From The Superintendent's Desk – By Mr. Freeman

At the end of this month I will have completed my sixth year as the superintendent of the Lakeview Community School District. As I have mentioned in past newsletters, I greatly appreciate the opportunity that has been given to me to work in the Lakeview District. This past school year has been filled with many emotional and somewhat stressful events. Through our successes, our failures and everything in between our "Lakeview Family" has been able to stay together to support each other. This is one reason while I feel that Lakeview is a special place.

COMMUNICATION

Communication is always a key to understanding and support. Sometimes we all get a little complacent in our work toward improving communication. After being in the district for six years, I am sure many of you would have opinions of my performance. I am looking for ways I can better serve the district and communicate with the patrons of the district. If you have suggestions for me on how I can do a better job, I would appreciate hearing from you.

PROJECTS

This summer we are working on several small projects in the district. At the Platte Center building eight areas are being updated with lowered ceilings and new lighting, which should complete this project in the whole building. We are also doing some painting inside the building. At the Shell Creek building we are working on finishing the water filtration project which should improve the quality of the water in the building. We are also working on improving the grass areas and doing some general maintenance outside the building. At Lakeview we are replacing and painting some of the physical education/athletic lockers and trying to improve the locker room areas. We will also be doing some sidewalk replacement and getting the football game field in shape for the fall. In all buildings, the custodial crews are cleaning, waxing floors and getting ready for the next school year. Other projects could be added in the near future.

BUDGET

Over the past six years, the Board has done a good job of putting money into the depreciation fund and into the cash reserve fund. The depreciation fund can be used to replace items that are wearing out. This would include technology, carpet, textbooks and roofs to name a few allowable uses. The money in the cash reserve fund helps the district to pay its bills without borrowing money and paying more interest. The budget process for the 2015-2016 school year is currently underway and will be the focus of our work in the district office for most of July and August. As in the past, the board will make a concentrated effort to keep our tax asking as low as possible, while making sure that we continue to offer a quality education to all of our students.

FUTURE

In today's society all businesses are competitive in nature and more than ever so are school districts. If our vision for the future is to maintain quality educational programs, competitive activities and to prepare our students for the ability to be successful in the future, we must also be competitive with other educational institutions. This will mean that we need to offer quality educational opportunities, provide quality facilities and be on the cutting edge of programs offered. I would hope that you would agree that we need to continue to be a progressive school district that will attract families to our district and school.

As usual, if you have questions about any item in this article or on any other matter please feel free to contact me at school or at home.

Don't miss it! Fall Student Orientations!

Steve Borer, Principal 7-12

7th grade orientation

Seventh grade orientation will be held on Monday, August 3rd at 6:30pm. The orientation will begin in the Jr.-Sr. High Cafeteria. Students and parents will receive information on schedules, locker assignments, school policies, activities and other relevant information. The purpose of the orientation is to assist students and parents in transitioning your child to the Junior High. We are excited that you are a part of Lakeview Jr.-Sr. High School. If you have any questions between now and August 3rd please feel free to give me a call 564-8518.

9th grade and new H.S. students orientation

Ninth grade students and any new Lakeview High School students and their parents are invited to attend a beginning of the year orientation, on Tuesday, August 4th at 6:30pm. The orientation will begin in the Jr. -Sr. High Cafeteria. The FBLA and Booster Club will be providing pizza. Students and parents will receive information on schedules, locker assignments, school policies, college planning, and other relevant school information. The purpose of the orientation is to assist students and parents in transitioning to the High School setting, planning for college and career and providing communication lines between school and home. We are here to help you, if you have any questions please feel free to give me a call 564-8518.

Sumo Wrestling Reading Challenge Celebration!

The Junior High ended the school year with the Academic Awards Ceremony and Reading Challenge Celebration. This year the reading goal for the junior high was to read 200,000 pages. The Junior High accomplished their goal by reading 238,399 pages! This year's Reading Challenge agreement was if the students met their goal than they would get to vote for 2 staff members they wanted to see sumo wrestle. Mr. Frenzen and Mr. Peitz were the lucky staff members who dualed it out in the sumo ring!

Why study a foreign language? — Give yourself a competitive edge

Did you know that studying a second language can improve your skills and grades in math and English and can improve entrance exam scores—SATs, ACTs, GREs, MCATs, and LSATs? Research has shown that math and verbal SAT scores climb higher with each additional year of foreign language study, which means that the longer you study a foreign language, the stronger your skills become to succeed in school. Studying a foreign language can improve your analytic and interpretive capacities. And three years of language study on your record will catch the eye of anyone reading your job or college application.

If you've already learned a language other than English at home, expanding your knowledge of its vocabulary, grammar, culture, and literature — at the same time you are learning English — will also improve your chances for success in school and in your career.

Why study foreign language? — The job advantage in a global economy

More and more businesses work closely with companies in other countries. They need many different kinds of workers who can communicate in different languages and understand other cultures. No matter what career you choose, if you've learned a second language, you'll have a real advantage. A technician who knows Russian or German, the head of a company who knows Japanese or Spanish, or a salesperson who knows French or Chinese can work successfully with many more people and in many more places than someone who knows only one language.

There are lots of Americans who speak languages other than English. Nurses, doctors, or police officers may need to speak more than one language to do their jobs well. Hotel managers or journalists who know English and Spanish may look much better at promotion time than people who know only English.

Professionals who know other languages are called on to travel and exchange information with people in the United States and other countries throughout their careers. Knowing more than one language enhances opportunities in government, business, law, medicine and health care, teaching, technology, the military, communications, industry, social service, and marketing. An employer will see you as a bridge to new clients or customers if you know a second language. You are also more likely to win the trust and friendship of people whose languages you know — even if you know them just a little.

Why study foreign language? — Learning other cultures; your world and beyond

Discover new worlds! Get an insider's view of another culture and a new view of your own. Studying a new language, reading other people's stories, and connecting with people in their own language can be a source of pleasure and surprise. Connect with other cultures. Learning about other cultures will help you expand your personal horizons and become a responsible citizen.

Your ability to talk to others and gain knowledge beyond the world of English can contribute to your community and your country. Travel is more enjoyable when you can communicate with the local people and it is very rewarding to actually use the language you have been studying to communicate with people in real world situations.

Important Information for Students Wanting to Take Dual Credit Courses

MAP- Mandatory Assessment and Placement, Central Community College implements the MAP procedures. Reminder to all high school students wanting to take a dual credit course, before you can take a dual credit course from CCC you will need to follow the mandatory assessment and placement guidelines. This means that any student wanting to take a college level course or a dual credit course at Lakeview must first take a placement test and receive the appropriate score before they can enroll in a dual credit course. If a student does not meet the appropriate score the first time they can retest to try to raise their score. Any student not meeting the minimum score will not be allowed to enroll in the dual credit course, waivers are no longer accepted. If you have any questions about what you should do please contact the schools guidance office.

Lakeview Education Foundation Presents Scholarships to Graduating Seniors

The Lakeview Education Foundation recently presented scholarships to graduating seniors during the annual Honors Night.

Those seniors from the class of 2015 receiving \$1000 Lakeview Education Foundation scholarships to attend a four year institution of higher education were from left to right: Wayde Rodehorst, Madison Hilbert, Whitney Coop, Kelsey Bignell, Brittany Blaser, and Kylie Schnell.

The foundation also presented scholarships in the amount of \$500 to students planning to attend a two year post-secondary education institution. Those students are pictured below from left to right: Logan Rodehorst, Baylee Barber, Stephany Lopez, Monica Gotschall, and Ryan Steiner.

These scholarships were made possible by the fund-raising efforts of the Lakeview Education Foundation including Big Red Night, the Viking Venture 10K/5K Run/Walk and the annual Lakeview Education Foundation Golf Scramble. We thank all those patrons and friends of Lakeview for their continued support of our fund raising efforts.

Spelling Bee

The Delta Kappa Gamma Spelling Bee was held in April. Our students did quite well! Ila Holyoak, a 6th grader, earned the 2nd place trophy. 4th grader, Grace Berkeland, also participated and was one of the finalists. There were approximately 20 students from schools in and around Columbus. According to Ila, "If you study, Spelling Bees are easy!" Congratulations to both girls!!

Platte Center students worked hard picking up trash in the town of Platte Center as part of Earth Day. After walking the town, they enjoyed a short break at the Platte Center Park before heading back up to school.

Earth Day

Platte Center Elementary Students entertained the whole school and parents at the annual talent show on the last day of school. Students from K-6 grades demonstrated talents ranging from singing and dancing to hula hooping and bracelet making. There were 3 divisions, K-2nd, 3-4th, and 5th-6th. Thank you to all the students who have the confidence to perform in front of their peers. You all did a Top-Notch job!!!

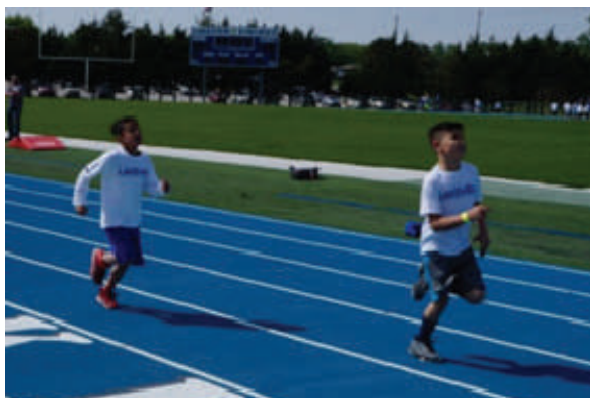

Winners K-2: Elli Berkeland, Daniel Borgman, Brooke Bronson, Hayley Sprunk

Fun Day Held at Platte Center Elementary on Friday, May 15, was filled with laughter as the kids participated in games and had fun bouncing! Despite the cool weather, the “dunk tank” was fun for the students but not for our Principal, Mr. Schrunk, or Mr. Witt, our future principal! Bounce Houses were provided by Great American Fundraising as an incentive for the Food Fundraiser earlier in the year.

In & Around Christ Lutheran School

The fourth quarter of school has come to an end. God has blessed us with another great year. To end the quarter, those meeting their AR goal were treated to a party. The theme was “water fun.” Every game had something to do with water. Students tested their skills on how well they could balance a bowl of water that had been placed on top of a swimming noodle and how well they could pour a cup of water into a teammate’s cup from behind their head. Another activity included transferring water from one bucket to another using sponge. The classic game “Duck, Duck, Goose” was turned into “Duck, Duck, Splash.” And the final game saw students trying to thaw and unfold a frozen t-shirt and then put it on. Brrrrrr!! Congratulations to all meeting their AR goal. We are very proud of you! Keep reading during the summer!

The last day of school is always a busy one. We start out with Chapel which was led by Pastor Witt. Then awards were handed out. Students receiving the BUG Awards were Benjamin Wall, Emma Splittgerber, Isabella Stromberg, Rory Korte, Samia Muhle, Brody Splittgerber, Stephanie Wall, Katee Korte, Cort Loseke, Trevor Bardsley, Reese Janssen, Aubrey Stromberg, and Kade Stromberg. BUG Awards are sponsored by the Kiwanis Club and are given to students who bring up their grades in more subjects than they go down. Julia Witt was presented the Fasbreak Award which is sponsored by Fasbreak Auto Glass. It is given to a student for outstanding academic achievement. Julia was also presented the Morkert Award for her outstanding musical talents. This award is given in honor of Mr. Morkert who was a former teacher at Christ Lutheran and loved music. Julia received a pin, a certificate, and \$50 from Nancy Morkert, Mr. Morkert’s wife. A placard with her name on it will also be put on the plaque that hangs in school. Congratulations to all students on a job well done!

Volunteers were also recognized. We are blessed with wonderful parents who help out with many different activities throughout the year. We greatly appreciate the time they give to help the students and teachers. Volunteers recognized for their consistent support were Jen Muhle, Jeana Buhman, Sarah Wall, and Megan Stromberg. God bless you all!

Of course, the last day ended with the traditional Bike Day. Students either ride their bike to school or bring their bike and ride up and down the road from the top of the hill to the bridge. It is an event that has been happening for many years here at Christ Lutheran that the students anxiously look forward to each and every year. To end the day, the PTL served a meal of hotdogs, chips, and ice cream bars.

The books have been packed away, the rooms cleaned out, and report cards handed out. It has indeed been another successful year. We pray that God would be with each family this summer keeping them safe, healthy, and always growing in His Word. Enjoy the time off and we will see you all back in August!

End of The Year Party!

Shell Creek students celebrated the end of the school year with entertainment by the musical group, String Beans, a kite making project and a treat provided by the PTO.

Kindergarten Farm Fun Day

Rain or shine, Lakeview FFA's Farm Fun Day will go on! Even on a rainy day, the organization made this great learning experience possible. The kindergartners visited a barn and a machine shed to see many different types of farm animals and even a tractor. Some of the animals the children were able to see were horses, cows, pigs, ducks, goats, and even a sheep being sheared. The Horn T Zoo of Monroe also brought along a camel, yak, and a tortoise. After a fun afternoon, the students were treated with ice cream and brought home a bag of educational materials. A big thank you to Ryan and June Loseke for hosting this event and the Lakeview FFA for organizing a fun program.

Kindergarten Registration

If you missed Kindergarten Registration for the 2014-2015 school year, please call the District Office at 402-564-8518 to schedule an appointment to register your child. The District Office is located at 3744 83rd Street, Columbus.

Please bring your child's state certified birth certificate (no copies), current immunization records, and **two** proofs of residency — (1) A current bill with parent(s) name and physical address **AND** (2) Either a lease agreement, property tax statement or mortgage statement. Accepted forms of residence verification can be found on our website at www.lakeviewcs.esu7.org under the registration tab. Your child does not need to attend.

Summer Lunch

If your child is in need of a free summer lunch you are welcome to go to Columbus Middle School or West Park Elementary. Columbus Middle School is located at 2410 16th St. and West Park Elementary at 4100 Adamy Street. The meal will be served at each location from 11:30 a.m.-1 p.m. from June 1-July 24 Monday through Friday.

The food is free to all children ages 1-18. Adults accompanying a child may eat for \$3. The USDA Summer Lunch program serves meals with milk, meat, fruit, vegetables and bread.

Come help support the Lakeview FFA Alumni at the Platte County Fair by stopping by the **Smokin' loins**

food stand south of the Exhibit Hall on July 8th—July 12th — Hope to see you there!

Change of Address, Work & Home Telephone Numbers or Employment

It is very important that we keep your child's information up-to-date in the event your child would get sick or there was an emergency at school. Please call the Administration Office at 402-564-8518 if you have any changes.

Keep up to date - Lakeview Activity Website

Keep up-to-date with our sports and activity schedules at r-school Today. This site is easy to navigate and is very user friendly.

Go to the Lakeview website, www.lakeviewcs.esu7.org, click on the Activities tab on the left and go to Sports Schedules on the drop-down menu. This will take you to the r-school Today website. Once on the r-school today website, you can sign up to be notified of any schedule changes. If you have any questions, please call the Athletic Office at the high school.

LAKEVIEW VIKINGS BASKETBALL

Lakeview Basketball Fans:

My name is Bryce Roth and I am the new head boys basketball coach for the Lakeview Vikings. On behalf of my wife Amanda and my son Brecken, I want to express how excited we are about becoming a part of the Lakeview community. I am grateful for this opportunity to serve as your head coach for the boys program and I am very eager to get to work and build on the great tradition at Lakeview.

My wife Amanda and I are moving here from Auburn, NE and have been married for three years come August. Our son Brecken, the newest addition to our family, was born January 16th of this year (conveniently during the middle of BB season). We are really enjoying spending time with him and watching him grow although Amanda worries it is happening way too fast.

I grew up in Milford and graduated in the class of 1999. My family was always very supportive and involved in our school and community and I developed a great love for sports—competing in football, basketball and track. I was fortunate enough to be a part of some very successful teams during my high school years (2 state FB championships and 1 state BB runner-up). After my HS years, I went on to play basketball at Hesston College (Hesston, KS) and then on to Morningside College (Sioux City, IA). As a player, I benefited immensely from the game of basketball and because of my experiences and outstanding coaches I played for, I was led to pursue a career in teaching/coaching. I felt that as a teacher and coach, I would be able to make a difference in helping young people be successful in life.

In 2003 I began my coaching career, serving as assistant coach for the men's basketball program at Hesston College for three seasons. From there I took my first teaching position in 2006 at Leigh Community Schools, where I was an assistant coach in my first year, followed by two years as head coach of the girls basketball program. In 2009, I moved on to Auburn High School and have been teaching social studies and been head boys basketball coach for the past six years.

I am extremely passionate about the game of basketball and I feel the opportunities for growth and development go well beyond the game itself. Commitment and sacrifice, discipline, teamwork, leadership and character development—these are just a few of the examples of how the game of basketball helps to prepare our student-athletes to be successful in the future. My mission for the Lakeview Basketball Program is to grow and promote the game in our community, use basketball as a means to help prepare our young student-athletes to be successful, and to maintain a program with high standards on and off the court in a way that brings great pride to our school and our community.

Thanks in advance to parents, alumni, and community supporters. We are looking forward to our move and to meeting you all in person. Please come out and cheer on the team this winter. GO VIKINGS!
