

October 2019—Issue 2

Voyager

From The Superintendent's Desk — By Dr. Plas

Reminder – Bond Election – October 15th!

On October 15th, we will find out what happens when a fiscally responsible school district asks for a responsible needs-based bond issue. Lakeview Community Schools is asking all district patrons to vote on issuing \$12 million in bonds for renovations and additions to the 50-year-old Junior/Senior High School. We have a long history at Lakeview of ensuring taxpayer dollars are spent responsibly. That was on display yet again in 2018-19 when the final expenditures came in with just a 1.0% increase compared to the year prior. That is not a new development at LCS since the average per year increase over the last eight years has been just 1.44%. This was the sixth time in nine years Lakeview's yearly increase was less than 1.2%. We hear all the time in the news and from our state legislature about how K-12 public school districts don't spend their tax dollars wisely. At Lakeview, a 1.44% per year increase over the last eight years while the student enrollment has increased over 30% seems to be the poster child for fiscal responsibility. And it is the increase in student enrollment from 640 to 890 that has created the need for Lakeview to expand.

Fiscal responsibility expected by the Lakeview patrons was kept at the forefront during the formation of this bond. Like all bond elections, there will be items on the list disagreed with, and on the flip side there will be items not on the list that people wish were included. We know that with the open lots for sale and the continually increasing population of Platte County that our district is poised to grow well into the future. But also know that our patrons expect us only ask them for a bond if it is a need. And here we are -- in need of some additions and renovations to provide our students the facilities, access to education, and space they need to get a high-quality progressive education.

The bond issue would ensure our most at-risk students are provided additional space with improved special education and alternative education facilities. It would ensure our career education programs would have the ability to thrive with increased Industrial Technology and Agriculture Education space. The staff would be better taken care of by no longer having to share classrooms and office space. The congestion in our gyms that causes problems for our junior high programs, fine arts, and youth activities would improve with an additional option. We also know the need is there to finally fix the HVAC and electrical systems that are antiquated and hindering the educational environment.

Lakeview patrons know the school district is responsible with taxpayer money, the county knows Lakeview only spends if necessary, and the state looks at Lakeview as a model for financial efficiency. We hope this long history of fiscal responsibility will help the bond issue be met with an understanding that it wouldn't be in front of you for a vote if it wasn't a need for our most valuable asset, our children!

For more information, please visit the district website at www.lakeview.esu7.org/bond.

Fall Blood Drive at Lakeview

Mark your calendars! The Lakeview fall blood drive will be held on Wednesday, October 30th from 9:00-3:00. Call the school or email Mrs. Miller (nmiller@lakeview.esu7.org) to schedule an appointment. Each donation can save up to three lives and we have great snacks for you when you are done! See you there!

Congrats to Emily Stevenson and Thunder Pilakowski on being crowned Homecoming King and Queen.

October 2019

Lakeview Future Business Leaders of America

50th Anniversary Tours

This year is Lakeview's 50th anniversary. FBLA officers teamed up with the Student Council to give tours around the school. Each officer had their own hallway to tell visitors about. A highlight from the officers was learning more about the school's history from those on the tour than the visitors learned from them. Refreshments and meals were served and hosted by the Anniversary Committee.

Freshman Orientation

Every year the FBLA officers and the Student Council officers host a freshmen orientation. The orientation is to prepare freshmen for high school. They learn where their classes are, how to open up their lockers, the new rules of high school, and the best part, eat some pizza. Officers also organized a game of Hungry Human Hippos to allow students the opportunity to bond and compete against each other.

FBLA Social

Our FBLA chapter is the largest chapter in Class C. The officers want to keep it this way so they hosted a FBLA social/recruitment day. Interested FBLA members heard the officers talk about why they joined FBLA and their favorite memory. Then everyone played the game Hoop Hop Showdown. Snacks and free t-shirts were handed out and a good turn out was had.

Important Dates

September 10: Blue Pride Cards Out
 September 18: Fall Tours
 October 1: FBLA dues are due
 October 15: NFLC money due in full
 November 14-17: NFLC in Denver

Blue Pride Cards are Now Available!

Stop by the school today or find an FBLA member to purchase your discount card today for only \$10

October Counseling Calendar

		1 FAFSA Opens for Seniors	2 1st National Bank Job Shadowing Day	3 Education Planning Program at CCC 1:00-3:00 UNL College Rep @ Lakeview 3:15	4	5
6	7	8	9 UNL College Visit	10	11	12
13	14	15 Nebraska Wesleyan College Rep @ LHS 3:15	16 CCC College Rep @ LHS 3:15	17 Manufacturing Day	18	19
20	21 Latino Youth Summit	22 Juntos Program 6:00-8:00	23	24	25	26
27	28	29 Apply2College Day Juntos Program 6:00-8:00	30	31		

Here is a brief description regarding some of the events on the counseling calendar. If you have any questions, please call Mrs. Rambour at (402) 564-8518.

First National Bank Job Shadow Day: This event is being offered to our students through the PATH program. Junior and senior students that are interested in finance, accounting, IT, marketing and human resources should consider attending. Talk to Mrs. Rambour if you are interested.

Educational Planning Program: Senior and junior students will have the opportunity to attend this college fair at CCC on October 3rd. Over 50 Nebraska and area colleges will be in attendance for students to talk to regarding admissions requirements, scholarships, athletics, etc. Your student should sign up with Mrs. Rambour if interested.

Manufacturing Day: This event is being offered to Lakeview students through the Columbus Chamber of Commerce. This is a great event held each year. Students are able to tour several manufacturing businesses during the day. Students will learn about different careers in manufacturing, education and training needed for those careers and explore post high school opportunities that available right here in Columbus.

Latino Youth Summit: The Summit gives high school students an opportunity to hear from a variety of speakers who have overcome adversity to accomplish great things in their lives. Identify scholarship availability and other opportunities for continued education with a panel of speakers from more than five Nebraskan colleges. Let Latino leaders motivate you to embrace higher education. Tour area businesses and the local community college, and learn about STEM-related careers.

Apply2College Day: My favorite event of the year! Nebraska college reps will be in our building in the afternoon to help students complete scholarship applications, check on admission status (if they've already applied), and answer questions about deadlines and scholarship. This is a great time for students to get all of their questions answered and start preparing for the beginning of their college career.

Juntos Program: Juntos 4-H is a program that helps Latino youth (grades 7 – 12) and their families gain the knowledge and skills they need to bridge the gap between high school and higher education. This year we will run three evening sessions for junior high families.

EducationQuest Foundation

College Planning Bulletin

A monthly college planning guide for Nebraska high school students

October 2019

It's FAFSA time!

Seniors...beginning October 1, you and your parents can complete the 2020-21 [FAFSA](#) (Free Application for Federal Student Aid). The FAFSA is the application for state, federal, and college-based financial aid.

Follow these tips to prepare:

Create a Federal Student Aid ID (FSA ID) for you and one for a parent at [fsaid.ed.gov](#). You and a parent will each need an FSA ID to access and sign the FAFSA.

Attend an EducationQuest Financial Aid Program to learn how the FAFSA and financial aid can help you pay for college. When you attend, register for a \$500 [Financial Aid Program Scholarship](#)! To find dates and locations, [click here](#).

Review the [FAFSA Checklist](#) at EducationQuest.org for items you'll need to complete the FAFSA.

See [FAFSA Tools](#) at EducationQuest.org for helpful resources.

For free help with the FAFSA, call EducationQuest to make an appointment: Omaha – 888.357.6300, Lincoln – 800.303.3745, Kearney – 800.666.3721, and Scottsbluff – 800.303.3745, ext. 6654.

Seniors, are you ready to Apply2College?

This fall, over 200 Nebraska high schools are holding *Apply2College* events to help seniors complete college applications. Whether or not your school is participating, [here are tips and resources to help you prepare for the application process](#).

Meet with college reps at upcoming events

Talk to representatives from colleges across the state, region and nation during upcoming events.

[Lincoln Area College Fair](#), Sunday, September 22, 1:00-3:00 p.m. – Southeast Community College
[Omaha Area College Fair](#), Sunday, September 29, 1:00-4:00 p.m. – University of Nebraska at Omaha
[Educational Planning Programs](#) (EPPs) – these smaller college fairs are being held statewide. Click the link for dates and locations.

Register for a barcode

Before attending a college fair or EPP, visit [NebraskaCollegeFairs.org](#) to register for a barcode. Print the barcode – or download it to your phone - and take it to the event so college reps can scan it. This will save time spent completing college information cards.

In & Around Shell Creek Elementary...

MTSS

This year, Shell Creek teachers, will be using a new system to assist all students in organization and problem solving to improve their academic and behavior. This system is called Multi-tiered System of Support or MTSS. MTSS is defined as an instructional system based on the concept that ALL students require early and powerful academic and behavioral core instruction with the potential for high-quality interventions of increasing intensity.

A team of teachers who represent a variety of roles meet two times a month to problem solve and make decisions on student's progress in their academic, behavior, and social and emotional needs in order to support student learning. This team consists of the classroom teachers, Title I teacher, ELL teacher, resource teacher, guidance counselor and principal. MTSS utilizes evidence-based core practices, intervention strategies, and assessment tools to ensure that every student receives the appropriate level of support to be successful. Decision for interventions may consist of more one-on-one or small group settings and increase time which are based off of data collected. The intervention intensity increases when student's needs are not improving. Teachers will communicate with parents when their child is involved and at what level of intervention is being tried. This system supports learning for all students at Shell Creek Elementary School.

COUNSELOR'S CORNER

Shell Creek Counselor
Mrs. Hellbusch

A Peek in the Classroom

I visit each class at Shell Creek for 50 minutes per week.

Here is what we are learning!

- + Kindergarten -- listening, being part of the community, and our Magical Breath
- + 1st Grade -- listening, safe and unsafe curiosity, following directions
- + 2nd Grade -- respectful learning, focusing attention, and trash talk vs. treasure talk
- + 3rd Grade -- listening, self talk to ignore distractions, assertive communication
- + 4th Grade -- empathy, listening, being assertive
- + 5th Grade -- listening with attention, respect and empathy
- + 6th Grade -- teambuilding, empathy, and healthy friendships

Ask your children...

Tired of your kids saying, "school was fine...we didn't do anything...?"

Instead try asking

- What did you eat for lunch?
- What fun fact did you learn?
- Did you sing any songs or play any games?
- What was your favorite subject?
- Who did you play with at recess?

A note from the counselor

Want to review what your children want to watch...before they watch it?

CommonSenseMedia.org is a user friendly website that rates movies, apps, and video games.

Homework Strategies

Check out Understood.org for strategies to assist your child with challenges such as rushing, managing time and staying organized.

Mrs. Wilke and Mrs. Meyer welcomed 47 Kindergartners this fall at Shell Creek. The Kindergartners have been busy getting to know their new classmates, learning school rules and procedures and being exposed to many new learning concepts. Highlights from the start of school have been selecting their lunch choice item, working with individual tubs and playing with new friends. We have been busy learning letter names and sounds, concepts of print such as reading left to right, pointing to words as they read and enhancing their phonemic awareness skills. We are looking forward to many new learnings this quarter and getting to know each other even more.

On September 9, 2019 the Lakeview FFA Leadership Class came over to Shell Creek to help 5th and 6th grade students plant our Tower Gardens. Students were able to plant the lettuce and cherry tomatoes into their tower garden slots. Students also helped to get water to fill the tank reservoir in the bottom of the Tower Gardens. Miss Vales, the FFA sponsor and AG teacher, explained to students how the plants are going to grow in the tower. The students look forward to watching the vegetables grow and being able to harvest and eat them in the cafeteria.

Alicia Blumenthal & Michala Wurdeman

In & Around Platte Center

Central Community College Raiders were at Platte Center Elementary to kick off the new school year. The Lady Raiders once a week to help in the classroom and read with the kids.

Accelerated Reader

Kick-Off! “Reading Takes You Out of This WORLD” is the theme for Platte Center’s Accelerated Reader Program. Coordinators, Mrs. Coble and Mrs. Wessel, got the students enthused about reading with several activities for the Platte Center students.

In & Around Christ Lutheran Schools...

Christ Lutheran School students and families experienced a busy September inside and outside the classroom. The PTL, school board, and teachers worked hard to engage families and build community.

The month began with Education Sunday on Sept. 8th with Bible presentations to all preschoolers and 2nd graders and catechism gifting to all 3rd graders. All K-8th students sang during the worship service. The event ended with a picnic sponsored by the Board of Education.

The K-1 class kicked off school with the first graders taking a leadership role as a “big buddy” to kindergarteners. The one to one buddy system helped the kindergarteners quickly learn the routines and expectations of the classroom.

Grades 2-3-4 observed Patriot Day on Sept. 11. Even though none of the students were born when it happened, they were all extremely interested in learning about it – how it happened, first responders, and the effects it had on our country. Students made flip books to show their understanding of Patriot Day. We thank God for all those who helped then and still help today to make our country a safe place.

The 2-3-4 Graders went on a field trip to Ag Park on Sept. 17. It was a 4-H Extension Project called Animals: Inside and Out. We learned all about animals – what they need to live, the systems of the body, by-products made from animals, and careers that have to do with animals. It was a great day of learning in a fun way!

The 5th -8th grade students constructed bridges in science class using straws and pins. Students were challenged with the task to build a bridge to span 24 inches and to test which design was the strongest. The students worked for a week and then tested their bridges using washers. Throughout the process students tested their hypotheses regarding design and load. They were surprised at the strength of their bridges.

On Sept 18th the PTL sponsored a presentation of *Stop the Bleed* courtesy of Columbus Hospital. This event was open to the public in an effort to better inform and prepare our community in the event of an emergency. Later that week, CLS hosted a volleyball tournament. We are grateful to all of the parents and Board members who helped put on this fun event.

September concluded with a flurry of activity. Parent/Teacher conferences occurred on the last Monday and Tuesday of the month. Then on Saturday, Sept. 28th the PTL sponsored a social event under the “Big Tent” with crafts and fellowship. What a great event to build community! The next day was Mission Fest with a picnic and special choir event sponsored by the Christ Lutheran Adult Choir. Young and old enjoyed the wonderful music.

Christ Lutheran School welcomes new families to join our community. We offer Christ-centered education for Preschool-8th grades with qualified teachers and low student-to-teacher ratios. If you are interested in more information or to schedule a tour, please contact Jennifer Weber at 402-544-3531 or jweber@christlutheran.esu7.org.

In & Around St. Johns Lutheran School...

St. John's welcomed our Grandparents for Grandparents Day which was held on Friday, September 6th. We had over 50 grandparents attend. We enjoyed a pizza lunch and several games of Bingo. We also had such a wonderful time doing crafts and sharing our classrooms with them; our Grandparents were also able to purchase books from our Scholastic Book Fair. Thank you to all our Grandparents who purchased books. We finished the day with Chapel and some of us went home with our grandparents.

We are excited that Volleyball season has begun and we have had several games at Christ Lutheran School. We have once again joined Christ Lutheran for our club team. Our team has several 4th graders that are starting to learn the game and sharing their new skills!

We will have our Burger Bash on Sunday, September 22nd with great food and fellowship. We will "Focus Forward" is our theme this year. "I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus." Philippians 3:14.

LAKEVIEW EDUCATION FOUNDATION TIDBITS

Cloudy skies and moderate temperatures greeted a record number of teams competing for prizes at the fourth annual Dick Kamm Memorial Golf Tournament hosted by the Elks Country Club, August 25, 2019.

Thirty-four foursomes tested their skills, using the scramble format, and were also able to participate on several special set-up holes which included choosing from five flags placed on number four green and an eight inch cup on hole number eight.

Players had a chance to test their putting skills as they made their way from number 18 green to the teeing area for hole number one. Jeff LeMaster and Tyler Mueller each “holed” putts during the first round that forced a putt-off to determine the champion. Mueller won the contest and pocketed one half of the total betting pot.

Many donors “earmarked” funds specifically for flag prizes for each of the 18 holes. Because of this generosity, the golf committee was able to reward the winners with very nice gifts including gift cards to local restaurants, grocery stores and hardware stores, etc.

Category/Winner	Women	Men
Longest Putt	Samantha Hahn	Justin Lorenz
Closest to Pin off Green	Carrie Jensen	Aaron Cattau
Closest to Pin in Three	Cheryl Sanders	Lee Ascoff
Shortest Drive	Angie Luebbe	Ahren Uhlig
Closest to Pin in Two	Danika Rowe	Cody Schilling
Straightest Tee Shot	Jillian Peterson	Derick Hansen
Closest Tee Shot to Pin	Kelly Alleman	Eric Tubbs
Closest Tee Shot/Water	Amy Schneider	Andy Ernesti
Longest Drive (fairway)	Hailee Lucky	Jacob Jarecki

Two teams tied for first place in both flights. Winners were determined by a scorecard playoff. (See footnote *)

First Flight Winner/Runner-up

First Place: Team of Eric Wemhoff, Tyler Klassen, Bradley Wemhoff, and Tim Wiese.

Runner-up: Team of Wayne Loseke, Ryan Loeske, Carsten Loseke, and Sam Morse.

Second Flight Winner/Runner-up

First Place: Team of Jacob Jarecki, Ahren Uhlig, Bill Zumbrennen, Connor Zumbrennen.

Runner-up: Team of Kevin Salfeld, Vince Saalfeld, Josh Prater, and Rick Prater.

All participants were treated to a picnic style hamburger lunch following the conclusion of the tournament as well as pork burgers before and during the contest. Hamburgers and grilling compliments of Platte Valley Cattlemen Association and pork burgers provided by Clete & Christine Pillen with chips gifted by Bob Bender of CSS Farms and free soft drinks and water donated by Super Saver.

Special thanks for all who helped make this Lakeview Education Foundation golf outing a success. To the numerous donors, hole sponsors and volunteers, the LEF pledges to continue to use generated funds to impact young lives in a positive way.

**Honor your loved one with memorial to the Lakeview Education Foundation.

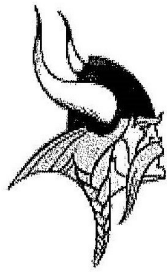

Support the LEF by purchasing an annual membership for **\$50.

**Please consider the Foundation when estate planning

***Scorecard playoff winner is determined by comparing scores on both cards beginning with the number one handicap hole—if there is still a tie, scores on handicap hole number two are compared and so on until there is a better score and a winner.**

Support Lakeview Viking History...

BUY A BRICK!

For all those fans who wish to become a permanent part of Lakeview High School history and continue to building the Viking tradition, we offer a unique opportunity. Be a part of the most distinctive feature of the Lakeview Athletic Complex...the "VIKING WALK OF PRIDE". The entrance to the newly renovated stadium will consist of personalized bricks which will form a walkway for our fans. The walkway, to be named the "VIKING WALK OF PRIDE", will capture the LHS tradition of excellence. Viking athletics have produced some outstanding athletes. Now, the "VIKING WALK OF PRIDE" provides a unique opportunity to leave an enduring symbol of your support for Lakeview High School Athletics.

YES! I want to be a part of Viking History with a personalized **VIKING WALK OF PRIDE** brick!
