Subject: Student/Parent Computer Checkout Orientation (Guardian & Student Must Attend)

Mark your calendars! Below are the dates for the Lakeview Jr.-Sr. High Chromebook Orientation and Checkout. Before students can check out their computer, a parent/guardian and the student must:

1. Watch the computer checkout orientation slide show.
2. Read and sign the technology use policy and submit an online agreement form.
3. Pay \$35 usage fee. (must pay usage fee at the time of checkout)

This year we made some changes to the Chromebook check out process. All 7th and 9th grade students will receive their Chromebooks at their 7th and 9th grade orientations. All other parents/students will receive an email/text message on **August 2nd**. The message will include the 1:1 Orientation Video, 1:1 Technology Policy and 1:1 Online Agreement Form.

Parent and student must watch orientation video and fill out the online agreement form. Once both parents & students complete these two tasks they must come to the school office, pay the \$35 usage fee, and pick up your Chromebook. The expectation is for all students 7-12 to have their computers in hand before the **first day of school on August 16th**. Computer Checkout Orientation dates and times are:

July 31st- 7th grade only- 6:15 (We will be checking out Chromebooks during the 7th grade orientation.)

Aug. 1st- 9th grade only- 6:15 (We will be checking out Chromebooks during the 9th grade orientation.)

Aug. 2nd-14th- An email/text message will be sent out to all 8th, 10th, 11th and 12th grade parents/students. The message will include the 1:1 Orientation Video, 1:1 Tech Policy and 1:1 Online Agreement Form. Parents/Students must watch the video and submit the online agreement form. Once this is complete students or parents may come to the school office any time between 8:00-4:00, pay the \$35 dollar usage fee, and pick up the student Chromebook.

If you have questions about the Computer Checkout Orientation you may contact the school office at 402-564-8518.
