From The Superintendent's Desk — By Dr. Plas

“Back to School” is the best time of the year! After having the summer off to prepare the buildings, better our curriculum, sharpen our teaching skills, and set up new programming, we are ready for the 2019-20 school year to begin! I hope this newsletter finds everyone settling into the new school year and the routines that come with it. We are excited to see the students back in the buildings!

District Theme

Each year we start as a staff by discussing our district theme and goals for the upcoming year. I wanted to make sure the community was aware of those as we begin the school year. Our theme for 2019-20 is “Honor the Past, Live the Present, Create the Future.” We had a unique start to the year with the honoring of our 50th year as a school district and the unveiling of a bond election that will be voted on by the patrons of the district on October 15th. What a great way to start the year by honoring the past, while also having an eye towards the future on how we can make the district even better!

Bond Election

Why? The big buzz around our school district and the community is the bond election on October 15th. Lakeview Jr./Sr. High School has seen incredible growth over the last ten years, which has resulted in several areas not being able to accommodate the students and staff. Currently, some teachers must share classrooms, district office staff sharing offices, classrooms split in half to create more rooms, staff offices in the media center, crammed career education facilities, and gym usage has reached an all-time high. In addition, Lakeview electrical system is 50 years old, and the HVAC system is 20 years old.

What? Some basics on the proposed construction included in the bond are:

Additions Included – 5 classrooms, agriculture education lab, gymnasium, and district offices.

Remodel Included – HVAC systems, electrical system, industrial technology lab, 12 classrooms, media center, and corridors.

How Much? The bond election will run for \$12,000,000, with the total project cost projected to be \$13,800,000. This bond will increase the tax levy by 5.1 cents per \$100 in valuation. This would take our total levy from 65.6 cents to 70.7 cents per \$100 in valuation.

When And Where? The bond election will be held on Tuesday, October 15th at six polling locations around the district as determined by the Platte County Election Commissioner. Please mark this date down on your calendar!

More Information? An informational brochure is included in this newsletter! For detailed information on the bond proposal, please visit the district website (www.lakeview.esu7.org), attend one of the community meetings, or contact Aaron Plas at (402) 564-8518.

Community Meeting Dates:

Lakeview Safety Sweeps -Providence Working Canines

Dear Parents

Realizing student safety remains a high priority of the Lakeview Community Schools, our District has elected to implement a highly successful program to assist in minimizing the presence of prohibited items on our school grounds. It is our desire to create a safer learning environment.

Our staff, teachers and administration work diligently each day to try to make a student safe environment. However, we are limited in the scope of our abilities. Therefore we have formed an Agreement with a private company to provide random Safety Sweeps to our District utilizing highly trained non-aggressive Working Canines. Many school districts in Nebraska have experienced noticeable results in calling upon the skills of these exceptional canines and have realized students are now making better choices while on school grounds.

Random Safety Sweeps will include parking lots, lockers, sports facilities, commons, perimeters, and other areas as needed. Please note that students are to make certain their vehicles are free from prohibited items while parked on school property. These dogs are highly skilled and trained to pick up the smell of gun powder, if there is a firearm in your student's vehicle on student grounds the dogs can pick up this scent. School and gymnasium locker contents are the responsibility of the assigned student. We request that you speak with your student concerning our District's safety policies.

We understand that being a Parent in today's society can be challenging. We want to partner with you towards a common objective of keeping our students safe. We hope you will work with us and appreciate the steps the District is taking on behalf your children.

Sincerely,

Steve Borer
Principal 7-12
Lakeview Community Schools

Lakeview National Honor Society will have its induction ceremony on September 16 at 7:30 pm in the Lakeview Commons. The public is invited to attend as 19 new members are officially inducted into the society

Lakeview Language Club is planning a trip to Ecuador in the summer of 2020. Everyone is invited to join us on this adventurous trip which will include hiking in the rain forest, visiting the equator, white water rafting, visiting the Andes, snorkeling in the Pacific Ocean and visiting an indigenous village. For more information, please contact sponsor- Mrs. Brock at lbrock@lakeview.esu7.org.

LHS Counselor Update

College Access Grant

Lakeview High School was awarded a College Access Grant through the EducationQuest Foundation. This grant will provide \$30,000 from the fall of 2018 to the spring of 2022 to be used to promote college and career readiness for our 9-12 graders. I have many exciting events and activities planned in our first year for students to take part in. Below are a couple activities that we currently have planned and are looking forward to this semester.

September 26th: College Access Day

College Access Day: All High School students will participate in College Access Day on Thursday, September 16th. Students will be assigned to 8 different sessions throughout the morning depending on their grade level. Students will hear from Nebraska College Reps about admissions, scholarships, extra curricular activities and everything their campus has to offer them. Along with the ten Nebraska colleges that will be represented, staff and community members will be here to run sessions related to scholarships, the ACT, John Baylor Test Prep, study skills, time management and planning for your future.

September 30 @ 5:30PM: Financial Aid Presentation from Education Quest

This presentation will be given in the Lakeview Cafeteria and will give parents information about completing the FAFSA, types of financial aid, and college scholarships.

October 3th: Educational Planning Program at CCC for Junior and Senior Students: This event provides high school students the opportunity to meet with college counselors and learn about admissions requirements, careers, scholarships, costs, and much more. Over 40 colleges and universities will be in attendance with representation from nearly all institutions in Nebraska and some institutions from the surrounding states

October 9th: University of Nebraska- Lincoln College Visit for Sophomore and Juniors

October 29th: Apply to College Day for Senior Students

Lakeview Future Business Leaders of America

National Leadership Conference

Two members and one adviser attended the National Leadership Conference in San Antonio, Texas June 28 - July 3. Andrew Herley competed in Sales Presentation with his sales pitch on Popsockets. Ethan Goldfish Vinson represented Lakeview and the state as Nebraska's State Vice-President. In addition to the competition, keynote speakers, breakout sessions, and professional development opportunities, members explored the Riverwalk, visited Sea World, visited the Alamo, and enjoyed everything San Antonio has to offer. Thank to Lakeview Community Schools for the support and allowing members and advisers to attend this conference.

Flood Relief Meals

On May 23rd, nine members came together to purchase and package meals for flood relief volunteers. FBLA members teamed up with Lakeview FFA, FFA Alumni, and Platte County flood relief committee to ensure all volunteers had a meal served. Over 150 volunteers were fed and FBLA members were proud to serve its community.

Freshman Orientation

Entering high school can be an exciting, but overwhelming experience for many. Freshman Orientation is held every year to ensure students are prepared, can get into their new locker, and know where their classes are held. FBLA officers teamed up with Student Council to provide a fun and knowledgeable evening for incoming freshman. FBLA members served pizza, provided tours, assisted with lockers, and played an icebreaker of Human Hungry Hippos to kick start the freshman's high school experience.

Lakeview Viking Bands News

The students in The Viking Marching Band attended camp from August 5th-9th. At camp they learned the fundamentals of marching, worked on memorizing music, prepared for the Columbus Days parade, and bonded as a band family. In addition to all of our home football games, please come out to support these hard-working students at the competitions listed below!

Upcoming Marching Band Competitions

Saturday, September 28th: Columbus Marching Festival in Columbus, NE

Saturday, October 12th: Bennington Marching Festival in Bennington, NE

Saturday, October 26th: NSBA State Marching Festival in Kearney, NE

The one-to-one transformative power of mentoring results in a ripple effect that over time, makes a huge difference and can impact families for generations. The TeamMates Mentoring Program is a one-to-one, school-based mentoring program that will support you in your quest to make that difference for a child. Our volunteers spend just one lunch or class period each week doing a variety of fun activities with their mentee such as shooting hoops, playing games or cards, scrapbooking, going for a walk or just sitting and talking. TeamMates is looking for additional mentors for this school year. You don't need to be an expert in anything...you just need to BE THERE.

"I can honestly say that my Teammate, Jeannie, changed the course of my life just by her volunteering to be a part of this program! We became Teammates in the early 2000s. She taught me about the importance of higher education, how to have fun in safe, healthy ways, and the importance of responsibility and being kind. She has become more of a second mother figure to me after all these years and she even helped out tremendously for my wedding in 2016. I am now a licensed mental health therapist in Omaha, NE and I was able to receive my Master's degree from UNK in 2015. Without my Teammate, Jeannie, that would not have been my story so I encourage all those who can be involved in the Teammates Program to do so and change other children's stories!"

back to school

Welcome to Shell Creek. My name is Erin Craven. I will be the principal at Shell Creek Elementary School starting the 2019-2020 school. I am thrilled to have this opportunity to work with the amazing staff, students, and parents of the Lakeview Community Schools District.

I am a 2002 graduate of Ogallala High School and continued my education at Doane College where I earned degrees in K-6 Elementary Education and K-12 Special Education. I spent my first two years teaching Special Education as a Behavioral Specialist at Wahoo High School. From there we moved to Ord, Nebraska where I spent the last eleven years as a 6th Grade teacher. In 2010, I earned a Master's Degree in Curriculum and Instruction from Doane College. In 2013, I earned a Master's Degree in Educational Leadership with a K-8 certification in administration, also from Doane College. My husband Jeff is an insurance agent with Farm Bureau. We have two children, Connor who will be a kindergartener at Shell Creek and Chloe who 18 months.

I am passionate about education and preparing our students for the future as life long learners. Please do not hesitate to stop by, call, or email. I am excited to start this year as a Viking and continue the traditions and values of a great community.

In & Around Platte Center Elementary..

Platte Center Elementary Gym was completely renovated this summer. A new ceiling, floor, paint and lighting has transformed an old dingy gym into a bright clean space! Thank you to our school board for allowing this to happen! Here are a few "before and after" pictures of the project.

In & Around Christ Lutheran Schools...

The faculty and staff of Christ Lutheran School welcomed students to the 2019-2020 on Tuesday, Aug. 20th with the school theme “We have this hope as an anchor for the soul, firm and secure” from Hebrews 6:19. The school year began with 25 students in K-8 and another 18 in preschool.

The faculty of Christ Lutheran School consists of many returning teachers. Mrs. Cassandra Splittgerber and Mrs. Linda Dammann teach the Preschool classes. Miss Alison Rudolph instructs grades K-1 and Mrs. Kathy Petersen leads the 2-4 grade students. Mrs. Colleen Belitz returns as the teacher aide for the lower grades. Miss Jennifer Weber joins the staff of CLS this year as the 5-8th grade teacher and Head teacher. She has recently moved from Phoenix, AZ, and looks forward working in and with the Columbus community.

Parent Night occurred on Wednesday, August 14th starting with Preschool orientation. All school parents (preschool-8th) met in the gym for teacher introductions, general school information, and a brief PTL meeting. Following the meeting, parents of the K-8 students visited classrooms for more specific information regarding their child. The CLS faculty and PTL enjoyed this time to meet and greet the CLS families.

Christ Lutheran School looks forward to participating in the Columbus community even more this year. Enrollment is open year-round for Preschool-8th. If you are interested in learning more, please contact us at 402-564-3531 or jweber@christlutheran.esu7.org.

In & Around St. Johns Lutheran School...

We are excited to kick off another year as we “Focus Forward” “I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.” Philippians 3:14.

We will enjoy 31 spectacular students this year. All our phenomenal teachers will be returning. We pray for a blessed school year for our teachers, staff, students, and parents here at school and all our alumni at Lakeview!

Focus Forward!

Lakeview Education Foundation

Mission Statement: Inspire investment in scholarships, innovative programs and facilities that enhance the educational experience and opportunities for students & faculty of Lakeview Community Schools

Hello from the Lakeview Education Foundation!

May we introduce ourselves? The Lakeview Education Foundation (LEF) is a non-profit organization dedicated to managing and distributing gifts given to Lakeview Community Schools. Supervised by a Board of Directors, the foundation is incorporated under the laws of the State of Nebraska.

Board Members are: Audrey Blaser, Mary Ann Schreiber, Jamie Meyer, Ron Greenwall, Sharon Gutierrez, Pat Meyer, Jaci Tessendorf, Kevin Saalfeld, Dennis Micek, Dr. Aaron Plas, Brad Luchsinger and Clete Pillen.

Funds generated enable LEF to build funds that will be used to enhance the scholarship program for graduating seniors, provide teacher grants and may also be used as a resource for funding special projects within Lakeview Community Schools. To learn more about the Education Foundation, go to Lakeview Community Schools web page at: <https://www.lakeview.esu7.org/domain/28> A great way to stay in touch with Lakeview activities! Other options are Facebook, Twitter or any form of social media of your choice.
