From The Superintendent's Desk – By Dr. Plas

I am excited to embark on my first year as superintendent of Lakeview Community Schools. The summer has gone fantastic as I try to learn names, learn more about LCS, and become more familiar with the community. One thing I have figured out in the first month is that LCS employees and our patrons are very passionate about helping provide a high quality education for our students. I can see this through the many hours being put in by patrons on the Lakeview Educational Foundation, the amount of parent support for our student, teachers spending countless hours in the building during the summer, and the incredible sense of pride people show when they are talking about being a Viking. This pride is exactly the reason LCS is an amazing district and will continue to push towards the top to become the best school in the state of Nebraska.

Our students at Lakeview are one of a kind and they deserve the best we can provide them. That is why as we prepare for the upcoming school year we are dedicating ourselves to put them at the forefront of all decisions that are made, provide as many opportunities for our students as possible, and diligently prepare our students to become productive members of society. We know they are destined for great things and we are excited to help nurture their education.

If you are around the school, please don't hesitate to stop in and say 'hi'. I am looking forward to meeting each and everyone one of you! Go Vikings!

In & Around Lakeview Junior & Senior High School

Congratulations to the newly selected members of the Lakeview Chapter of the National Honor Society. These members were chosen last spring by the faculty council of the NHS based on their scholarship, character, leadership and service. Those chosen were: Emily Cassanova, Marina Jimenez-Caballero, Megan Morton, Karen Effa, Mallory Gottschall, Maddie Hoggeland, Jacob Sprunk and Sierra Heesacker. They will be inducted at the induction ceremony to be held in a few weeks.

The Viking Marching Band had a productive and fun-filled camp from August 1st thru 6th. New members learned the ropes, veteran members reviewed, the whole band learned how to march with a cup of water over their head, and the week culminated with a car wash to help support students on their 2017 trip to perform at Worlds of Fun in Kansas City, MO. In addition to home football games, the 32 members of the Viking Marching Band are performing at the following events this Fall:

Columbus Days Parade: 3:00 PM on Sunday, August 21st

Harvest of Harmony Parade (Grand Island, NE): 8:30 AM on Saturday, October 1st

Columbus Marching Festival Parade: 10:00 AM on Saturday, October 8th

Make sure that you come out this Fall to support these hard working and talented students!

Mock Trial Team Seeking Volunteer Attorney

The Lakeview Mock Trial team is in need of a volunteer attorney for their fall season. They will need help approximately once a week starting in September and ending in early December. Help is needed interpreting the laws involved in the fictitious case plus providing feedback on their questions, opening/closing statements, and objections. If you are interested, please e-mail jhiggins@lakeview.esu7.org or call the school.

From the Library...

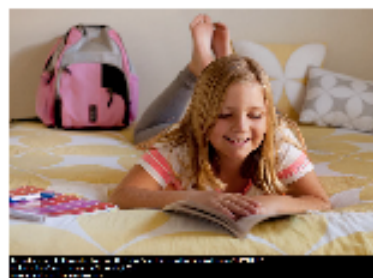

With Mrs. Luebe

BOOK TALKS WITH YOUR CHILD

Soon your student will be bringing home books to read for enjoyment or required for a class. Books are a great way to connect with your child, and engage them in a good, relationship-building discussion. To avoid the short, yes/no responses, try using these questions to get your child talking about books.

Before your child reads a book, ask:

- Why did you select this book?
- What makes you think this book is going to be interesting?
- What do you think the book is going to be about?
- Does this book remind you of anything you've already read or seen?
- What kind of characters do you think will be in the book?
- What do you think is going to happen?

While your child is reading a book, try asking:

- Will you catch me up on the story? What's happened so far?
- What do you think will happen next?
- If you were that character, what would you have done differently in that situation?
- If the book was a TV show, which actors would you cast in it?
- Where is the book set?
- If the main character in that story lived next door, would you guys be friends?
- What does the place look like in your head as you read? Would you want to visit there?
- Did you learn any new words or facts so far?

After your child has finished a book, ask questions like:

- What was your favorite part of the book? Why?
- Who was your favorite character? Why?
- What was the most interesting thing you learned from the book?
- Why do you think the author wrote this book?
- Would you have ended the book differently? Did it end the way you thought it would?
- Did the problem of the book's plot get solved?
- If you could change one thing in the book, what would you change?

A variety of conferences and service activities kept members of the Lakeview FFA Chapter on their toes this summer. The officer team kicked off their break from school by attending Chapter Officer Leadership Training (COLT) Conference in Aurora. There, they identified their strengths and gained leadership skills to serve the chapter and community throughout the year. Members celebrated Independence Day by walking alongside a float they

decorated for the Platte Center Fourth of July Parade. Lakeview FFA made their presence known at the 2016 Platte County Fair with the Children's Barnyard and Ag Olympics. Kids in the area always look forward to seeing different farm animals and learning farm facts in the barnyard. Ag Olympics was a new event organized by the officers, which consisted of several games for young kids to play and a farm themed obstacle course, dominated by the Bank of the Valley team. Lakeview FFA was also repre-

sented well at the livestock shows throughout the week. Three members from the officer team, Isabelle Stewart, Addie Wilke, and Erika Loseke had

the opportunity to attend Washington Leadership Conference in D.C. They came back with eyes opened to the many needs around the world along with a developed Living to Serve Plan to do their part in meeting some of those needs. FFA members are looking forward to attending the first event of the school year, Husker Harvest Days, on September 14th. The Freshman will travel to CCC for Greenhand Leadership Day on September 28th. October will bring the annual fruit sales fundraiser and National FFA Convention in Indianapolis from the 19th to the 22nd. Ag students have enjoyed getting to know their new advisor, Ms. Ripp, during the summer, and are excited to continue to

learn from her throughout the year.

Notes from Guidance

This summer I've had the opportunity to meet with a number of you and I greatly appreciate the welcome I have received. The students at Lakeview have impressed me with their personal interest in their own education. During the upcoming school year, I will be using this newsletter, the school's website and other media to communicate with students and parents. Some of the information provided will include scholarship opportunities and deadlines, educational opportunities, financial aid programs and other forms of assistance. Additionally, Education Quest provides monthly updates which will also be included in the newsletter. Education Quest is an excellent college planning resource that is free. These updates will include online resources and assistance which will be available for you to look at and explore. For the 2016/17 school year the financial aid process has changed and students will be able to begin filing their financial aid paperwork beginning in October. Lakeview High School will offer a financial aid information night on September 20th to coincide with parent-teacher conferences. We will also be hosting an Apply to College Day on October 5th with local college representatives offering assistance with the application process. It is extremely important that the seniors be proactive in preparing for their post-high school plans. I look forward to collaborating with both students and parents to help you be informed and to guide you through this very important transition in your academic career. Please feel free to stop by my office, email me at bjohnson@lakeview.esu7.org or call if you have any questions.

Campus Visit Questions

Want to find the right fit for college? Visit the colleges that interest you, and ask LOTS of questions while you're there.

Ask the admissions representative:

1. What are admission requirements and deadlines?
2. What is the cost of tuition, fees, room & board, and books?
3. What are housing options? Will I be required to live on campus? Is there a wait list? Are meal plans required?
4. What is the average class size? Are classes taught by professors or graduate assistants?
5. I don't know what I plan to study yet; how easy is it to change majors?
6. What are "general education" requirements?
7. How easy is it to transfer credits from a community college?
8. Is there an honors program and how do you qualify?
9. Is there a campus career center? Are Internships available? Job placement services?
10. Are there study-abroad opportunities?
11. What percentage of students return after their freshman year?
12. What percentage of students graduate and what is the average length of study?
13. How diverse is the student population?
14. What percentage of students are commuters?
15. What is the student vs. faculty ratio?
16. What kind of tutoring/support systems does the college have?

Note: If you have a disability, ask to meet with the school's disability services coordinator.

Questions about student safety:

1. Is there an on-campus health clinic? (Tip: Ask your insurance provider if the campus clinic is "in-network.")
2. Where do you refer students who have a serious medical issue?
3. How safe is the campus, and what security systems are in place?

Ask your student tour guide or a current student:

Student life:

1. Why did you select this school?
2. Are the professors accessible?
3. How easy or hard was it to get the classes you wanted?
4. How many hours a day or week do you study?
5. What kind of tutoring/support systems does the college have?

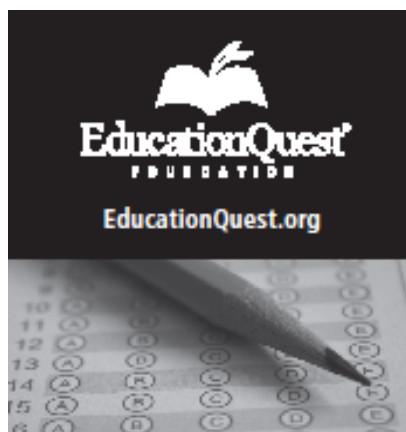

FAFSA Checklist

2017-2018

Complete the FAFSA (Free Application for Federal Student Aid) at fafsa.gov to apply for federal, state and college-based financial aid.

Dependent students must include both student and parent data on the FAFSA. Determine your dependency status by answering the questions on the back.

EducationQuest Foundation

College Planning Bulletin

A monthly college planning guide for Nebraska high school students

September 2016

Seniors...it's time to prepare for the early FAFSA!

Beginning **October 1**, you can apply for federal, state and college-based financial aid by completing the Free Application for Federal Student Aid ([FAFSA](#)). This is a change from previous years when students had to wait until after January 1 to apply.

Here's how you can prepare:

Create a Federal Student Aid (FSA) ID for you and one for a parent at fsaid.ed.gov. You and a parent will each need an FSA ID to access and sign the FAFSA.

Be aware of your college's FAFSA priority date. Complete your FAFSA before that date as some financial aid is awarded first come, first served. Contact your college's financial aid office to learn their priority date.

Attend an EducationQuest Financial Aid Program (FAP) to learn about the FAFSA and the financial aid process. If you attend, *you'll be eligible to register for a \$500 scholarship!* FAPs will be held at high schools across the state. [Click here](#) for dates and locations.

See [FAFSA Tools](#) at EducationQuest.org for free tools that will help you prepare. For free personal help, call the EducationQuest location nearest you to make an appointment: Omaha – 888.357.6300, Lincoln – 800.303.3745, Kearney – 800.666.3721, and Scottsbluff – 800.303.3745, ext. 6654.

Attend a College Fair this fall!

This fall, EducationQuest will sponsor five College Fairs across the state.

Before you attend, visit NebraskaCollegeFairs.org to register for a barcode. Print the barcode and take it to the fair so that college reps can scan it. You should also register for a barcode if you plan to attend an Educational Planning Program (see article below).

2016 College Fairs

[Norfolk Area College Fair](#), Sunday, September 18, 1:00-3:00 p.m. – Northeast Community College
[Grand Island Area College Fair](#), Sunday, September 25, 1:00-3:00 p.m. – Heartland Events Center
[Tri-State Area College Fair](#), Sunday, October 2, 12:30-3:00 p.m. – Marina Center, South Sioux City
[Lincoln Area College Fair](#), Sunday, October 9, 1:00-3:00 p.m. – Southeast Community College
[Omaha Area College Fair](#), Sunday, October 16, 1:00-4:00 p.m. – University of Nebraska at Omaha

For more details and for a list of colleges that will participate in each fair, see the [College Fair article](#) at EducationQuest.org.

Meet with college reps at an Educational Planning Program

If you can't make it to a College Fair, attend an Educational Planning Program (EPP) at an area school. These "mini college fairs" feature state and regional colleges along with college planning information.

If you plan to attend an EPP, visit NebraskaCollegeFairs.org to register for a barcode. Print the barcode and take it to the event so that college reps can scan it.

Senior students and parents...start preparing for college admission!

Admission deadlines will start hitting later this fall. Follow these steps to stay on track:

- 1. Contact your top colleges** and ask about application deadlines for admission, college-based scholarships and financial aid.
 - 2. Visit with college representatives** at College Fairs, Educational Planning Programs, during campus visits, and when they visit your high school.
 - 3. Apply to your top 3-4 colleges before the deadline.** Along with your application, the colleges will require your high school transcript, class rank, GPA and ACT/SAT score. They may also request a list of your extracurricular activities, letters of recommendation, an essay, and an interview.
 - 4. Ask if your school is holding an Apply2College event this fall.** If so, you can complete your college applications during the school day and get help from school, college and community volunteers.
-

September "To Do" List

Juniors and seniors ... complete these college planning tasks during September:

- ___ Seniors, create an FSA ID for you and one for a parent at fsaid.ed.gov.
 - ___ Juniors and seniors, attend a Financial Aid Program.
 - ___ Juniors and seniors, attend a College Fair or Educational Planning Program (EPP) in your area.
 - ___ Before you attend a College Fair or EPP, register for a barcode at NebraskaCollegeFairs.org.
 - ___ Seniors, register by September 1 for the October 1 SAT.
 - ___ Seniors, register by September 16 for October 22 ACT.
 - ___ Juniors, ask your school counselor about PSAT registration deadlines and test dates.
-

For free help with college planning, contact EducationQuest Foundation:

Your Journey to College Begins with Us

Notes from Mrs. Hellbusch...

It's great to be back at school and begin a new year! I look forward to meeting and working with all the students, teachers and families. I will be the kindergarten to eighth grade school counselor. I am available daily to the students, teachers and parents of Lakeview Community Schools. I will make visits to Platte Center Elementary on Monday, Lakeview Junior High on Tuesday and Thursday and Shell Creek on Wednesday and Friday. I will make classroom visits to the kindergarten, first, second, and third grade students first quarter. The topics will address social/ emotional, academic and career topics following the American School Counselor Association's (ASCA) National Model.

Success tip for September:

Create a daily routine. Creating routines for mornings, afternoons, homework and bedtime can create a calm environment for you and your child. To create a routine at your home start by building it around the time your family members need to get up to have enough time to get ready for the day. Allow time to eat breakfast, brush teeth and hair, dress and leave. Plan the night before. Pack school bags and sports bags. Lay out school clothes and any other materials for the day so there is less to do in the morning.

When setting these routines get input from your family members - when each person has a say in these routines, it will be easier for everyone to stick to it! If there is an area that is difficult for your child to stick to, I encourage you to create a positive reinforcement chart or reward chart. This positive reinforcement will encourage task completion with less frustration. When you first begin a routine talk your family through each of the steps and practice them. Within a few weeks, your child will be reminding you of the routines!

***Lakeview Community
Schools, building a strong
foundation in...***

..Academics,

Character,

and Mindset.

In & Around Shell Creek Elementary

Welcome Back!

Welcome to the 2016-2017 School Year! I'm excited to begin the year and continue to build relationships with those in the Lakeview Community. In my short time at Shell Creek Elementary, it has easy to see that we have an excellent staff! I've been impressed with the professionalism and dedication of our staff. I can assure you that your child will be given a top notch education provided by a group of caring individuals.

Key Dates:

August 16th Open House 5:30-7:00

August 17th First Day of School 8:05-11:25 (breakfast will be served from 7:30-8:00)

Please have your child either go directly to the cafeteria for breakfast or to the gymnasium first thing each morning. I will dismiss students to their classrooms.

Drop Off:

When dropping your child off in the morning, please follow the arrows and **use only the west side of the school**. No student entry will be allowed on the east side of the school.

Please enter from the dirt road west of the parking lot and drop off with your vehicle facing north. Use the lane closest to the school to drop off your child. If you need to get out of your vehicle to assist your child or meet with school personnel, please use the parking lot. When picking up your child, please use both the east and west sides of the school. We prefer K-2 students to leave the building from the east while 3-6 students will leave from the west. Family accommodations will be made.

Tips:

Lastly, I want to encourage you to partner with us in increasing the academic progress of your child. Some tips include:

1. Limiting the amount of 'screen' time you allow for your child each day. (One colleague mentioned that he would only allow screen time equal to the amount of time they spent outside playing)
2. Making sure that your child follows a set bedtime (9-11 hours of sleep is recommended for students ages 6 to 13).
3. Supporting your child's reading at home (simply 15-20 minutes at home each night can really pay off over the course of the year!!)
4. Providing a quiet place for your child to do homework.
5. Encouraging your child to ask the teacher for help. This is tough for some students to do, but is a good life skill to develop.
6. Reinforcing expectations that your child follows school rules and listens to adults.

I look forward to an outstanding school year!

Please know that my door is always open and I look forward to meeting you.

~Mr. Graves

ELEMENTARY SCHOOL TIDBITS

Elementary Music Concert Changes

Due to the overcrowding at last year's Elementary Christmas Concert, some changes have been made for the 2016-17 school year to ensure students and parents have a more enjoyable experience.

Kindergarten-3rd Grade students will have a Christmas Concert on **December 20th, 2016** at 7:00 PM. Doors will open at 5:45 PM. Because of the increase in attendance at the concert, saving seats will NOT be allowed.

4th-6th Grade students will have a **Spring Concert**. Date and time TBA.

This change intends to alleviate traffic, parking, and seating issues that were experienced last year. If you have questions or concerns regarding this change, please call your building principal.

In & Around St. John's Lutheran School

Greetings from the students and staff of St. John's Lutheran School! Our theme for the year is "You are the salt of the earth and the light of the world." taken from Matthew 5:13-16, where our Lord encourages us to flavor His world with love and caring actions and light the way for others to see grace and mercy.

Our first day of school students did a science experiment with salt, made a colorful salt shaker paperweight, and had some fun running a Salt and Light obstacle course.

A new school information system has been put online, Sycamore Education Systems. This will allow parents and families to access school and classroom info as well as student grades and assignments.

This summer much work was done installing new playground equipment. Our thanks to our parent volunteers who spent time working together on this project for our children.

Preschool classes begin Monday, August 29th. We are excited to see these little ones again as they bring much joy and energy to our school!

Our prayer for the school year is for students, families, and staff everywhere to have a tremendous time of learning!

Support Lakeview Viking History...

BUY A BRICK!

For all those fans who wish to become a permanent part of Lakeview High School history and continue to building the Viking tradition, we offer a unique opportunity. Be a part of the most distinctive feature of the Lakeview Athletic Complex...the **"VIKING WALK OF PRIDE"**. The entrance to the newly renovated stadium will consist of personalized bricks which will form a walkway for our fans. The walkway, to be named the **"VIKING WALK OF PRIDE"**, will capture the LHS tradition of excellence. Viking athletics have produced some outstanding athletes. Now, the **"VIKING WALK OF PRIDE"** provides a unique opportunity to leave an enduring symbol of your support for Lakeview High School Athletics.

YES! I want to be a part of Viking History with a personalized **VIKING WALK OF PRIDE** brick!
