## From The Superintendent's Desk — By Dr. Plas

### **Lakeview is a Great Place!**

Lakeview is a great place! As we go through the year and have teams and schools come to compete against our kids you can't help but compare your school, your town, and your kids to neighboring districts. It is human nature to compare and wonder what it must be like to be from another city. As I do this during activities, I always come back to the same result, "Lakeview is a great place!" We have some of the kindest, most accepting, and most competitive kids that you could hope to find. Our community is as, or more, supportive than any rural town on the eastern side of the state. Moreover, our teachers and coaches do an excellent job of preparing our students to become successful in life. This makes me beam with pride when I am wearing the Royal Blue and White!

I would encourage you to take some time to look around and think of all of the fantastic opportunities the community and school give to our students. It is truly amazing! Lakeview is a great place!

### **Support Staff**

I want to take a minute to recognize the Support Staff at Lakeview Community Schools. It is a total team effort to provide the best possible education to the kids in LCS. Para-educators, administrative assistants, bus drivers, school cooks, custodians, and maintenance staff provide vital support for our students and are the backbone of our school system. Without their essential work, we would not be able to provide our students with the same level of high-quality programming, opportunities, differentiated instruction, safety, or nutrition.

Please help us in thanking all of these fine folks for their efforts in helping our students achieve at the highest level possible and ensuring Lakeview Community Schools is an elite school district. Thank you!

# In & Around the Jr/Sr High School...

## The End

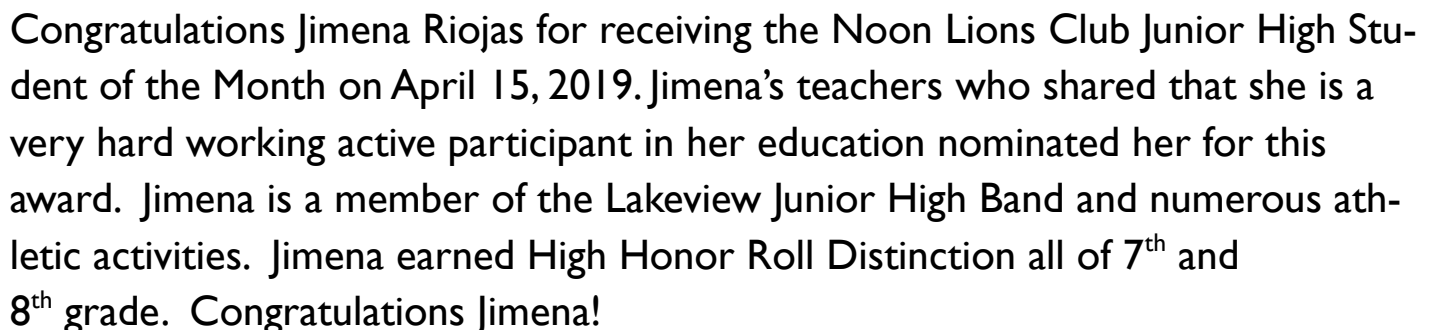

By Steve Borer, Principal 7-12

Is the end of the 2018-19 school year the end.....or simply the beginning? The end of the school year brings forth the beginning of many new opportunities. The class of 2019 now sees the end of their education at Lakeview Jr.-Sr. High School and they begin to set their focus on an entirely new beginning. They begin a new stage in life, a stage which will no doubt bring challenges but this fine group of young men and women will take on those challenges with the same determination and grit in which they have displayed here at Lakeview.

The class of 2019 will begin to embark on a new journey, a journey towards success. I wish all of them good luck in their new beginnings and their new endeavors, may they use the experiences and knowledge they have gained here at Lakeview to make a positive mark on the next generation.

The end also brings new opportunities to those who are still here at Lakeview Jr.-Sr. High School. The underclassmen now have the opportunity to seek the same success their predecessors have accomplished. They will have the opportunity to make their mark here at Lakeview Jr.-Sr. High School. They will have the chance to step up as leaders, to become the difference makers, to make the plays, to challenge themselves to be the best they can be and to grow academically.

As the year comes to an end I would also like to thank all the students, teachers, staff, parents and community for their help in making this school year another great year of education at Lakeview Jr.-Sr. High School. The community is very blessed having such a fine group of youth, of course they are not perfect as no one is, and like all kids they will make some bad choices and they will learn the consequences of poor choices, but that's all a part of growing up. Learning we are "responsible for our actions" is a vital lesson which is needed for living in a democratic society like ours and it is a must for this generation and generations to come. Thanks again for supporting your kids, and Lakeview Jr. Sr. High School. Have a great summer break!

## Language Club News!

The Lakeview Language Club will soon be departing on an Exciting European Adventure. Mrs. Brock, 8 students and 14 family members and other adults and will be visiting Italy, Switzerland, Austria, Germany and France on a 13 day tour. In Paris, they will visit the Louvre Museum and Notre Dame Cathedral. They'll take a gondola ride through the canals of Venice, travel to the top of a mountain in the Alps and take a walk on the walls of a medieval Germany city among many other things. You are invited to follow them on their journey by "liking" the Lakeview Language Club Facebook page.

The next trip for the Language Club is planned for the summer of 2020 and will be to the country of Ecuador. There we will visit the Andes mountain and the Amazon rainforest. We will snorkel in the Pacific Ocean and stand on the equator, where strange magnetic phenomenon occur. If anyone is interested in joining that tour, please contact Mrs. Brock - [lbrock@lakeview.esu7.org](mailto:lbrock@lakeview.esu7.org)

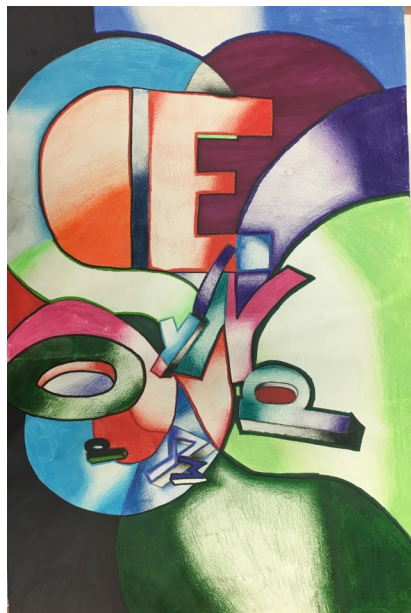

## *The Viking Way*

Congratulations to Reese Janssen for being selected as a March Viking Way Student of the Month! Reese is involved in a lot of activities, she serve as a quiet leader in her activities. She works hard, doesn't complain, and works well with others. Even though she is very involved she always stays on top of her academics. Great job Reese!

Congratulations to Abbie Scholl for being selected as a March Viking Way Student of the Month! Abbie works hard, always tries to do her best and she does it without complaint. She is polite and friendly. Nice job Abbie!

## ARTIST OF THE MONTH

This month's featured artist is a newcomer to Lakeview - Daymond Segura. Daymond is a freshman in Art Intro class. His mother is Maria Zarate. Students learned about how to create emphasis in a drawing. This is what he'd like to say, "I guess I'm creative but I like to shade more than anything else."

# Speech Team Again Wins State-Runner Up

On March 21<sup>st</sup>, the Lakeview Speech Team completed another successful season by placing as the Class B runner-up at the NSAA State Speech Championships in Kearney. It is the third consecutive year the program has accomplished this feat.

Earning points for the team were Seniors Madison Schwarz and Britney Kouma along with Junior Ethan Goldfish Vinson and Sophomore Dylan Jensen. Schwarz and Vinson placed third in duet acting, while Vinson finished as runner-up in persuasive speaking. Kouma placed third in serious interpretation. Jensen finished as runner-up in informative speaking, a result that also qualified him for this year's national tournament (the other medalists were already qualified). With these finishes, the group earned 68 points, enough to put the team in an unbreakable tie with Aurora, who shared the runner-up title. York finished as the Class B champion with 126 points.

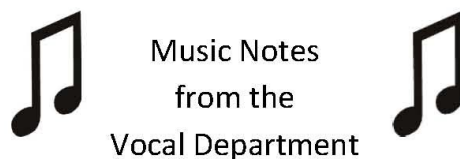

The finish was the culmination of one of the program's most successful seasons, which including winning its district for the fourth consecutive year, and winning three of nine invitationals. The team is next in action May 10-12, when Slayde Bittner, Emily Cunningham, Andrew Herley, Britney Kouma, Madison Mahoney, Halla Paschold, Ethan Goldfish Vinson, Emily Stevenson, and Dylan Jensen compete at National Individual Event Tournament of Champions at Millard North High School in Omaha, NE.

Medalists Dylan Jensen, Madison Schwarz, Britney Kouma, and Ethan Goldfish Vinson

## Seniors ... borrow wisely for college!

Review these tips before you decide how much to borrow in student loans:

- Borrow only what you need, even if it's less than the amount offered in your award letter.
- Try to use your student loan money *only* for tuition, room and board, books, and fees. Get a part-time job during college to pay other expenses.
- Apply for financial aid each year you attend college by completing the [FAFSA](#).
- Continue to look for scholarships while you're in college.
- Keep track of your student loan debt throughout college at [nslds.ed.gov](https://nslds.ed.gov).

To learn more, read the EducationQuest Blog article: "[Student Loan Refresher](#)" and see the "[Paying for College](#)" section at [EducationQuest.org](https://EducationQuest.org).

---

## How to prepare for your freshman year of college

Visit the [College Students](#) section at [EducationQuest.org](https://EducationQuest.org) for tips to help you prepare for your freshman year of college. You'll find these topics:

- Achieving academic success
- How to manage your money
- How to select a major
- What to expect your freshman year of college

You'll also find helpful articles in the [Blog section](#). They include:

[So long, high school... hello, college!](#)

[What "stuff" will you need for your dorm room?](#)

[Study tips for college students](#)

[Should you take a car to campus?](#)

[How to build relationships with your college professors](#)

---

## Juniors... here's your summer to-do list

**Narrow your college choices** to three or four by the time school starts. If you haven't already, [schedule campus visits](#) to your top contenders.

**Become familiar with the [FAFSA](#)** (Free Application for Federal Student Aid). You and your parents can complete this form to apply for college financial aid on or after October 1.

**Update your [Activities Resume](#)** at [EducationQuest.org](https://EducationQuest.org). Include extracurricular activities, honors, awards, and part-time jobs.

**Look for scholarships.** Check out [ScholarshipQuest](#) at **EducationQuest.org** for Nebraska-based scholarships, and pay attention to scholarships current seniors have received.

**Find a summer job to help pay for college expenses.** Ask prospective employers if they offer education assistance programs.

## May “To Do” List

### Seniors

- ☐ Apply for student loans, if necessary.
- ☐ Register for new-student orientation at your college.
- ☐ Start a list of dorm room essentials.
- ☐ Get a summer job to help pay college expenses.

### Juniors

- ☐ [Register](#) by May 3 for June 8 ACT.
- ☐ [Register](#) by May 3 for June 1 SAT.
- ☐ Continue campus visits.
- ☐ Get a summer job and save for college.

# Hidden Heroes

## Leading Others | Building Community

Many people envision a principal just pushing papers or disciplining kids. This could not be further from the truth. These hidden heroes are outside of their offices more than in them. They go above and beyond to make sure their students and teachers are in a great environment to be able to learn.

Mr. Doug Kluth, principal at Shell Creek Elementary School said, "I feel that principals are not portrayed in a positive light."

After interviewing administration from all three schools, it is evident that this portrayal is unfortunate and untrue.

Sadly, the word administration has a bad connotation, but in reality the head of Lakeview Community Schools, superintendent Dr. Aaron Plas is a prime example of the positive impact administrators can have. He makes sure his staff members are well taken care of.

"I've spent a lot of my time trying to assist teachers and staff members, trying to put them in a place to be successful, and trying to support the students as much as I can," said Plas. He not only puts his staff in a safe and successful environment, but he also is always on the go.

He went on to say, "There is no such thing as a typical day." Unique challenges and situations present themselves frequently, causing administrators to constantly adjust and be intentional about keeping a great and productive learning environment present each and every day.

These abilities allow for the administrative powers within Lakeview Community Schools to come together and function as a whole. Teamwork is essential in the life of an administrator. These heroes demonstrate their ability to work in a team atmosphere by contributing several hours a week to effectively communicate.

Today, the Lakeview Community Schools administrators use technology to their advantage; anything from a simple text to a video conference is a common occurrence in their workdays. The administrative branch is truly the backbone of the district, bringing the community aspect to Lakeview Community Schools.

# 2<sup>ND</sup> GRADE

By Mrs. Osten

As part of the 4-H Embryology School Enrichment program 2<sup>nd</sup> graders had the opportunity to incubate, candle, and watch eggs hatch through the Nebraska Extension. Students learned chickens hatch in 21 days and need to be in an environment that is 100 degrees Fahrenheit. Each day, three times a day students turned the eggs to help the embryos exercise, and then at night and on weekends we plugged a “turner” in. After 14 days Ms. Aliesha came back to candle our eggs. Using light we saw the embryos in the shell and could tell if they were “winners” (growing), “quitters” (stopped growing), or “yolkers” (not fertile).

Our eggs started hatching on a Monday, and then on Thursday they all went home with one student that had permission from their parents.

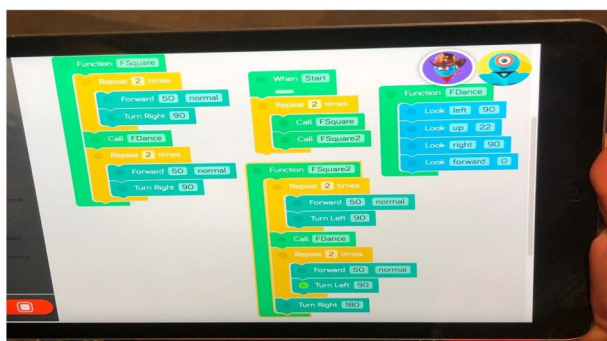

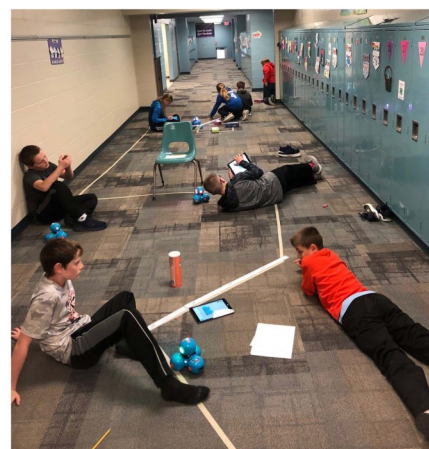

## A Byte from the Shell Creek Computer Lab

By Mrs. Hruska

For six days in March and April, fourteen 5th and 6th grade students had the opportunity to participate in an after school HAL Coding program. This year, the students programmed Dash robots that were purchased through a grant I received from the Lakeview Education Foundation last spring. They learned how to add code using the Blockly app to make their robots move, talk, and even push obstacles out of the way. The students' last project was to code their way through an obstacle course in the hallway! It was a great experience for the students as they problem solved their way to the finish line. Students at Platte Center Elementary will participate in their own HAL Coding sessions starting April 16th.

A huge thank you again goes out to the Lakeview Education Foundation for providing teacher grants that are benefiting our students!

# 4<sup>TH</sup> GRADE

4<sup>th</sup> Grade students who met their 3<sup>rd</sup> Quarter AR goal got to make slime.

## Second Graders Take Field Trip to "Life on a Farm"

On Tuesday, March 26, 2019, the Second Grade class went to Ag Park with the Second Graders from Shell Creek. While there we saw many different animals including dairy cattle, beef cattle, pigs, goats, sheep, and chickens. We also learned about farm technology, all about corn and soybeans, and tractor safety. A highlight of the trip was a getting to pet some of the animals. It was a great field trip we will remember for a long time.

## Autism Awareness Day

April 2<sup>nd</sup> was the day to call attention to our friends with autism. Our Circle of Friends group shared their knowledge of autism and gave pointers on how to interact with kids who are on the autism spectrum. Many wore their t-shirt or a blue shirt to celebrate the day!

**And the Viking Award Goes To..... Ashley Lopez!!!** Ashley is a 5<sup>th</sup> Grade student at Platte Center. She exhibits the qualities of the Viking Way: character, academics and mindset. Her positive attitude is apparent at school. She is willing to help her fellow classmates and works hard to get good grades. Her sunny disposition lifts everyone's spirits! Congratulations, Ashley!! Display your locker magnet proudly!

**Wacky Wednesdays!!** The Student Council sponsored "Wacky Wednesdays" to support flood relief efforts. Students could bring a dollar or contribute needed non-perishable items to be donated to flood victims. We had "Head to Toe Wacky", "Mismatch Day", and "Backwards Day". Thank you to the Student Council for heading up this worthwhile project.

# In & Around Christ Lutheran Schools...

Students receiving BUG awards for the 3<sup>rd</sup> Quarter were: Timmy Scriven (not pictured), Rory Korte, Samia Muhle, Trevor Smith, and Brody Splittgerger. Congratulations to all of you for your hard work. Keep it up!

LEAD Awards recipients for the 3<sup>rd</sup> quarter were Ellie Frese, Audri Splittgerber, Gentry Klug, Emma Splittgerber, Isabella Stromberg, and Kavan Splittgerber.

The following students took part in the Lakeview National Honor Society Spelling Bee: Kodee Luckey and Ellie Frese in 1<sup>st</sup> Grade, Bailey Frese and Briggs Klug in 2<sup>nd</sup> Grade, Elliot Luckey and Grace Stromberg in the 3<sup>rd</sup> Grade, Emma Splittgerber in 4<sup>th</sup> Grade, Isabella Stromberg in 5<sup>th</sup> Grade, and Isaac Stromberg in the 7<sup>th</sup> Grade. Congratulations to Isaac for plac-

On March 22-23, the boys' and girls' basketball team ended their season at the C-Club Tournament at Concordia College in Seward. The girls received the Class C Consolation Championship trophy. We are so proud of you as we are of the boys for the great effort they displayed. Thank you to Ashley Frese and Dan Hatcher for coaching the girls' team this year and to Phill Buhman and Jon Korte for coaching the boys' team.

Chirp, chirp, chirp. That will be the sound heard in each of the classrooms in just a couple of weeks. The school is participating in the Embryology project through the 4-H Extension Office. April 29 is the day everyone is looking forward to—the day the chicks hatch! Stay tuned to find out how many little chicks we get!

## In & Around St. Johns Lutheran School...

Our children are excited to celebrate Holy Week as we have been walking with our Savior during Lent on His journey to the cross.

We would like to congratulate all our St. John's confirmands as they profess their faith in Christ and promise to follow Him all their days.

We share with you our cross picture, which is done every year with our Theme shirts. This year our theme is "Open Hearts, Heavenly Minds".

We participated in the Child Abuse Awareness "Wear Blue Day".

Our yearly Easter Egg Hunt was enjoyed by all the children. The tradition continues with our 8<sup>th</sup> grade students leading the event.

May the hope of the Risen Savior give you peace and joy in the days ahead!

## **A SPECIAL THANK YOU! To the Lakeview Construction Trades Class and Mr. Post**

The wrestling room was in need of new shelving in both the coach's office and its storage room. The Lakeview 3<sup>rd</sup> period Construction Trades Class under the direction of Mr. Post directed the building of the new shelves in these two areas.

The shelves are proving to be very sturdy and flexible in their storage capacity.

The student builders did an excellent job and cleaned up after themselves!

Thank also to Mr. Kamrath and Mr. Benson for their assistance in the completion of this project!

# LAKEVIEW POST PROM

**Thank you for your generosity!**

Your support of the 2019 Lakeview Post Prom is greatly appreciated! We had 145 students and guests in attendance this year. Providing a safe and fun environment for our young people is very important.

We want to thank you for helping make this possible for our students and community!

2019 Post Prom consisted of fun at Westbrook Lanes. The students enjoyed bowling, games, guesstimation jars, karaoke, and the highlight of the night was a hypnotist. The students were also treated to great food provided by businesses in the community and each junior and senior of Lakeview High School received a gift provided by donations from local businesses. On behalf of the committee, we appreciate your support and thank you for helping to provide our children with a enjoyable and safe prom experience.

Thank you,

# *Support Lakeview Viking History...*

## **BUY A BRICK!**

For all those fans who wish to become a permanent part of Lakeview High School history and continue to building the Viking tradition, we offer a unique opportunity. Be a part of the most distinctive feature of the Lakeview Athletic Complex...the "VIKING WALK OF PRIDE". The entrance to the newly renovated stadium will consist of personalized bricks which will form a walkway for our fans. The walkway, to be named the "VIKING WALK OF PRIDE", will capture the LHS tradition of excellence. Viking athletics have produced some outstanding athletes. Now, the "VIKING WALK OF PRIDE" provides a unique opportunity to leave an enduring symbol of your support for Lakeview High School Athletics.

**YES!** I want to be a part of Viking History with a personalized **VIKING WALK OF PRIDE** brick!
