# Voyager

## From The Superintendent's Desk — By Dr. Plas

March is here! I love the hope and enthusiasm that March brings when people start getting outside, the days get longer, and the doldrums of winter become a distant memory. In education, March is the month we start to think about not only finishing the year strong but preparing to be even better next year. With that mind, we have several projects slated for the summer months to improve our facilities and our educational materials. Here is a short list with a few of our major projects:

1. Textbook adoptions for English Language Arts will be done K-8 for the 2019-20 school year. The review process to ensure a great resource was chosen has taken place over the last 18 months!
2. Upgrading our technology in the district with the addition of desktop computers, Chromebooks, and iPad's.
3. Remodeling of the Platte Center gym including new ceiling, flooring, heating/air, and paint
4. Replacing carpet and tile in the 3<sup>rd</sup> grade classroom at Platte Center
5. Replacing one air conditioning units at Platte Center
6. Remodeling four classrooms at Lakeview Jr./Sr. High
7. Pouring a concrete walkway at the softball complex
8. Replacing some outdated classroom furniture in all three buildings
9. Upgrading security with new knobs and locks at Platte Center
10. Updating wireless access points at all three buildings
11. Additional routine maintenance, painting, and upkeep

As you can see, we are continuing our commitment to providing our students with a great education and updated facilities. Improvement and growth are the most important aspects of education and we are committed to that not only in the classrooms but with our facilities!

Passion for something can cause people to do extraordinary things. Passion for coaching, for seeing others succeed, and for making a difference in the lives of students is what drives this month's hidden heroes: volunteer coaches. There are many of these volunteers who serve the lakeview students in many different ways. Each of them gives up his own personal time that could be spent with his family to come support and coach the students of lakeview. Powerlifting volunteer coaches Mr. Keith Bignell and Mr. Craig Ehrenberg work long hours, and both have jobs, yet they still make time to coach. This is a truly selfless act.

Bignell said, "The biggest motivation to coach is the desire to motivate young adults."

The passion and selflessness that these coaches possess inspires them to put all their resources into the betterment of Lakeview Community Schools. Surprisingly, they do so even with the chance of creating more competition for their home teams. Mr. Chase King, who has used his passion for the arts to assist Lakeview speech, also coaches St. Edward's speech and debate.

With his involvement with both teams he said, "I believe that pushing students to improve at anything is important. I don't really care if they are from another school or not. If we, as the speech community, are pushing each other to continually improve, I know that my students are going to push themselves to try and be on the same level."

King speaks on behalf of all volunteer coaches and said, "I believe volunteering is important. Again, if we keep pushing ourselves to improve, others will join. By putting in time to create an impact, everyone wins."

Volunteering creates a fulfilling sensation for these coaches. They love what they do, but it does take a lot of time out of their lives. In fact, wrestling volunteer coach, Mr. Jared Engel, shows up before any of the wrestlers and leaves after they have all gone. That is a big sacrifice and pulls him away from his family or from a paying job. Of course these are not the only consequences for these coaches. A major consequence is not being able to have as much free time. Also, not getting paid is a downfall, but when they do what they love, money is not a factor.

"I'm here just because I love doing it, so I'm not really giving up much of anything," said Engel.

These volunteers are just a few of the many who give selflessly to lakeview students. Each of these heroes has one thing in common; he loves what he does and has a passion for what he coaches.

The benefits are limitless for the students who are served. Whether it's winning state, placing first at a speech meet, or getting a new personal best in powerlifting, none of this would be possible without the help of volunteer coaches.

Each year the Lakeview Community Schools 4<sup>th</sup> grade students take part in a program sponsored by the Omaha Symphony called Link Up. The exciting program includes learning to play several pieces on the recorder and traveling to Omaha to perform in a concert with the Omaha Symphony at the Holland Performing Arts Center. Another part of this program includes a unit on composition. The Omaha Symphony sponsors a contest for all Link Up participants to submit an original composition. The winner of this year's composition contest is Isabelle Runge from Shell Creek Elementary. Her composition entitled "Hurry Up" was selected from 350 entries. "Hurry Up" will be arranged for the Omaha Symphony to perform along with the recorder students. Congratulations Isabelle Runge!

Our spring **Student Council** is excited to get started! Our members this semester are:

4th grade- Angie Alvarez, Karsten Killham, and Dane Souillere (President)

5th grade- Andy Padilla (Treasurer), Tesema Perkins, Shelby Hanson

6th grade- Abraham Torres (VP), Kortney Tunink, and Leah Max (Secretary)

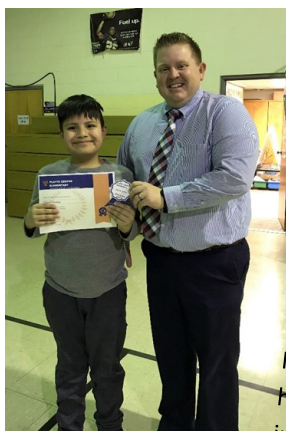

Elections for officers were held at our first meeting. This spring, the students will be helping organize and run a food drive, sponsoring the Easter egg hunt for grades K-3, participating in a highway cleanup for our adopted highway, and putting on the Platte Center Elementary Talent show on the last day of school. I'm excited for the great ideas these students have already shared around some of these events and their enthusiasm to get started on projects. It's going to be a great semester!

Family Activity Day at Platte Center Elementary was a pep rally for the Central Community College Lady Raiders basketball team. Students put together goodie bags for the team and made posters wishing "Good Luck"! Everyone congregated in the gym for the pep rally with chants and cheers from students and teachers. The lady Raiders share their time as much as they can with Platte Center students in the classrooms.

**Student Council Helps the Food Pantry** The Platte Center StuCo held a food drive during the week of February 4 – 8. Each class had their own box to put in non-perishable food. At the end of the week the student council members tallied and sorted the food which was donated to the Columbus Food pantry. The class with the most cans per capita was awarded a prize. This year's winning class was 2<sup>nd</sup> Grade with an average of 11.33 cans per student. Congratulations to all the classes and great job with the large donation to the food pantry. People in need appreciate this more than you know!

## 4th Grade

A big thank you to NPPD for teaching the 4<sup>th</sup> grade students about alternative energy sources.

## 5<sup>th</sup> Grade WaterShed Presentation:

On January 14th, the 5th grade students took part in a 4H enrichment activity where Kelly Feehan came and gave 2 1-hour presentations for each fifth grade class about what a watershed is. The students learned what watershed they live in and some ways that they can clean up the environment to help keep our water cleaner. The students really enjoyed the interactive presentation and the hands-on activities really showed the students how a little effort on their part can go a long way in keeping our water unpolluted. So if anyone would like to know what they can do to keep our watershed clean or what a watershed is?.....ask a Shell Creek fifth grader!

# In & Around Christ Lutheran Schools...

Lutheran Schools' Week was celebrated Jan. 28-Feb. 1. The K-8 students opened the week by singing in church on Sunday. Monday was school spirit day where all students and teachers wore their school t-shirt. In the afternoon, we headed to Immanuel Lutheran School to watch Elliot Thomazin as he amazed us with his magic tricks. Tuesday was pajama day, and we also enjoyed donuts. Wednesday was dress like your favorite Bible character day. Students told who they were and why they chose that character from the Bible. Thursday was decade's day. Every one dressed from a decade of their choice. Each classroom was given a decade to make a poster promoting Jesus.

The K-1-2 graders had the 2000s. Their catch phrase was "Living large With Jesus in Heaven."

The 3-4-5 grades had the 90s. Their poster read, "Dude, God is Totally Tubular! Boo Ya!!"

The 6-7-8 grades had the 70s. Their poster said, "Get Groovy for Jesus."

The week ended with each classroom dressing in a color of their choice. Trinity, Madison and St. John's, Creston joined us for a fun sing-a-long with Pastor Kevin Bueltmann. We are blessed beyond measure to have our Lutheran school.

CLS held its first ever Invention Convention on Jan. 31. Students had to think of a problem and then create an invention to solve that problem. The students used their creativity and imagination to come up with some amazing inventions.

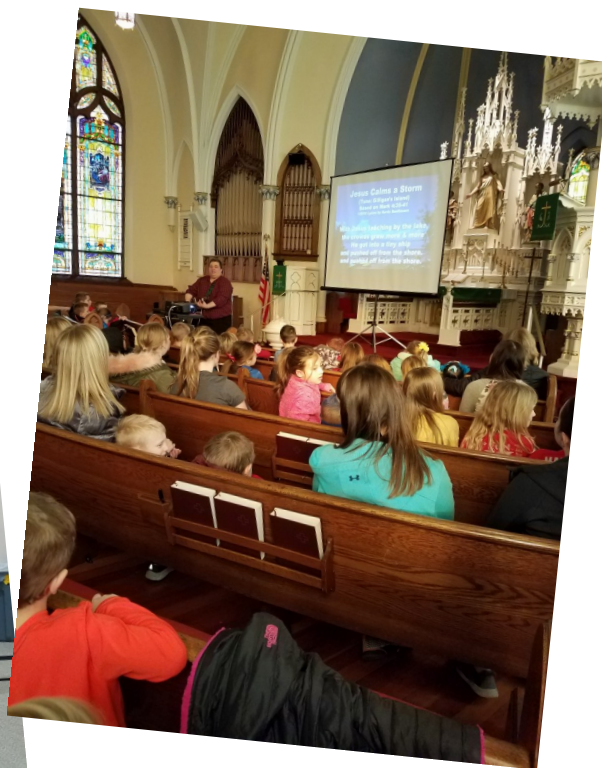

## In & Around St. Johns Lutheran School...

Our students celebrated Lutheran Schools Week January 28<sup>th</sup> to February 1<sup>st</sup>, “Real and Present God”, based on Psalm 46. We enjoyed several fun and exciting activities. On Monday we went to Immanuel in Columbus to see an Illusionist. On Tuesday we were asked to dress up as our favorite book character and made a Peru inspired “coil pot”. On Wednesday it was crazy day, our students and teachers dressed up in anything crazy or mismatched or just an ugly sweater would also do the trick. On Thursday was the always favorite, Pajama Day, we also painted our coil pots in the afternoon. On Friday was Class Color Day, each class was assigned a certain color to wear to school. We also enjoyed traveling to Christ Lutheran for a concert by Kevin Bueltmann.

The students are practicing for our all school musical. They can't wait to share their talents! Our musical is set during a dress rehearsal for a church talent show. A misunderstanding leads to the kids to think there's some kind of big celebrity (the “Ultimate Superstar”) coming to see the show and their performance. The “Ultimate Superstar” dress rehearsal will be February 28<sup>th</sup> at 1:00 pm in the school gym. Our performance will be held on Sunday, March 3 at 10:00 am. in the school gym.

Share God's Love!

## LAKEVIEW FFA ALUMNI AND SUPPORTERS

### Lakeview FFA Alumni and Supporters Chapter Recognized at State FFA Alumni and Supporters Annual Conference

The Lakeview FFA Alumni and Supporters Chapter was recognized recently at the Nebraska FFA Alumni and Supporters Conference held at The Leadership Center in Aurora, Nebraska. The chapter received Nebraska's Top Gold Outstanding Chapter award for their chapter's program of activities for the 2018-2019 school year. The award is based on: leadership, membership recruitment, development of professional and personal skills, business operations, ag literacy and public relations, local support, and chapter communication. The top gold award qualifies the Lakeview chapter to apply for the National Outstanding Chapter Award.

June Loseke, Lakeview, Top Gold; Matt Scholz, Crete, Gold; Brad Nygren, Mead, Silver; Jeff Schellpeper, Raymond Central, Bronze.

The Bob Clausen Outstanding Achievement Award is presented each year to supporters of the Alumni Chapter that go above and beyond to support their FFA Chapter. Criteria for this award include being a leader in the support and promotion of Agricultural Education being reliable, hard working, honest, fair, and above all passionate about supporting FFA. This year's recipient of the Bob Clausen Outstanding Achievement Award was awarded to Paul & Kari Wilke for their dedicated support of the Lakeview FFA and the Lakeview FFA Alumni.

The Nebraska FFA Alumni & Supporters annually present three scholarships to attend the Washington Leadership Conference. The application process includes letters written by students who attended WLC in the past, and students who wish to attend in the future. Once a chapter receives this award, students are asked to attend the next year's conference to share a presentation to the Nebraska Alumni. This year Makenna Klug and Kaylea Bailey of the Lakeview FFA Chapter presented to the group their educational experiences from WLC 2018. The Lakeview FFA was also awarded a scholarship for the 2019 WLC conference.

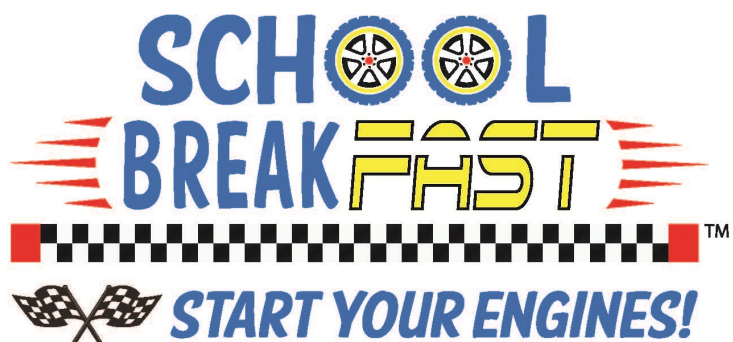

Congratulations to the Lakeview FFA Alumni and Supporters for their accomplishments during the past school year and for all of the awards they earned at the Nebraska FFA Alumni & Supporters 2019 Conference.
