Voyager

From The Superintendent's Desk — By Dr. Plas

March is here! I love the hope and enthusiasm that March brings when people start getting outside, the days get longer, and the doldrums of winter become a distant memory. In education, March is the month we start to think about not only finishing the year strong but preparing to be even better next year. With that mind, we have several projects slated for the summer months to improve our facilities and our educational materials. Here is a short list with a few of our major projects:

1. Upgrading our technology in the district with the addition of desktop computers, Chromebooks, and iPad's.
2. Replacing the hallway carpet at Platte Center.
3. Replacing the fire system at Platte Center.
4. Remodeling two classrooms in the Lakeview building.
5. Replacing the lagoon at Lakeview with a septic system.
6. Replacing a poorly functioning well at Lakeview.
7. Replacing the textbooks and materials in our Ag, Industrial Technology, and Family Consumer Science curriculums.
8. Replacing some outdated furniture at all three buildings.
9. Repairing parking lot issues at Platte Center.
10. Upgrading the internet connection at Platte Center.
11. Additional routine maintenance, painting, and upkeep.

As you can see, we are continuing our commitment to providing our students with a great education and up-dated facilities. Improvement and growth are the most important aspects of education and we are committed to that not only in the classrooms but with our facilities!

Oh, The Places They Can Go!

By Steve Borer Principal

Here at Lakeview Jr.-Sr. High School we are making a determined effort to provide our students with career and college experiences at an early age. I am convinced if students have these opportunities at an early age they are going to have a better idea of what they want to be and where they want to go in their life.

When students begin to think about these career opportunities they begin to formulate a mental map of where they want to go and how they will get there. This type of thinking leads to a relevant education for our students and it gives them a purpose or a goal, and purpose gives way to motivation. This type of guidance and exploration is a vital component to a well balanced education.

In 7th and 8th grade, Lakeview students get the opportunity to take exploratory classes. These classes give students a chance to explore their interests and enhance their knowledge and skills in areas they may not normally experience. These exploratory experiences help our students assess their own skills and interests and begin to develop the map for their next stage of High School education.

Included in the 7th grade exploratory rotation is a class titled Careers. In the Careers class, 7th graders explore careers of interest, take interest inventories and take skills assessments. All of which help them form a better idea of “the places they can go.” The future is theirs and at Lakeview Jr.-Sr. High School we hope to provide opportunities and experiences which help guide students to their future career.

As a part of our career curriculum sequence at Lakeview Jr. High School each year our 8th graders attend the Career Opportunities Fair at Central Community College. The Career Opportunity Fair is scheduled for **a date in mid March**.

The Career Fair consists of two main events:

“Hands-On” Career Exploration Activities. There are several different businesses representing various career clusters at the event. These businesses will present activities which are hands-on and students get the opportunity to experience various careers in an interactive manner.

Career & Life Skills Activities. There are also interactive group activities that include: 1. Interviewing Techniques; 2, Dress for Success Interview & Job Hunting Attire; 3. Money Smart Financial Education Life Skills; and 4. Job Application Process.

As students move from Junior High to High School, students are introduced to the “soft skills” necessary for a successful life and career. In 9th grade English, Mrs. Legenza partners with the Platte County Extension agency and teaches a grant supported program where students cover a curriculum from the popular book titled “Seven Habits of Highly Effective Teens.” This curriculum is beneficial for helping students understand the “soft skills” needed to work with people. Although the “hard skills” may help people get a job, it is the “soft skills” that will help them keep their job and gain promotions.

All 9th graders at Lakeview also get to experience a program called “Reality 101” where our 9th grade students participate in a “real life” game simulation. The program is made possible through a partnership with our local Columbus Chamber of Commerce “Drive 4 Five” program. Students choose a career, are given an average salary in that career and must budget their income taking in consideration such things as mortgage, insurance, car payments, day care and the many cost of living expenses we all must consider. The simulation is truly “Reality 101” for many of our 9th grade students. This years “Reality 101” event will take place in April

To complete the curriculum sequence in Career Education at Lakeview, students in the 11th grade again have the opportunity to take a Career Exploration class. During this time in their High School experience they should have a better idea of where they want to go in the future and the Careers class gives them one more chance to solidify these decisions or continue exploring options before making lofty college or career choices their senior year.

We are confident that these educational experiences are a tremendous benefit for our students, and we are excited that they have the chance to participate in these events. If you have any questions, please feel free to give me a call.

ACT test- Planning and Preparations

Steve Borer, Principal

On April 19th all Juniors are taking the ACT test. Several of our staff members are currently receiving training on how to administer the ACT test. Taking and administering the ACT is very different than taking and administering the NeSA state tests. The ACT is a national test for the use of college admissions and the results of the ACT can have a large impact on college acceptance and college funding.

With this being said ACT is very stringent on the test security and procedures which must be followed when administering the test. All ACT tests throughout the nation must administered in the exact same way in order to keep the test fair and accurate for all students.

Students who are Special Education students on an IEP may receive accommodations, but these accommodations must be approved by ACT.

When school administer the ACT test there cannot be any interruptions, no bells, no passing times nothing that might interrupt the test. The ACT is a timed test and we must follow a structured time table provided to us by ACT.

School on April 19th will follow a “testing day” schedule. School will be dismissed after the testing which will be about 1:00pm. The “testing day will include the following:

- 7th -8th graders- take NeSA Reading and NeSA Math test
- 9th graders- Attend College visitation day- CCC and Wayne State
- 10th graders- take Pre-ACT test
- 11th graders- take the ACT
- 12th graders- students failing classes must attend to complete assignments

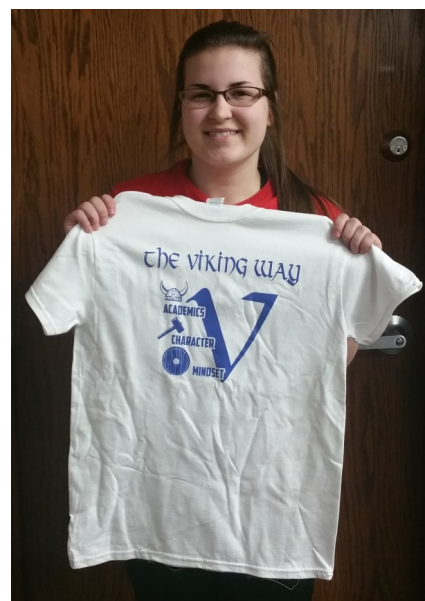

In & Around the Jr/Sr High School...

Congratulations to Eli Osten for being selected as the January, Junior High Student of the Month. Eli is recognized for giving his best effort in his academics and helping other students out when they need help. Awesome job Eli!!

Students of the Month

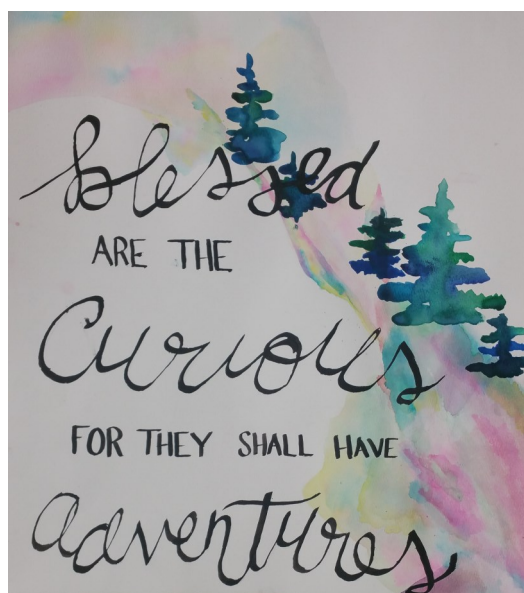

Congratulations to Megan Morton for being selected as the January, High School Student of the Month. Megan is recognized for having a positive attitude, for working hard, and for her courage when trying something new. Great job Megan!

March is Youth Art Month and the Columbus Public library is organizing an area wide display for 6th - 12th grade art. The exhibit will be on display in the Gallery found in the lower level of the Columbus Public Library from March 1 - April 10. Lakeview students, along with other art students from the surrounding area will have their original art work on display. Make sure you take the time to check it out!

Artist of the Month

Hailey Sigala is the next "Artist of the Month!" Hailey is a senior in the advanced art class and is the daughter of Amber Limbach. Hailey said this about her art, "I'm very particular about my art so I started over several times. Art is my escape from all things wrong."

Lakeview FFA Alumni Holds Annual Meeting

The Lakeview FFA Alumni Affiliate recently held its annual meeting and awards banquet at Wunderlich's Catering in Columbus. The group celebrated the past year's successes and made plans for continued support of the Lakeview FFA Chapter in the future. Approximately thirty FFA supporters were in attendance. Highlights of the evening were the presentation of awards that were received at the Nebraska FFA Alumni Convention in Kearney. Nine Lakeview FFA Alumni members attended the convention and sponsored the entertainment on the opening evening of the convention. At the state awards ceremony the Lakeview FFA Alumni Affiliate received the top silver award for Outstanding Affiliate. Lakeview FFA Alumni members Russ and Shari Freeman were honored at the state convention for their active role in the Lakeview affiliate. Craig Franzen presented them with their Robert "Bob" Clausen Outstanding Member Award at the local banquet. Congratulations Mr. & Mrs. Freeman.

Notes from the Vocal Music Department

Mark your calendars now and contact a Viking Voices member soon to get your tickets for the upcoming Viking Voices Dinner Concert. The concert will be held on Saturday, March 18th. The evening will feature a three course dinner complete with song and dance from the Viking Voices with the theme "Life's Lyrics". Plan now to attend!

The 7th grade boys basketball had 20 boys participate this year. The Lakeview teams finished their season with the A – Team having a record of 8-2 and the B team finishing at 7-2. The A-team won the Fullerton tournament by defeating the host school 47-14 in the first game and defeated David City Aquinas 47-28 in the championship game. Coaches for this year's teams were Dan Schiefelbein as the head coach and Jeremy Killham the assistant coach.

Notes from Guidance

Dear Parents and Students,

One of my goals for this school year is to have students registered for the fall early so that their schedules can be finalized before the summer break. This will allow the students plenty of time to change schedules if needed. Because of this our initial registration took place in February. During registration, I was able to present Lakeview's Conquest Program to the sophomore and junior classes. The Conquest Program is a partnership with Central Community College that will allow Lakeview students to get a head start on gaining college credits while still in high school. Through the Conquest Program students can choose to take general studies classes as well as classes designed to fit a career in health sciences. If you have any questions about registration or the Conquest Program feel free to contact me.

FBLA – Legacy of Leadership

Volume 6, Issue 8 ***2016-2017 Cole Tessendorf, Reporter

FBLA Week

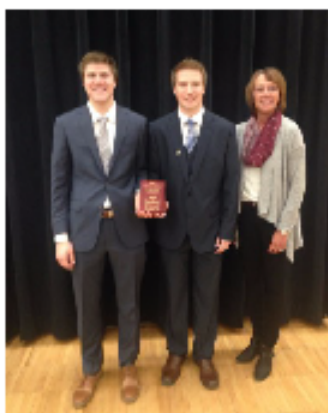

FBLA week kicked off on Saturday February 4th with an ad in the Columbus Telegram. On Monday, February 6th students celebrated FBLA week at our meeting and were encouraged to create their own legacy of leadership with FBLA. On Tuesday, the annual Cupcake Wars took place. Mrs. Rodehorst's Home Room "Pandemonium" won the grand prize with a beach theme. On Friday the 10th, members and faculty enjoyed a hot breakfast. It was previously scheduled for Wednesday, but due to the late start, was moved back. Each day a different theme was involved and students could turn in tickets to win a prize. The prizes included a bag of candy and free membership for next year.

Additionally, FBLA conducted the Sweetheart Raffle Friday, February 10th for Senior Night. With approximately 30 items on the raffle, the fundraiser was an extreme success. FBLA's main focus for fundraising is March of Dimes. March of Dimes supports premature babies and their families. With the Sweetheart Raffle, over \$200 was donated to this great cause.

Students Attend ABC Conference

Wednesday, February 1, two students attended the Phi Beta Lambda Business Competition held at the UNL Student Union. Members competed in a variety of business-related events. Results were: Blake Langmack – Business Communication-9th, Team Nick Dolezal and Blake Langmack – Quiz Bowl Division II Runner Up.

Elections to Be Held

Unbelievably, it is that time again! Members need to consider running for a local chapter office for the next school year. Seven offices will need to be filled and elections will be held at the monthly meeting April 11. Are you officer material?

SLC Approaching

FBLA delegates are anxiously waiting and preparing for the 54th annual State Leadership Conference to be held April 6-8 at the Ramada Plaza Hotel and Convention Center in Omaha. In addition to individual and team events, chapter awards and scholarships have been applied for.

Stay tuned for upcoming month's newsletter for results from this exciting conference.

Senior Scholarships Available

Each year, Lakeview FBLA sponsors up to three scholarships for members planning on attending college and majoring in a business-related field. Seniors interested need to pick up an application from Mrs. Went, get a copy of their transcript from Mr. Johnson and get one letter of recommendation. These applications are due by April 17.

Wounded Warriors Project

This year, Lakeview FBLA has focused their community service project on the military. Two large projects were implemented to complete this goal. Part I was a Christmas for our Troops project and Part II was a silent auction to benefit the Wounded Warriors Project.

In January, the Wounded Warriors Project was in full swing. A call for donations was sent through the Lakeview patron newsletter as well as through school mail. Over twenty baskets, gift cards and other miscellaneous items were donated by

Lakeview organizations, teams, faculty, and other individuals and business from the community. The silent auction was held during the Lakeview vs. York basketball games and was extremely successful. Over \$1,000 was collected from the auction. This was the first year Lakeview has sponsored the activity, and it is sure to be an annual event!

From the Library...

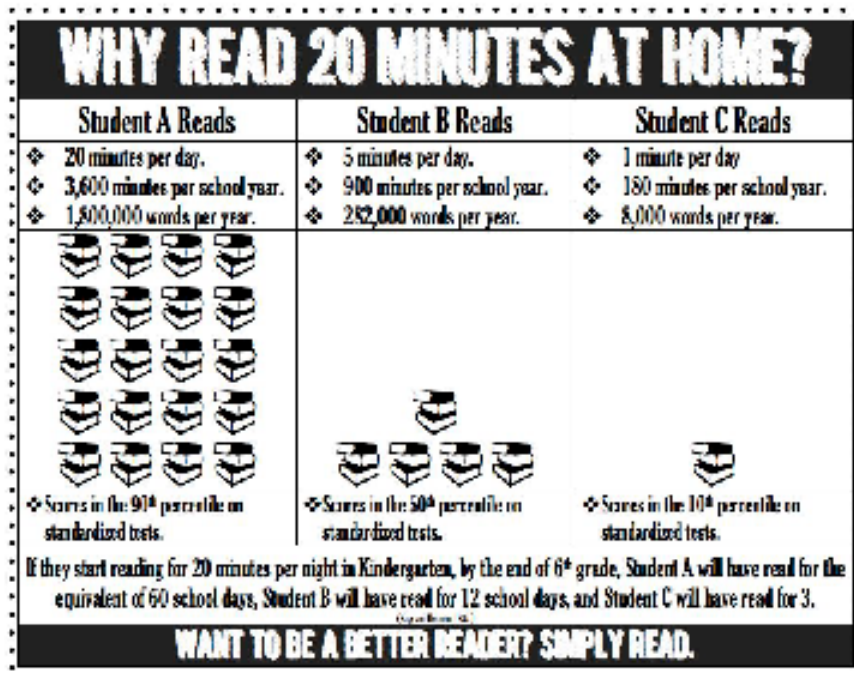

With Mrs. Luebe

Here are some ideas to make reading at home happen with a busy schedule:

1. Encourage your children to carry a book at all times.

Children can read while waiting for siblings or between activities. Every minute counts!

- 2. Listen to audiobooks in the car.** Turn off the radio, and listen to a book (yes, teacher's still consider that reading). Whether it's a short trip to the grocery store or a weekend visit to grandma's house two hours away, who doesn't love to sit and listen to someone else read to them?
- 3. Download audiobooks to an iPod, iPad or Android/iPhone.** Did you know that you can download audiobooks from the public library?
- 4. Read aloud during dinner preparations.** Ask your child to read to YOU while you're cooking dinner, or better yet take turns cooking and reading to one another. She can read the next chapter in her favorite book or review recipes. To get your family talking about current events at the dinner table, choose to share magazine articles and newspaper headlines.
- 5. Make reading part of your family's daily routine.** In many homes, bedtime is the easiest way to fit in reading. But if that doesn't work for you and your family, try a different time – maybe first thing in the morning, right after breakfast, waiting for the bus, or directly after school.
- 6. Select a family read aloud.** Find a book that appeals to a wide range of ages and read together as a family. There are some wonderful novels that the whole family would enjoy, and you are never too old for picture books.
- 7. Add reading time to your calendar.** It might sound forced, but everything else is on your calendar so why not add time to read? Schedule a time each week for the family to stop, drop, and read.

February FFA Update

District Livestock Judging

The District 2 Livestock Judging competition was on January 31st at the Northeast Community College Ag Complex in Norfolk. Both the senior and junior teams placed first, which is the third year in a row that both teams have taken home the title. Junior Team Placings: 2nd- Cody Schaad, 8th- Stan Pieper, 13th- Cadge Janssen, and 14th- Brock Foltz. Senior Team Placings: 1st- Lane Egger, 3rd- Caleb Franzen, 4th- Camden Wilke, 12th- Brooklyn Wilke, and 18th- Courtland Pieper. The top four on each team will get the opportunity to compete at state.

State Degree and Proficiency Reviews

On February 4th at Schuyler Central High School, nine FFA members interviewed for their Nebraska State Degree, the highest award given by state FFA organizations. Cole Lutjens, Drew Schaad, Dillon Sprunk, Isabelle Stewart, Addie Wilke, Lane Egger, Caleb Franzen, Jordee Korte, and Erika Loseke will all be unofficially (State list will be sent out in early March) receiving this award at the 89th Nebraska State FFA Convention in April. Proficiency reviews also went very well for our chapter. Jordee Korte, Erika Loseke, Lane Egger, Isabelle Stewart, and Dillon Sprunk all qualified for state in their proficiency award areas.

National FFA Week

National FFA Week is taking place February 19th-25th. The week will include tractor races, Kount the Kernels, taking of the chapter picture, an ice cream social, drive your tractor to school day, elementary lessons, and fun leadership activities in classes. The Lakeview FFA Officer team is also attending the Cattlemen's Classic FFA Day which creates an opportunity to win a scholarship. The senior and junior livestock judging teams are attending the Cattlemen's Classic Judging Day on Saturday the 25th.

District Career Development Events

On February 28th the Lakeview FFA Chapter will be traveling down the road to Central Community College for District Career Development Events. These events include contests such as Agriscience, Agronomy, Ag Mechanics, Food Science, Farm Management, Livestock Management, Floriculture, Nursery and Landscape Management, and Welding. Many of these contests will qualify students to compete at state FFA convention.

100 Days Smarter

If you could bring 100 things to school, what would it be? The kindergarteners and 1st graders brought 100 pieces of candy, Q-Tips, cereal, puzzle pieces and many other unique items. We celebrated the 100th Day of School on January 26th. We made 100th Day of School hats, wrote numbers from 1-100, counted to 100, counted by 10's and 5's. Some students even dressed as if they were 100 years old!

College Week for 4th and 5th Grade

4th and 5th graders from Platte Center Elementary participated in "College Week" from January 23rd-January 27th. All 4th, 5th, and 6th grade students researched future careers and college majors they would need to study in order to have a successful career. They researched colleges

all across the country they could attend that had their

selected major. Once they determined what college they were most interested in, students wrote a letter to that college explaining who they were, what they wanted to study, and what career they wanted based on the degree they planned to obtain. So far we have gotten information packets from Southeast Community College in Lincoln,

Nebraska and University of Nebraska-Omaha!

Jill Goedeken came to our school January 10th to discuss college lingo, January 17th to discuss SMART college goals, and January 26th to help 4th and 5th graders learn about even more careers! They made presentations about different college vocabulary terms, worked in groups to make SMART goals, and learned how many careers are involved in making a can of soup!

On Thursday, January 26th Central Community College invited Platte Center Elementary to tour their campus and meet many business leaders around the Columbus area. Students were able to see dorms, the cafeteria, workout room, and classrooms, the library, and so much more! After the tour, groups were given the opportunity to ask different business leaders questions about their educational background and what motivated them to go to college.

Friday, January 27th, four members of Platte Center Elementary and Lakeview Community Schools Alumni came to talk to our students about their current college experience. Students asked many questions about scholarships, what they were involved in, and what they wanted to do with their degree when they graduated. That afternoon, our class of 2024 and class of 2025 graduated from college week! We hosted their graduation in the gym. Mr. Witt and Jacob Jarecki talked to the students about the importance of education and going after their dreams. It was a great way to end our "College Week!"

PLATTE CENTER STUDENTS PARTICIPATE IN JUMP ROPE FOR HEART!!!!

On February 6th and 8th, 2017 Platte Center Elementary students, K-6th grades participated in the annual Jump Rope for Heart program. This program is sponsored by the American Heart Association in schools through out the nation. Each year the American Heart Association asks each school nation wide to participate in this program to help fight heart disease and stroke. The students at Platte Center Elementary have shown a great interest in this program and worked hard to raise funds to help in the fight against heart disease and stroke. This year Platte Center Elementary had 120 students participate, with 47 of those students turning in money donations for the American Heart Association. This year Platte Center Elementary raised \$2,095.54 to help fund research and programs in and around our community fighting heart disease and stroke. This year as Jump Rope for Heart coordinator I challenged the students to work as hard as they could to earn funds. I am very pleased to announce that the 1st grade class at Platte Center Elementary collected the most money donations. The 1st grade turned in a total of \$776.54 as a class for this year's Jump Rope for Heart event. Congratulations 1st grade, an outstanding effort!!!!!!!!!!!!!!

I would also like to recognize this year's top money raisers at Platte Center Elementary. Normally it is a pretty close race when it comes to determining the top money raiser and this year was close again. Daniel Borgmann, a 1st grader turned in the most money with \$170.00. Daniel will receive a recognition letter from the American Heart Association and a medal for his hard work and efforts to promote healthy lifestyles. Congratulations Daniel!!!!!!!!!!!!!!!!!!!!!!

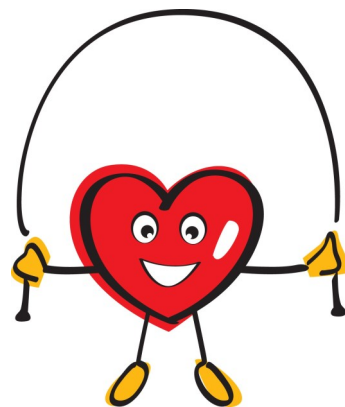

As this years JRFH coordinator, I would like to thank all of the students for their hard work and efforts. It's a total school effort and these students showed a lot of excitement and enthusiasm about participating in this year's Jump Rope for Heart. I would also like to thank all the teachers and parents for all your help in getting the money back to me so quickly. By doing this I was able to get the money sent off to the American Heart Association as soon as possible and the students prizes can be sent to reward their efforts. The prizes came in and have been given to the students who earned them. I look forward to next years Jump Rope for Heart and teaching the students to be physically fit and healthy for a lifetime.

Sincerely,

Chris Thoms

STUDENTS WHO READ THE 2ND MOST WORDS IN DECEMBER

Celine Perrin (1P), Preston Wacker (3F), Lexi Blaser (4A)

Shell Creek students had the opportunity to work on a reading challenge over the Christmas break. Completing required challenges earned them hot chocolate, marshmallows and cookies. 93 students returned their challenge sheet after the break, and a total of 157 hot chocolate packets, 122 cookies and 976 marshmallows were handed out. A big thank you goes out to Hy-Vee for a \$25.00 donation and the Shell Creek PTO for paying for the rest of the supplies.

After studying Economics and different jobs in Social Studies class over the last few weeks, Shell Creek 3rd Grade held a Career Fair on Friday, February 10th. The students were able to rotate and learn about 6 different careers presented by Shell Creek parents and grandparents.

A special thanks to Brenda Bice, Michelle Barga, Lance Eberhart, Shelly Nielsen-Schmidt, Jackie Hinds, Travis Hill, Jamie Sloup, and Tanya Grube for donating their time to teach the 3rd grade students about their careers.

In & Around Christ Lutheran School...

The last week of January was Lutheran Schools' Week. The theme for the week was Upon This Rock. Special guests (moms and dads) came in each morning and shared God's Word with the students. Each day we participated in the Lutheran Hour Ministry Online Mission Trip to Madagascar. Through this program,

students were able to learn more about life in Madagascar including their knowledge of Jesus. Students also watched the movie Madagascar. And of course, we had to dress in fun ways to celebrate the week. Throughout the week, a friendly competition was held

between our school and St. John's to see who could collect the most cans of goods for the Columbus Rescue Mission. It was an extremely close race with Christ Lutheran collecting 103 cans and St. John's 98. Thank you students from both schools for being so generous. Friday was a fun day spent with St. John's students and faculty. The day started with Lutheran High Northeast

sharing a Chapel lesson with us. Then Sarah Wall led us in a time of fun and games. Next we shared a meal of pizza, veggies, and cookies. In the afternoon, students lounged on the gym floor and watched a movie on the "big" screen. It was a great way to end an amazing week. God has truly blessed us beyond measure!

The 100th Day of school was celebrated by the K-1-2 grades on Feb. 6th. The students each brought 100 pieces of a food item for snack and a collection of 100 items. They could also dress like they were 100 years old or wear something showing the number 100. Stations were set up around the classroom with activities for the students to do working with the number 100. A lunch was enjoyed consisting of pizza and breadsticks made into the number "100".

In & Around St. John's Lutheran School...

Happy Valentine's Day and almost spring from the Preschool children! February is a month of learning about mail in our classroom. This past week the students received a booklet that taught them about how the U.S. Postal System works. They created their own mail for each other and the Big Room kids. They made letters, put them in envelopes, glued on address labels (photos of the receiver) and stamps. Next they mailed their letters in their mailboxes and put the red flag up. Then a mailperson picked up the letters for the day and took it to the post office area in our room. The post master cancelled the stamps. Finally, the mail was delivered. It is truly fun learning experience for the children; and in this day and age of technology, a good reminder of how regular mail actually works!

The Little Room Students, grades K-2, have been busy working on their creative writing for the Gathering of Talents at Concordia University, Seward, in early April. Their stories are getting more creative as we take the time to proofread and add more details. They also enjoyed many math, reading and writing activities as we celebrated the 100th day of school. Each student brought in a collection of one hundred items. Everyone enjoyed seeing many different collections and how the size of their collection differed. They were asked to count one hundred of each snack item to create a tasty treat.

The Middle Room Students, grades 3-5, are learning about energy in science. We conducted experiments on the transfer of energy, observing the many kinds of energy in motion, and measuring our own energy use in calories. We are learning to write complex and compound sentences to make our writing more interesting as we get ready to submit writing for the Gathering of Talents. We will also use our singing talent for the Gathering, and plan to put together a Middle Room chorus. Stop to see the beautiful gems that God is refining us into through the study of His Word, our daily prayer, and the amazing people who demonstrate their faith life to us.

The Big Room Students, grades 6-8, have been enjoying tessering (time and space traveling) through the Universe. We have visited some interesting places. Some of them friendly and some of them hostile. We have also been traveling to Madagascar for National Lutheran Schools Week. We have learned interesting facts and about the poverty there. Keeping in line with our journeying theme, in English we are studying Transitive Verbs which has the action traveling from one noun to another. We recently returned from Camp Omega in Minnesota, where we enjoyed 3 days of our Outdoor Education adventure with Pastor Birtell and Ms. Warneke. We learned winter survival skills as well as having fun playing broom ball and tubing. We are now practicing parts and music for our Musical, "The Bible Tells Me So Show", which we will present during worship on March 5th.

SCHOOL MESSENGER TIPS

(AUTOMATED PHONE MESSAGE SYSTEM)

OPT OUT OF AUTOMATED PHONE CALL

Every phone call starts with the following:

"This is a message from Lakeview Community School. Please press 1 to play this message immediately. Press pound to place this call on hold. If you would like to opt this phone out of all future voice messages from our schools, press 5 at any time during the message."

Please be aware once you opt out the only way to start getting the call again at this number is to call the High School and talk to the Phone systems Administrator and get them to take your number off of the blocked list. This will Opt you out of all communication that is put out through this automated system.

TO REPEAT THE MESSAGE

*At the end of the call you can press * (Star key) to have the message replayed.*

CELL PHONE USER-PLEASE SET UP YOUR VOICEMAIL

Here is why.....

If you do not answer your phone and your voicemail is not set up the call will think it goes through because it will hear the message from your wireless carrier stating this voicemail box has not been set up.

**Please remember to keep
Phone numbers and e-mail
addresses up to date.
Just call the Office to change.**

Lost items? We have an abundance of lost items in the school offices. Please stop in when you are at one of the elementary schools or Junior-Senior High School and claim what might belong to you or your child. We encourage you to mark your child's items for easy identification.

FEATURES

TEAM WORK

will be the focus of this camp. Each football coach is very happy that you as a player have decided to become more familiar with the skills needed to be successful in football. It shows that you are serious about becoming a better player. Each session will aid players in becoming more confident about their football skills.

The league will help players individual skills as well as team techniques. The coaches will be allowed time each day to incorporate and fine tune schemes that will be used in high school.

Each player will be able to participate in a team session allowing each group to generate that team chemistry that is so important.

BENEFITS

- One on one instruction by your staff.
- Team drill time.
- Coaches will get valuable practice time.
- Practice game situations.

2017 TEAM FOOTBALL CAMP

The Hastings College football staff is conducting team camps on campus in Hastings. The 2017 camp is the 17th held on our campus. We have had a lot of positive results from the first sixteen years and are looking to make this year's camp the best yet. We feel we have the facilities to properly host a team camp. The camp is a team camp which will emphasize instruction in individual techniques as well as opportunities for group and team work. The goal of this camp is to provide the best possible instruction to help you become better as your prepare for the fall.

Benefits of the H.C. Camp

- ✓ Great facilities
- ✓ Adjustable format to fit your team's needs
- ✓ Individualized instruction
- ✓ Team Camp
- ✓ Break out sessions for coaches

Participant Waiver

I know that running a road race is a potentially hazardous activity which could cause injury or death. I will not enter and participate unless I am medically able and properly trained, and by my signature, I certify that I am medically able to perform this event, and am in good health, and I am properly trained. I agree to abide by any decision of a race official relative to any aspect of my participation in this event, including the right of any official to deny or suspend my participation for any reason whatsoever. I assume all risks associated with running in this event, including but not limited to: falls, contact with other participants, the effects of the weather, including high heat and/or humidity, traffic and the conditions of the road, all such risks being known and appreciated by me. I understand that bicycles, skateboards, roller skates, roller blades, or animals are not allowed in the race and I will abide by this guideline. Having read this waiver and knowing these facts and in consideration of your accepting my entry, I, for myself, and anyone entitled to act on my behalf, waive and release the Viking Venture, the Lakeview Education Foundation, and all sponsors, their representatives and successors from all claims or liabilities of any kind arising out of my participation in this event, even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver.

Platte County, Nebraska

Waiver and Release of Damages against the County of Platte, State of Nebraska for Participation in an Approved Special Event on Platte County Roads.

I, the undersigned, do hereby release, remise, waive and forever discharge the County of Platte, State of Nebraska, and the Platte County Highway Department, the Platte County Sheriff's Department, the Platte County Emergency Management Department and their volunteers, and their officers, agents and employees from all liability, claims, demands, actions, or causes of action whatsoever arising out of or related to loss, or damages and/or injuries, including death, which may result from conducting or participating in the Viking Venture 5K and 10K run / walk, scheduled to be held on April 29, 2017, a special event involving roads within Platte County, Nebraska.

WALL OF FAME

The Lakeview FBLA Chapter is sponsoring the fifteenth annual Wall of Fame Award to be presented to a deserving alumnus of Lakeview High School. Our past recipients have been Ms. Kris Saalfeld Malkoski, Mr. Chuck Kinzer, Mrs. Arlis Goering Plummer, Mr. James Pillen, Ms. Cathy Swoboda Curtis, Mrs. Jan Rodehorst Went, Mrs. Jill Rodehorst Goedeken, Mrs. Ivy Bakenhus Klug, Mrs. Jackie Staack Runge, Mr. John Bruckner, Mrs. Rachael Wilke Rodehorst, Mrs. Gwen Franzen Sander, Mr. Quinten Lyon, Mr. Edward Kinzer and Brent Gehring. We will once again be honoring an outstanding graduate who has contributed to their community and has shown outstanding leadership skills. The nominees should be people who have been successful in their career and have exceptional character. They must be a Lakeview graduate.

If you would like to nominate someone, please fill out this form and return it to Lakeview by March 1. We will then send applications to the nominees and a selection committee will choose the recipient of the award. The award will be presented at the Honors Night Program in May and their names will be displayed on a plaque in the school.

Thank you for taking part in this project. Your time is greatly appreciated.
