Dear Parent/Guardian:

Many school districts around the nation and in Nebraska have seen an increased number of threats of violence since the tragic events at Stoneman Douglas High School in Florida earlier in the month. Unfortunately, Lakeview Community Schools is not immune to these issues. But with our recent incident along with the many others happening in neighboring Nebraska school districts, both LCS and the Sheriff's Office thought this was an appropriate time to send out a joint letter assuring all parents that both the school district and Sheriff's Office take all threats seriously.

Student safety shall always be a top priority for our district and we have many procedures and systems in place including but not limited to locked doors, buzzer entry systems, quarterly district safety meetings, school safety trainings, annual walkthroughs with local law enforcement, and random safety sweeps. We have an excellent working relationship with the Platte County Sheriff's Office and they have remained committed to assisting LCS in providing a safe environment for your children.

As parents/guardians you play a critical role in communicating and reinforcing school safety procedures with your children, including checking phones, social media, and other communication devices. In addition, reinforce with your children that if they see something that does not look right or hear something that does not sound right, please tell a trusted adult at the school or home. If you see something – say something! Lastly, now is a great time to have a conversation with your child that all threats, even idle threats, are not to be made under any circumstances. All instances will be taken seriously and the Sheriff's Office will respond accordingly, which may result in consequences not only at the school but with the court system.

The safety of our students is and will continue to be a top priority, and we appreciate your support.

Sincerely,

Dr. Aaron Plas

# ARTIST OF THE MONTH

*Cynthia Sanchez is the new artist of the month! Her mother is Angelica Contreras. Cynthia is a junior taking Advanced Art class. For her final third quarter Project Cynthia chose to paint a close up of a plant. This is what she had to say about her painting, "Watercolor is a hard media, but I did it because I really like the texture and I love how it turned out."*

**Attention Parents of Seniors!!** Graduating from high school is such a wonderful milestone in your child's life. We would like to offer the opportunity for you to mark this occasion by ordering a senior advertisement in the yearbook. These "ads" will contain your child's senior picture already submitted and a baby picture if that was also submitted. You can then personalize the ad by writing a note to your child. Past notes have been ones of encouragement and love. The limit is 150 words. You can submit these ads to [kschatz@lakeview.esu7.org](mailto:kschatz@lakeview.esu7.org). The cost is \$50 per ad. Please make payment to Lakeview High School with senior ad marked in the memo. All ads and payment must be submitted by **April 20, 2018**.

Lost items? We have an abundance of lost items in the school offices. Please stop in when you are at one of the elementary schools or Junior-Senior High School and claim what might belong to you or your child. We encourage you to mark your child's items for easy identification.

## ***Library Happenings...***

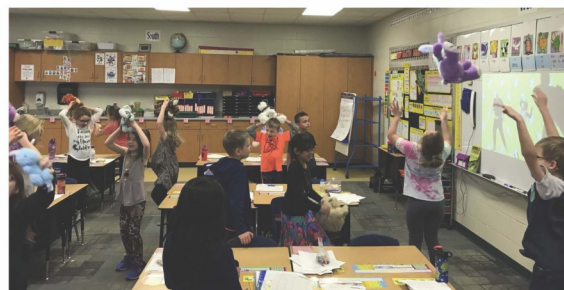

**March was an exciting month in our school libraries! Platte Center and Shell Creek both celebrated Read Across America day on March 2nd (Dr. Seuss's birthday), and Lakeview Jr-Sr High is voting for their book of the year March-Madness style!**

Sierra Heesacker, a senior at Lakeview High, reads to Mrs. Frenzen's 3rd grade class.

Shell Creek Elementary activities for Read Across America Day (which was celebrated all week long) were sponsored by the Shell Creek Student Council. The student council planned dress up days every day of the week and gave away crazy socks to students who found the hidden Cat in the Hat! Members of both the Shell Creek

Student Council and Lakeview High School Student Council read to Elementary Students. The library also gave away bookmarks, pencils, and more fun goodies to students.

Students from Mrs. Osten's 2nd grade classroom brought their stuffed animals for dress-up day.

Kaycee Grotelueschen, a junior at Lakeview High, reads to Mrs. Wemhoff's 3rd grade class.

Platte Center Elementary celebrated Read Across America Day in their family groups. They made Dr. Seuss Cootie Catchers with fun quotes from Dr. Seuss books and had older students read to their family groups. In addition, students participated in dress up days and were read to by members of the Lakeview High School Student Council.

Lakeview Jr-Sr High is having a March Book Madness tournament. With each round of March Madness, students are voting for their favorite books from a list of the 32 most checked-out books this school year. This tournament is still in progress, so be sure to ask your student for updates!

## Tidbits from the Technology Department

-Jan Went, Instructor

### Lakeview Students Win CTE Graphic Design Contest

Last February, 2017, Information Technology Applications II students completed a variety of projects during the Desktop Publishing Unit. One of those projects included designing a brand new logo and promotional poster for Career and Technical Education Month (CTE). CTE Month is celebrated in February, so these posters the students were designing were used this February, 2018 to promote the month. This was the inaugural year for this contest so students couldn't wait to start designing. Students could choose to work individually or with one or two partners. The project included brainstorming ideas for the new logo, coming up with a tagline, and taking or finding pictures of students in action in a CTE class. Lakeview offers courses in four CTE areas: Agriculture, Business, Family and Consumer Science, and Skilled and Technical Sciences.

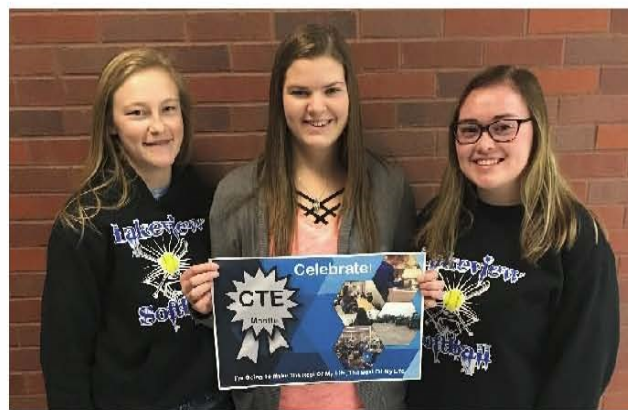

Once the posters were completed, they were entered into the contest. Winners were announced at the annual Nebraska Career Education Conference held at the Younes Center in Kearney, Nebraska.

At one of the afternoon awards banquets, the winners were named. The president of ACTEN announced that they had intended to name one winner, but there were parts of two separate entries they liked, so they decided to name two winners.

The winners of the first annual CTE Logo and Poster contest were both teams from Lakeview ITAPPS classes. One of the teams consisted of Kaylea Bailey, Nevaya Metcalfe and Jessica Sand. The other team

consisted of Gracie Borer and Emily Van Cleave.

The girls' designs have been used to promote CTE Month for ACTEN, the organization that sponsored the contest, and also for the Nebraska Department of Education. Congratulations girls!

## 2<sup>nd</sup> Grade Flat Stanley's Mrs. Osten

Last quarter the second graders were learning about geography. To help us learn about and find places around the globe we got the help of Flat Stanley. He is a character from a book we read in class that get's flattened by a bulletin board. One of the advantages of being thin is being able to fit into an envelope and mailed around the world. The students in 2<sup>nd</sup> grade mailed their Stanley's to family members and friends

who then sent "him" back with pictures and a letter explaining all the things "he" saw and did while he was there. As you can see from the pictures below he traveled to 18 different states and 3 countries. Thanks to all who helped make this project successful.

Shell Creek celebrated Read Across America in a lot of fun ways. The students and staff were able to dress like twins, wear crazy socks, bring a favorite stuffed animal, and dress up for a future career.

The Student Council from

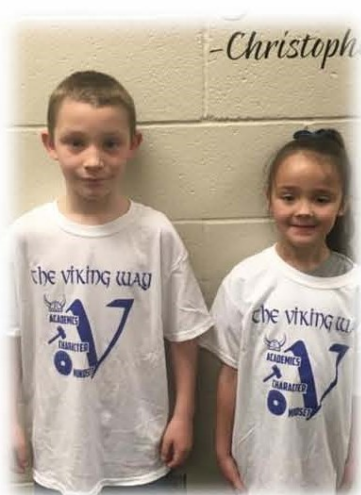

Lakeview also came over and read to each of the classrooms.

*6<sup>th</sup> Grade dissected fish recently with the help of Mrs. Nicole Miller and the high school science class. Students learned the proper method of dissection and identified the organs. Amazingly, no one turned green or had to leave the classroom! Thank you, Mrs. Miller, for helping our students.*

### Dr. Suess and Read Across America Day!

What an exciting day at Platte Center Elementary! Read Across America Day began with high school students coming to school to read to each class. In the afternoon, are "family" groups each chose a Dr. Suess book, which we read together, then continued the day making "cootie catchers" with favorite Dr. Suess quotes.

Mrs. Wessel, our Librarian, did an excellent job planning this very special day at Platte Center Elementary!

It is very important that we keep your child's information up-to-date in the event your child would get sick or there was an emergency at school. Please contact your child's school office if you have any contact information/address changes.

## PLATTE CENTER STUDENTS PARTICIPATE IN JUMP ROPE FOR HEART!!!!

On February 5<sup>th</sup> and 7<sup>th</sup> 2018 Platte Center Elementary students, grades K-6<sup>th</sup> participated in the annual Jump Rope for Heart program. This program is sponsored by the American Heart Association, and held in schools through out the nation. Each year the American Heart Association asks each school nation wide to participate in this program to help fight heart disease and stroke. The students at Platte Center Elementary have shown a great interest in this program and worked hard to raise funds to help in the fight against heart disease and stroke. This year Platte Center Elementary had 133 students participate, with 35 of those students turning in money donations for the American Heart Association. This year Platte Center Elementary raised \$1450.50 to help fund research and programs in and around our community fighting heart disease and stroke. This year as Jump Rope for Heart coordinator I challenged the students to work as hard as they could to earn funds. I am very pleased to announce that the 2<sup>nd</sup> grade class at Platte Center Elementary collected the most money donations. The 2<sup>nd</sup> grade turned in a total of \$397.25 as a class for this year's Jump Rope for Heart event. Congratulations 2<sup>nd</sup> grade, an outstanding effort!!!

I would also like to recognize this year's top money raiser at Platte Center Elementary. Normally it is a pretty close race when it comes to determining the top money raiser and this year was close again. Jane Johnson a 6<sup>th</sup> grader turned in the most money with \$182.00. Jane will receive a recognition letter from the American Heart Association and a medal for his hard work and efforts to promote healthy lifestyles. Congratulations Jane!!!

As this years JRFH coordinator, I would like to thank all of the students for their hard work and efforts. It's a total school effort and these students showed a lot of excitement and enthusiasm about participating in this year's Jump Rope for Heart. I would also like to thank all the teachers and parents for all your help in getting the money back to me so quickly. By doing this I was able to get the money sent off to the American Heart Association as soon as possible and the students prizes can be sent to reward their efforts. The prizes came in and have been given to the students who earned them. I look forward to next years Jump Rope for Heart and teaching the students to be physically fit and healthy for a lifetime.

Sincerely,

Chris Thoms

## St. John's Lutheran School News

Our all school musical “Donkey Tales” went very well. The Dress Rehearsal and the Program on Sunday blessed many with the message of God’s love and forgiveness. The cast’s faith-filled message was truly a blessing. We are very proud of our students and their wonderful skills—they continue to grow stronger in the Lord as they perform to His glory! A very special thanks to everyone (parents, staff, and congregation) who helped—you were so important to us! We also went on the road to Meridian Gardens and Cottonwood to perform a little skit and some songs. The residents were blessed with the message of God’s love and forgiveness. PRAISE GOD!

In the Big Room the 8th grade students received their confirmation packets and did an outstanding job with Questioning with Pastor on Sunday evening. Confirmation will be March 25<sup>th</sup> with 9 youth from our congregation getting confirmed. We will also started on our research papers. 6th grade will be reporting on a country. 7th & 8th grade will research a major event in US history. In Science the students will start dissecting various animals—worm, frogs, fetal pig, etc.

In the middle room the students are starting an earth science unit where we will learn about rocks, soil, earthquakes and volcanoes. The 3rd and 4th grade students are studying the westward movement through Nebraska, as they learn about the Oregon Trail and the Gold rush through engaging games. They are in the publishing stage of their personal narrative, where they learned to write dialog. We continue to learn about God’s plan of salvation as it unfolds in the stories of the Old Testament—we just finished the story of Balaam’s donkey!

In the Little Room the students are busy learning about money, telling time and shapes in math class. They are also working on their explanatory writing with three points in language class. In social studies class the students are learning all about our country. They are learning about America's symbols and how our country began.

In the Preschool Room this month the children have learned the big word, “transportation.” They have been busy creating all kinds of color, cut, and glue pictures and projects of things that move people from one place to another! We are also looking forward to Easter this month! Our Savior and Best Friend Jesus has saved us from our sins and we will be with Him in Heaven one day.

Happy Easter Everyone!
