## From The Superintendent's Desk – By Dr. Plas

It is a New Year and time to start looking towards the future! I personally love seeing the calendar change and thinking about how I can improve during the coming year. Many people set resolutions and fail (as I do every time my resolution is a diet), but it is always nice to begin a new journey towards improvement. Improvement is exactly what our 2017 resolutions are going to be centered on for Lakeview Community Schools. So far, we have spent the 2016-17 school year analyzing what we are doing well, learning what we can improve upon, and discovering where we want to go as a school district. I am excited to start moving forward and implementing the many plans to improve on our already excellent curriculum, student-learning, staffing, facilities, and culture.

Personally, I have made a few resolutions for improvement during 2017 as well. The first resolution is to keep students at the forefront of all decisions made for the district. It is easy in education to get caught worrying about money, legislation, politics, other schools etc. while forgetting our number one purpose is to provide the best education possible for our students. My second resolution is to communicate with our patrons in a highly effective manner. I am hoping to continue to build on the relationships established and also create many more during the next 12 months. Finally, it is my personal resolution to have a positive attitude during the tough winter months. Often we begin to get down or negative as we are cooped up during the cold winter. It will be my goal to remain upbeat and positive even when Mother Nature is trying to steer me a different direction.

I hope this newsletter finds everyone is great health and spirit. Have an incredibly Happy New Year and see you in 2017! Go Vikings!

Thank you to Tim Mueller for his 8 Years of Service on the Lakeview Community School Board of Education. His hard work and dedication is greatly appreciated. Thank you Tim for all you have done for our District!

Congratulations to Jordan Hancock for being selected as the November, High School Student of the Month. Jordan is recognized for her perseverance, her problem solving skills, and her excellence in academics! Super job Jordan!

Congratulations to Ella Meyer for being selected as the November, Junior High Student of the Month. Ella is recognized for her leadership in class, her hard work and for always striving to go above and beyond her teacher's expectations in class. Awesome job Ella!!

## In the ART world...

Britney Stock is the artist of the month for January! Britney is the daughter of Jim and Shayla Stock and is a sophomore in Drawing class. We drew an object using black ink. Britney said that "Art in general is one of my favorite hobbies, and I like to be creative in any way I can be."

The art room is in need of an old wire window screen or two that we can cut up. They are really good for sanding down clay projects. Just bring it to the office. Thanks a bunch!!! Mrs. Noonan

## **December FFA Update**

### **Fruit Sales**

Throughout the final two weeks of November the Lakeview FFA Members sold 4 Seasons fruit and goodies as well as Butter Braids and Cookie Dough. The fruit is to arrive and be distributed this week, December 12th-16th. Thank you for everyone who supported our chapter.

### **District Leadership Skills Events**

On December 5, 2016, Lakeview FFA members traveled to Raymond Central to participate in District Leadership Skills Events. Prior to the contest, participants put in a lot of hours of extra time before and after school to prepare. Halla Paschold placed second and qualified for state in Junior Public Speaking, Isabelle Stewart placed third and alternate to state in Natural Resource speaking, Lane Egger placed third and alternate to state in Extemporaneous Speaking, and Elizabeth Rowe placed third and alternate to state in Jr. High Discovery Speaking. Other members participated in Employment skills-Purple, Agriculture Demonstrations- Blues, Conduct of Chapter Meetings-Blue, Senior Parliamentary Procedure-Red, and the FFA Creed- Blue and Red.

### **Poinsettias**

This year the Lakeview Greenhouse had a stellar Poinsettia Sale. We sold approximately 600 poinsettias and started delivering the poinsettias last week. Blue Glitter Poinsettias were a new item this year and were a hot commodity. Thank you to everyone who supported the sale!

# FBLA: A Legacy of Leaders

Volume 6, Issue 6\*\*\*2016-2017 Cole Tessendorf, Reporter

## National Fall Leadership Conference in Milwaukee, WI

November 4-6 marked the National Fall Leadership Conference for the Mountain Plains Region held in Milwaukee, Wisconsin. Thirty-nine Lakeview delegates attended. On the opening day of NFLC, members enjoyed a tour at a Jelly Belly Factory (with samples), and the Harley Davidson Museum, which Mrs. Went and Rachel Rodehorst enjoyed greatly.

Friday evening delegates attended the opening session featuring Harriet Turk speaking on the topic of making the most of your life and seizing the opportunities life gives you. She inspired the audience with absolutely hilarious stories as well as inspiring lesson to go with them. She taught everybody a chant so catchy, that it is still running through their minds. As always, this session was a great way to get the delegates pumped for the next day of workshops.

On Saturday of the conference, workshops were held in the morning and afternoon. These workshops proved to be a good source of information for the members to gain ideas from other successful chapters throughout the Mountain Plains Region.

Randy Fox was the speaker at the closing session. He truly brought some spirit to the crowd. Being a NCAA basketball referee, he is well equipped to handle the

pressure. With his incredibly enthusiasm, he inspired all to become better leaders and innovators.

The Lakeview FBLA Chapter was recognized for being a "September Sweeps" chapter for our efforts in membership and recruitment.

Delegates attending the NFLC were: Alexis Beiermann, Shelby Berger, Jarrod Blaser, Andrew Brockhaus, Caitlin Buck, Kaleb Buck, Araceli Campos, Emily Cunningham, Nick Dolezal, Megan Ferris, Maggie French, Samantha Garretson, Gabby Gill, Ethan Vinson, Isaac Vinson, Brayden Gronenthal, Sierra Heesacker, Andrew Herley, Jaden Hollman, Jennifer Jimenez, Tyler Kampschneider, Kaitlyn Kleinheksel, Britney Kouma, Blake Langmack, Callie Langmack, Jordan Loseke, Sydney Loseke, Riley Lyon, Gabrielle Manak, Courtney Miller, Kaylee Nelson, Halla Paschold, Jordan Runge, Reyes Soltero, Cassidy Soulliere, Devin Sprunk, Emily Stevenson, Blair Suthman, Cole Tessendorf and Mrs. Jan Went.

Also thanks to Judy Dicke and Rachel Rodehorst for chaperoning and also Harvey Conn for driving the bus.

## Teaming Up!

Early in November, two chapters teamed up to accomplish something very cool. The young Columbus High Chapter is start off by creating a big impact. This past month, they applied for and received a Thrivent Financial Grant for \$250. With this grant, Kari Tunink, the adviser, purchased supplies to create fleece tie-blankets. Lakeview, Columbus's sponsor chapter, was asked to assist in the project.

On November 9, approximately 30 members from the two chapters joined forces at Columbus High School. The day was filled with teamwork, comradery, and lots of laughter. Because of the excellent organization and planning of Mrs. Tunink, the project flowed seamlessly. Together, they created 21 fleece blankets. These blankets were then donated the Center for Survivors, a local agency who

serves 6 counties. The blankets will go to victims of domestic violence and sexual assault, including children.

For 30 high school students to come together for something bigger than themselves is truly amazing.

Giving back to one's community is something nobody will ever regret. And honestly, it wasn't a strenuous activity whatsoever. Members got to go have a fun time with their friends, tie a few knots, and make a difference in somebody's life.

## Dodge the Cancer Tournament

A dodge the cancer dodge ball tournament is set for Saturday, November 19. Teams of both girls and boys will vie for the honor of dodge ball champion. The competition itself is very fun, but the ultimate goal is to raise money for cancer research. The senior team will once again have to defend their reigning championship.

## Christmas For Our Troops

This year Lakeview FBLA was again selected as the contact for the Pinnacle Bank and The Next Generation Kiwanis project "Christmas For Our Troops". Items and donations were collected to be organized as care packages for Nebraska soldiers serving overseas. The project was a great success with the home rooms conducting a competition.

FBLA Feud	TBD
Secret Santa Project	December 5-9
Monthly Meeting	December 6

## ***A Legacy of Leadership!***

**Volume 6, Issue 7 \*\*\*2016-2017 Cole Tessendorf, Reporter**

### **Secret Santa: A Faculty Favorite!**

Christmas Time has returned! And we know what that means, Secret Santas! This annual event is a favorite for the faculty and students. Members sign up as singles or pairs and are designated a specific staff member. Every day for one week, the Santas present their teacher with small gifts and hints, while trying to keep their identity a secret. At the end of the week, each teacher had to guess who their Secret Santa was.

This event is and has always been an extremely successful event that is a huge hit with everybody in the school. Along with spreading spirited Christmas cheer, Secret Santa also allows students to fully appreciate their teachers' hard work and dedication.

### **Dodge the Cancer**

On November 19<sup>th</sup>, the sixth annual Dodge the Cancer Dodgeball Tournament was held at Lakeview. Thirteen teams took to the gym in attempt to win the bragging rights of dodgeball champions. In the finals, it came down to a tough game between a senior team and a sophomore team. The sophomore team, *The Wrath of Dodge*, ended up nabbing the win in the end. The team consisted of Jaden Johnson, Cameron Drozd, Jacob Frenzen, Kaylob Kobza, Lucas Thatcher, Makenna Klug, and Gracie Borer.

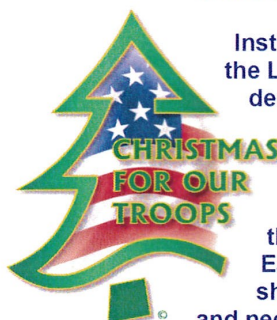

Due to the efforts of the teams that participated, as well as free-will donations and concessions proceeds, we will be able to donate more than \$300 to the Sammy Superheroes Cancer Foundation.

### **Wall of Fame Time**

Once again, Lakeview FBLA is sponsoring the annual Wall of Fame Selection. This is a wonderful opportunity to recognize Lakeview graduates who have made significant contributions to their communities. If you have an alumnus in mind that you would like to nominate, please see the application found in this newsletter and return it to the school office by March 1. Let's take time to honor those most deserving!

Past recipients: 2002-Kristine Saalfeld Malkoski ('78), 2003-Chuck Kinzer ('80), 2004-Arlis Goering Plummer ('77), 2005-Jim Pillen ('74), 2006-Cathy Swoboda Curtis ('91), 2007-Jan Rodehorst Went ('80), 2008-Jill Rodehorst Goedeken ('74) 2009-Ivy Bakenhus Klug ('77), 2010-Jackie Runge Staack ('82), 2011-John Bruckner ('80), 2012-Rachael Wilke Rodehorst ('82) 2013-Gwen Franzen Sander and 2014-Quinton Lyon, ('00), 2015- Brent Gehring ('99)

### **Christmas for Our Troops**

Instead of doing a food drive this year, the Lakeview Officer team made the decision to hold a drive for Christmas

For Our Troops. Christmas For Our Troops is a non-profit organization that receives donated items, sorts them, and then sends them to American troops in the Middle East. Items like food, toothbrushes, shampoo, and other simple toiletries

and necessities are the most common items. The fundraiser was held in the week of November 14-18, and was a huge success. The Lakeview students and staff collected more than 3000 items for the troop care packages. This project is partnered with Pinnacle Bank. Because of the success, it will definitely be a project to conduct again next year.

### **March of Dimes: Purple Out**

November 17, for the second year in a row, students at Lakeview wore purple for March of Dimes awareness. March of Dimes is an organization that raises money for babies born prematurely. Approximately 30 students wore purple that day to raise awareness.

**The FBLA Officer Team  
wishes you a  
Merry Christmas  
and Happy New Year!**

# Notes from Guidance

Dear Parents and Students,

With the arrival of second semester some students may want to make changes to their schedule. The sooner you meet with me to discuss changes the better. To change a course a student must fill out a drop and add form which requires parental, teacher and administrative approval. This is required so that students and parents discuss the potential changes and all involved are in agreement. If you have questions involving schedule changes feel free to contact me or consult page 22 of the student handbook for details.

Before dropping and adding classes students should consider their post-high school plans. Understanding the entrance requirements of the colleges or programs being considered is extremely important. Most four year colleges recommend taking at least three years of math including Algebra I, Algebra II and Geometry. A fourth year of math may be needed depending on the field of study. Three years of science to include biology, chemistry and physics are also recommended as well as three years of social studies. All colleges require four years of English and many require two years of foreign language. If you aren't sure which classes will fit best with your plans feel free to contact me with your questions.

As a student, preparing for college is hard work and it may seem at times that a college degree or certificate may not be worth it. You don't have to look far to find data to show that the benefits of higher education are worth the work. According to the Bureau of Labor Statistics <http://www.bls.gov/home.htm> the rate of unemployment goes down as the level of education rises. Income increases as the level of education increases with the biggest jump in income occurring between high school diploma and a completed associates degree. As the use of technology in the workplace continues most jobs will require some type of education beyond high school and the connection between education and income will be even more pronounced.

Many Lakeview students have taken or are currently taking dual credit classes. One question that inevitably comes up is "Does this class transfer?" One resource that can help answer this question is Transfer Nebraska <http://transfer.nebraska.edu/>. Transfer Nebraska allows you to check to see if your classes will transfer to specific institutions. The best way to be sure a dual credit class will transfer is to contact the institution in question and speak to an academic advisor. Lakeview will continue to expand its dual credit selections so understanding the transferability of courses will continue to be a topic of importance.

If you have not completed the FAFSA help for the financial aid process can be found at <https://www.educationquest.org/resources/fafsa-tools/> You can also call to set up a personal, free appointment to meet with Education Quest to complete your FAFSA. The Lincoln office can be reached at 800-303-3745. Please note that I cannot help with technical issues regarding the FAFSA.

**SEASON REVIEW (6-4)****GAME 1** LHS 30 Milford 14

It was a great start to the season. Lakeview played with a great deal of effort and passion.

**GAME 2** LHS 22 Norf. Cath 49

Lakeview did not play our best football and suffered their first loss of the year.

**GAME 3** LHS 19 Fort Calhoun 7

Our team played extremely well and we were able to get win #2 in front of a large homecoming crowd.

**GAME 4** LHS 14 O'Neill 36

Lakeview started slow but were able to settle in and play good football in the second half.

**GAME 5** LHS 22 Boone 21 OT

Both teams were determined to be 1-0 in the district. That made the overtime victory that much more special.

**GAME 6** LHS 28 Scotus 53

So many things went wrong so very early. It made it very tough to come back. Lakeview continued to battle to the end.

**GAME 7** LHS 42 GICC 28

Lakeview was now 3-3 and needed to win out to secure a playoff spot. After a slow start the offense got cranked up and scored 28 second half points.

**GAME 8** LHS 35 Adams C. 21

Lakeview raced to a 28 – 0 halftime lead. It was a fun way to send out our seniors on senior night

**GAME 9** LHS 30 Ord 18

The regular season came down to this. Lakeview played hungry all night and was rewarded with a trip to the playoffs.

**PLAYOFFS** LHS 20 O'Neill 45

The eventual state champs proved to be too much. LHS still had a great deal to be proud of.

## THANK YOU TO THE FOOTBALL CAFE

The football team would like to take this opportunity to thank the "Football Cafe" for all of the wonderful meals this past season. The meals after school were always delicious and the sack lunches after road games hit the spot. Thank you to all the parents who helped.

## JV FOOTBALL REPORT

The 2016 JV season was highlighted with victories vs. David City, Columbus High. The JV team played with good effort every week and finished the season with a 2-2 record. The JV team improved every week and prepared themselves for a great 2017 season.

## RESERVE FOOTBALL REPORT

The Reserve team finished with a 5-1 record this past season. The Reserve team played with a great deal of passion week in and week out. The reserve team did a great job of winning close games and maintaining their focus during games in which they won big in. It will be exciting to see this group continue to improve.

## HALL OF FAME NIGHT

Lakeview High School celebrated their second Hall of Fame class on September 9, 2016. The night was full of school spirit and trips taken down memory lane. The night provided our community to celebrate several Lakeview best teams and best players. The night was made that much more special by the Viking football team as they took down the Fort Calhoun Pioneers. After the Hall of Fame Inductees were honored during the game, a reception for them was held in the school cafeteria.

## FOOTBALL HONORS NIGHT

The Football Honors Night was held in November. The night gave us a chance to honor the football team for all of their hard work this past year. Each player was honored individually and then special awards were given out. Those awards were as follows-

**Pancake Award – Conner Wurdeman**  
**Practice Player – Lane Egger**  
**Ball Hawk Award – Dakota Prorok**  
**Most Improved – Alex Voecks**  
**Defensive MVP – Zach Kobza**  
**Viking Pride Award – Jarrod Blaser**

**and Cole Tessendorf**  
**and Dakota Prorok**  
**Hit Man Award – Jordan Janssen**  
**Scout Team MVP – Dylan Sprunk**  
**Special Teams MVP – Nick Dolezal**  
**Offensive MVP – Jaden Johnson**  
**Team MVP – Caleb Franzen**

## TEAM STARTS OFF-SEASON CONDITIONING

Off-season football conditioning started in December for the football players who are not involved in a winter sport. It is very important that our team keeps working hard this off-season. The following players are doing their part to make sure that we get back to the playoffs during the 2016 season.

**12<sup>th</sup>** - Elijah Molman, Courtland Pieper, Jacob Sprunk, Nolan Viergutz, and Camden Wilke

**11<sup>th</sup>** – Brock Foltz, Dylan Johnson, Ross Sloup, Kyle Reeves, and Dylan Wyatt

**10<sup>th</sup>** – Colby Pieper, Travis Vetic

These players are going through an extra lifting and agility cycle each day after school. In lifting we focus on a specific muscle group each day that will benefit them in all athletics. We also take them through different agility drills that improve quickness, strength, and flexibility. I have seen good improvement overall. However, there is always room for us to improve our work ethic. It will be important for our athletes to understand that if we work hard now that it will pay dividends next season.

## COLLEGE FOOTBALL UPDATE: JACK SHADLEY DOANE and NOAH DUNCAN UNK

Jack Shadley continued to excel this year at Doane. As a Junior, Jack started at QB. Doane went to the playoffs for the second straight year under Shadley's direction. Noah Duncan made a very positive impact for UNK before his season was cut short because of injury. Both young men exemplify what the Lakeview community and our football program strive to be.

## SPECIAL THANKS

The team would like to thank Zach Hoadley and Ryan Stegman for serving as assistant coaches this past year.

## SPRING SPORTS

Please encourage your son to participate in spring sports. It is very important for our student athletes to stay involved in competition year around. It is important to have them continue to gain a competitive edge by being a part of a team in the spring. Whether it's track, soccer, or golf, your son can benefit greatly by being involved.

## SPRING MEETING DATES SCHEDULED

The winter season will be wrapping up soon and the spring season will be starting. We have scheduled meetings in between the two seasons the best that we can. The three following dates are very important and we would appreciate all team members that are going to be in high school next year to attend. All meetings will be held at night in the weight room starting at **6:00 pm and lasting until 8:00 pm.**

### SPRING MEETING FOR PLAYERS – TBA

Players will turn in goal/info sheets and we will hand out summer info. The upcoming season will be discussed with the team.

### FUNDRAISING NIGHT - March 13, 2017

Coaches will take the team into Columbus and sell our coupon booklets. Pizza will be served when they return to the weight room.

### FOOTBALL BLITZ NIGHT - March 20, 2017

Coaches will take the team into Columbus and sell our coupon booklets. Pizza will be served and prizes handed out when they return to the weight room.

Logan Jaixen received the Lion's Club Student of the Month Award in December. Logan is the son of Kevin and Sue Jaixen. Logan is an Honor Roll student. His current level of Honor Roll is Distinction. The Lakeview Junior High Faculty nominated Logan for the Lion's Student of the Month Award based on his diligence in academics, well-rounded disposition, and kindness toward others.

Congratulations Logan!

### **"Fun"draiser**

Lynn Pierce brought fun and games to Platte Center as a thank you for our Great American food fundraiser. Kindergarten, Addison Arndt (top seller) and 5<sup>th</sup> Grader, Judianne Purinton were taped up for the Money Roll. Other students, based on the amount of items

sold, participated in the puppy trot and candy scramble. Profits from the fundraiser was close to \$3,500 which will be used to fund activities and field trips for the students. Congratulations to all of our students who participated in the fundraiser!

**Gingerbread Time!** Kindergarten and 1<sup>st</sup> Grade students welcomed their grandparents, parents or friend to school on December 9. The 65 guests enjoyed lunch with their students followed by a fun-filled afternoon of gingerbread-house building! Steady hands built the walls and roof. Frosting held the candy and other decorations to the structure. Some even built sidewalks, trees, fences and a chimney or two! With miles of smiles, the group proudly displayed their works of art and then took them home for Christmas. A big THANK YOU to all who helped with our special day!

## Snowfall Contest Winners!

Our annual Snowfall Contest at Platte Center was recently announced. The first snowfall happened on November 18. In Platte Center we had close to 3"! Earlier in the month students guessed the date and amount of the first snow. Gifts were awarded to the best guess in each class.

Congratulations to the following students: Kindergarten: Alma Ramirez Morales Grade 1: Lilly Ackerman  
Grade 2: Trevor Wetgen Grade 3: Jordyn Loseke Grade 4: Alex Gaylor  
Grade 5: Taylor Greisen Grade 6: Aaron Johnson

**Perfect Scores!** Ben Cunningham and Blake Barcel, both 5<sup>th</sup> graders at Platte Center Elementary, had perfect scores in the reading section of the NeSA test.

Pictured is Mr. Witt, Ben and Blake. Congratulations!

The 1<sup>st</sup> Quarter Fas-Break Student Achievement award was given to Michelle Holyoak. Michelle is a kind and caring individual who has strived to do her best, both academically and socially. Congratulations Michelle, you definitely deserve this award!

## Mrs. Claus~"Everyone is an Artist"

Katie Claus came to Platte Center Elementary for a day of art with the students. Each group of students were able to create a drawing with the help of our fine artist! The students of Platte Center want to thank Mrs.

Claus for her expert abilities and for sharing her talents!

Lost items? We have an abundance of lost items in the school offices. Please stop in when you are at one of the elementary schools or Junior-Senior High School and claim what might belong to you or your child. We encourage you to mark your child's items for easy identification.

# 2nd Grade Field Trip

By Mrs. Osten and Mrs. Wachal

The 2<sup>nd</sup> graders from Platte Center and Shell Creek went on a field trip to the Omaha Children's Museum on Wednesday, October 26<sup>th</sup>. The students enjoyed the special exhibit celebrating 40 years of play at the museum. They pretended they were at the dentist, in a news room, driving a combine, playing in the NBA, and even a paramedic bringing people in need to the hospital.

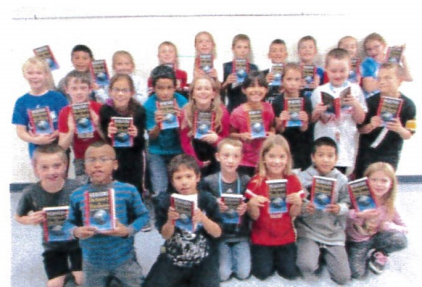

They also attended a science in action workshop called "Bubbleology" where they learned the science behind bubbles, made a human sized bubble, and got to take their own bubble wands home. Another highlight was of course exploring all the different areas in the museum, especially the Halloween exhibit.

A special thanks goes out to the parents that came with us on the trip, the lunches that were provided by the school, and all the staff at the museum that made it a great day!

### **THANK YOU KIWANIS CLUB!!**

The donation of dictionaries to all third graders in the Lakeview School District is a long-standing Kiwanis tradition that school children have enjoyed through the years. The purpose of this project is to help all students to become good writers, active readers and creative thinkers by providing students a gift of their own personal dictionary.

### **MOCK PRESIDENTIAL ELECTION - 6<sup>TH</sup> GRADE**

The sixth grade social studies classes hosted a mock presidential election on Friday,

November 4<sup>th</sup>. Students had studied the "Path to the Presidency" before the election was held. The criteria for being president, the primaries and caucuses, the presidential national conventions, the general election, the Electoral College, and the inauguration were all discussed in the classroom. Students created ballot boxes and signs for the event. All third to sixth grade students voted for their favorite candidate.

Donald Trump received 98 votes defeating Hillary Clinton who had 52 votes.

## In & Around St. John's Lutheran School

St. John's Lutheran School can certainly count our blessings this first semester. We are so fortunate to have amazing students that we teach, interact and learn from each day. We are grateful for the wonderful families who are a part of our learning community, supporting excellence in academics and the development of their child's faith life. We are thankful for our experienced, dedicated staff, who combined have over 100 years of experience. We, at St. John's, wish the Lakeview community of families and patrons a joyful Christmas holiday.

### Pre-school News

The pre-school children are excitedly getting ready for Christmas. We've been busy learning our colors and painting various Christmas pictures to go along with the colors. For example, we painted an ornament blue and then added glitter! Everything's more fun with glitter at Christmas time when you are 3, 4, or 5 years old! The children have also learned how to play a game called, "Musical Presents." It is a form of musical chairs. This game has only one winner, so we have been working on our sportsmanship skills.

### Little Room News (Grades Kindergarten through 2<sup>nd</sup> grade)

 The students enjoyed having Jody Wendt here from the Nebraska Extension Service for "Where Your Food Comes From." They were surprised that they didn't know all there was to know about where food comes from even though they live on farms or in rural areas. In Math, they are busy becoming more fluent with their subtraction facts. Keep up the good work! In Language, they are learning about the first four parts of speech and how to use them to make more meaningful sentences. The Advent season is upon us and the Little Room has enjoyed getting their room decorated and making some gifts, but most of all they are ready to share a little kindness to brighten the lives of those around them this holiday season.

### Middle Room News (Grades 3-5)

The Middle Room students are enjoying their novel studies of 2 Newbery Award books. Grades 3 and 4 are reading the 2015 winner The One and Only Ivan, and Grade 5 is reading The Island of the Blue Dolphins. These books fit in well with the conclusion of Science units on habitats, ecosystems, biomes, and the amazing world God created. The 3<sup>rd</sup> and 4<sup>th</sup> Grade are beginning their study of the regions of the United States in the Northeast, and are learning their states and capitals. The 5<sup>th</sup> grade is studying World History and are now in Greece and the Roman Empire. Once a week we start our day off with a map study--an opportunity to know where in the world we are, and to realize that God has placed people in many different environments and cultures. We want to share Christ with people everywhere!

### Big Room News (Grades 6-8)

 The Big Room has been busy studying about Greek Culture and Mythology. We ended our unit by publishing an ancient Greece newspaper that recounts various Myths. In Math 6<sup>th</sup> and 7<sup>th</sup> grades have been working with Decimals; and the 8<sup>th</sup> grade has been working with proportions in algebra. In Science, we are testing minerals for the Rock unit. We were busy in November doing art projects and setting up for the Veteran's Day Brunch and Adoptive Parent Thanksgiving Feast. We had great attendance at both events. Jody Wendt also visited us from the Nebraska Extension Service for an "Inventure" project on becoming Entrepreneurs. Some of our students are active in Basketball and preparing for games which will begin soon.

### Chapel Offerings

We continue to gather our weekly Chapel offerings for support of several mission schools in the Dominican Republic. These include Concordia Lutheran School in Palmar Arriba; Good Shepherd Lutheran Home and the Confessional Lutheran Church of the America. The Dominican Republic is an island shared with the country of Haiti. Palmar Arriba is a small town of about 3,700 people in the northern part of the Dominican Republic. It is a very poor, rural area. Several ways our chapel offerings can help them is by sponsoring a child's tuition to attend one of the schools (\$350.00 per year) and/or furnishing a classroom by providing funds to purchase a desk and chair (\$50.00 per desk, \$25.00 per chair). So far this year we have already collected over \$239.15 for this wonderful project.

## In & Around Christ Lutheran School

In November, Christ Lutheran students learned more about what a veteran is and how they have helped our country. A Pledge of Allegiance activity helped students learn the words and the meaning of the pledge. Then they brainstormed words that describe a veteran. Groups then chose one of those words and decorated it to put around our "soldier." Thank you veterans for all you do for our country.

This year at Christ Lutheran School, we have been learning more about the power of prayer by having a congregation prayer partner. Each student has been matched up with a member from our congregation. That member prays for the child and in turn, the child prays for the needs of the member. To extend that concept, an event called Friendship Soup was held. Students each brought an ingredient for chicken soup. The ingredients were then added together to make a delicious soup that we shared with our congregation prayer partner. Along with enjoying the soup, partners also put together an Advent calendar in which they discussed and agreed upon something they could together pray for each day of Advent. It was an awesome time learning more about each other and the many things we can be praying for in this world.

December is a time of giving. At a chapel family project, we made Christmas ornaments that will be shared with children from Children's Hospital in Omaha. Being able to share God's love with someone who may be going through a difficult time is what this season is all about.

On Dec. 21<sup>st</sup>, cars will be loaded and we will all head to town to the local nursing homes. It is our annual Christmas caroling. We will sing familiar carols in hopes of brightening their days during this special time of year. Merry Christmas to all of you from the Christ Lutheran students and staff!

## WALL OF FAME

The Lakeview FBLA Chapter is sponsoring the fifteenth annual Wall of Fame Award to be presented to a deserving alumnus of Lakeview High School. Our past recipients have been Ms. Kris Saalfeld Malkoski, Mr. Chuck Kinzer, Mrs. Arlis Goering Plummer, Mr. James Pillen, Ms. Cathy Swoboda Curtis, Mrs. Jan Rodehorst Went, Mrs. Jill Rodehorst Goedeken, Mrs. Ivy Bakenhus Klug, Mrs. Jackie Staack Runge, Mr. John Bruckner, Mrs. Rachael Wilke Rodehorst, Mrs. Gwen Franzen Sander, Mr. Quinten Lyon, Mr. Edward Kinzer and Brent Gehring. We will once again be honoring an outstanding graduate who has contributed to their community and has shown outstanding leadership skills. The nominees should be people who have been successful in their career and have exceptional character. They must be a Lakeview graduate.

If you would like to nominate someone, please fill out this form and return it to Lakeview by March 1. We will then send applications to the nominees and a selection committee will choose the recipient of the award. The award will be presented at the Honors Night Program in May and their names will be displayed on a plaque in the school.
