### School Cancellation Information – December 2019

In the event of a school closing, Lakeview Community Schools will communicate in numerous ways. Information can be found:

- Watching WOWT, KMTV, KETV, KOLN/KGIN or listening to local radio including KLIR
- On my twitter account - @aaronplasLCS
- Through our messaging system which you are automatically signed up through on PowerSchool
  - ◇ This will send you text messages, emails, and call your phone.
  - ◇ Please ensure you have your current phone number(s) on file at the school to guarantee you receive all communication.

Making decisions regarding snow days is never fun or easy. If you don't believe me, spend some time watching all of the names superintendents get called on social media during a storm. These tough decisions will inevitably make some mad because they think we should be called off while others can't believe how 'soft' schools have become with their decisions. I can promise we will do the best we can with the information and resources we have at the time. Please remember, you can keep your child(ren) home on days that we have school but you think we shouldn't.

We have one of the most unique set-ups of any school district in the state of Nebraska. First, our district covers an incredible amount of land. We can have one section of the district completely covered in snow while the other only gets a dusting. This creates tough scenarios as we try to do what is best for our students. This HAS OFTEN resulted in Lakeview not having school while Columbus Public and Columbus Scotus are in session. In addition, Mid-States School Bus Inc. has the ability to plug in their buses at night which keeps them from freezing during those cold winter nights and early morning. With that said, we will not often call school due to 'cold days' like many districts are forced into because their buses won't start. Again, if you think we shouldn't have school on a 'cold day' where other districts have shut down, please feel free to keep your child(ren) at home.

If we have a tough winter with several cancellations, we may be forced to make up some student days on May 22<sup>nd</sup>, May 26<sup>th</sup>, May 27<sup>th</sup>, and so on. We are hoping to end school as scheduled but we are restricted by state mandates on the number of instructional hours we provide to our students. Any changes to the school calendar will be communicated early and often!

We take the safety of our students and staff very seriously. We will make what we feel is the best decision for the school district as a whole during these difficult scenarios. Please feel free to contact me with any questions, comments, or concerns.

Go Vikings,

*Aaron Plas*

Snowball Dance 2020 hosted by the Senior Class on Sat, Jan 4<sup>th</sup>, 2020

-Mrs. Jill Krienke, Senior Class Sponsor

All 9-12 Lakeview students are invited to attend the Snowball Winter Formal! The dance will be held Sat, Jan 4th, 2020 from 7:00 pm to 10:00 pm in the LHS West Gym. Admission will be \$5 per person paid at the door that evening. All Lakeview patrons are invited to attend the crowning of our Snow Ball royalty at 7:30 pm that evening in the West gym. As the senior class is hosting the event, all members of the Class of 2020 are reminded that we will clean up immediately after the dance that evening—cleanup will be done by 10:30 pm. In addition, we thank our senior officer parents for serving as chaperones that evening for the dance. Mark your calendars to ring in the New Year at the Snowball Winter Formal on January 4, 2020!

### SENIOR PICTURES DUE **January 31**

Please submit headshots to Mrs. Schatz at [kschatz@lakeview.esu7.org](mailto:kschatz@lakeview.esu7.org). Specifications for submission are below. If we do not receive a picture for your senior student by **January 31**, we will use the headshot taken for school pictures. These pictures will be used for the yearbook, for the senior slide show, and for the Columbus Telegram.

#### **Senior Photo Submission Requirements:**

- CD or email the image to be used ([kschatz@lakeview.esu7.org](mailto:kschatz@lakeview.esu7.org))
- JPG Format
- Cropped vertically
- Headshot preferred
- No special effects (soft focus, b/w, sepia, etc...)
- Submission due by **January 31**

\*Headshots are required for the Telegram. If you wish to use a different photo for the yearbook, you may, but the above requirements still apply. If you are sending 2 different pictures, please specify where each picture is to be used.

**\*\*If your student does not have senior pictures or needs assistance having them taken, we have a photographer who has volunteered her services to make sure no senior goes without pictures. This is a wonderful opportunity for every senior student to get pictures if they need help doing so. If you would like to be a part of this opportunity, please contact Mrs. Schatz, [kschatz@lakeview.esu7.org](mailto:kschatz@lakeview.esu7.org) by**

### **Secret Santa**

It is the season of giving again. Lakeview FBLA hosts Secret Santa every year for our teachers. Secret Santa was held December 9-13. FBLA members and officers got to go out, have fun, and be creative in choosing presents for our teachers. Every day of the week the members got to leave the teachers a present with a little hint about what sports they are in, what they look like, or what grade they are in. The teachers then get to try and guess who their Secret Santa's are. This is always a highly anticipated event for the teachers and FBLA members.

### **Members of the Month**

Every month, the FBLA officers choose a Member of the Month. The officers choose the person who has contributed the most that month. The way the members can contribute to Lakeview FBLA is by attending the monthly meetings, going to the National Conferences, working concessions, and by going on the business tours. The Members of the Months have been October- Gracie Duncan, November- Alison Loseke, and December- America Rodriguez.

### **Giving Tree**

The FBLA officers wanted to give back to the community and help some children in need. They decided to find somewhere with a Giving Tree. They chose four children to bring Christmas cheer to by taking their wish list from 1C church. Overall, they were able to purchase two pairs of snow pants, one winter coat, snow boots, gloves, and four sleds. All of these donations were taken to 1C church to be wrapped and given to the children. Merry Christmas and have a Happy New Year from Lakeview FBLA!

### **Wall of Fame**

The Lakeview FBLA Chapter is sponsoring the Wall of Fame Award to be presented to a deserving alumnus of Lakeview High School. We will be honoring an outstanding graduate who has contributed to their community and has shown outstanding leadership skills. The nominees should be people who have been successful in their careers and have exceptional character. The application will be in the January newsletter with nominations due by February 15th.

## Shell Creek Elementary Physical Education and Health News!!!!

The K-6 students at Shell Creek Elementary have been busy working with their basketball skills during our basketball unit. K-3 students worked on dribbling and shooting skills while 4-6 students worked on dribbling, shooting, and lay-ups skills along with general rules of the game of basketball. All students skills improved greatly throughout the unit with lots of practice and skills activities. Grades 4-5-6 have been learning lots of things in health classes. Fourth grade students have been learning about family relationships and how they require commitment and responsibility by everyone in the family. We also talked briefly about separation, divorce, in families as well as adoption and foster children in some families. Fifth grade students have been learning about body systems and how they work. We have learned about the Skeletal system, Muscular system, Circulatory system, Respiratory system, Digestive system, and our skin. We have discussed how to take care of those individual systems in order to keep them healthy and safe. Sixth grade students have been learning about abstinence and why that is so important at this point in their lives and to their health. We have also been learning about HIV/AIDS by watching the video "The Announcement" which is a 30 for 30 program by ESPN about Magic Johnson, former NBA player and how having the HIV virus affected his life during his career at a time when not a lot was known about HIV and its effects on people.

In Fourth Grade, the week before Christmas break also happens to be college week! Our goal is to start thinking about college and learn what life is like in college. Both classes wrote letters to different in-state colleges, and they send us a variety of goodies that represent their schools. The most exciting part of college week was our visit to Central Community College. During this visit, we took two courses that taught us about career clusters and setting goals. We also had the opportunity to tour the campus and talk to some current college students. Finally, we visited with many local businesses about job opportunities in Columbus.

**Aproximately 40 K and 1<sup>st</sup> Graders and 60 parents and grandparents filled the gym for lunch and gingerbread house making! Everyone had a great time creating one-of-a-kind masterpieces.**

## **In & Around St. Johns Lutheran School...**

All school students enjoyed making baked goods for our Bake Sale on December 8th. All the proceeds went to Rev. Carl Hanson, our missionary family in Hong Kong.

We are excited to participate in Christmas Eve Worship Service on December 24th at 6:30 pm. Our theme is "Hark! The Herald Angels Sing".

We continue working with our Accelerated Reader program. Children that make their goal by the end of the quarter will be making gingerbread houses. This will be so much fun!

We are thankful for our High School Youth Group who will travel to Minnesota between Christmas and New Years to deliver donations of hats, coats, and mittens to the children on the Indian Reservations. They will bring the children gifts of warm clothing.

We look forward to the year 2020 and all the blessings that are in store for all of us!

# In & Around Christ Lutheran Schools...

The second quarter ended in a flurry of activity. During the second quarter, our students collected items and donations for our CLS Operation Care Package – a special Military Project. In early November, eight boxes were put together and sent off to military members who are deployed. We already received a thank you from one of the recipients. At the end of the second quarter, the remaining cash donations received will be sent to Operation Barnabas, which is the LCMS' network of care to our nation's military members, families and veterans.

At the beginning of December, Mrs. Cassandra Splittgerber and Miss Alison Rudolph led a PTL information night about literacy and early childhood. The families in attendance heard about reading aloud to their children and other important literacy practices to do at home. and then participated in several activities to reinforce the concepts discussed.

During the first semester, the Kindergarten-Grade 1 classroom hosted several special guests to read to our youngest students. Some of the guests have included Pastor Witt, Crystal Klug, and Mrs. Dixon. Students enjoyed hearing the stories from the special storytellers.

The Grades 2-4 classroom had a busy end of the second quarter. They learned about how to be home alone through the 4-H Extension Project called On Your Own and Ok. They have learned how to answer the door and phone.

In addition, the 2-4 graders worked hard on power-point presentations about various Native American tribes and their cultures. Students invited their parents to view the presentations as they shared their finding with the class. This project was challenging for many of the students as it was the first time they created a power-point.

The 3-4 Graders focused on plants in science class. They investigated the inside of a lima bean where they could see the little plant. They sprouted lima beans as well. Finally, they planted grass seed in different kinds of soil to see in what conditions plants grow best.

The whole school practiced for many hours on a Christmas musical "The Case of the Reluctant Innkeeper". The production was presented at our Children's Christmas Eve program on Tuesday evening, December 24 beginning at 7:00 PM. Cassandra Splittgerber, our music director, led the group during this memorable program.

Happy New Year! January is a time for new beginnings and fresh starts. It is the beginning of the new quarter and new semester. Christ Lutheran School is excited about the new opportunities coming in 2020. Starting in January, our school is offering Monday through Friday morning Preschool. We are excited to provide this option for parents who are looking for more Pre-school days. If you are interested in this option, please call 402-564-3531.

Lutheran schools across the country will celebrate National Lutheran Schools Week at the end of January. Our theme for this year is "Real. Present. God." This annual event offers our congregation and school the opportunity to rejoice together in the partnership we have in sharing God's grace and mercy, as we provide another year of spiritual training and educational preparation to the next generation of faithful Christian servants. The upper grade students will be planning the activities for the week including special dress-up days.

Christ Lutheran School welcomes new families to join our community. We offer Christ-centered education for Preschool -8<sup>th</sup> grades with qualified teachers and low student-to-teacher ratios. If you are interested in more information or to schedule a tour, please contact Jennifer Weber at 402-564-3531 or [jweber@christlutheran.esu7.org](mailto:jweber@christlutheran.esu7.org).

## Tidbits from the Lunch Crew

This month's taste testing was fruit smoothies. Fruits are full of healthy nutrients, such as Vitamin C, Fiber, Potassium and Folate. These nutrients are needed to help fight off cold symptoms and reduce the risk of chronic diseases. The USDA recommends adults consume at least 2 cups of fruit a day.

**Fun Fruit Fact:** Fiber is one of the nutrients that you can find when eating whole fruits and is not typically found in fruit juices. The reason why fiber is found in whole fruits instead of fruit juices is because fiber is located in the pulp of the fruit. When juice is made commercially or with a home juicer, the pulp is typically removed.

## **Lakeview Education Foundation**

**Mission Statement: Inspire investment in scholarships, innovative programs and facilities that enhance the educational experience and opportunities for students & faculty of Lakeview Community Schools**

### 2020-21 Lakeview Foundation Innovative Mini-Grants

Lakeview's Education Foundation solicits donations to provide funding for projects that teachers feel will enhance their ability to help students learn. Money may be used to expand or extend an existing program/project or create a new program /project. Grant selection is based on, but not limited to, an innovative approach that reflects best instructional practices, and funding something otherwise not possible within the district budget.

Applications are reviewed by building principals and then submitted to the superintendent to bring before the foundation board for consideration.

#### 2020-21 Mini-Grant Application Topics

**Read Naturally Live**—a web-based intervention efficiently applies research-based Read Naturally Strategy to accelerate reading achievement. Visual and auditory prompts guide students through steps to develop fluency, support comprehension, and improve vocabulary.

**ECR4Kids--The Surf Portable Lap Desk**—During group work, students will be able to use portable lap desks. These lap desks can be used as alternative seating to accommodate drawing, writing and independent work. Lap desks can be utilized for many succeeding years.

**Mystery Science**—A hands-on NGSS-aligned science curriculum with ready lessons for teachers. Each lesson begins with a mystery allowing students to explore these mysteries through discussions, videos, and hands-on activities/experiments.

**Kindle Fire 7's**—These units would create a classroom that is one-on-one and would allow students to access technology several times a day, every day. Teachers would be able to differentiate instructions and assign tasks which are ability level appropriate.

**Small Engine/Technology Tool Upgrade**—With the addition of a program in these areas comes the need for specialized tools. These tools are rapidly becoming standard place in a technician's toolbox.

**E4 CNC Router Kit**—This router will be utilized for both the Principles of Technology Class and the robotics program. The router will be used to teach 2D modeling and supplement the 3D modeling in conjunction with the 3D printer.

**EVO Classroom Kit**—Implementing 12 Bots into the classroom will assist students as they learn "coding" (communicating with computers). Coding skills will also help the students improve their ability to problem solve, become more creative, persistent, collaborative, and better communicators.

- Support the LEF by purchasing a NEW Annual Membership for \$50.
