School Cancellation Information – December 2018

In the event of a school closing, Lakeview Community Schools will communicate in numerous ways. Information can be found:

- Watching WOWT, KMTV, KETV, KOLN/KGIN
- On my twitter account - @aaronplasLCS
- Through our messaging system which you are automatically signed up through on PowerSchool
 - ◊ This will send you text messages, emails, and call your phone.
 - ◊ *Please ensure you have your current phone number(s) on file at the school to guarantee you receive all communication.*

Making decisions regarding snow days is never fun or easy. If you don't believe me, spend some time watching all of the names superintendents get called on social media during a storm. These tough decisions will inevitably make some mad because they think we should be called off while others can't believe how 'soft' schools have become with their decisions. I can promise we will do the best we can with the information and resources we have at the time. Please remember, you can keep your child(ren) home on days that we have school but you think we shouldn't.

We have one of the most unique set-ups of any school district in the state of Nebraska. First, our district covers an incredible amount of land. We can have one section of the district completely covered in snow while the other only gets a dusting. This creates tough scenarios as we try to do what is best for our students. This HAS OFTEN resulted in Lakeview not having school while Columbus Public and Columbus Scotus are in session. In addition, Mid-States School Bus Inc. has the ability to plug in their buses at night which keeps them from freezing during those cold winter nights and early morning. With that said, we will not often call school due to 'cold days' like many districts are forced into because their buses won't start. Again, if you think we shouldn't have school on a 'cold day' where other districts have shut down, please feel free to keep your child(ren) at home.

If we have a tough winter with several cancellations, we may be forced to make up some student days on May 17th, May 20th, May 21st, and so on. We are hoping to end school as scheduled but we are restricted by state mandates on the number of instructional hours we provide to our students. Any changes to the school calendar will be communicated early and often!

We take the safety of our students and staff very seriously. We will make what we feel is the best decision for the school district as a whole during these difficult scenarios. Please feel free to contact me with any questions, comments, or concerns.

Go Vikings,

Aaron Plas

ARTIST OF THE MONTH

Kaleb Buck is this month's Artist of the Month! Her parents are John and Deanna Jacobson. Kaleb is a senior in Drawing class. Kaleb spent lots of extra time on her two point perspective drawing of a street scene.

EVERY PROJECT IS DIFFERENT EVERY STUDENT IS SPECIAL

They work all hours of the day and night, often have to react quickly in emergency situations, and constantly adjust what they are doing to meet the needs of the schools. This month's hidden heroes are a combined force of Lakeview's custodial and maintenance staff. They go above and beyond to make sure the Lakeview school district can run its best. This team strives to give us a clean and well taken care of environment to learn in.

The custodial and maintenance staff feel as if there is no line between maintenance and custodial. They feel that the members are blended together and all work seamlessly to get the job done.

Jokingly, head custodian, Ms. Lisa Ceder said, "It should overlap because there are times when the custodians have to change light bulbs or do things like that. So, the maintenance man should have to clean toilets if he has to."

Although they all laughed at this, there is some truth behind it, and their actions show it as well, as they simply do what they need to do regardless of which department it falls under.

Stress is universal when it comes to the workplace; however, when it comes to maintenance and custodial staff, stress is present on a day to day basis. Stresses that are prevalent in a maintenance or custodial profession include difficulty with shift change, extra cleaning after events, and expecting the unexpected.

Maintenance staffer, Mr. Brent Lawrence said, "The unexpected itself can be stressful because always being on call means that no matter what the time is, you have to show up and get the job done."

With teamwork, the custodial staff minimizes the stress caused by extracurricular activities. Nonetheless, the stress that is the most prevalent to these heroes is having the responsibility to prioritize the jobs thrown their way. Even though they may have a total of ten different assignments, they work together to complete their goals in a timely manner.

The work they do on a daily basis for the students and staff at Lakeview is unimaginable. Mr. Dan Buresh, custodian at Platte Center Elementary, is the only custodian at the school. He cleans seven classrooms every day along with the gym and the library.

There are so many great things that the custodians and maintenance team do for our school. In fact, one of their favorite parts of the day is feeling the satisfaction of fixing something or having something cleaned by the time the school needs it.

These heroes also believe they change students' everyday lives by providing usable technology and ready to use classrooms. Not only are the custodians and maintenance team caring for our school and the students that go here, but also they truly are the definition of Hidden Heroes as they go about their responsibilities each day.

National Fall Leadership Conference

This year's National Fall Leadership Conference was held in Chicago, Illinois. This conference was for officers and members. Lakeview took a total of 31 people to Chicago; 26 Lakeview FBLA members traveled, with 2 chaperones, as well as 3 members from Dorchester FBLA, who Lakeview sponsored for this NFLC. Opening and Closing Session held new speakers, Brandon Lee White, and Carlos V. Spencer. Workshops provided a way to learn the path to business success, focusing on ways to *Create, Lead, and Inspire*. Students learned that by working together, there are many different ways you can present yourself. During this exclusive trip, our group took a boat cruise along Lake Michigan, toured the Willis Tower (formerly known as Sears Tower), shopped Magnificent Mile, visited The Bean, and indulged in Chicago's famous foods.

Dodge the Cancer

Our annual Dodge the Cancer dodgeball tournament was held November 10th. For this cause, members and non-members were given the opportunity to create the ultimate dodgeball team to fight for one of the biggest causes we face today. This event raises money for a local cancer charity. This year, we donated \$200 to Trevor Luckey's Fight. Trevor is a CHS student battling Leukemia.

Christmas for Our Troops

Volunteers from our local chapter and community joined together on November 13th to form care packages for local troops who will not be able to attend Christmas with their families. Goods and miscellaneous items have been collected to fill these joyful packages. People from around the community submitted addresses for friends, families and neighbors, who would be in need of these packages. In addition to helping package these items, Lakeview students raised \$103 to purchase supplies for it.

Lakeview FFA Update

November 2018

Harvest Heroes

On the 20th of October Lakeview FFA members gathered to thank local farmers and agriculturists for all that they do. Often times the job goes unthanked, so the chapter took the opportunity in stride. Starting at 10 am members gathered and began preparing a meal, which included, a cheeseburger, chips, a cookie, and a water, along with a thank you note. Once the meals were bagged and prepared, members divided and drove routes to deliver them to farmers harvesting in local fields.

National FFA Convention and Expo

The Lakeview FFA Chapter departed to attend the 91st National FFA Convention and Expo on the 23rd of October and returned on the 27th of October. 29 Attendees had the opportunity to

network and build relationships across the country while at the convention. Members also attended General Sessions where they listened to many inspirational speakers, and student workshops, where they had the opportunity to build upon their leadership skills and grow as individuals. The chapter also took the opportunity to tour Iowa State University's teaching farms, dairy farm, and bio research facility, as well as the John Deere Seeding Factory in Moline, IL.

Labor Auction

On the 5th of November the Lakeview FFA chapter held its annual Labor Auction.

Members were each auctioned off for six hours of labor each, along with many great silent auction items. The event would not have been possible without the help of many donors and

contributors. Lakeview FFA would like to send a huge thank you to anyone who attended the auction, donated silent auction items, or supported the event in any way, shape, or form. The auction was a huge success breaking last year's total, and setting a new record. The proceeds from this event go to help our chapter grow in a number of ways including: greenhouse improvements, putting on more community service events, and more.

Mission Meal

On November 6th, several members of our chapter came together to give back to one of our community's charities.

Members arrived at the Columbus Rescue Mission, where they served residents a meal of sloppy joes, potato salad, beans, chips, and cookies.

Members also had the opportunity to receive a tour of the Rescue Mission and hear from several employees on their work, and all that the Mission stands for.

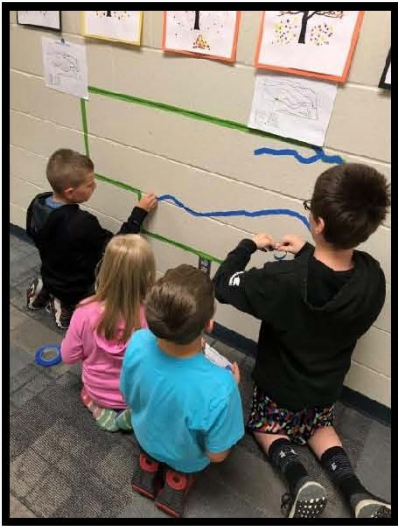

The Lakeview Junior Senior High School will be presenting their annual Christmas Vocal Music Concert on Tuesday, December 4th at 7:00 p.m. in the east gymnasium. This concert is free and open to the public

Recently several Lakeview vocal music students attended the 1st Annual Hawkfest Honor Choir at Northeast Community College in Norfolk. At the festival a \$1000 scholarship from the Humanities, Arts & Social Sciences Department of NECC was awarded to Lakeview's Emily Cunningham. Congratulations Emily!

Greetings from St. John's School! We hosted a Thanksgiving Feast on Sunday, November 4th with our Prayer Partners. We had a delicious meal, got visit with them, and played a few games as well. St. John's School is very thankful for our church members that have signed up to be a child's prayer partner.

We had a brunch with egg casserole and cinnamon rolls. All the students performed with a song, skit or poems. We had such a nice time getting to know them better and hearing their stories. We are glad to serve and honor our Veterans.

The entrance to the newly renovated stadium will consist of personalized bricks which will form a walkway for our fans. The walkway, to be named the "VIKING WALK OF PRIDE", will capture the LHS tradition of excellence. Viking athletics have produced some outstanding athletes. Now, the "VIKING WALK OF PRIDE" provides a unique opportunity to leave an enduring symbol of your support for Lakeview High School Athletics.

YES! I want to be a part of Viking History with a personalized **VIKING WALK OF PRIDE** brick!
