Dear Parents/Guardians of **7th grade students**:

Welcome to Lakeview! The start of school is almost here and we are excited to have our students back in school! You are receiving this letter because you have an incoming 7th grader and you and your student are invited to attend the 7th grade orientation. The 7th grade orientation is on **Aug. 1st**, starting at **6:30pm**. **Please arrive at 6:15pm**. Students will also be checking out their Chromebooks at this time.

Creating a successful transition into your new environment is pivotal for getting a good start in your new school. Education research shows that transition years can often be the most difficult for students. Therefore, it is our hope that we can create a smoother transition for your child and alleviate any anxiety by providing you with an early opportunity to get oriented with your new building and new way of school. It is also a time where we can communicate procedures and policies that are important for you as we start the school year.
