan View; and Brandon Campbell won entertainment speaking at both the Scotus and Logan View tournaments. Other medalists in the first half of the season were Brittany Blaser, Tony Blaser, Amy Chin, Whitney Coop, Brian Crabtree, Josie Grimes, Austin Klug, Marissa Peters, and Amy Roe.

The team closes the regular season with an invitational at Battle Creek on February 18, and then will compete in the Central Conference tournament in Central City on February 24 and the District B-4 tournament at Scotus on March 12th.

New Sports and Activity Website

Keep up-to-date with our new sports and activity schedules at rschoolToday. This site is easy to navigate and is very user friendly. Go to the Lakeview website, www.lakeviewcs.esu7.org, click on the Activities tab on the right and go to Schedules on the drop-down menu. This will take you to the rschoolToday website.

You can also go to Senior High Athletics under the Schedule heading and then click on the Online Parent User Guide Link. There you can sign up for text and e-mail alerts.

Junior High Choir to Host Talent Show

The Junior High Choir will be hosting a Talent Show on Tuesday, February 28th, at 7:00 p.m. in the East Gym. There will be a high school and junior high division for the contest. Approximately 23 acts are signed up to compete in the contest that features a $25.00 first prize for each division.

The admission into the Talent Show is $1.00. Tickets may be purchased in advance or at the door. Concessions will also be available. Proceeds will be given to a charitable organization that is yet to be determined.

Students have been busy preparing their acts for the show and include a variety of talents such as singing, dancing, comedy, rap, and guitar just to mention a few.

We hope to see all of you in attendance.

Viking Voices Progressive Dinner Raffle Huge Success

Thank you to all who supported the Viking Voices in their recent Progressive Dinner Raffle. The event was a huge success. The three winners were: Abbey Humlicek, Pam Gronenthal, & Rita Wilke. Each winner invited 5 of their friends to accompany them on a progressive dinner. Participants were each presented with corsages or boutonnieres, and a carpeted runway to their awaiting van which transported them to the locations serving the courses of the meal. Chauffeurs for the evening were Frank Bohrer and Bob Jaster.

Dinner #1 was hosted by Mr. & Mrs. Russ Freeman for appetizers and soup, and Mr. & Mrs. Roger Goedeken for the main course. Dinner #2 was hosted by Mr. & Mrs. Mark Wurdeman for appetizers and salad, and Mr. & Mrs. Dan Egger for the main course. Dinner #3 was hosted by Mr. & Mrs. Ryan Went for appetizers and soup, and Mr. & Mrs. Brian Kapels for the main course. Viking Voices students were on hand at each location helping the hosts.

At the conclusion of the evening all participants gathered at the lodge of Mr. & Mrs. Bruce Crabtree where they enjoyed dessert and a sneak peak performance of the upcoming Viking Voices Dinner Concert. Mr. & Mrs. Todd Maurer assisted with the dessert course. The funds raised by the raffle will be used for the Viking Voices trip to Branson in May.

Again, thank you to all who purchased raffle tickets and to the families that hosted the courses of the meal.

**One Week of Total Sacrifice for One Night of Glory!**
State Officer Visit

On January 12th, FBLA State Secretary, Shyanne Thompson, and FBLA State Parliamentarian, Trevor Sorensen, came to Lakeview to speak to our members. After a quick snack of pizza and a short meeting Shyanne and Trevor joined State President, Amy Chin as they presented a workshop on being a state officer. The night was extremely fun and enjoyed by all who attended.

WSC Business Competition

The 2012 Wayne State College Business Competition Day will be held April 18 on the WSC Campus. Members will be competing in a variety of competitions. We are hoping for as good or better results this year. Stay tuned for next month’s newsletter for complete results.

SLC Approaching

FBLA delegates are anxiously awaiting and preparing for the 50th annual State Leadership Conference to be held March 29-31 at the Ramada Plaza Hotel and Convention Center in Omaha. In addition to individual and team events, chapter awards and scholarships have been applied for. Stay tuned for upcoming month’s newsletter for results from this exciting conference.

Elections to Be Held

Unbelievably, it is that time again! Members need to consider running for a local chapter office for the next school year. Seven offices will need to be filled and elections will be held at the monthly meeting in April. Are you officer material?

Senior Scholarships Available

Each year, Lakeview FBLA sponsors up to three scholarships for members planning on attending college and majoring in a business-related field. Seniors interested need to pick up an application from Mrs. Went, get a copy of their transcript from Mrs. Lyons and get one letter of recommendation. These applications are due by April 16.

Amigos/MADD Fundraiser

The Amigos/MADD Fundraiser has been scheduled for Thursday, March 1. Please plan to bring the family in, or drive-thru for your evening meal. 15% of the sales Amigos makes between the hours of 5 and 8 will be donated to us, which we in turn will donate to MADD.

Helping Hands/Center for Survivors

Look at all those hands! That’s right folks; it’s time once again to thank all of those who donated to the FBLA’s annual helping hands campaign. Thanks to the generosity of those who attend and work at Lakeview we were able to raise $1022 for the Center for Survivors! The winners of the homeroom competition were: 1st Mrs. Rodehorst, 2nd Mr. Bargen, and honorable mention to Viking times Lyon, Higgs, Went and Goedeken. We proudly displayed our “winnings” for the Center at the home game against February 11th ran all the way gym! Let’s big hand for who helped to raise the money!

What happens after you submit the FAFSA?

If you’re a college-bound senior, you and your parents may have already submitted the FAFSA (Free Application for Federal Student Aid) – or will soon do so. Here’s what will happen next:

Expect your SAR — You will receive a Student Aid Report (SAR) after you submit the FAFSA. This acknowledges that your form was processed and can be used to make corrections to your FAFSA. You’ll need the PIN you used to file the FAFSA to make corrections online.

Did you use IRS Data Retrieval? — If you did not use the new IRS Data Retrieval process when you filed your FAFSA, EducationQuest encourages you to “correct your FAFSA” and use the IRS Data Retrieval process to input income tax data for you and your parents. If you don’t use the IRS Data Retrieval process, your college(s) may require you to provide a copy of your IRS tax transcript.

Expect a financial aid award notification — The colleges you listed on the FAFSA will send you a financial aid award notification (by mail or email) detailing the assistance they’re offering. They may offer a combination of scholarships, grants, work-study and student loans.

Compare award notifications — Compare award notifications from the colleges. Calculate your out-of-pocket expenses for each school to get the whole financial picture. Use the Award Letter Comparison Calculator at EducationQuest.org to determine which school offers the best financial aid package. Respond to each notification keeping in mind that most students accept all award packages until they make their final college selection.

Keep looking for scholarships! — Many local, state and national scholarships have deadlines in March, April and May. Talk to your guidance counselor about scholarships that meet your criteria. For local and state scholarships, visit ScholarshipQuest at EducationQuest.org.

Juniors: It’s time to start your campus visits

Start looking at colleges your junior year so you can narrow your choices by the time you’re a senior. If your school has a spring break, that’s a perfect time to schedule a campus visit. Follow these tips:

Explore your career interests. Before you determine which colleges you want to visit, think about your career interests and then research colleges that fit your interests. Ask your guidance counselor about career assessment tools at your school. To find colleges that offer your desired major, see the Index of Majors at EducationQuest.org.

Check out college websites. You’ll find admission requirements, academic and social information, and campus photos or a virtual tour.

Visit your top college choices while the schools are in session. You won’t get the true flavor of the school during breaks or finals week.

Schedule your visits at least two weeks in advance. Ask for appointments with an admissions representative, financial aid counselor, and a faculty member in your area of interest.

Talk to a faculty member about upper-level classes in your anticipated major. This will help you understand the coursework that will be required and the degree of difficulty.

Ask the financial aid counselor how the college may offset tuition costs and about college-based scholarship applications and deadlines.

Helpful resources at EducationQuest.org

Check out these free resources and tools at EducationQuest.org to help you find the college that’s the best fit for you:

- “Exploring Careers” section links you to career assessment resources.
- “Selecting a College” section walks you through steps you should take during the college search process.
- “About Nebraska Colleges” section provides a chart with cost and contact information for every college in Nebraska.

College Profiles has information about colleges in Nebraska and across the country.

“Find the Right Fit” video follows two high school seniors as they search for colleges that fit their career interests.

Cost is $25 made to LHS.
COMMUNITY NIGHT AT CHRIST LUTHERAN SCHOOL

On February 9th Christ Lutheran School implemented a Community Night. The students in preschool through 2nd grade built cars that community workers would use. The vehicles at the school were awesome! There was a dump truck, combine, tractor, semi, tow truck and a few other vehicles.

The 3rd through 5th grade students interviewed a variety of businesses in the Columbus area. They then built a replica of the business. A few of the area businesses came and stood by their building with the student.

The 6th through 8th grade students interviewed individuals about their occupation. They then created a display that told about the occupation. A few of their interviewees also attended the event.

It was really great to see the community of Columbus in our gym. The families and church members attended the event.

STUDENTS BRING UP THEIR GRADES

The Bug Award (Bringing Up Grades) recipients for the second quarter were Jenna S. (1st), Brett J. and Aaron M. (4th), Brock F. (5th), Logan Z. (6th) and Kaleb L. (8th) The award is presented by Mr. Freeman on behalf of Columbus Kiwannis.

LUTHERAN EDUCATION WEEK

The students will be participating in Lutheran Education Week the first week of March. It will begin with a pancake supper March 4th. The public is welcome to attend.

Elementary Music Classes Study Composer

The 2nd through 6th grade elementary students at Shell Creek and Platte Center Elementary schools have been studying the composer Georges Bizet. Bizet’s most famous musical work is the opera “Carmen”. Not only did Bizet have a passion for music, he also loved sweets, especially chocolate. Mrs. Goede-ken’s music students recently enjoyed dipping several different snacks into a chocolate fountain while discussing Bizet and his opera “Carmen”.

Caught Being Good!

Congratulations to the following student who were “caught being good” in February: Seth Stevens, Leslie Hernandez, Justin Mohrmann, Deirha Trujillo, Andres Rosales, America Rodriguez, Verenice Hernandez, Allison Jaixen, Angel Alonzo, Kaleb Buck, Laura Cervantes Reyes, Luis Perez Jimenez, Sami Garretson, and Savanna Denton.

Grade 3 Market Day

Mr. Specht’s 3rd grade class studied about money in their reading class. To learn more about money and profits, the students created several businesses and sold their products on Friday, February 3rd. The other students in the school “shopped” at the various businesses.

Some of the items being sold were pizza, popcorn, pencils, and cookies.

The plans are to donate some of the profits to “Paws and Claus” and use the other profits to pay back the debt from the business expenses.

The 3rd grade students learned a lot about running a business from this fun project!

Box Top Contest Held

The race was on! Which classroom could collect the most “Box Tops for Education” labels? Of course, there was an incentive: The winning grade received a pizza party!

With only 11 students in the class, the 6th grade pulled off a dazzling victory! A total of 2,360 labels were collected with an amazing 644 brought in by the 6th graders. 2nd grade came in a close 2nd with 608.

Congratulations 6th Grade and thank you to everyone who contributed to the contest.

1st Semester BUG Award Winners

The Columbus Kiwanas support the B.U.G. (Bringing Up Grades) program. Mr. Freeman presented awards to the following students for their efforts to bring up their grades: 1st grade—Grace Berkeland, Damon Hanson, Rieley Holyoak, Alfredo Payan-Espinio and Emily Tunink; 2nd Grade—Madison Vogt, Alexa Martinez, Calvin Wemhoff, Justin Mohrmann and Leslie Hernandez; 3rd Grade—Alex Campos, Kevin Domiguez, Ila Holyoak, and America Rodriguez; 4th Grade—Jordan Allbee, Lisbet Rodriguez, Austin Rollman, and Endy Leon; 5th Grade—Chris Jover, Dylan Johnson, Vanessa Porras, Caitlin Buck, Savanna Denton and Kolton Zurcher; 6th Grade—Crece Mireles and Marlon Sanchez.

Officer Tony Miller is instructing 5th and 6th graders at Platte Center Elementary about Gang Resistance Education And Training (G.R.E.A.T.).

This is a gang and violence prevention program built around school-based, law enforcement officer-instructed classroom curricula. The program is intended as an immunization against delinquency, youth violence, and gang membership for children in the years immediately before the prime ages for introduction into gangs and delinquent behavior.

G.R.E.A.T. has developed partnerships with nationally recognized organizations, such as the Boys & Girls Clubs of America and the National Association of Police Athletic Leagues. These partnerships encourage positive relationships among the community, parents, school, and law enforcement officers.

G.R.E.A.T. lessons focus on providing life skills to students to help them avoid using delinquent behavior and violence to solve problems. The G.R.E.A.T. Program offers a continuum of components for students and their families.

Thank you, Officer Miller, for providing this important training to our students!
The Kids on The Block…

On Wednesday, January 25, “The Kids on the Block” presented a puppet show to Shell Creek students. “The Kids on the Block” features life size puppets who, through the magic of live puppet theatre, teach children and adults about disabilities, medical and educational differences, and social concerns. The program featured two puppets depicting what it is like to have a family member who is autistic. The program was sponsored by the Nebraska Elks association.

Ms. Livermore’s 2nd Grade class celebrated their 100th day in school on February 1st. Each student was responsible for bringing 100 pieces of a snack item and then combined all of the snacks and made trail mix.

Shell Creek students were treated to goodies provided by parents. Cards were opened, treats were eaten, games were played, and fun was had by everyone.
