

Home of the Vikings

Dear Parents/Guardians of Lakeview 9th grade students:

The start of school is almost here and we are excited to have our students back in school! You are receiving this letter because you have an incoming 9th grader and you and your student are invited to attend an orientation which will help you and your student transition into their next phase of education. The 9th grade orientation is on **Aug. 2nd, starting at 6:30pm. Please arrive at 6:15pm.** Also all 9th graders will be checking out their Chromebooks at this orientation.

Creating a successful transition into your new environment is pivotal for getting a good start in your new school. Education research shows that transition years can often be the most difficult for students.

Therefore, it is our hope that we can create a smoother transition for your child and alleviate any anxiety by providing you with information that will help you transition into your High School experience. It is also a time where we can communicate procedures and policies that are important for you to know as you start the school year. Both parents and students will have time to ask questions and get assimilated with their new environment.
