School Cancellation Information – December 2020

In the event of a school closing, Lakeview Community Schools will communicate in numerous ways. Information can be found:

Watching WOWT, KMTV, KETV, KOLN/KGIN or listening to local radio including KLIR

On my twitter account - @aaronplasLCS

Through our messaging system which you are automatically signed up through on PowerSchool

This will send you text messages, emails, and call your phone.

Please ensure you have your current phone number(s) on file at the school to guarantee you receive all communication.

Making decisions regarding snow days is never fun or easy. If you don't believe me, spend some time watching all of the names superintendents get called on social media during a storm. These tough decisions will inevitably make some mad because they think we should be called off while others can't believe how 'soft' schools have become with their decisions. I can promise we will do the best we can with the information and resources we have at the time. Please remember, you can keep your child(ren) home on days that we have school but you think we shouldn't.

We have one of the most unique set-ups of any school district in the state of Nebraska. First, our district covers an incredible amount of land. We can have one section of the district completely covered in snow while the other only gets a dusting. This creates tough scenarios as we try to do what is best for our students. This HAS OFTEN resulted in Lakeview not having school while Columbus Public and Columbus Scotus are in session. In addition, Mid-States School Bus Inc. has the ability to plug in their buses at night which keeps them from freezing during those cold winter nights and early mornings. With that said, we will not often call school due to 'cold days' like many districts are forced into because their buses won't start. Again, if you think we shouldn't have school on a 'cold day' where other districts have shut down, please feel free to keep your child(ren) at home.

If we have a tough winter with several cancellations, we may be forced to make up some student days throughout the year or on May 21st, May 24th, May 25th, and so on. We are hoping to end school as scheduled but we are restricted by state mandates on the number of instructional hours we must provide to our students. Any changes to the school calendar will be communicated early and often!

We take the safety of our students and staff very seriously. We will make what we feel is the best decision for the school district as a whole during these difficult scenarios. Please feel free to contact me with any questions, comments, or concerns.

Go Vikings,

The event was to be held at the Concordia University Seward in November, but has been postponed to a later date. These two talented vocalists submitted a vocal audition and were selected to sing in this elite group. Congratulations again, and our hope is that the Musical Arts Day will be rescheduled.

A Merry Virtual Christmas to You!

The Junior/Senior High School Vocal Music Christmas Concert will be held virtually this year. Due to the latest Directed Health Measures and the number of students involved in the vocal music program at Lakeview Community Schools, a live Christmas Concert will not be possible. The students will be pre-recording their musical selections early in December. The recordings will be put into a virtual Christmas Concert and broadcast on Lakeview Community Schools' "Striv" page during the Christmas season. We hope that you will all take the time to view the concert in the comfort of your home and invite friends and family to enjoy the concert too.

Lakeview Community Schools

Preschool

Hello Lakeview Community,

During the month of November, preschoolers learned more about clothes through the clothing project created by Creative Curriculum. Students learned that clothes come in different sizes and designs, clothes keep us warm, and students expanded their knowledge of clothes by doing hands-on activities while following the objectives of Teaching Strategies Gold. Students are also learning to recognize and say the sounds of letters.

In & Around Shell Creek Elementary...

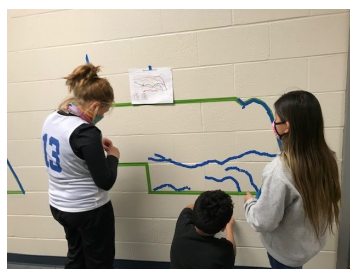

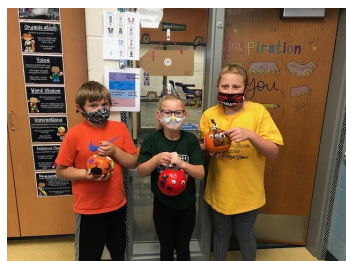

On a beautiful fall day in October, the first graders traveled to Helgoth's Pumpkin Patch in St. Libory. How thrilled they were to get to "go on the big white bus!" After arriving, there were so many things to do it was hard to know what to choose first! From train rides, a zip line, slides, jump pillows, a corn maze, a petting zoo, and a tricycle track they played, laughed, and had so much fun! They also got to go on a hayrack ride out to the patch to pick out their very own pumpkin to take home. A very special thanks to administration for letting us go during these trying times, the kitchen staff for packing us some yummy lunches, our bus driver, the parents that met us there to help chaperone, and our first graders for making the day full of happy memories.

Mrs. Paben & Mrs. Zywiec

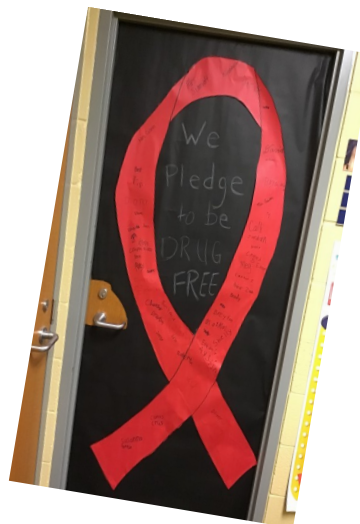

4th Grade at Shell Creek

Our fourth graders have been busy learning about Nebraska rivers and land regions. They worked in groups and created Nebraska river maps with painters tape. We also celebrated first quarter AR goals by decorating pumpkins. In reading, fourth graders presented plays and worked on adding expression into their oral reading fluency. Our latest writing project was a spooky story that we shared with flashlights in the dark!

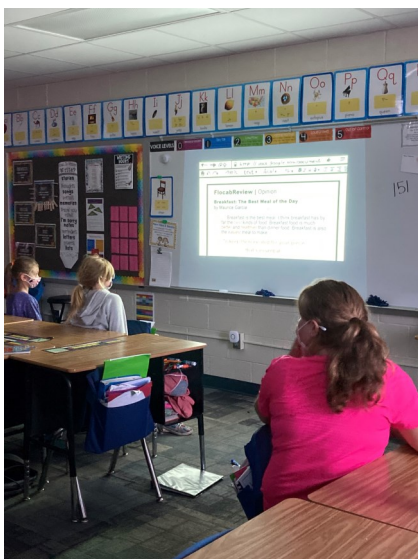

The Student Council members at Shell Creek organized activities to celebrate Red Ribbon Week. Students dressed up throughout the week to encourage each other to stay drug-free. Each day two red ribbons were hidden throughout the school and students could search for them. If they found them, they were able to keep them. Classrooms also decorated their doors to show their commitment to be drug-free. Student Council members judged the doors and chose Mrs. Wachal's door for the Kindergarten - 2nd grade winner and Mrs. Rodehorst's door for the 3rd - 6th grade winner. Both classrooms received free homework passes for each student in their classroom. Thank you to everyone who helped make this week a success and encouraged our students to say no to drugs!

Flocabulary in 3rd

Students in 3R have been reviewing and learning new concepts with Flocabulary. Flocabulary is a website that makes learning intriguing through music and creative videos. Students have recently reviewed opinion writing through a rap song. There are a variety of videos available about math, science, social studies, and language arts concepts. The songs are fun, catchy, and definitely get stuck in students' heads.

MTSS

Shell Creek teachers will be using a system to assist all students in organization and problem solving to improve their academic and behavior. This system is called Multi-tiered System of Support or MTSS. MTSS is defined as an instructional system based on the concept that ALL students require early and powerful academic and behavioral core instruction with the potential for high-quality interventions of increasing intensity.

A team of teachers who represent a variety of roles meet two times a month to problem solve and make decisions on student's progress in their academic, behavior, and social and emotional needs in order to support student learning. This team consists of the classroom teachers, Title I teacher, ELL teacher, resource teacher, guidance counselor and principal. MTSS utilizes evidence-based core practices, intervention strategies, and assessment tools to ensure that every student receives the appropriate level of support to be successful. Decision for interventions may consist of more one-on-one or small group settings and increase time which are based on data collected. The intervention intensity increases when student's needs are not improving. Teachers will communicate with parents when their child is involved and at what level of intervention is being tried. This system supports learning for all students at Shell Creek Elementary School.

In & Around Platte Center Elementary..

Platte Center Students delivered yard signs and cards to our area veterans to celebrate Veterans Day.

The Students at Platte Center Elementary are enjoying the new outdoor **Gaga Pit**, courtesy of the Platte Center P.T.O., who sponsored a fundraiser to help with the expense of the pit. Ask the kids the Gaga rules! It's fun and easy!

5th Grade students had a fun-filled learning experience baking bread. Lori Hartl and Chris Greisen helped the students learn about the miracle that happens when you combine ingredients and follow the steps to make something new! This coincided with their story in Reading. The finished results were delicious!!!

A small **Veterans Day Ceremony** was held at Platte Center Elementary. Mr. Johnson dressed as a World War I soldier and gave a great talk on Veterans Day. Two of our boy scouts, Dane Soulliere and Connor Parks, helped fold our Nation's flag.

In & Around St. Johns Lutheran School...

We have had an exciting start to the 3rd Quarter at St. John's. Arison Records came for a special concert and shared their Christian music with us as part of our chapel.

Thank you to our Creston Fire Fighters that came to show us their fire trucks and gear. They even sprayed water into the field!

We are thankful for the Bookmobile that we have been blessed with over the years. Our community is very saddened to see this nice and convenient service to leave our schools and towns! Please voice your opinion to our elected officials that this change has been made by the Platte county voters!

Please pray for this pandemic to end soon!

We would like to wish everyone a Happy Thanksgiving!!
