Voyager

From The Superintendent's Desk — By Mr. Freeman

In the last week we have went from no snow to having 6+ inches on the ground with more snow possible for the next several days. We now have missed 3 full days of school due to weather situations. If we continue to have more snow, which causes delays or cancelation of school, please remember that you must make the decision if it is safe in your area for your son or daughter to travel to school. The school will respect your decision to keep your child at home or to have them arrive late and will assist him/her in getting missed schoolwork made up.

ENERGY SAVINGS

Some of the projects involving new lighting at Lakeview and Platte Center and the new HVAC system at Shell Creek have qualified the district for rebates on the products purchased. We have already received one rebate for the new lighting in the shop area and at Platte Center. We anticipate receiving at least one more rebate for the lighting installed in the Lakeview classrooms and for the HVAC system at Shell Creek. We thank for Loup Power and Cornhusker Power for helping us with acquiring these rebates.

DISTRICT PROJECTS

At the February board meeting two additional projects were approved. I will briefly explain those projects and give you an update on other projects in the following paragraphs.

Security: Several cameras have been installed at the Shell Creek elementary since the last newsletter. This addition plus the buzzer system to gain entrance has greatly improved the security at the elementary.

Lighting Project: The board approved moving ahead with the installation of more energy efficient lighting in the following areas: wood shop and wood shop classroom, agriculture classroom and office, music room & the English/journalism room. The new lighting in these areas will be more efficient and should also qualify for a small rebate. This project should begin at the end of March.

East Gym Ventilation: The board decided to move forward on a project to improve the ventilation in the east gym. This project will help with the air flow and on most days keep the temperature at a more reasonable level. This project will take place before the next school year, as it must be coordinated with scheduled activities.

Varsity Football Field: The improvement of the grass on the varsity football field is in progress. So far, a topographical survey has been professionally completed and soil samples have been sent to a lab specializing in turf issues. Once we get the results from the soil tests, we will continue to move forward with this project.

The Bullied, part 2

Steve Borer, Principal 7-12

This month's newsletter is the 2nd part of a 3 part series. In January's newsletter I wrote an article titled, **The Bully**, the article is still posted on my Principal's webpage if you would like to read it, the article provided helpful information on the topic of bullying. In the article I included a definition of bullying from Barbara Coloroso which states:

Bullying- is a conscious, willful and deliberate, hostile activity which is intended to harm.

Along with the definition of bullying, I included the **Four Markers of a Bully**. The Four Markers of a Bully are guidelines which help parents and teachers identify bullying. Also included in last month's article were guidelines on the differences between **Teasing** and **Taunt-**

ing. We all know in today's social culture there is a lot of sarcasm, teasing, trash talk and banter among friends and siblings. Most of the time when friends and siblings participate in this type of banter it is playful and it is not intended to harm. However, there are kids, (bullies or kids who are socially unaware) who use this type of sarcasm, trash talk and banter to be mean and harmful towards other students. The difficult task for us sometimes is trying to determine if it was playful teasing or harmful taunting. Understanding the differences of teasing and taunting can help parents, teachers and students deal with these situations. If you would like to learn more about Teasing and Taunting or review the Four Markers of a Bully, please go to Barbara Coloroso's website; www.kidsareworthit.com or go to my last month's article on the school webpage.

(See Principal — Continued on page 2)

(Superintendent — Continued from page 1)

Landscaping Work: There has been some discussion on what to do at the Shell Creek elementary to produce some grassy areas for recess and recreation and also what landscaping needs to be done to improve the appearance of the school site. This will be discussed in committee and then brought to the full board for approval.

PILOT EVALUATION

The Lakeview District, along with approximately 19 other school districts, is participating in the Nebraska pilot teacher and administrator evaluation program. This year we are learning about evaluation programs, adapting them to the Nebraska Teaching and Administrator Standards and learning about the process of implementing this program. At the end of this year a model evaluation process should be developed that

the Lakeview District will implement during the 2013-14 school year. As we learn more, I will try to keep you updated with information in the newsletter.

WALK FOR EDUCATION

It is planned to hold a fundraising activity for the Lakeview Education Foundation, which will involve students being involved in getting pledges for walking in a healthy and fun activity. The profits from this activity will be used for the scholarship fund that provides financial assistance for Lakeview graduates each year. This event is scheduled to happen on the afternoon of April 26. More information will be coming home with your students in the very near future.

COMMUNICATION

If you have any questions or concerns about anything in this article or in general, please contact me either at school (402-564-8518) or on my cell phone (402-677-0567).

(Principal — Continued from page 1)

Barbara Coloroso is considered to be a leading expert in bullying and speaks nationally on the topic. In last month's newsletter my main intent was to give you some good information on how to identify bullying. However, within the last article I did not cover the aftermath of bullying, when a child is bullied he or she is not always willing to share what has happened. Therefore, we as parents and teachers must be knowledgeable of how to identify – "The Bullied." This leaves us with the question: How can we as parents and teachers identify and support students and kids who are being bullied?

Again this information can be found at the above website, created by Barbara Coloroso. Coloroso states the one thing which all kids who are bullied have in common is that a bully or bullies have targeted them. Each bullied student was singled out to be the object of scorn, and thus the recipient of bullying, often times because he or she was different in some way. Coloroso goes even further and helps us identify possible warning signs from students who are being bullied:

The Warning Signs:

1. Shows an abrupt lack of interest in school, or refuses to go to school.

2. Takes an unusual route to school.
3. Suffers a drop in grades.
4. Withdraws from family and school activities.
5. Is overly hungry after school.
6. Steals money from home.
7. Makes a bee line to the bathroom when arriving home.
8. Is sad, sullen, angry, or scared after receiving a phone call or e-mail.
9. Does something out of character.
10. Has torn or missing clothes.
11. Uses derogatory or demeaning language when talking about peers.
12. Stops talking about peers and everyday activities.
13. Has physical injuries not consistent with explanation.
14. Has stomachaches, headaches, panic attacks, is unable to sleep, sleeps too much, is exhausted.
15. Plays alone, or prefers to hang with adults.

Some of these warning signs might be merely some characteristics of normal adolescents, but if you have concerns it may be something to keep a closer eye on or even read more about at the above website. Until next month – Go Vikings!

Alumni Volleyball

It's that time again! The
Alumni Volleyball
Tournament will be held at
9:00 am on Saturday

March 30, 2013 at Lakeview

High School. It is \$30.00 per player to
participate in this annual fundraiser for
Lakeview Volleyball. Winners receive

the money they paid to play back! Each player will receive a t-shirt for playing.
The day will begin with pool play followed by a single elimination tournament
based on the seeding from your pool. Enter a team with your classmates or if you
don't have enough for a full team, we will match you up with a team. We are
requesting that each alumni play with the classmates of their graduating year.
Alumni, spouses of alumni, and patrons of Lakeview are welcome to play. Your
help in contacting classmates will be greatly appreciated! All forms must be
received by March 9, 2013. Thank you for participating in this fun annual
tournament!

Keep up to date with the Lakeview Activity Website

Keep up-to-date with our sports and activity schedules at r-school Today. This site is easy to navigate and is very user friendly. Go to the Lakeview website, www.lakeviewcs.esu7.org, click on the Activities tab on the left and go to Sports Schedules on the drop-down menu. This will take

you to the r-school Today website.

Once on the r-school today website, you can sign up to be notified of any schedule changes. If you have any questions, please call the Athletic Office at the high school.

Education in Industry Day

Lakeview 7-12 teachers will have the opportunity to tour business in the community on March 15. Educators had the opportunity to select from three tour tracks. The Education in Industry Day will be an informative and educational experience for both business leaders and Columbus educators.

We are on the Web!

8th Grade Career Opportunity Fair @ CCC

Lakeview Community Schools 8th grade students will attend a Career Opportunity Fair, which is hosted by Central Community College and area businesses, on the morning of Wednesday, March 20th.

The students will be participating in Hands on Career Exploration Activities where businesses will demonstrate a career(s) in their business so the students see firsthand what it takes to do different jobs in our community. The 8th graders will also be learning about different Career & Life Skills such as Interviewing Techniques, Dressing for Success, the Job Application Process, and being Money Smart.

This Career Opportunity Fair is a chance for our students to learn about potential careers that they might be interested in, plus gain a better understanding of what it takes to obtain the job that they truly want.

What happens after you submit the FAFSA?

If you recently submitted your FAFSA (Free Application for Federal Student Aid), or will soon do so, here's what will happen next:

*Expect your SAR

You will receive a Student Aid Report (SAR) acknowledging that your form was processed. If necessary, you can use the SAR to make corrections to your FAFSA.

*Did you use IRS Data Retrieval?

If you did not use IRS Data Retrieval when you filed your FAFSA, EducationQuest encourages you to "correct your FAFSA" and use IRS Data Retrieval to input income tax data for you and your parents. [Review this flyer for instructions](#). If you don't use IRS Data Retrieval, your college(s) may require you to provide a copy of your IRS tax transcript.

*Expect a financial aid award notification

The colleges you listed on the FAFSA will send you a financial aid award notification (by mail or electronically) detailing the assistance they're offering. They may offer a combination of scholarships, grants, work-study and student loans. Respond to each notification (most students accept all award packages until they make their final college selection).

*Compare award notifications

Use the [Award Letter Comparison Calculator](#) at [EducationQuest.org](#) to determine which school offers the best financial aid package.

*Keep looking for scholarships!

Many local, state and national scholarships have deadlines in March, April and May. For local and state scholarships, visit [ScholarshipQuest](#) at [EducationQuest.org](#).

Juniors: It's time to start your campus visits

Start looking at colleges your junior year so you can narrow your choices by the time you're a senior. If your school has a spring break, that's a perfect time to schedule a campus visit. Follow these tips:

Explore your career interests. Before you determine which colleges you want to visit, think about your career interests and then research colleges that fit your interests.

Check out college websites. You'll find admission requirements, academic and social information, and campus photos or a virtual tour.

Schedule your visits at least two weeks in advance. Ask for appointments with an admissions representative, financial aid counselor, and a faculty member in your area of interest.

Visit your top college choices while the schools are in session. You won't get the true flavor of the school during breaks or finals week. [Here are questions to ask while on a campus visit](#).

Talk to a faculty member about upper-level classes in your anticipated major. This will help you understand the coursework that will be required and the degree of difficulty.

Ask the financial aid counselor how the college may offset tuition costs and about college-based scholarship applications and deadlines.

FBLA – Igniting Innovation

Volume 4, Issue 8 ***2012-2013 Candy Jimenez-Caballero, Reporter

State Officer Visit

On January 10th, FBLA State Reporter, Jake Albracht, and FBLA State Treasurer, Julie Slama, came to Lakeview to speak to our members. After a quick snack of pizza and a short meeting Jake and Julie they presented a workshop on being a state officer. The night was extremely fun and enjoyed by all who attended. Other chapters joining us that evening were Arlington and Stanton.

WSC Business Competition

The 2013 Wayne State College Business Competition Day will be held April 11 on the WSC Campus. Members will be competing in a variety of competitions. We are hoping for as good or better results this year. Stay tuned for next month's newsletter for complete results.

SLC Approaching

FBLA delegates are anxiously waiting and preparing for the 51st annual State Leadership Conference to be held April 4-6 at the Ramada Plaza Hotel and Convention Center in Omaha. In addition to individual and team events, chapter awards and scholarships have been applied for. Stay tuned for upcoming month's newsletter for results from this exciting conference.

Elections to Be Held

Unbelievably, it is that time again! Members need to consider running for a local chapter office for the next school year. Seven offices

will need to be filled and elections will be held at the monthly meeting in April. Are you officer material?

Senior Scholarships Available

Each year, Lakeview FBLA sponsors up to three scholarships for members planning on attending college and majoring in a business-related field. Seniors interested need to pick up an application from Mrs. Went, get a copy of their transcript from Mrs. Lyons and get one letter of recommendation. These applications are due by April 19.

Dairy Queen/MADD Fundraiser

The Amigos/MADD Fundraiser has been scheduled for Thursday, March 15. Please plan to bring the family in, or drive-thru for your evening meal. 15% of the sales Dairy Queen makes between the hours of 5 and 8 will be donated to us, which we in turn will donate to MADD.

Local Industry Tours – Big Success

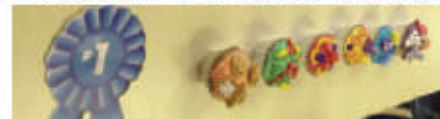

February 6 marked the day for the local industry tours. Forty members toured Ultra Graphics and Avenue Chiropractic. Members were shown up close and personal how a small printing company can produce millions of pieces of information and serve Columbus and many other communities in Nebraska. Dr. Bruce Crabtree, owner of Avenue Chiropractic introduced members to the benefits of entrepreneurship and treated many members to spa services.

Lastly members toured the Platte County Food Pantry and learned how their donations have changed the lives of many who are served in the local community. Pat Kuhl, Director thanked members and our chapter for the generous donation given through the efforts of our food drive in January! Members finished their day by enjoying the Pizza Ranch buffet before heading back to school.

First Annual Cupcake Wars

Lakeview FBLA sponsored the first-ever Cupcake Wars Wednesday, February 13. Viking Time classes participating received six cupcakes, a tub of frosting and then got to decorate their cupcakes however they chose. Celebrity judges, Judy Dicke, cake decorator, and Jill Goedecken, Platte County Extension and decorated foods judge chose their favorites.

Cupcakes were sold for \$1 a piece following the competition. All proceeds will be donated to the Lakeview Community Schools Backpack Program. Congratulations 1st Place: Kula'z Kupcake Kids, (VT Kula), 2nd Place: Flamin' Ten, (VT Goedecken), and HM to Mrs. R's Sweets, (VT Rodehorst), and Team Humlicek (VT Blomendahl).

FFA State Degrees

The State FFA Degree is the highest honor the State Association can bestow upon its members. Recently, Lakeview Seniors went through the lengthy process of applying for the State Degree, which included record

books, degree application, interview and test. Those members were: Ben Loseke, Curtis Hoadley, Mike Ksiazek, Josh Broekemeier and Keaton Lusche

Chapter Celebrates FFA Week

National FFA Week was observed during the week of President's Day. To help with the celebration, the Lakeview Chapter planned and implemented a variety of activities to help promote and educate about agriculture and the FFA. Below are the activities that the chapter developed:

QR Codes – after scanning the code, students answered FFA trivia question for prizes

Member Appreciation Day – member's received a candy bar for their work throughout the year

Chapter/Teacher/Supporter Breakfast – chapter celebrated the week with a thank you breakfast to staff and supporters

**special thanks to officer parents for making egg cassorles for the breakfast*

Wear FFA Shirts – members displayed their support of FFA by weaing chapter shirts

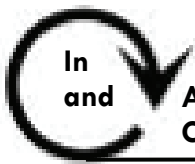

Drive Your Tractor to School Day – members got up a little earlier to drive their favorite toys to school

Annoucement Fact – each day an education fact was in the announcements about FFA

Kount the Kernals – during lunch, students had a chance to guess the amount of corn in a jar for prizes

March is Youth Art Month!

Several Lakeview Junior and Senior High students will be displaying their art work in the Columbus Art Gallery in the lower level of the Columbus Public Library from March 11 to March 30. We are allowed up to ten pieces of original art to be included in this exhibit which will also include artwork from the surrounding schools. Don't miss out!

Christ Lutheran celebrates Lutheran Schools' Week

In January students at Christ Lutheran School celebrated Lutheran Schools' Week. The week started off with the K-8 grade students singing in church on Sunday. Monday was "Crazy, Get Up and Move Day" where the students wore crazy clothes and got up and danced whenever they heard music playing over the intercom. Tuesday was Chapel Family Day where each chapel family chose a unique way to dress. Dress included everything from rock stars to hillbillies to Olympic athletes. Wednesday was classroom color day. Each classroom chose a color in which to dress. K-1-2 dressed in red and black, the 3-4-5 dressed in tie-dye shirts that they made, and the 6-7-8 dressed all in pink. The after-

noon found each family group in the church kitchen baking a pan of bars that were donated to the American Red Cross blood drive the next day.

Thursday was pajama day. We ate donuts for breakfast and watched a movie in the afternoon. The week concluded with School Spirit Day. Everyone wore school colors to show their pride in their school.

We went to Youth for Christ with donations the students had collected throughout the week. We then met St. John's School for lunch at Valentino's. The afternoon was spent bowling at Westbrook Lanes. It was an amazing week praising God for the blessing of our Lutheran School!

On Saturday, Feb. 10th the Christ Lutheran/St. John's girls and boys basketball teams participated in the Immanuel JV Basketball Tournament. Both teams went undefeated and took home the trophy. Way to go girls and boys! We are very proud of you.

Jump Rope for Heart

Jump Rope for Heart was held in the first two weeks of February with students raising \$720. Logan Zanardi was the top money-raiser collecting \$125. To conclude the fundraiser for the American Heart Association and to promote a healthy heart, students had fun jumping rope in a variety of different ways.

3rd Grade Means Business!!

The 3rd grade class finished up their money unit with a celebration of creating a business and selling their products at the Platte Center Market Day! During this unit the 3rd graders learned how to create a business. They learned about expenses, Net Profit, gross profit, competition, math skills, and how to treat customers. They were able to create a business, such as, selling ice cream, candy, pop, school sup-

plies, and much more to showcase what they have learned over the last month.

Students, parents, and grandparents joined us on February 8th for the annual event. Items were purchased with real money so that the students could get an understanding of making money and then paying back their loans that they had to take out to start their business. Once all the profits were tallied up many of the students decided to donate money to a local charity of Paws and Claws. This was a great adventure for our 3rd graders and they had a lot of fun with this inquiry!

2ND SEMESTER AR GOALS AWARDED

At our monthly birthday/awards assembly, 5 students were awarded their gold medals for reaching their 2nd semester AR goals: Savanna Denton, Caitlin Buck, Luke Sliva, Whitney Kuta, and Justin Mohrmann. Congratulations on reaching your Major Reader Status!!

Kindergarten Roundup

On Friday, March 22, Mrs. Jarecki will welcome our 2013-14 Kindergarten class to Platte Center Elementary. They will enjoy getting to know their teacher and learn what Kindergarten is all about. If you have a potential Kindergarten student and did not receive an invitation in the mail, please contact Lakeview High School (402)564-8518 or Platte Center Elementary (402)246-3465.

UNIVERSITY WEEK GOES ELEMENTARY

The last week of January was a special one for the 4th and 5th grade students at Shell Creek Elementary School. They learned it's never too early to think about a college career. The students participated in University Week, the popular pro-college program initiated by Drive for Five's partnership with Lakeview Community Schools.

The week included a College Kick-Off assembly led by Miss Nebraska State Fair and Lakeview alumni, Mindy Schreiber. At a mini-career fair on Thursday, students interviewed college recruiters and Columbus business leaders. On Friday Lakeview alumni, Morgan Stover, Sydney Welch, and Kendall Knapp visited with the students about their college experiences. The University Week finished off with a College-Bound Commencement ceremony. The guest speaker was Dr. June Loseke. Logan Jaixen, Abby Lutjelusche, Andrew Brockhaus and Emily Stevenson were selected as Outstanding Aspiring College Students.

Leadership Workshop

Lisa Kaslon from the University of Nebraska Extension Office gave a leadership workshop in Mrs. Terry's fifth grade classroom. Students learned about personality types, communication skills, and leadership qualities. Two of the favorite activities were when teams of students competed to build towers out of pvc pipe without talking and interpreting what was drawn on their backs by fellow classmates. Students made individual coat of arms sharing the personal qualities they have. The projects will be sent to the Platte County Fair.

Mrs. Linder's 4th Grade Class

Chad Johnson from Nebraska Public Power District, visited the Shell Creek 4th grade class to teach them about producing electricity. Mr. Johnson used fun, hands on experiences with hand held generators, wires, batteries and lights.

Valentine's Day

On Tuesday, February 12, Shell Creek students were treated to Valentine goodies provided by parents. Cards were opened, treats were eaten, games were played and fun was had by everyone. Thanks to all of the parents who provided treats.
