I hope this letter finds you enjoying the beauty of summer! Hopefully by the time you read this letter you are beginning to think about the excitement of another school year! **First day of school is August 17th**. Go Vikings!

Before we start another great school year, we need to communicate a few important items. First all 7-12 students must check out their Chromebook before you start the first day of school. In order to check out your Chromebook parents & students must:

1. Watch the computer checkout slide show. (both parents & students)
2. Read and sign the policy and agreement form. (both parents & students)
3. Pay \$35 usage fee. (must pay usage fee at the time of checkout)

We have scheduled multiple opportunities before school starts for parents & students to check out your child's Chromebook. The expectation is for all students 7-12 to have their computers in hand before the first day of school. Computer Checkout Orientation dates are:

Aug. 1st- 7th grade only-6:15 (we will be checking out Chromebooks during 7th Orientation)
