## From The Superintendent's Desk — By Dr. Plas

Below is an editorial I wrote that was published in the January 8<sup>th</sup> edition of the Columbus Telegram. If you have any questions, please feel free to contact me by phone at (402) 564-8518 or by email at [aplas@lakeview.esu7.org](mailto:aplas@lakeview.esu7.org).

There is a popular image that circulates social media that says, “Breaking someone’s trust is like crumpling a piece of paper. You can smooth it over, but it’s never going to be the same again.” This image perfectly illustrates the issues that echo throughout the Nebraska legislative chambers each yearly session. This famous image further shows the profound lack of trust between our governing body and the Nebraska public education system.

Education is the most significant investment we as a state make in our future. Research shows that the public education system decreases unemployment, incarceration rates, and reliance on public programs. In addition, education research has shown it dramatically improves our economy and long term health. It is hard to argue these are items that are not only positive for the individual but benefit our society as a whole. But yet, year-after-year, it is a constant struggle to get the Nebraska Legislature to put any additional resources into education. Instead, it often is a tussle to keep funding public education and ward off further cuts.

Nebraska schools had an average annual spending increase of 3.5% from 2003-2014. During this same time, the number of students educated in Nebraska increased by 8.16%, and the number of students living in poverty increased almost 10%. While this growth was happening, the percentage of our state budget allocated for K-12 education decreased from 32% to 27.6% over the last 17 years, reducing the funds being distributed to schools by an estimated \$187 million. This lack of investment is well documented with the constant publicizing of Nebraska ranking 49<sup>th</sup> in the country for state assistance to public education. These lack of state support statistics mirror the inverse in high property taxes collected, which rank 7<sup>th</sup> nationally. These statistics being the exact opposite of each other is not a coincidence!

There are plenty of people wanting this session to result in additional funding for public education that results in a reduction of property taxes. The school community wants this to happen as well! Several proposals are being thrown around as possibilities to make this a reality including educational foundation aid, basic funding allowances, and increases to the property tax credit fund. At the end of the day, you can only move at the speed of trust. And that trust has been dramatically fractured over the past several years. It will be imperative that education groups and state senators find a way this session to “smooth the crumpled paper.” Our kids are depending on us!

### Kids' Chance of Nebraska Scholarship Opportunity

Lakeview Schools has received information on a scholarship opportunity for any student who has been affected by a parent being injured, disabled, or lost their lives on the job and has received Workman's Compensation to pay for medical bills or lost wages, but do not have the funding to send their children to college. We are not always aware of these family situations.

We need help finding eligible students for these scholarships. We encourage eligible children and families to go to [www.kidschanceofne.org](http://www.kidschanceofne.org) for information on scholarships and how to apply. Age does not matter, they are looking to get anyone who may be eligible into their system.

Please email Mrs. Rambour if you need assistance or more information at [prambour@lakeview.esu7.org](mailto:prambour@lakeview.esu7.org).

### Snowball Winter Formal Coronation Held Jan 4, 2020

-Mrs. Jill Krienke, Senior Class Sponsor

Congratulations to our Snowball Royalty who were crowned at the winter formal dance held on Saturday, January 4, 2020 at the Lakeview gymnasium. The event was hosted by the Senior Class of 2020. Queen and King were Madeline Fremarek and Joel Lemburg, while runners-up were Rebecca Valdez and Lucien Engel. Junior class attendants were Reese Janssen and Logan Jaixen, sophomore class attendants were Macy Stock and Adam Van Cleave, and the freshmen class attendants were Sidney Jaixen and Brenden Sloup. Homecoming royalty Emily Stevenson and Thunder Pilakowski crowned the winners for the Snowball coronation. Thank you to all the students who came out and danced the evening away—and to the senior class members who were in charge of decorating and clean-up!

### SENIOR PICTURES DUE NOW!

It's not too late to turn in **senior pictures** for the 2019-2020 yearbook, but we must receive them **ASAP!** Pictures were due January 31st. Please submit headshots to Mrs. Schatz at [kschatz@lakeview.esu7.org](mailto:kschatz@lakeview.esu7.org). If we do not receive a picture for your senior student, we will use the headshot taken for school pictures. These pictures will be used for the yearbook, for the senior slide show, and for the Columbus Telegram.

### SENIOR ADS FOR YOUR SPECIAL SENIOR--LAST CHANCE!!

Every year, the yearbook sells senior ads for the back of the yearbook. These are messages written to your senior showing love and support. Senior ads are \$50 and will include their senior photo and baby photo. If you would like to write an encouraging message to your senior, please submit your message of no more than 150 words and payment to Lakeview High School, attention: Mrs. Schatz. You can also email your message to [kschatz@lakeview.esu7.org](mailto:kschatz@lakeview.esu7.org) and send payment in separately. Payment is due upon ordering an ad. Deadline to purchase senior ads is February 15.

## Business Leadership Class

Mrs. Dlouhy

Last semester, Business Leadership students participated in Lead4Change. Lead4Change is a student program focused on service and leadership. The goal of the project is to find a need in the community, develop an action plan to improve the need, and follow through with the plan to achieve measurable success. Business Leadership students were split into 4 groups where they chose a project they were passionate about. A recap of each project is below. A BIG thank you to everyone that donated items, money, or time to these worthy projects.

### Poverty Pals

The Poverty Pals team comprised of Ethan Goldfish Vinson, Devin Lesiak, & Jasmin Davis. Their goal was to raise awareness about the 39% poverty level at Lakeview while collecting clothing and food for the Lakeview Food Pantry. Students set up bins around the high school and set up an elementary challenge at Shell Creek to raise these items. The donations far exceeded the goal collecting over 1200 items. Mrs. Debower's class won the challenge earning ice cream sandwiches & a dress up day.

### L.A.M.B Project

The L.A.M.B team was made up of Lucien Engel, Ashley Behlen, Mason White, & Becca Valdez. The goal of their project was to "shoe away our problems" by collecting new or gently used shoes. Collection bins were set up around school for these donations. Sixty-two pairs of shoes were collected and donated to Salvation Army.

### Dance 4 Change

Emily Stevenson, Reed Blaser, Alison Loseke, & Kienan Prorok were part of the Dance 4 Change team. Their goal was to raise awareness and money for March of Dimes, a non-profit organization dedicated to helping premature babies. To do this, they held dress up days for the Junior High students, created posters for school, had a teacher jean day for those that donated, and held a Junior High dance. Overall, \$390 was raised which exceeded the goal of \$100!

### Peek-A-Boo Shower

Madeline Fremarek, Bradyn Kucera, & Khailyn Higgins developed a Peek-A-Book Shower focused on raising money and baby items to create baby bags for struggling mothers. An Amazon wish list was set up for those wishing to purchase items & a bake sale was held at the December 17 basketball game. Over \$200 was raised and donated to purchase items. Bags were filled with diapers, bottles, onesies, and more and donated to YFC.

## Mystery Science

**New to 3F this year is *Mystery Science*. *Mystery Science* gives students an engaging, hands-on way of learning, inspiring them to love science! There are short videos that aid in creating wonderful classroom discussions with each lesson. After an introduction video and some preliminary discussions, there is always a lesson (based on the Next Generation Science Standards) designed to engage the students. It is exciting to hear and see the kids having fun while learning science!**

5th Grade students have had a great start to the new year!

Students welcomed a student teacher, Ms. Ganskow, that will be with Mrs. Wurdeman for the 3rd quarter. Ms. Ganskow is joining us, from Wayne State. Ms. Ganskow grew up in the Columbus area. She is excited to be able to have this opportunity, and we are excited to see what new ideas she can bring to our classroom. Ms. Ganskow will be transitioning to the Resource Room to student teach for 4th quarter with Mrs. Downs.

Some activities that 5th graders have upcoming to look forward to are:

- MAPS Testing (January)
- Leadership Day (January 27)
- P/T Conferences (January 27)
- MAPS Testing & NSCAS Testing (March-May)
- Groundwater Festival in Grand Island (May 12)

Let's have a great rest of the school year in 5th grade!

## Dyscalculia

By : Brittany Niedbalski

Dyscalculia is a condition that affects the ability to acquire arithmetical skills. Dyscalculic learner may have difficulty understanding simple number concepts, lack an intuitive grasp of numbers, and have problems learning number facts and procedures, even if they produce a correct answer or use a correct method, they may do so mechanically and without confidence. A dyscalculia learner stands out as having no 'feel for numbers' at all, no ability to estimate even small quantities, and no idea whether an answer to an arithmetic problem is reasonable or not. Some indicators for dyscalculia include: an inability to subitise (see without counting) even very small quantities, an inability to estimate whether a numerical answer is reasonable, weaknesses in both short-term and long-term memory, an inability to count backwards reliably, a weakness in visual and spatial orientation, directional (left/right) confusion, slow processing speeds when engaged in math activities, trouble with sequencing, a tendency not to notice patterns, a problem with all aspects of money, a marked delay in learning to read a clock to tell the time, an inability to manage time in daily life.

# Shell Creek Elementary ~ School Counselor

*The past semester at a glance:*

*It has been a wonderful 1st Semester at Shell Creek!*

*Classroom objectives:*

*Kindergarten - Zones of Regulation (see below to implement at home) listening to our feelings, calming down and learning to wait*

*1st Grade - Zones of Regulation (see below to implement at home) being part of a community, handling curiosity, following directions, and feelings*

*2nd Grade - focusing attention, respectful listening, assertive communication, and confidence*

*3rd Grade - assertive communication, big feelings, and conflicting feelings*

*4th Grade - compliments, joining in a group, and accepting differences*

*5th Grade - understanding the perspectives of others and empathy*

*6th Grade - identifying bullying, being a bystander, and communication*

*School Wide - Gratitude November - focus on what is gratitude, the importance of showing gratitude and how reflecting on gratitude improves our lives.*

*Kindness December and January - we are focusing on how our acts of kindness impact others.*

## Using the Zones of Regulation at Home

*While it's not mandatory to use this program at home, children may become very interested in using this inside and outside of school. The Zones of Regulation - written and created by Leah M. Kuypers, MA Ed OTR/L contains lessons we completed along with the language we provide the students with. The Zones of Regulation contains four categories of emotions, Green, Red, Yellow, and Blue. The Green Zone is our calm and ready to learn Zone.*

*If you are interested in using the strategies at home they can be easily implemented. Students learn about the feelings they experience in each Zone and strategies to move back to the Green Zone. Below are some of the calm down strategies for each zone.*

### The Blue Zone

*Sit on a comfy spot*

*Take a walk*

*Go for a short run or jog*

*Have a snack*

### The Yellow Zone

*Meditation or use a calming jar*

*Wall pushups*

*Have a snack*

*Go for a short run*

*Meditation coloring*

*Take some deep belly breaths*

*Yoga*

### The Red Zone

*Coloring*

*Take some deep belly breaths*

*Sit on a bean bag (or in a comfy spot)*

*Yoga*

## Outside of the classroom~ Parents should know:

*Just a little something parents should know about Technology:*

*TikTok(formerly musical.ly) - is a popular app among students. The TikTok app can be fun for children as they lip-synch and sing along to popular songs. However, many students are also engaging in risky and promiscuous behaviors while using this app. Monitor your child's social media closely. CommonSenseMedia.org is a user friendly resource to research and keep up on the technology trends.*

The First graders are getting back into the swing again after enjoying a nice Christmas break. We are currently in Unit 3 in our new reading series and are learning long vowel sounds. What fun it'll be being able to read even more words to help us reach our 3rd quarter AR goals. In Math, a few concepts we be learning are; how to tell time to the half hour, more addition/subtraction facts, counting money, and tally marks. Snow and winter are being talked a lot about too! We're reading lots of stories about snowmen and penguins. Story time is our favorite part of the day!

Hoping everyone stays happy and healthy,

Mrs. Paben

## In & Around Platte Center Elementary..

Progress is being made on the new Preschool that will be located at the Platte Center Elementary site. Remodeling construction on the modular began in December. Preschool will begin this fall for the Lakeview school district and will consist of a morning and afternoon session. Contact the school for an application!

We are excited to celebrate National Lutheran Schools Week with fun activities and events that have been planned for the week of January 27th through January 31st. We will end the week on Sunday with a Pancake Feed in our school gym. Everyone is welcome to attend. We are thankful for our Lutheran School!

We are thrilled to announce our theme for our all school musical this year is "Back to the Beginning". The students can't wait to share their talents. We will have a Dress rehearsal on Thursday, February 27th. The performance will be Sunday, March 1st at 10:00 am in the school gym.

We are also excited to kick off our Basketball Season with Christ Lutheran. We have 11 girls and 7 boys participating on the teams. We have games scheduled with the Lutheran Schools in the area.

Our 6 to 8th graders will be going to Camp Omega on January 27, 28, and 29 for the Outdoor Education Trip. They will be accompanied by Pastor Birtell and Miss Warn- eke.

We are preparing for our Fish Fry Fundraiser. We will enjoy food and fellowship at the Kapels Last Resort on Friday, February 28th. Everyone is welcome!

We are looking forward for our Geography Bee! Students are practicing their skills!

Blessings!  
St. John's Lutheran School

## News from Christ Lutheran

The last day of the first semester was a special day for Christ Lutheran students. They began the day with program practice for the Christmas musical “The Case of the Reluctant Innkeeper”. Then the students participated in classroom activities before having a special pizza lunch by our PTL. After lunch, students, parents, and grandparents decorated many Christmas cookies and created graham cracker gingerbread houses. The PTL parents then delivered the cookies to Christ Lutheran church members.

Starting in January, Christ Lutheran School began offering Monday through Friday morning Preschool. The students in the Monday and Friday classes are excited to be like the big kids who go to school every day.

K-1 students continued their study of letters with fun activities. For the letter “F” they completed activities with Fritos and learned about firefighters. The students also have enjoyed PE activities such as Sharks and Minnows, Dead Bugs, and Scorpion Scooters.

The 2-4 class so enjoyed learning about power points that they asked to do more! So, the class prepared new presentations on a variety of subjects. Also, this class, with some help from some older students, worked very diligently on teepees during recess. Their study of Nebraska history came to life.

Christ Lutheran upper grade students focused on World War I in a cross curricular study. Students studied the causes, effects, technology, and strategies used. They analyzed poetry from the time and participated in board game activity called Diplomacy.

National Lutheran Schools Week is an exciting time for students at CLS. We celebrate our Lutheran heritage along with over 1900 schools from Preschools through high schools across the country. Each day of this week has a special dress theme including “Decades Day”, “Dress Alike Day”, “Career Day”, and “School Colors” day. There is a door decorating contest among the classes with each class connecting a certain holiday to the week’s theme Bible verse. Friday ends with a chapel and fun parent vs. student Alaskan kickball game.

Christ Lutheran School welcomes new families to join our community. We offer Christ-centered education for Preschool-8<sup>th</sup> grades with qualified teachers and low student-to-teacher ratios. Registration for the 2020-2021 school year is open to current returning families begins Monday, Jan. 27<sup>th</sup>. Open enrollment for new families begins Monday, Feb. 3<sup>rd</sup>. If you are interested in more information or to schedule a tour, please contact Jennifer Weber at 402-564-3531 or [jweber@christlutheran.esu7.org](mailto:jweber@christlutheran.esu7.org).

<b>Lakeview Community Schools Preschool Selection Criteria</b>
----------------------------------------------------------------

### **Selection Criteria**

Students are placed depending on verified needs, age, and residence.

Priority placement for resident students in the special education program who are currently on an IFSP or IEP.

Priority placement will be given to resident students “At-Risk”:

“At Risk” includes:

Students with verified low birth weight (with physician statement).

Students whose family income would qualify for Free and Reduced Lunches (income verification form based on *Free & Reduced School Meal Family Application*).

Students of teenage parents who have not currently obtained a high school diploma.

Students living in a home whose occupants have limited ability to speak and understand English.

Students four years of age (prior to 7/31 of the current year) qualifying as a resident

“Resident” includes students living within the Lakeview Community Schools District (LCS) boundaries.

Students three years of age (prior to 7/31 of the current year) qualifying as a resident

“Resident” includes students living within the Lakeview Community Schools District (LCS) boundaries.

LCS will consider option students for the preschool program at this time with the following criteria:

Option student with an older sibling currently enrolled at LCS through the Enrollment Option Program.

Son or daughter of LCS District Employee.

Students who were previously enrolled in the Lakeview Preschool Program.

Students who do not qualify as “at risk” or as “resident”.

Submitting an application does not guarantee placement in the preschool program. Students will be placed by age according to the priority list.

### **Non-Resident Students**

Non-resident students are welcome to submit an application to the Lakeview Preschool program. Parents who are considering this option need to understand the regulations for non-resident students and should visit with the superintendent or the elementary principal before making a final decision. All students will be placed according to the priority placement list.

**Enrollment Criteria**

1. Valid birth certificate
  2. Up-to-Date Immunization record. Nebraska State law dictates that immunization records must be presented at the time of enrollment or that student cannot be enrolled.
  3. All students must be potty-trained before attending preschool, unless otherwise stated in an IEP.
- Free/Reduced Family Application, if applicable.

Applications will not be accepted without all documents.

# *Support Lakeview Viking History...*

## **BUY A BRICK!**

For all those fans who wish to become a permanent part of Lakeview High School history and continue to building the Viking tradition, we offer a unique opportunity. Be a part of the most distinctive feature of the Lakeview Athletic Complex...the "VIKING WALK OF PRIDE". The entrance to the newly renovated stadium will consist of personalized bricks which will form a walkway for our fans. The walkway, to be named the "VIKING WALK OF PRIDE", will capture the LHS tradition of excellence. Viking athletics have produced some outstanding athletes. Now, the "VIKING WALK OF PRIDE" provides a unique opportunity to leave an enduring symbol of your support for Lakeview High School Athletics.

**YES!** I want to be a part of Viking History with a personalized **VIKING WALK OF PRIDE** brick!
