From The Superintendent's Desk — By Dr. Plas

March is here! I love the hope and enthusiasm that March brings when people start getting outside, the days get longer, and the doldrums of winter become a distant memory. In education, March is the month we start to think about not only finishing the year strong but preparing to be even better next year. With that mind, we have several projects slated for the summer months to improve our facilities and our educational materials. Here is a short list with a few of our major projects:

1. Upgrading our technology in the district with the addition of desktop computers, Chromebooks, and iPad's.
2. Replacing carpet and tile in the Kindergarten classroom at Platte Center
3. Replacing two air conditioning units at Platte Center
4. Remodeling four classrooms at Lakeview Jr./Sr. High
5. Upgrading the furniture in the Lakeview Jr./Sr. High Media Center
6. Upgrading the front entry furniture at Lakeview Jr./Sr. High
7. Resurfacing the track
8. Replacing textbooks and materials in our Music, Foreign Language, and English Language Learner departments.
9. Replacing some outdated classroom furniture in all three buildings
10. Upgrading security systems at Platte Center and Lakeview Jr./Sr. High
11. Replacing some deteriorating concrete at Lakeview Jr./Sr. High
12. Updating wireless access points at all three buildings
13. Additional routine maintenance, painting, and upkeep

As you can see, we are continuing our commitment to providing our students with a great education and up-dated facilities. Improvement and growth are the most important aspects of education and we are committed to that not only in the classrooms but with our facilities!

ARTIST OF THE MONTH

Senior Megan Ferris is the new Artist of the Month! Her parents are Carolyn and Ryan Ferris. Megan has taken many art classes and is currently in Painting class. The Lakeview Language Club is an organization that visits countries around the world to learn about their language, culture and history. There are opportunities to see the art and historical buildings, to sample local food and to meet and converse with the locals. Some trips also include a community service project. The next trip is planned for the summer of 2019. If you would like more information about traveling with the group please e-mail lbrock@lakeview.esu7.org. Parents are welcome!

# Future Business Leaders of America March

Elevate Your Future 2017 - 2018 • Columbus Lakeview • Future Business Leaders of America

## In Town Business Tour

Students and officers took a bus to Norfolk this year! February 7th, our chapter visited Mercy Meals. Together we made enough meals to feed 3,456 people. Also, the chapter donated enough to purchase another 400+ meals. After lunch, they toured Green Fiber which manufactures insulation from recycled paper. Green Fiber operates in the US & Canada, which was interesting to see how a smaller town business can make a global impact. If you have paper/cardboard to recycle, please bring it to the green bins at school. Green Fiber pays the school for their recycled goods.

## What members got out of this experience:

"I really enjoyed packing the Mercy Meals, although it was some type of work out, it was fun and felt good in the heart to help people out."

-Shelby Berger, Senior

"I believe the feeling of feeding 3,456 people in a developing country was truly amazing. I plan to go back to Mercy Meals and highly recommend others to go and just have the experience."

-Ethan Goldfish Vinson, Sophomore

"It was so sad to see that a boy didn't even want to eat his meal, only to save it for his sisters. Felt so great to be able to help on this level."

-Alison Loseke, Freshman

"Just being able to help people is the greatest feeling in the world!"

-Madi Mahoney, Junior

*A monthly college planning guide for Nebraska high school students*

March 2018

## Wrapping up your senior year

Seniors...stay on track to college by completing these second-semester tasks:

**Complete the financial aid process.** By now, you should have filed your FAFSA (Free Application for Federal Student Aid). If you haven't, apply at [fafsa.gov](http://fafsa.gov).

**Compare financial aid award notifications.** The colleges you listed on your FAFSA will send you notifications detailing the financial aid they're offering. Compare the notifications to determine which school provides the best package.

**Watch your grades.** If you slack off and get poor grades, your college admission could be revoked.

**Apply for scholarships.** See [ScholarshipQuest](#) at [EducationQuest.org](http://EducationQuest.org) to find Nebraska-based scholarships and a list of national scholarship sites.

**Make your final college selection.** Notify the other colleges so they can take you off their mailing list.

**Be aware of deadlines** to accept financial aid and college admission offers, submit your housing deposit, and register for new-student orientation.

## Juniors...it's time to narrow your college choices.

Narrow your college choices soon to prepare for these upcoming activities:

**ACT college entrance exam.** When you take the exam this spring, you'll be asked to provide a list of colleges that should receive your score.

**Completion of the FAFSA** early next fall. You and your parents can complete the FAFSA beginning October 1 of your senior year. The colleges you list on the form will receive the results.

**Apply2College Campaign.** Early next fall, it will be time to apply to your top college choices. Many high schools will participate in the [Apply2College campaign](#) during which seniors get help during the school day with college applications.

## Campus visits will help you narrow your choices

Your spring break is a perfect time to visit schools that interest you. Schedule your visits at least two weeks in advance and be prepared with [questions to ask](#). Find more tips in the ["Selecting a College" section](#) at [EducationQuest.org](http://EducationQuest.org).

**Check out these college-search resources at EducationQuest.org**

- ["About Nebraska Colleges"](#) provides cost and contact information for Nebraska colleges.
- [College Profiles](#) has information about colleges in Nebraska and across the country.

## Go on a scavenger hunt and you might win \$500 for college

Apply by **March 31** for EducationQuest's \$500 *Scavenger Hunt Scholarship*. Here's how it works:

1. If you haven't already, complete a profile in [ScholarshipQuest](#) at [EducationQuest.org](http://EducationQuest.org). *ScholarshipQuest* is a scholarship search tool with over 2,000 Nebraska-based awards.
2. If you're a Nebraska resident in grades 9-12, you'll see the *EducationQuest Scavenger Hunt Scholarship* as one of the scholarships you're eligible to apply for.
3. "Scavenge" around the EducationQuest website to find answers to questions in a survey.

EducationQuest will draw a winner from those who answer all questions correctly. The winner will receive \$500 to invest in a [NEST 529 College Savings Plan](#) account.

## Registration

Class registration for the 2018-2019 school year is soon approaching. I will be visiting with all students about graduation requirements and the required courses for their upcoming school year. Students will then be coming home with a registration form to be signed by a parent or guardian listing the classes that they wish to take for the upcoming school year. Required courses will be listed on the top. Please see the following document on Lakeview's Graduation Requirements. To meet credit requirements students should earn at least 60 credit hours each school year to reach a total of 240 credit hours. If you have any questions regarding the courses that your child should be taking next year, please email or call. Lakeview also offers several dual credit courses along with internship opportunities for students to include in their class schedule.

## Dual Credit Courses:

Students need to be aware that their course selections in high school will either enhance their post high school opportunities or limit them. Each post high school option has its own admission requirements. Each student is expected to be pro-active in planning to meet those requirements for the post high school option of their choice. Students have the option to earn college credit while in high school. Students planning on attending college after high school may choose to take advantage of the different options that Lakeview offers. Tuition and admissions testing are the responsibility of the student however the school counseling department will gladly assist in preparing for college credit courses.

**Online and Onsite College Classes** – Students who are on track to graduate and have permission from the administration may enroll in online/onsite classes at the various community colleges. Students who qualify may be given a period during the school day to work on their college class. Students may also take onsite college courses at Central Community College if scheduling permits. Students are responsible for paying for tuition and books for these classes. Students typically do not earn high school credit from Lakeview High School for these classes. It is highly recommended that students check with the technical school, college, or university they plan to attend to ensure that credits will transfer.

**Dual Credit** – Dual credit classes offer the students the opportunity to earn high school and college credits at the same time. Our current offerings are College Algebra, General Biology, College English and Public Speaking which are all offered through CCC. Lakeview also offers Calculus through Nebraska Wesleyan. It is highly recommended that students check with the technical school, college, or university they plan to attend to ensure that credits will transfer. Students are responsible for tuition for the college credits, but Lakeview provides the books.

College English Semester 1: English 1010 CCC 3 credits

College English Semester 2: English 2100 CCC 3 credits

General Biology Year Long Course: General Biology 1010 CCC 4 credits

College Algebra Semester 1: College Algebra Math 1150 CCC 3 credits

## In & Around St. John's Lutheran School...

Hello from the students and staff at St. John's Lutheran School! Welcome to 2018 from our Preschool and Pre-Kindergarten classes! This month the children finished sharing what they've learned so far this school year with their teacher. We've made it from A to Z! Parent/Teacher conferences will be held to share where we are at and where we are headed next! Lutheran School's week has just passed and the children had a wonderful time dressing in P.J.'s, as twins, and in their school theme T-shirts. Hot chocolate and several fun Jesus crafts were a hit. We are so blessed to have the freedom of Religion so that we can share the Love, Forgiveness, and Salvation of Jesus at our school with one another! Miss Ruth

The Big Room students are studying plants and organisms in Science. They are finishing up their basketball season this month and starting practice on this year's Musical, "Donkey Tales".

In Science we are planting radishes to see how roots respond to gravity, gravitropism and tropism. We are also doing some gardening in Literature as we are reading The Secret Garden, and in Writer's Workshop we are penning Tall Tales. In Math we are studying Ratios, Exponents, and Percents. To keep to the theme we are learning about roots and square roots.

The middle room students just finished their literature books, Sounder and Fudge-a-mania. They shared book reports and learned about character traits. The 5th-8th grade enjoyed the STEM activity where they had to build and decorate a snowman using tape, toilet paper and sheet paper.

The Little Room students were excited to celebrate Lutheran Schools Week. Each day they dressed up for the theme of the day. They also enjoyed a variety of crafts, games, snacks and fun activities. In between all of the festivities, the students were busy in the classroom as well. They were working on personal narrative stories, starting a science unit on matter and taking online mission trips to Cambodia where they learned all about their animals, food, culture and religion. They are making bank boxes to fill up with money to share with the missionaries in Cambodia so the Good News of Jesus can be shared with the people there.

## In & Around Christ Lutheran School...

Christ Lutheran gym turned into Raiderville on Feb. 1. That is when Community Night was held to help the Preschool-8<sup>th</sup>

grade students learned all about the community in which they live. Vehicles found in a community made their way through Raiderville on the roads and railroad tracks. The vehicles were made by the Kindergarten, 1<sup>st</sup> and 2<sup>nd</sup> graders. Along the roads and railroad tracks were signs made by the Preschoolers. Replicas of different businesses in a community were displayed along the roads. The 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> graders made these projects along with writing a report about what their business does and why it is important in a community. These students learned about how businesses

offer a service or a product for the people in a community. Specific occupations within a community were explored by the 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> graders. After interviewing someone in an occupation of their choice, students made a tri-board display to tell all about the occupation. There was a wonderful turn out of parents, grandparents, friends, and community leaders who came and asked questions to all the students about their projects. It was a wonderful night of fun and learning!

On Feb. 14, students at CLS were able to share Valentine's Day with their Congregation

Prayer Partners. A light lunch was served as they shared time together. Partners worked on some fun Valentine's activities together as well as discuss the Bible verses on a Lenten calendar that will count down the 40 days of Lent. It is truly wonderful watching the students build a relationship with members from the congregation. The knowledge and faith-strengthening that is passed on from the different generations is truly a blessing to see.

We thank all the congregation members who have given their time to pray for these students and have impressed on them the power of prayer in their lives.

Platte Center Family teams worked hard to create the perfect Marble Run made out of toilet paper tubes, tape and a few small paper plates. The team with the marble run that took the longest for a marble to roll through was the winner. The Neptune Nights captured 1<sup>st</sup> place honors with a time of 11.5 seconds. All of the teams did a terrific job on their mazes with lots of imagination and planning going into their project.

Congratulations to Emma Anderson, our 2<sup>nd</sup> Quarter Fast Break Award winner! Emma exemplifies the attributes of a model student at Platte Center Elementary: Caring for others, lending a helping hand, her positive attitude, and working hard to attain good grades. We Are Proud Of You!!

### Winter Olympics held at Platte Center

Platte Center Family Teams showed off their team spirit with their rendition of the Olympics. Each Family chose a country to represent, found interesting facts, and made a flag. ## Lakeview FFA Alumni Chapter Receives Awards at Recent State Convention

The Nebraska FFA Alumni recently held its annual convention and awards banquet in Holt County. Highlights of the convention included tours of local businesses in Atkinson and O'Neill.

At the awards banquet Lakeview FFA Alumni received two prestigious awards. The first was the "Bob Clausen" Memorial Outstanding Achievement Award. Each year the council recognizes

individuals who have gone "above and beyond" in helping to support their local FFA Chapter. One of the three recipients of the award this year was Mrs. Rachel Wilke. Mrs. Wilke served as the president of the Lakeview FFA Alumni and was instrumental in helping to purchase the lunch stand used each year at the Platte County Fair.

At Left, Rachel Wilke receives the "Bob Clausen" Memorial Outstanding Achievement Award from Nebraska FFA Alumni President Nancy Harders.

The Lakeview FFA Alumni Chapter also received one of three Washington Leadership Conference Scholarships. The award is based on cooperative events between the FFA Chapter and the FFA Alumni Chapter, leadership qualities gained by previous attendees of the conference, and desire to attend next year's Washington Leadership Conference.

Pictured to the right, Winners of the Washington Leadership Conference Scholarships at the annual Nebraska FFA Alumni Convention were Waverly FFA Alumni (Steward Spath), Holdrege FFA Alumni (Jeff Borden), and Lakeview FFA Alumni (Isabelle Stewart). The scholarships were presented by Nebraska FFA Alumni President Nancy Harders.
