Voyager

From The Superintendent's Desk — By Dr. Plas

One practice that I systematically incorporated into my life several years ago is the practice of self-evaluation. Four times each year, I write down a few things that I 'think' I am doing well and several things that I need to improve upon. At that point, I set goals to attempt to improve on the things I do poorly; unfortunately I am not always successful on changing my weaknesses immediately, but I love trying to become a better educator each day. In my opinion, creating a plan and being aware of my issues has really helped me address weaknesses and improve.

Teachers/Coaches/Administrators never reach a place where they can say have perfected their craft. Education is a living organism that is constantly evolving, changing, and adapting to our ever changing youth. Some people would find that to be maddening, but personally I LOVE IT! What better profession than one that you can constantly get better, work harder, and try to improve. We have begun to do a lot of self-reflecting at Lakeview on areas we can continue to improve. We have one goal which is to provide the best education possible for our students and that can't be done without looking inward at things we can improve upon.

If you can find some time this spring, I would encourage you to sit down with your student and do some self-evaluation. Use this process to set some goals to improve over this last quarter of the school year. Motivation often lacks in students as they begin to think about the upcoming summer months. This practice may help keep everyone motivated to finish the school year on a great note. If nothing else, practicing self-reflection and setting goals will be a good experience to share with your child!

Spring Blood Drive: Mark your calendars!

On average, someone in the U.S. needs blood every 2 seconds, but less than 10% of eligible donors actually donate blood each year. The need is constant and here's your chance! The spring blood drive will be held at the high school on April 11th from 9:00-3:00. Walk-ins are always welcome, but appointments help us plan a smooth day. Please go online to schedule your appointment at <http://www.redcrossblood.org/> and search by zip code (68601). You can also schedule an appointment by emailing Nicole Miller (nmiller@lakeview.esu7.org). We look forward to seeing you soon!

College Planning Bulletin

A monthly college planning guide for Nebraska high school students

April 2017

Seniors...Important FAFSA information for you and your parents

The IRS recently took down its Data Retrieval Tool (DRT) due to security concerns. The DRT allows students and parents to transfer income tax information into the Free Application for Federal Student Aid (FAFSA).

If you already filed your 2017-18 FAFSA and used the DRT to input your tax information, this outage should not affect you.

If you and your parents have **NOT** completed your 2017-18 FAFSA, follow these steps:

1. Complete the FAFSA at fafsa.gov. If you get an error message when you try IRS Data Retrieval ("page not found" or "access denied"), manually input your 2015 tax data.
2. [Request an official tax return transcript](#) of your 2015 income tax data from the IRS. You will need the transcript if the college(s) you list on the FAFSA request verification of your tax data.
3. Respond to verification requests as soon as possible and send all requested documents to the college. Colleges will not award financial aid until the verification process is complete.

For free help with the FAFSA or verification process, contact EducationQuest to make an appointment. See locations and phone numbers at the bottom of this bulletin. You may also submit questions via [Facebook](#) and [Twitter](#). We will quickly respond!

College fairs happening across the state

Talk to representatives from colleges across the state, region, and nation during upcoming college fairs.

Juniors...these events will help you narrow your college choices before taking the ACT this spring and applying for college and financial aid early in the fall.

Seniors...attend if you haven't made your final college decision.

[Lincoln Area College Fair](#) – Sunday, March 19, 1-3 p.m., Southeast Community College
[Grand Island Area College Fair](#) – Sunday, March 26, 1-3 p.m., Pinnacle Bank Expo Center
[Scottsbluff Area College Fair](#) – Sunday, April 2, 1-3 p.m., Western Nebraska Community College
[Omaha Area College Fair](#) – Sunday, April 9, 1-3 p.m., University of Nebraska Omaha Sapp Fieldhouse
[Tri-State Area College Fair](#) (South Sioux City) – Sunday, April 23, 1-3 p.m., Marina Center

Before you attend, register for a barcode at NebraskaCollegeFairs.org. Print the barcode (or download it to your smartphone) and take it to the fair so college reps can scan it.

Seniors...It's decision time!

Here's how to decide on the college that's the right fit for you.

Compare your college acceptance letters, financial aid award notifications, and campus visit notes. List the pros and cons of each school using the following criteria:

Location – Is the college too close? If you come home every weekend, you won't experience true campus life. Is the college too far away? If so, you may not make it home as often as you'd like.

Cost – Can your family afford the school? What can you expect for financial aid beyond your freshman year? Did you receive renewable scholarships? How much in student and parent loans will you need to cover expenses?

Academic program – Does the college offer the program that interests you? What happens if you change majors? Does the college offer other programs that interest you?

Student life – Does the school offer activities you will enjoy? Do you like the living arrangements provided by the school? Will you have an opportunity to work on or near campus?

Make your final decision by **May 1** – and then notify the colleges you're rejecting so they can offer your spot, and any financial aid, to another student.

Your Journey to College Begins with Us

In & Around Platte Center Elementary School...

Beautiful Nebraska!!!

On March 1st, Nebraska celebrated its 150th Birthday. Students honored this by having a birthday party for our state. The 5th grade researched the state and made posters depicting everything from sports, famous Nebraskans, and the aquafer, to popcorn! All the students sang our state song, "Beautiful Nebraska", and "Happy Birthday". Everyone enjoyed some Nebraska products: Popcorn from Preferred Popcorn in Chapman, NE, and Koolaide. HAPPY BIRTHDAY, NEBRASKA!!!

Robotics

The Lakeview Robotics Team came to Platte Center to talk to the students about robots and demonstrate their skills. Mr. Haschke, the robotics team advisor, spoke to the kids about what it takes to be able to build, program and control a robot. He explained a competition and the skills of each robot which the team constructed. Some of the students were able to try their own skills with the help of a team member. The students were enthralled with the demonstration and many are looking forward to being on the Robotics team! Thank you to the Robotics Team for taking the time to come to Platte Center Elementary!!! It was Awesome!!!

Nebraska Fun Facts:

1. Nebraska was once called "The Great American Desert".
2. In 1927, Edwin E. Perkins of Hastings invented the powered soft drink Kool-Aid.
3. J. Sterling Morton founded Arbor Day in Nebraska City in 1872.
4. The state nickname used to be the "Tree Planter's State", but was changed in 1945 to the "Cornhusker State".
5. State insect is the honeybee.

Our 4th grade classes have been working very hard the past few months on learning to play recorders! On March 2, the classes from both Platte Center and Shell Creek went on a field trip to the Holland Center to play their recorders with the Omaha Symphony. This is part of a program called "Link Up!" that the Omaha Symphony puts on every year as part of their educational outreach activities. It's a great way to introduce our 4th graders to playing an instrument as well as introduce them to the orchestra in a fun, interactive concert. Our students did an outstanding job both playing along and being great audience members. We were really proud with how they represented Lakeview. Needless to say, the kids had a blast!!

It is very important that we keep your child's information up-to-date in the event your child would get sick or there was an emergency at school. Please contact your child's school office if you have any contact information/address changes.

In & Around Shell Creek Elementary School...

Lost items? We have an abundance of lost items in the school offices. Please stop in when you are at one of the elementary schools or Junior-Senior High School and claim what might belong to you or your child. We encourage you to mark your child's items for easy identification.

2nd Grade

Eat Your Colors

The second graders were lucky enough to have Mrs. Vyhnalek, from the University of Nebraska Lincoln Extension Office, visit our classroom to teach us about the food groups. We especially enjoyed the healthy snack and breakfast options she let us test out. We also learned how important incorporating activity into our day is and stretched our bodies with resistance bands.

3rd Grade

February was National Children's Dental Health Month. The Shell Creek 3rd grade was fortunate enough to have Dr. Michelle Borgen, DDS come talk about food choices and what they do to your teeth and overall dental health. The students were surprised to find out that chocolate is a better snack for your teeth than Skittles or Starburst.

All 3rd grade students were given a new toothbrush, toothpaste, timer and floss to take home.

Read Across America

Monday, February 27-Friday, March 3 things were a little Seussish around Shell Creek Elementary. Students and staff were invited to dress according to the Dr. Seuss book of the day: from wear your favorite hat to crazy hair/backwards day and crazy sock and red and blue day....everyday was an interesting sight to see.

Each morning the students were surprised with something on their desks when they came in. Student Council members hid a Cat in the Hat around the school twice a day, the student who found it received a prize. Parents were asked to read to students in K-4 while high school students came to read to 5th & 6th graders. Students were treated to popcorn, popped by Mr. Graves every morning, and bottled water provided by the PTO. A big thank you to the following parents for coming to read: Michelle Bentz, Stephanie Hancock, Jeremy Zywiec, Brad Hruska, Jeremy Blahak, Chris Decker, Jeanie Henk, Suzanne Graves, Jackie Farrell, Mitch Helms, Don Bentz, Steve Borer, Kellorae Boyer and Corey Briggs. Also, thank you to the high school students coming to read: Sabrina Steffen, Kayleen Kouma, Kaylee Nelson, Mandy Jaixen and also Mrs. Schaad for lining them up.

Kindergarten Round Up

Friday, April 7th

Shell Creek: 8:00am-9:30am

Platte Center: 1:30pm-3:00pm

State law requires a child to have reached his or her fifth (5th) birthday on or before July 31st of the current year.

In & Around Christ Lutheran School...

It is hard to believe that the 3rd quarter of school is here and that only one quarter remains. With that, we are looking to next school year. Kindergarten Roundup and Preschool Preview were held for prospective students on March 7th. Registration for all grade levels was March 6-9. Any interested families can contact the school at 402-564-3531.

For Valentine's Day, the CLS students made cards and bookmarks for the widows and widowers of the congregation.

On Feb. 14, in addition to classroom Valentine's parties, the students also participated in Jump Rope for Heart. Kaelyn Oltman earned

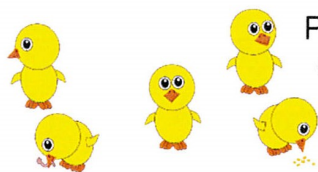

the honor of raising the most money for the worthy cause. Way to go Kaelyn!!

The Christ Lutheran/St. John's basketball season for both boys and girls has ended with a great showing by both teams at the C-Club Tournament in Seward. The boys, coached by Phil Buhman and Kaine Muhle, took 3rd place in the C-Club tournament in Seward. The girls, coached by Lyle Mohlman and Dan Hatcher, finished the season with a victory taking 1st Place in the C-Club tournament. Way to go! We are so proud of both the boys' and girls' teams.

On March 17th CLS will be having a special event for our Prayer Partners from the congregation. Students will bring a lunch for themselves and one to share with their Prayer Partner(s). St. Patrick's Day activities will follow for each pair to do together. We are so "lucky" to have such special people influencing our students and teaching them the importance of prayer in their lives. You are all such wonderful blessings!!

In & Around St. John's Lutheran School...

Peep! Peep! Our Kindergarten through 2nd grade room students are enjoying hearing our baby chicks peep, peep, peep throughout the day.

Of our 12 eggs, 8 have hatched and it was interesting to see how different the chicks looked from one another. Prior to hatching, the students learned how to care for the eggs and the various stages of development of a chick. They also candled the eggs to see the chick inside while they were developing.

Our 3rd through 5th grade students are busy reading AR books as we get close to the end of the quarter. We really enjoy hearing about the stories that everyone is reading, and often we can't wait to tell the summaries of our reading from the night before. The students are making great progress in working with fractions, and have learned some quick tricks for adding, subtracting, and multiplying fractions.

Our Preschool children had fun learning about good health. We talked about foods that are good for our bodies and foods that are treats for us to eat too. We also learned that our house helps keep us safe which is important to healthy living. God has given us all of these good gifts. The most important is Jesus who gives us spiritual health as well!

Spring is exciting as we welcome little ones to our Kindergarten Roundup event. Mrs. Kapels enjoys getting to know the boys and girls and they have a great morning doing some learning exercises as well as getting to know one another. We look forward to having them join us in August as we begin another school year of learning!

Our K through 8th students presented the musical "The Bible Tells Me So Show" on March 2nd and 5th to a full gym. Our students enjoyed learning the songs and dances and presenting the message of the Gospel. We were especially blessed to have the big room students do the choreography and present a power point

and also embellish the script. We have some very gifted students in 6 through 8th grade that we enjoyed working with. The students just get better at this year after year! We were also very blessed to have many volunteers and helpers in the congregation and community during our preparations. Special thanks to the Viking Voices for the lights.

We are on the Web!
