

Voyager

From The Superintendent's Desk — By Dr. Plas

We are approaching the end of the first quarter (October 16th) and wanted to provide some reminders on previously communicated information regarding safety protocols at Lakeview Community Schools, and future plans as we navigate this unprecedented school year.

All communication will be sent out via the LCS Bright Arrow communication system using text message and email. Please ensure your phone number and email address are accurate on PowerSchool and you have “opted in” to receive the text messages. Please call your child’s school building if you need additional information or assistance.

Decisions on changes within the school system will be made and published on a quarterly basis, if possible. The current LCS safety protocols are planned to be in place until October 16th.

We will communicate the second quarter safety protocols the week of October 12th to ensure we are using the latest data and guidance available.

Lakeview Community Schools will NOT exclusively use the East Central Risk Assessment Dial in all decision-making. This dial will be used as a tool in the decision-making process, but it will not be the only factor used when changing tiers or risk mitigation techniques. Other factors will include spread and quarantines within the school system, community positivity rate, and positivity within the county. The current ECHD risk dial can be found online at:

<https://ecdhd.ne.gov/covid-2019-novel-coronavirus/covid-2019-novel-coronavirus.html>

Our school district values the education that can be provided in a traditional face-to-face environment and will prioritize this type of learning whenever possible. In order to make that happen, we must have risk mitigation protocols to both ensure our students and staff are safe, and limit the potential for quarantines. This is the only way to satisfy our requirement to provide a safe environment and our beliefs that in-person instruction is the best education we can provide for students.

We can’t thank you enough for your continued commitment and willingness to wear masks, social distance, and sanitize your hands. These safety measures have reduced the spread of the virus, ensured limited quarantines for students and staff, and kept us in a traditional face-to-face educational environment. Go Vikings!

OCTOBER 2020

Lakeview FBLA

Blue Pride cards are available now!

On September 3rd Lakeview FBLA held a social during Viking Time. There was a good turnout with many students participating in competitive "rock, paper, scissors" while learning about the benefits of FBLA.

The first chapter meeting took place on September 8th. There was a quick icebreaker for the members, and the plan for the month was discussed.

Officer team left to right: Macy Stock, Haley Frenzen, Simon Janssen, Jessica Kouma, Nathaly Loza, Grace Hatcher, Shelby Smith. Not pictured: Lilly Rowe, Cassie Rathbone

JOIN FBLA TODAY! Membership forms can be found in Mrs. Dlouhy's room. Please bring \$12 & your form to become a member today!

Food Feud! The Lakeview vs Scotus food feud is set to take place during the football game on October 23rd. Bring your can food or donation to the game or drop it off at the school that week.

Attention Current 7th graders and 8th graders Travel to Washington D.C. May 2021

Currently 16 Lakeview students and parents are registered to go. If you would still like to go contact Audrey Blaser at ablaser@lakeview.esu7.org

Price per student \$2,015

Price per Adult \$2,265

ROUND-TRIP TRANSPORTATION

Hotel Accommodations

Overnight Security

Meal and all Gratuities

Guided Tour and Activities: Including White House, Lincoln Memorial, Capitol, Mt. Vernon. WWII memorial, Vietnam Memorial, Martin Luther King Jr. Memorial

College Planning Bulletin

A monthly college planning guide for Nebraska high school students

October 2020

Virtual College Fair is September 27-30!

Attend a college fair from the comfort of your couch! The EducationQuest Virtual College Fair is September 27-30. To register and to find details, visit eqf.org/collegefair.

During the four-day fair, you can visit college booths, chat with college reps, and watch live or recorded sessions on topics such as college admission, paying for college, and finding scholarships.

The college fair will be "open" the following days and times, but college booths and recorded sessions will remain available until Dec. 1.

Sept. 27 – 2:00 p.m. to 8:00 p.m. CT
Sept. 28 – 8:00 a.m. to 2:00 p.m. CT
Sept. 29 – 1:00 p.m. to 8:00 p.m. CT
Sept. 30 – 1:00 p.m. to 8:00 p.m. CT

See you at the fair!

It's FAFSA time!

Seniors...beginning October 1, you and your parents can complete the 2021-22 [FAFSA](#) (Free Application for Federal Student Aid). The FAFSA is the application for federal, state, and college-based financial aid.

Follow these tips to prepare:

Create a Federal Student Aid Account for you and one for a parent at studentaid.gov.

Attend a Virtual Financial Aid Program to learn about the FAFSA and types of financial aid. When you attend, register for a \$500 [Financial Aid Program Scholarship](#)! To find details about school-based programs, [click here](#). To learn about statewide Financial Aid Programs, [click here](#).

Review the [FAFSA Checklist](#) at EducationQuest.org for items you'll need to complete the FAFSA.

[See FAFSA Tools](#) at EducationQuest.org for helpful resources.

For free virtual help with the FAFSA, call EducationQuest to make an appointment:
Omaha – 888.357.6300, Lincoln – 800.303.3745, Kearney – 800.666.3721, and Scottsbluff – 800.303.3745, ext. 6654.

Seniors, are you ready to Apply2College?

This fall, several Nebraska high schools are holding *Apply2College* events to help seniors complete college applications. Whether or not your school is participating, here are tips and [resources](#) to help you prepare for the application process.

October “To Do” List

Juniors and Seniors:

- ___ Attend the [EducationQuest Virtual College Fair](#) Sept. 27-30.
- ___ Attend a [Financial Aid Program](#) to learn how to pay for college.

Seniors:

- ___ Create a Federal Student Aid Account at studentaid.gov for you and one for a parent.
 - ___ Complete the [FAFSA](#) on or after October 1.
 - ___ Complete college applications. If your school is hosting an *Apply2College* event, participate!
 - ___ [Register](#) by Sept. 25 for ACT tests on Oct. 10, 17, 24, or 25.
 - ___ [Register](#) by October 7 for the November 7 SAT.
-

Your Journey to College Begins with Us

Lakeview Community Schools

Preschool

Hello Lakeview Community,

These energetic, young students are busy adjusting to the new Lakeview Preschool. During the month of September, students learned the routines and rules of the school and classroom. We also focused on who are Lakeview Workers and what each worker does in our school. They explored the building and found the workers around the Platte Center School. They are learning how to be Super Friends with one another and how to share toys with friends. Students also learned how to calm down by using Tucker Turtle- students stop, take 3 breaths, and think of a solution. Here is a website that shows social stories and information to support social and emotional learning.

<http://csefel.vanderbilt.edu/>

Upcoming Events

October 15- Picture Retakes

October 19- NO Preschool

October 26- NO Preschool

October 30- Halloween Party- Dress up in your costume

Check out the Preschool Blog

In & Around Shell Creek Elementary...

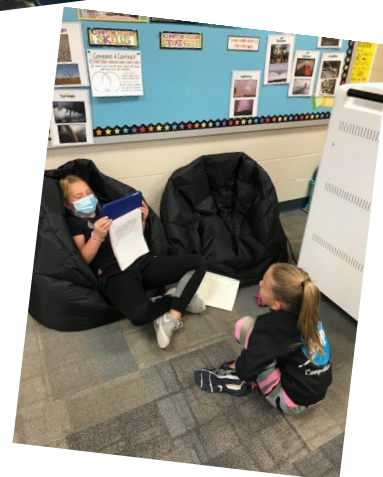

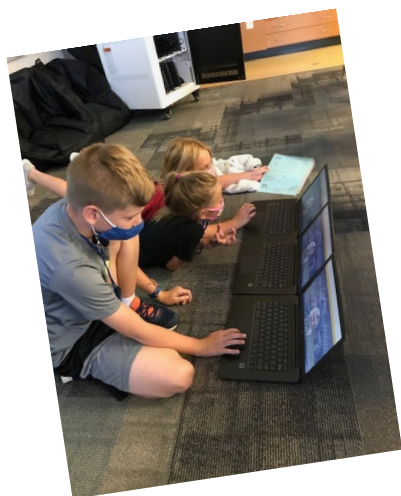

Dyscalculia

By : Brittany Niedbalski

Dyscalculia is a condition that affects the ability to acquire arithmetical skills. A dyscalculic learner may have difficulty understanding simple number concepts, lack an intuitive grasp of numbers, and have problems learning number facts and procedures, even if they produce a correct answer or use a correct method, they may do so mechanically and without confidence. A dyscalculia learner stands out as having no 'feel for numbers' at all, no ability to estimate even small quantities, and no idea whether an answer to an arithmetic problem is reasonable or not. Some indicators for dyscalculia include: an inability to subitize (see without counting) even very small quantities, an inability to estimate whether a numerical answer is reasonable, weaknesses in both short-term and long-term memory, an inability to count backwards reliably, a weakness in visual and spatial orientation, directional (left/right) confusion, slow processing speeds when engaged in math activities, trouble with sequencing, a tendency not to notice patterns, a problem with all aspects of money, a marked delay in learning to read a clock to tell the time, an inability to manage time in daily life.

4th Grade at Shell Creek

Our fourth graders are excited to be back at school and settling into their new routines. The students are doing an awesome job wearing their masks every day! In math, we have been learning about place value and writing numbers in different ways. In reading, we have been reading about natural disasters and comparing and contrasting them. The students tried out Flipgrid for the first time sharing their classmate interviews. We're having a great start to our year! Go Vikings!!

Mystery Science

By Mrs. Osten

The 2nd graders at Shell Creek did the first mystery science lesson of the year. They explored the different properties of materials used for clothing, such as texture, flexibility, and absorbency. They enjoyed using this information to design and build a hat that protects them from the sun. First the groups did tests on the materials for softness, sweat soakerness, and stiffness. Then the groups showed great creativity and teamwork as they worked to create their hats from paper towels, paper plates, tin foil, a paper sack, clips, and string. Lastly, groups had to present to their classmates on why they put certain materials where they did, what they liked about their hats, and what they would change to make it better. Scientists in the making for sure!!

In & Around Platte Center Elementary..

LIVING HISTORY

Mr. Shane Johnson, Special Education para-educator, understands History better than most. He is showing his latest acquirement; a replica of the suit of armor a Knight wore in the crusades during the 12th and 13th century, complete with metal helmet and chain link metal shirt and pants. His whole outfit weighed about 70

1st Assembly of the year looked a little different! Students stayed with their class in lines, social distancing with the other students. "Best Behaved Class" award went to the 2nd grade!

In & Around Christ Lutheran Schools...

September is an exciting month for Christ Lutheran students and families. Many activities inside and outside of the classroom engage students and build community. We also refer to our theme verse as a touchstone for the year - “Rooted in Christ” based on Colossians 2:6-7 *“So then just as you received Christ Jesus as Lord, continue to live your lives in Him, rooted and built up in Him, strengthened in the faith as you were taught, and overflowing with thankfulness.”*

This year the K-8 teachers are using a new curriculum called Arts Attack. Students are learning art concepts while using different media. They also have been introduced to styles of famous artists. We are impressed with the students’ projects which clearly reflect growth of artistic expression. We look forward to seeing their masterpieces throughout the year.

On September 13th, Christ Lutheran Church celebrates Education Sunday. During the worship service Bibles are presented to Preschoolers while bibles and catechisms are given to 2nd and 3rd graders. In addition, the K-8 choirs sang during the worship service. The event concluded with a “Grab and Go” Runza lunch sponsored by the PTL.

The Christ Lutheran/St. John’s Lutheran club volleyball team has a busy month. This year’s team has sixteen players from 3rd to 6th grade and is coached by Mrs. Ashley Frese assisted by Vicky Leffers. Each week during the month of September the team plays twice.

K-1 students started the year with a scavenger hunt based on the book *If You Give a Mouse a Cookie*. The mouse left several clues for the students as they explored the classrooms. At the end of the hunt, the mouse left cookies for the students. The K-1 students also are enjoying their new curriculum – Superkids and utilizing SeeSaw to read stories.

The 2-4 grade class also has integrated technology into their studies. Students have enjoyed seeing Mrs. Murray’s virtual classroom. They also have thoroughly enjoyed the art projects led by Mrs. Murray.

Upper grade students led chapel on September 16th. The students tied in the school theme and our semester chapel offering focus. This semester the chapel offering sponsors a student in Cambodia to attend a Lutheran school – one of six Garuna Foundation schools. Our Garuna kid is a kindergartener named Bol Vayu who comes from a farming family. Our students look forward to communicating with Bol and his family to see compare farming in Nebraska with farming in Cambodia.

Christ Lutheran School welcomes new families to join our community. We offer Christ-centered education for preschool-8th grades with qualified teachers and low student-to-teacher ratios. If you are interested in more information or to schedule a tour, please contact Jennifer Weber at 402-544-3531 or jweber@christlutheran.esu7.org.

In & Around St. Johns Lutheran School...

What a blessing it is to have the children in school. Some things have changed this year and we are enjoying the class time and our awesome teachers.

Although we postponed our Grandparents Day we will continue to pray for their health and safety.

Our theme this year is "Choose Joy!", "He has done great things for us and we are filled with joy." Psalm 126:3. We will kick off our Theme/Burger Bash on Sunday, September 20th after church worship. We will be serving hamburgers (with the option to have cheese, onions and/or tomatoes) fries, and brownies. Everyone is welcome to enjoy food and fellowship. We will be following current guidelines for serving. Carry out orders will also be available.

We are currently hosting our annual Scholastic Book Fair until September 20th. The proceeds go towards the teachers wish list for books for their rooms.

In the Big Room (5-8 grade) we have started our Volleyball season and are excited to play the games. In Science we are studying Life Science and our 6th - 8th graders are currently reading the novel The Giver.

In the Middle Room (2-4 grade) we are learning about plants and animals in Science. In Social Studies we are learning about maps and directions. In Reading the 2nd grade is reading Toad and Frog, the 3rd graders are reading Allie's Basketball Dream, and our 4th graders are reading The Lou Gehring Story.

In the Little Room (K-1) we are learning about different parts of a plant and what plants need to grow. We are learning and reviewing how to and what it looks like when words rhyme. In art we made color-wheel flowers.

In the Preschool/Pre-Kindergarten Room we are so excited to learn what school is all about. We have started to learn to write the ABC's and what sounds they make.

The Oktoberfest meal is planned for October 18th. We will have carry out orders only this year. We will again be following the current guidelines from the health department.

Remember to "Choose Joy" as we seek to serve our one and only Savior.

In & Around Lakeview Community...

Due to unfortunate circumstances surrounding COVID-19, e-Funds for Schools has made the decision to disable Low Meal Balance Payments for school districts that have not had an end user manually process a lunch payment within the last 5 business days. While this decision was not made lightly, it will help protect parents from our system automatically processing unwanted transactions and it should aid in alleviating schools from the need to issue unnecessary refunds.

School districts may request at any point in time that e-Funds for Schools reactivate the feature for their district.

We wish you and all those effected good health and continued safety.

Sincerely,

E-Funds for Schools Team

LAKEVIEW AUTOMATED PHONE SYSTEM

BRIGHT ARROW COMMUNICATIONS

Due to a new federal requirement you **MUST** now opt in to our Bright Arrow messaging system by replying **'YES'** when you receive the first text message or text **87569** and say **'YES'**.

Lakeview Community Schools wants to ensure everyone is connected for important information about snow days, schedule changes, school events, and lunch account information.

Please reply **'YES'** when you receive the message to ensure communication between the school and parents.

Senior & Junior Parents – Post Prom Information October 2020

First meeting October 5, 2020

7 pm at the High School

Parent involvement is what makes Post Prom a success! If you plan on working at Post Prom, we ask that you serve on a committee or help with fundraisers. We realize everyone is BUSY, but hopefully you can look at your schedule and find some time to volunteer.

- Sign up for the Remind me app to be notified of events

Parent Donation! Get your coupon below!

THANK YOU from the Post Prom Steering Committee

Holly Anderson, Merin Koch, Stacy Vogt

**Junior-Senior Parent Donation
For Lakeview High School Post Prom**

Please consider donating to the Post Prom fund with a monetary gift of at least \$25.00. We are asking all Junior and Senior parents, grandparents or willing Lakeview patrons to donate. Your donation will be used to purchase food and gifts for Post Prom for all junior and senior students in attendance. Please drop your contribution in the mail to: Lakeview Community Schools, Attn: Post Prom Committee, 3744 83rd St., Columbus, NE 68601

I am willing to donate \$ _____ towards the 2021 Lakeview Post-Prom and help my child to have a safe and fun event.
