

September 2021—Issue 1

Voyager

From The Superintendent's Desk — By Dr. Plas

“Back to School” is the best time of the year! After having the summer off to prepare the buildings, better our curriculum, sharpen our teaching skills, and set up new programming, we are ready for the 2021-22 school year to begin! I hope this newsletter finds everyone settling into the new school year and the routines that come with it. We are excited to see the students back in the buildings!

District Theme

Each year we start as a staff by discussing our district theme. Our theme for 2021-22 is “Reinvest in Success.” LCS has experienced amazing success in recent years with the passing of a bond issue, adding a preschool, improved career offerings for students, adding technology, improving intervention systems, revising teacher collaboration processes, and implementing a new reading program. Lakeview Community School will now “reinvest in success” with the implementation of a one-to-one initiative this school year that will provide all students K-12 with a device. The reinvestment will continue throughout the year with a proposal to build additional elementary classrooms at Shell Creek Elementary. Like any great organization, we must continue to reinvest in ourselves to continue to move forward, improve, and become the best school district in the great state of Nebraska.

Shell Creek Elementary Addition

As our school district and community continue to grow, it means our facilities need to match that growth. Shell Creek Elementary has experienced incredible increases in enrollment over the last ten years, resulting in facilities that have exceeded capacity limits in four of the previous six years. With that, an addition to Shell Creek Elementary is being worked on with an anticipated opening for the 2022-23 school year. Below is information on this addition.

Why? Shell Creek Elementary has experienced incredible growth over the last ten years. When the Shell Creek building was expanded in 2012, the building enrollment was 183 students, but the first day of school this year brought in 307 students. This 67.8% increase in enrollment over the last ten years has led to increased class sizes and crowded learning spaces, with an expectation student enrollment increases will continue as our community grows with additional housing developments.

What? Some basics on the proposed construction include the addition of six primary classrooms including a Preschool, Kindergarten, 1st Grade, 2nd Grade, 3rd Grade, and an open room for future growth.

When And Where? The plan at this time is to add these classrooms directly to the east of the current building. We are hoping for the construction to be completed and the classrooms operational by the start of the 2022-23 school year. However, staffing of the building will be phased in over a two-year period.

More Information? For detailed information on the addition, please visit the district website (www.lakeview.esu7.org) and click on the “Shell Creek” tab, and then select the “Shell Creek Addition” link. For questions, please contact Aaron Plas at (402) 564-8518 or aplas@lakeview.esu7.org.

Go Vikings!

SEPTEMBER 2021

Lakeview FBLA

Membership Forms

Become a member today! We are now accepting membership forms found in Mrs. Dlouhy's room. Dues are \$12 due at the time you turn your form in. Help us become one of the largest chapters in the state again!

Kansas City Summer Trip!

Twenty-three FBLA members took a summer trip to Kansas City June 28-30th. Members started the trip with a rainy but fun day to Worlds of Fun. The next day members toured and explored the Federal Reserve Museum. We viewed where money is printed, the history of our economy, and received a bag of shredded money as a souvenir.

After that we got the opportunity of a lifetime to view the Aushwitz Exhibit at Union Station. This exhibit is from Europe and will go back at the end of the year. The three hour exhibit took you through sixty-five exhibits ranging from artifacts to personal stories. It was a humbling and eye opening experience for everyone.

Hello Lakeview Community,

Lakeview Preschoolers are adjusting to the routines and rules of the classroom/school. Students are learning their friends names, how to play with friends/toys, and the names of the workers in the building. Students are loving the new sandbox and toys for the playground. I will start Teaching Strategies GOLDS assessments to see where all the students are developmentally coming into school. I will be assessing students over their social-emotional skills, mathematics skills, cognitive skills, language skills, literacy skills, and physical skills.

Upcoming Events

September 6- No School

September 23- No school (Parent/ Teacher Conferences)

September 14- No school

GO VIKINGS!

In & Around Christ Lutheran Schools...

A new school year brings many new and exciting aspects to CLS. First, all of our Preschool through 8th grade classes are all meeting on the main floor this year. Another exciting part for this fall is Cassandra Splittgerber, our Preschool teacher, is also student teaching in Mrs. Murray's classroom when she is not teaching Preschool or school music. Miss Alison Rudolph, who instructs grades K-1, and Mrs. Murray, 2nd -4th grade, are implementing the new Wonders language arts curriculum in 1st – 4th grade. Miss Jennifer Weber, our 5th-8th grade teacher, is implementing Middle School Social Emotional Learning curriculum from Tim Elmore's Growing Leaders program. Mrs. Colleen Belitz returns as our wonderful Teacher Aide. Finally, another new implementation is the School Information System (SIS) Gradelink. This will foster better communication among teachers, students, and parents. We thank the faculty, staff, board members, and volunteers who prepped the school for this new year.

On Tuesday, August 10, the faculty welcomed families to Back to School Night. The event began in the church sanctuary with a parent information session while the students had a supervised play event. Parents heard from Board member Jill Goedeken, Childcare Director Hailey Phelps-Crumley, Administrative Assistant Karla Dixon, and Head Teacher Jennifer Weber. Parents went to the classrooms of their children to hear more about the specifics of each grade level. Parent turnout was excellent!

The faculty and staff of Christ Lutheran School welcomed students to campus on Thursday, Aug. 12th. This year's school theme is based on Colossians 3:12 "Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience." The opening chapel was led by Mr. Don Weber, former Superintendent of Schools for the Nebraska District-LCMS. Students from the Childcare including toddlers and Preschool-age joined the Kindergarten through 8th grade for the worship event.

September will be a wonderful time of special activities at Christ Lutheran. On Saturday, Sept. 11th, Christ Lutheran's inaugural Denim and Diamonds Spectacular is occurring. The event will take place at the American Legion with dinner, silent auction, and entertainment. Tickets are on sale now! Please contact the school office at 402-564-3531 or email christ1871@frontiernet.net. The next day, Sunday, September 12th, is Education Sunday at Christ Lutheran Church. The K-8 school choirs will sing in church where Bibles are given out to 2nd grade students and catechisms are presented to 3rd grade students. In addition, sports events such as the volleyball club team begins to host games and a tournament in the month of September.

Christ Lutheran School welcomes new families to join our community. We offer Christ-centered education for Preschool-8th grades with qualified teachers, one to one devices, and low student-to-teacher ratios. It is not too late to registration for the 2020-2021 school year. If you are interested in more information, please contact the school office at 402-564-3531 or email christ1871@frontiernet.net. Christ Lutheran Early Childhood Community offers After School Care for CLS families. For more information about Christ Lutheran Early Childhood Community, please email Hailey Phelps-Crumley at clearlychildhood@christlutheran.esu7.org.

Lakeview Education Foundation

Mission Statement: Inspire investment in scholarships, innovative programs and facilities that enhance the educational experience and opportunities for students & faculty of Lakeview Community Schools

Lakeview Educations Foundation Big Red Night Event 7/30/2021

When the Ag Park facility at Columbus NE opened its doors at 5:00 PM, August 30, 500 plus Lakeview Community Schools patrons and fans of Nebraska football streamed in to enjoy a delicious meal, support their school, and hear keynote speaker Head Husker football coach Scott Frost.

Many in attendance purchased raffle tickets for several items at the check-in table including a chance to win a professional photo sitting from Goc's Photography and the opportunity to buy split-the-pot tickets. Mary Ann Schreiber held the winning ticket for the photo sitting while the split-the-pot winner pocketed over \$600 cash.

Numerous silent action items, which included a variety of apparel choices as well as an assortment of novelty products and numerous memorabilia keepsakes, were on display for the anxious bidders. Each silent auction display closed before 7:00 PM as the evening meal was ready to be served.

The dinner meal consisted of two meats, vegetable, potato, roll, drink, and dessert. Pillen Family Farms donated succulent pork loin while Cargill Meat, Sysco Meat and an assortment of meat donations help provide the beef portion of each serving, rib-eye steak.

Following the meal Coach Frost spoke about the upcoming season, highlighted several key players and expressed optimism about the team's potential for success. After his initial remarks, Coach Frost displayed a relaxed demeanor and a sense of humor while answering a host of questions from the audience. Frost also took the time to recognize and banter with several "homegrown" Huskers including Clete and Jim Pillen. Former teammate Jeff Lake was also included.

The live auction followed shortly after and proved to be one of the event's most productive parts. Bidders purchased everything from weekend trips to Colorado, Boxes seats on the 50-yard for a Husker game of your choice, prime beef, and many, many more items too numerous to mention.

Perhaps the biggest drawing of the evening was the winning raffle ticket for the all-expense paid trip to see the Huskers do battle with the Wisconsin Badgers. The trip included plane tickets for four, hotel reservations, four game tickets and \$300 spending money. The winner—Ethan Schmid.

Special thanks to all who did so much to make the event such a huge success—the donors and all the committee groups—Co-Chairs Chad and Hollie Andersen—Dan and Cheryl Luedtke—Dr. Wade Howles for the music—Thanks!

“An investment in the Lakeview Education Foundation is an investment in our school, our students, our future”
