

April 2020—Issue 8

Voyager

From The Superintendent's Desk — By Dr. Plas

The coronavirus (COVID-19) outbreak has rocked the education world like it has every other sector of society. We are truly in uncharted territory. There are no plans or past experiences to draw from when it comes to this pandemic. We are trying to make the best decisions possible as information becomes available. So the district has prioritized a few specific items:

- Communicate to parents, students, and patrons as often as possible
- Try to make decisions based on rationale, not on emotion, panic, or fear
- Try to create as much normalcy as possible in a chaotic time
- Ensure all decisions are made using the guidance of our local health professionals at East Central Health Department
- Ensure kids and their safety are at the forefront of all decisions

We have come to realize that there is no way to make everyone happy with every decision that will be made regarding the school's situation in the coming days, weeks, and months. We have many people from different home circumstances, opinions on the global response, and concerns over health-related issues. So we will focus on our core beliefs outlined above and the guidance of our local health professionals.

This pandemic is a brand new frontier for all of us. We appreciate your patience and flexibility as we work to support our students, families, community, and each other. We are "Lakeview Strong," and we will be stronger because of this unique situation. Adversity and challenges make communities and teams more united, and we should all be thankful to be a part of the Lakeview TEAM with each other.

April 2020

Lakeview Future Business Leaders of America

FBLA Scholarship

If you plan on majoring or minoring in business, you can apply for the FBLA Scholarship. You have to be a graduating senior to apply. If you plan on applying the application can be found on Mrs. Rambour's page. The deadline is April 23rd and will be turned into Mrs. Dlouhy.

Officer Applications

If you want to take the next step in FBLA, apply to be one of your chapter's officers. You will get to help plan events, run meetings, and be a role model for your FBLA Chapter. All you have to do is apply and have an interview to be an officer. The applications are due April 3rd. The interviews will be on April 15th. If you are approved to be an officer, you are required to go to Induction night. Induction night is where the old officers exchange candles and responsibilities to the new officers and the chapter reflects on the year. Induction Night is May 11th.

State Leadership Conference (SLC)

The State Leadership Conference will be held in Kearney from March 30th to April 1st. Lakeview has 16 members attending SLC. They will compete in events and take tests for a chance to go to Nationals in Salt Lake City, Utah. They will also get to meet new people, learn more about FBLA, and get to meet and vote on their new State Officers. We wish the 16 members attending good luck on their events and tests.

Member of the Month

Congratulations to Cassie Rathbone for being this month's Member of the Month! Cassie has attended NFLC, chapter tours, and State Leadership Conference

Important Dates

March 30 - April 1: State Leadership Conference
April 3: Officer applications due
April 15: Officer Interviews

April 21: Chapter Vote
April 23: Scholarship Due
May 11: Induction Night

Lakeview FFA Update

March 2020

Round 2 District CDE's

On March 4th, the Lakeview FFA Chapter traveled to Central Community College for the 2nd round district CDE's. The chapter had multiple teams competing in Multiple events. The chapter has nine teams that qualified for state and will compete in April. Agriscience, Nursery and landscape, Farm Management, Ag sales, Ag Mechanics, and Vet Science all ranked at the top portion of their events which qualified them for state. The Livestock Management team placed in the top 30% of their event. In Poultry Evaluation and Welding, many chapter members earned top 10 individual finishes!

Proficiencies and State Degree

Throughout the school year, many members have put effort into a proficiency application or a state degree. This year, after the district judging round, eight of our chapter members received first gold in their proficiency categories. Ten of our senior members will earn their state degrees at this year's state convention in April. As a chapter, this is a very big accomplishment that we are extremely proud of. After state Proficiency judging in late February, two of our members, Ella Meyer and Emma Stewart, advanced to the final three in their category and will compete for the first spot at this year's State Convention.

Rescue Mission Meal

On the 17th of February, our chapter completed a community service event. Together we prepared a meal for the Columbus Living Water Rescue Mission. Through this event, members were able to learn the importance of giving to those less fortunate than themselves. Our chapter serves a meal at the Mission every month.

Upcoming Dates

Mission Meal- March 16
State Convention- April 1-3
Officer Interviews- April 9
Chapter Banquet- April 19th

2019-2020 Yearbooks are on sale **NOW!** Every student should have a copy of this awesome keepsake to archive this year! The yearbook includes all students in grades 7-12. Students have access to an order form to bring home, or you can get one in the office. You can also order directly online at www.yearbookforever.com. Don't miss out and order yours for a discounted price of \$50 **TODAY!** Price goes up to \$55 on April 1!

Tidbits from the Technology Department

 Zach Garretson – Word, PowerPoint

This is a record number of 61 students certifying! We are anxious to certify many more students, staff and patrons this spring! All students who have become certified during the 2019-2020 school year will be recognized at the Honors Night in May!

ITAPPS II Students attend Careers in Computers Business Tours

Forty-four ITAPPS II students attended Careers in Computers business tours on February 27 in Lincoln. Their first stop was hudl. Hudl is a leading performance analysis company revolutionizing the way coaches and athletes prepare for their competition. Their products and services include online tools, mobile and desktop apps, smart cameras, analytics, professional consultation and more. Students learned about the businesses day-to-day operations as well as the opportunities for internships and job shadowing.

The next stop was The Bay. A non-profit organization specializing in providing a safe retreat for youth who are impoverished, homeless, or exploited. It is a set of communities that provide tangible resources for its members. Communities include music, art and graphic design, and entrepreneurship. It also houses an indoor skate park. Lakeview students assisted in The Bay's community service efforts by donating over 100 pairs of new socks. These socks will be distributed to the homeless in the Lincoln community. Students were treated to free skate time and one-on-one lessons!

MAKE IT A NOVEMBER TO REMEMBER!

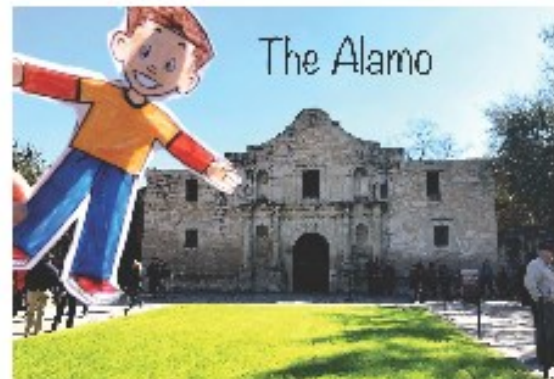

Flat Stanley

by Mrs. Osten

The second graders read the book *Flat Stanley* by Jeff Brown. In the book, Stanley gets flattened with a bulletin board. He's fine, but now he's flat! Luckily for us, that means he could be folded into an envelope and sent anywhere in the world.

That led us into a fun geography project with him! The children brought home their own Flat Stanley to send to anyone or anyplace for a little adventure.

We got Flat Stanley adventures from many cities in Nebraska, states in the U.S.A. and even another country. Special thanks to everyone that participated, seeing pictures and reading letters were the highlight of our days.

Articulation: Does my child need speech services?

By Nancy Briggs, M.S., CCC-SLP

(adapted from Mawhinney, Linda and McTeague, Mary Scott. 2004, Early Language Development. Greenville:Super Duper Publications)

Developing speech and language skills is a difficult task. It is natural for young children to make mistakes when they are learning to speak. There is often a false belief that any child who is difficult to understand is delayed in his/her speech development and needs to see a speech-language pathologist. In general most young children are exhibiting age-appropriate sound errors and need a little more time for speech development. Most children eventually drop errors in their speech and develop normal speech patterns. Some children continue to make errors beyond the age when other children have mastered those sounds.

It may be time to have your child's speech assessed by a speech-language pathologist if you observe one or more of the following:

1. Family members or friends have a hard time understanding your child.
2. Your child demonstrates frustration because you don't understand his/her speech.
3. Your child shows no sign of frustration when trying to communicate, but you do not understand his/her speech.

The process of knowing whether or not your child needs therapy begins by paying close attention to what sounds your child is having difficulty saying. If you notice that your child consistently substitutes sounds (ex. "Pid" for "pig"), then you can refer to resources such as the below chart and find at what age most children develop a particular sound (ex. The /g/ sound develops by age 3).

If you have questions about your child's speech and language development, contact your school and ask to speak with the speech-language pathologist. Mrs. Briggs serves Shell Creek and Mrs. Werner serves Platte Center and Lakeview Jr/Sr High.

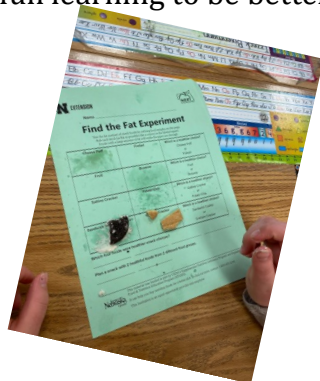

The chart below gives general guidelines of sound mastery. You can refer to this when you are wondering about your child's speech development.

Age at which 90% of Children have Mastered these Sounds

3 years old	m, n, h, w, p, b, d, k, g, f
4 years old	y, t
5 years old	v, l
6 years old	th, sh, ch, dj
7 years old	-ing, s, z
8 years old	r

4H Nutrition Class

The Shell Creek second graders were very lucky to have Ms. Lemmer from the University of Nebraska Lincoln Extension Office visit our classrooms to teach us about nutrition. We especially enjoyed the game "Blast Off" that taught us to have a balanced diet including all food groups in our meals. We got to try out some fun ways to exercise indoors and with a partner. We made our own restaurant menus, and we ended our lessons testing out the fats in foods and figuring out which foods are the healthier choice. We had fun learning to be better eaters!

Read Across America Week

During the week of March 2-6 we spent time celebrating reading. We had dress up days that included wearing hats, future career, wacky clothing, twin day, and pajamas. We also got to read with our 6th grade buddies from Mr. Ahlers class. It was a great time had by all!

Mrs. Zywiec

Fourth graders at Shell Creek just finished learning about the pioneers that traveled the Oregon Trail through Nebraska and all the way to Oregon City, Oregon. We ended the chapter by assembling a covered wagon, and even invited parents and other family members into the classroom to help us out. We had a great turn out and the students loved getting to take their covered wagon home!

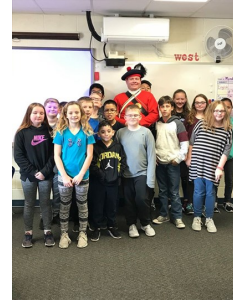

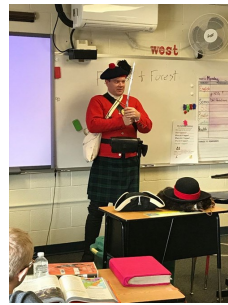

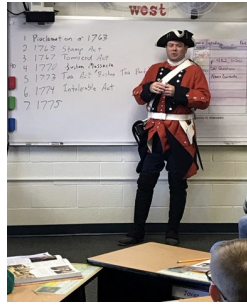

The sixth grade class has been busy since the return from Christmas break. In math, we have been working on determining central tendencies with mean, median, mode, range and solving and graphing inequalities. We also began raising our trout after the first of the year. The students have been learning how to test the water for ammonia, nitrates, nitrites, and the pH. With the water testing we determine if we need to do a water change to keep our chemical levels at the lowest points possible to ensure the trout stay healthy. The students enjoy coming in every day and checking on the trout and are excited about the possibility of releasing them at Schramm Park on April 24th.

We were scheduled to take our annual field trip to Memorial Stadium and Morrill Hall in Lincoln on March 23rd, but due to COVID-19, our trip has been cancelled. In an attempt to be proactive and prepare for the rapidly changing immediate future, Mr. Ahlers and myself are each setting up 6th grade Remind accounts to keep in contact with students and parents to ensure students will still be able to continue learning. We are requesting all parents and 6th grade students to sign up for both accounts as we teach every student. To do this, you will need to send a text to the number 81010 and in your message body type the class codes @mrbentzs6 and @mrahlrs6, in two separate text messages. You will need to do this for each of our class codes to be added to both classes. The Remind app will allow us to be able to communicate with each other directly via text regarding schoolwork and assignments if there is a school closure for an extended time.

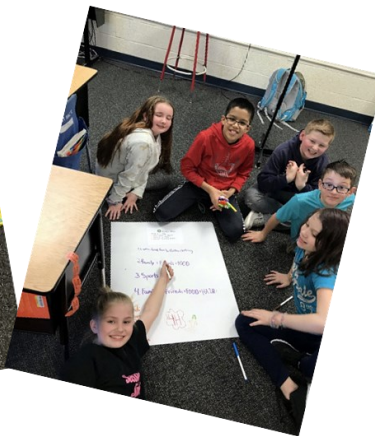

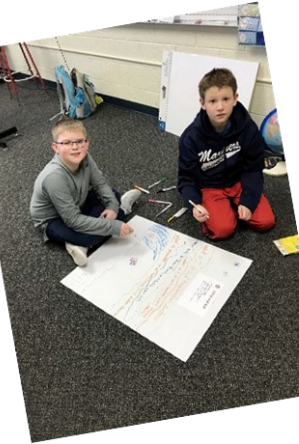

Mr. Bentz

In & Around Platte Center Elementary..

Mr. Johnson Brings History to Life The 5th Grade was lucky to have an expert visit our school during our study of the American Revolution. Mr. Shane Johnson, a history expert and PC para, shared his knowledge of the causes of the War of Independence. He was dressed as Scottish soldier who fought on the British side of the war. He will be returning to our classroom again to teach us about the battles of the war. Thank you Mr. Johnson for sharing the facts, your stories, and the artifacts of the soldiers!

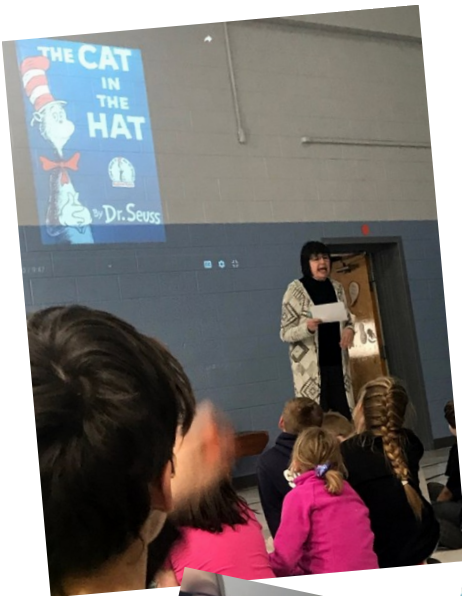

The 5th and 6th grades participated in the 4-H activity - Leadership: Skills You Never Outgrow. Students got to learn about their personality preferences and how that interacts with others in their classrooms. Students with certain traits were identified as Compass, Trail Mix, Hiking Boots, or First Aid Kit. Ask your son or daughter what they were and what that meant? Also, they got the chance to work as a team to accomplish various challenges. Jayde Roberts was the instructor and she did a wonderful job of making the day informative and fun!

Happy Birthday to our February Birthdays!!

Our **Viking Award Winner** for February is Mia Purinton. Mia is one of the kindest students in our school. She is always willing to lend a helping hand. She works hard to be the best she can be in academics and is very trustworthy; going above and beyond for anything she is asked to do. Mia truly deserves this award! Congratulations Mia! Display your locker magnet proudly!!

Happy Birthday, Dr. Suess!!!!

PLATTE CENTER STUDENTS PARTICIPATE IN KIDS HEART CHALLENGE!!!!

On February 17th and 19th, 2020 Platte Center Elementary students, grades K-6th grades participated in the annual Kids Heart Challenge, also known as Jump Rope for Heart. This program is sponsored by the American Heart Association in schools throughout the nation. Each year the American Heart Association asks each school nationwide to participate in this program to help fight heart disease and stroke. The students at Platte Center Elementary have shown a great interest in this program and worked hard to raise funds to help in the fight against heart disease and stroke. This year Platte Center Elementary had 135 students participate, with 51 of those students turning in money donations for the American Heart Association. This year Platte Center Elementary raised \$1902.20 to help fund research and programs in and around our community fighting heart disease and stroke. This year as the Kids Heart Challenge coordinator I challenged the students to work as hard as they could to earn funds.

I would also like to recognize this year's top money raisers at Platte Center Elementary. Normally it is a pretty close race when it comes to determining the top money raiser and this year was close again. Carter Hake, a 4th grader turned in the most money with \$200.00. Carter will receive a recognition certificate from the American Heart Association for her hard work and efforts to promote healthy lifestyles. Congratulations Carter!!!!!!!!!!!!!!!!!!!!!!!!!!!!

As this year's Kids Heart Challenge coordinator, I would like to thank all of the students for their hard work and efforts. It's a total school effort and these students showed a lot of excitement and enthusiasm about participating in this year's Jump Rope for Heart. I would also like to thank all the teachers and parents for all your help in getting the money back to me so quickly. By doing this I was able to get the money sent off to the American Heart Association as soon as possible and the students prizes can be sent to reward their efforts. The prizes came in and have been given to the students who earned them. I look forward to next year's Kids Heart Challenge and teaching the students to be physically fit and healthy for a lifetime.

Sincerely,

Chris Thoms
Health and Physical Education Teacher
Platte Center Elementary

In & Around Christ Lutheran Schools...

Christ Lutheran School welcomed Spring with a number of school-wide activities. On March 1st, the PTL sponsored its annual Pancake Supper with the goal to raise money for new curriculum. Students from the upper grades helped promote the event on the radio. The Scholastic Book Fair also occurred during the first week of March courtesy of the hard work of Mrs. Karla Dixon. Both events were great successes! On March 6th, students thanked Walmart for a generous donation toward curriculum. The students enjoyed receiving the giant check.

The 2-3-4 Graders have been continuing their studies of Nebraska History. First hand experiences really help the students to understand what it would have been like years ago. The students will be taking two field trips. The first one will be to the Genoa Indian School where they will learn about how Indian children were sent to this school and what their life was like while there. They will also be going to the Stuhr Museum in Grand Island to experience a day in the life of a rural school. The students are really “into” Nebraska History and can’t wait for the field trips.

In Science, the 2-4 class has been learning about magnets and electricity and how they are related to each other. It has been so fun watching the students explore with the batteries, wires, and light bulbs. The get so excited when the bulb starts to glow.

The upper grade classroom completed a cross curricular unit about the Cold War. Students identified and analyzed some of the ideology from that time period to situations in the world today. They participated in very good discussion about the current political parties and the positions of candidates in the presidential election.

Christ Lutheran School and Church welcomes Concordia University’s Wind Ensemble on March 27th at 7:00 PM. There is no admission cost for the concert but a free-will offering will be taken to help with the cost of the band’s tour. The Concordia University Nebraska Wind Ensemble is a select 40-member concert band chosen from the more than 80 musician University Symphonic Band which was formed in 1906 and is the oldest continuing musical organization at Concordia. Everyone is invited to hear beautiful music by skilled college musicians.

Christ Lutheran students will represent their grades in the Lakeview Spelling Bee later in March. You can find these students practicing their word list with any free minutes they have. Good luck to all CLS students!!

On April 4th, Christ Lutheran is hosting its first annual Spring Festival. This event includes over twenty craft fair vendors, goat yoga, peddle tractor pull races, photography mini sessions, Easter egg hunt, lucky ticket drawings, and plenty of food from Family Traditions BBQ and Sweets Catering. Classrooms are preparing items to be included in the lucky ticket drawing. The upper grade students designed and built their own built bird feeders while the 2-4 classroom refinished and painted a chair. K-1 students created a piece of art of the event as well. In addition, the CLS plant sale will be represented. Everyone is invited for the festivities which begin at 9am and end at 2pm.

Our Annual Plant Sale is underway! The students of Christ Lutheran School have plant sale brochures and order forms. We invite you to contact any student from CLS to place an order. The deadline for ordering is Monday, April 6th. The dates for the Plant Pick-Up are April 29 from 3:30—6:30 PM and April 30 from 5:00-7:00 PM! Think Spring!

We presented our 17th Annual Musical "Back to the Beginning" on Sunday, March 1st

Lakeview High Summer School 2020

Coordinator: Dan Krueger 402-564-8518 (W)
402-984-0518 (H/C)
dkrueger@lakeview.esu7.org

Where: **Shell Creek Elementary - NEW SITE**
16786 280th Street
Columbus, NE 68601

Eligibility: Students who need to make up credits due to failure of regular school year class.

Cost: \$150.00 **per semester class** if attending Lakeview High School, and \$175.00 for all other students. Fees must be paid when registering. The student is not considered registered until payment is made. **Make checks payable to Dan Krueger, Coordinator.** Registration is due Thursday, May 21. Please send forms and payment to Lakeview High School.

Dates: Tuesday, May 26 – Tuesday, June 23, 2020

Time: Session I - 8:00 a.m. – 10:00 a.m.
Session II - 10:30 a.m. – 12:30 p.m.
Session III - 1:00 p.m. – 3:00 p.m. - *if necessary*

Courses Offered: Grades 9-12 English
Careers
General Math
General Sciences (biology, general science, and health)
Social Studies (American government, world history, American history, and psychology)
Speech
Possibly more classes offered this summer

One completed course will be equal to **one semester** of credit, subject to student's school district approval. There must be a minimum of ten students per session for Lakeview to conduct the course. Full refunds will be given if enrollment isn't high enough to offer a session.

Summer School Registration
Lakeview High School, 3744-83rd St.
Columbus, NE 68601
Dan Krueger, Coordinator 402-564-8518 or 402-984-0518

Name _____ Grade in 2019-2020 _____
 High School _____ Cell: _____
 Parents/Guardians _____ Phone: _____
 Address _____ City _____ State _____ Zip _____
 Mother's Place of Employment _____ Work Phone _____
 Father's Place of Employment _____ Work Phone _____
 Student's Place of Employment _____ Work Phone _____

Please complete and return with payment to Dan Krueger before Thursday, May 21, 2020 (Late registration permitted only if space allows). Classes are filled on a "first come, first served" basis. Make checks payable to Dan Krueger, Coordinator. **NOTE: \$50 penalty if registered student withdraws after Thursday, May 28, 2020.**

I wish to enroll for the following summer school class(es).

Class _____ Class _____
 Class _____ (Note: Each class = one semester)

There must be a minimum of ten students per session for Lakeview to conduct the course. Full refunds will be given if enrollment isn't high enough to offer a session

BEHAVIOR: Students will be warned only once per session concerning unacceptable behavior, which will include excessive talking, tardies, not completing assignments, disrupting other students, disrespect for others, etc. The second time a violation occurs, the student will be sent home. If dismissed twice, the student will be placed on probation and the next violation will be cause for permanent expulsion. **If expelled, no money will be returned.**

An 80% or above is required on all work or it must be redone and/or the student must go over the work with a supervisor. Students will be given daily assignments, and will not be allowed to leave until the assignments have been completed. Homework will also be given as agreed. **Students will contract for a C or D to replace an F as this is remedial work.**

ATTENDANCE: Attendance is mandatory. Anyone missing more than three sessions will be in grave danger of losing credit. Tuition will not be returned nor credit granted. Excessive (3 or more) tardies equal a day missed.

I agree to the behavior, grade procedure, and attendance regulations, and will abide by them.

Some fun facts about lunch in our school district it seems to be a favorite when the lunch menu says popcorn chicken bowls

Lakeview prepares 4760 popcorn chicken
 Shell Creek prepares 1680
 Platte Center prepares 3920
 The district total is 10360 popcorn chicken
 That's a very busy day for the kitchen staff

Can you please add. I would like to thank Paul and Karri Wilke for donating to Beef in school program here at Lakeview It's a Wonderful way to connect to our community and our school district obviously being such a big ag-based District is great to have a Community member excited to help donate to our school. April 24th we will be having a grill out. Promoting Beef in Schools

If you would like to be part of Beef in School program please contact

Jenny Sloup

Spring Blood Drive at Lakeview

Mark your calendars! The Lakeview spring blood drive will be held on Wednesday, April 15th from 9:00-3:00. Call the school or email Mrs. Miller (nmiller@lakeview.esu7.org) to schedule an appointment. Each donation can save up to three lives and we have great snacks for you when you are done! See you there!

Lakeview Education Foundation

Mission Statement: Inspire investment in scholarships, innovative programs and facilities that enhance the educational experience and opportunities for students & faculty of Lakeview Community Schools

THE IMPORTANCE OF ESTATE PLANNING

For many, charitable giving through an estate plan is a way of life. Whether it is to support an organization that has touched your life in a meaningful way, a school or university that put you on the road to success, or simply a cause that you feel passionate about, charitable giving not only offers emotional benefits, but practical ones as well.

A common misconception is that only wealthy individuals need to concern themselves with estate planning. This misconception can result in significant costs to the estate and additional burdens for your loved ones. A well-developed estate plan defines how assets are managed and preserved during your lifetime and how they are distributed after your death.

Just about everyone can benefit from the development of an estate plan. Young or old, wealthy or middle class, an estate plan can reduce the taxes and expenses of an estate, simplify and speed the transfer of assets to the next generation and help ensure that beneficiaries are protected.

Charitable donations within an estate plan are flexible. One option is to make a gift at death through a will or trust, which would reduce the amount of the donor's estate, and thus any estate taxes that would need to be paid. Other choices to consider include a Gift Annuity or a Gifting Asset Plan. These options include benefits for the charity and provide tax relief for the donor.

An estate plan goes much further than a will. Not only does it deal with the distribution of assets and legacy wishes, it may help you and your heirs pay substantially less in taxes, fees, and court costs. If you are inclined to make a charitable donation in your Estate Plan, discuss your intentions with an Estate Planning Attorney.

The Lakeview Education Foundation respectfully requests that you consider including the foundation in your estate plan.

***Support the LEF by purchasing a NEW Annual Membership for \$50.**

***Honor loved ones with a Memorial to the LEF.**

“An investment in the Lakeview Education Foundation is an investment in our School, our Students, our Future”

Lakeview Preschool is still taking applications for the Fall of 2020. Our sessions are filling up fast, so do not delay in getting your application in to the district office. The application can be found on our district website.

Preschool Calendar will be finalized soon and available upon request or sent to those already enrolled. We are aligning the preschool calendar to follow the Lakeview Community Schools calendar as closely as possible!

For any additional questions, please contact:

Jodi Behlen

Early Childhood Coordinator

Remember the Booster Club when shopping for all your Lakeview Vikings Gear. Call Crystal Klug at 402-910-1289 to set up a time to shop for your Lakeview gear!

Location: Platte Center Elementary

Sessions Offered: Monday- Thursday- (AM) 8:00- 11:30 Monday- Friday- (PM) 12:00-3:30
(Both classes are for multi-age children)

Benefits of Multi-Age Grouping in Preschool

- ❖ Children are viewed as unique individuals. The teacher focuses on teaching each child according to his or her own strengths, unlike in same-grade classrooms that often expect all children to be at the same place at the same time with regard to ability.
- ❖ Children are not labeled according to their ability, and children learn at their own rate.
- ❖ Children develop a sense of family with their classmates. They become a "family of learners" who support and care for each other.
- ❖ Older children have the opportunity to serve as mentors and to take leadership roles.
- ❖ Children are more likely to cooperate than compete. The spirit of cooperation and caring makes it possible for children to help each other as individuals, not see each other as competitors.
- ❖ Older children model more sophisticated approaches to problem solving, and younger children are able to accomplish tasks they could not do without the assistance of older children. This dynamic increases the older child's level of independence and competence.
- ❖ Children are invited to take charge of their learning, by making choices at centers and with project work. This sense of "ownership" and self-direction is the foundation for lifelong learning.
- ❖ Children have almost an extra month of teaching time, because the teacher does not have to spend the early weeks in the school year getting to know each child.
- ❖ Children are exposed to positive models for behavior and social skills.
