March 1, 2020

Dear Parents and Students,

The district is monitoring the developing information related to the spread of COVID-19 (commonly referred to as the coronavirus). To date, the district is unaware of any native cases of COVID-19 reported in our state. However, the district is reviewing its relevant policies and procedures. We are confident that we will be prepared to respond to any outbreak of communicable disease that may occur. Should this situation interfere with the district's ordinary operations or schedule, you will be provided notice immediately.

We encourage you to remain informed about the spread of the coronavirus and would recommend that you visit the website for the Department of Health and Human Services, found at <http://dhhs.ne.gov/Pages/Coronavirus.aspx>, for further information as it develops. We would also encourage you to use this opportunity to remind your students of the importance of getting rest and washing hands, especially during cold and flu season.

Sincerely,

*Aaron Plas*

Dr. Aaron Plas  
Superintendent
