### School Cancellation Information – December 2021

In the event of a school closing, Lakeview Community Schools will communicate in numerous ways.

Information can be found:

- Watching WOWT, KMTV, KETV, KOLN/KGIN or listening to local radio including KLIR
- On my twitter account - @aaronplasLCS
- Through our messaging system on PowerSchool
  - Please call the district office to ensure you have 'opted-in' to the Bright Arrow system.
  - This will send you text messages, emails, and call your phone.
  - *Please ensure you have your current phone number(s) on file at the school to guarantee you receive all communication.*

Making decisions regarding snow days is never fun or easy. If you don't believe me, spend some time watching all of the names superintendents get called on social media during a storm. These tough decisions will inevitably make some mad because they think we should be called off while others can't believe how 'soft' schools have become with their decisions. I can promise we will do the best we can with the information and resources we have at the time. Please remember, you can keep your child(ren) home on days that we have school but you think we shouldn't.

We have one of the most unique set-ups of any school district in the state of Nebraska. First, our district covers an incredible amount of land. We can have one section of the district completely covered in snow while the other only gets a dusting. This creates tough scenarios as we try to do what is best for our students. This HAS OFTEN resulted in Lakeview not having school while Columbus Public and Columbus Scotus are in session. In addition, Mid-States School Bus Inc. has the ability to plug in their buses at night which keeps them from freezing during those cold winter nights and early mornings. With that said, we will not often call school due to 'cold days' like many districts are forced into because their buses won't start. Again, if you think we shouldn't have school on a 'cold day' where other districts have shut down, please feel free to keep your child(ren) at home.

If we have a tough winter with several cancellations, we may be forced to make up some student days throughout the year or on May 20<sup>th</sup>, May 23<sup>rd</sup>, May 24<sup>th</sup>, and so on. We are hoping to end school as scheduled but we are restricted by state mandates on the number of instructional hours we must provide to our students. Any changes to the school calendar will be communicated early and often!

We take the safety of our students and staff very seriously. We will make what we feel is the best decision for the school district as a whole during these difficult scenarios. Please feel free to contact me with any questions, comments, or concerns. Go Vikings!

# Lakeview Community Schools Preschool

Hello Lakeview Community,

Lakeview preschoolers have been working on Social Skills. They have learned how to get their friends' attention, give compliments, ask for a toy, and are starting to solve problems on their own during play time. The four year olds are recognizing, saying the name of the letter, and its sound, and coming up with words that start with that letter. Preschool has also explored germs, trees, the school and workers, simple machines, and had their first classroom party for Halloween.

There are exciting items that are new in preschool- we have diggers and tricycles now to play with outside.

Students are LOVING coming to school and exploring with their friends. To see everything we are exploring, check out Lakeview Community Schools website and click on Preschool. There is a link there to look at the classroom blog and everything we have been up too.

## In & Around Shell Creek Elementary...

Shell Creek Kindergartners have been engaged in so much learning this quarter! We started by learning about the life cycle of an apple and a pumpkin. Each class tasted apples and pumpkin seeds and followed an apple sauce recipe. Even the skeptics enjoyed it! Our students are now discovering the signs of Fall and are learning about which animals migrate, adapt or hibernate. We have also explored the Pledge of Allegiance more in depth and learned the meaning of Veteran's Day. One tool our students have enjoyed using is their own iPads. These devices allow our students to engage with each other, work independently and explore skills at their individual level. They enjoy recording their voices as they explain new learnings. As November draws to a close, they will explore Pilgrims, Native Americans and why we celebrate Thanksgiving.

## Mr. Bentz's 6<sup>th</sup> Grade Classroom

The 6<sup>th</sup> grade class has been busy this first semester balancing a packed classroom of 23 students! We keep it interesting by rotating the seating chart every two weeks to allow for lots of regular classroom interaction. In math, we've been learning how to multiply and divide fractions and decimals and are currently learning how to write and solve equations. In science, we are learning about renewable and nonrenewable resources and the advantages and disadvantages of both. Students have been working hard in our reading series as we are finishing up our second unit. We have also completed one novel unit study.

The 2<sup>nd</sup> semester will be a busy one for us, as we will have our yearly field trip to Morrill Hall and Memorial Stadium in Lincoln. We will also be raising trout again this year, which the students are excited about. The trout eggs will arrive sometime in early January and we will raise them through April. We are hoping to be able to take them to Schramm park to release them sometime before the end of the school year. The students will get to do water tests on a regular basis and feed the trout daily once they are big enough to feed. You can follow the growth of the trout on my twitter page (@BentzDon).

## In & Around Shell Creek Elementary School...

The first graders enjoyed some fun dress up days during Red Ribbon Week. Tuesday was Pajama Day-Your choices are the key to your dreams. Wednesday-Nerd Day or Favorite Book Character-We're too smart to do drugs. Thursday-Camo Day-Drugs can't find me. Friday-Costume Day-Spook drugs away. We also said the Red Ribbon pledge each morning and tied a red ribbon to the fence. A special thanks to Student Council for organizing the week.

## SHELL CREEK STUDENTS PARTICIPATE IN KIDS HEART CHALLENGE!!!!

On November 2nd and 4th, 2021 Shell Creek Elementary students, grades 1st -6<sup>th</sup> participated in the annual Kids Heart Challenge, also known as Jump Rope for Heart. This program is sponsored by the American Heart Association in schools throughout the nation. Each year the American Heart Association asks each school nationwide to participate in this program to help fight heart disease and stroke. The students at Shell Creek Elementary have shown a great interest in this program and worked hard to raise funds to help in the fight against heart disease and stroke. This year Shell Creek Elementary had **267** students participate, with **47** of those students turning in money donations for the American Heart Association. This year Shell Creek Elementary raised **\$3,436.99** to help fund research and programs in and around our community fighting heart disease and stroke. This year as the Kids Heart Challenge coordinator I challenged the students to work as hard as they could to earn funds.

I would also like to recognize this year's top money raisers at Shell Creek Elementary. Normally it is a pretty close race when it comes to determining the top money raiser and this year was close again. Nora Urkoski, a 1st grader in Mrs. Paben's class turned in the most money with **\$560.00**. Nora will receive the captain KHC figure for her back pack and a recognition certificate from the American Heart Association for her hard work and efforts to promote healthy lifestyles. Congratulations Nora!!!!!!!!!!!!!!!!!!!!!!!!!!!!

As this year's Kids Heart Challenge coordinator, I would like to thank all of the students for their hard work and efforts. It's a total school effort and these students showed a lot of excitement and enthusiasm about participating in this year's Kids Heart Challenge. I would also like to thank all the teachers and parents for all your help in getting the money back to me so quickly. By doing this I was able to get the money sent off to the American Heart Association as soon as possible and the student's prizes can be sent to reward their efforts. The prizes came in and have been given to the students who earned them. I look forward to next year's Kids Heart Challenge and teaching the students to be physically fit and healthy for a lifetime.

Sincerely,

Chris Thoms

## World News BY Fredi S, Karla E, & Keeshen K (5th Grade)

Are fidgets good or a waste of money? Students all around the world can buy them. "There are lots of adaptive learning tools; just like some kids need glasses, others need fidgets," Melissa Feery, a special education teacher, told the Washington Post. Another teacher said, "They're so visually stimulating that they're a huge distraction for anybody sitting around the kid!" They were designed for kids with ADHD. Some kids abused the privilege of having them in class. In a 2018 study, researchers noted that the fidgets worked a lot. So are fidgets good or are they a distraction to kids? We think they're pretty cool! Sources from edweek.org

## Local News BY Diego J, Avery M, Juan Z, & Kash B. (4th Grade)

## In & Around Christ Lutheran School

Attention all Preschool families! Are you interested in a five-day program? Christ Lutheran is offering Monday-Friday morning Preschool beginning in January. This program is a supplement to our three-day program and is geared for students preparing for Kindergarten in the fall. For more information, please contact the school office at 402-564-3531.

Christ Lutheran School wrapped up the first quarter on October 15<sup>th</sup>. With the end of the first quarter, the club volleyball season also concluded. We extend our thanks to all the students and parents who participated, and a special word of appreciation to our coach, Mrs. Ashley Frese, and our PTL for coordinating games and concessions. Also in October, the teachers attended the Lutheran Educator's Conference in Kearney, NE. It was a good time for the teachers to attend sessions and connect with fellow Christian educators.

Trunk or Treat was an exciting event sponsored by the Christ Lutheran PTL on October 29. This year's festival began at 5pm with food, face painting, a photo booth, and candy. We concluded the evening with a bonfire at 6:30 and devotions at 6:45pm. We are so thankful for our parents who put in the time and energy to make such fun events for our school and church community.

Christ Lutheran has many community events scheduled throughout November. On November 3<sup>rd</sup>, Christ Lutheran is hosting Early Literacy Night for Preschool through Third Grade. Mrs. Cassandra Splittgerber and Miss Alison Rudolph are leading the activities from 5pm-6:30pm. On Sunday, November 7<sup>th</sup>, the PTL is sponsoring a baked potato bar for students and their "adopted" congregation Prayer Partners and members. The PTL plans to host these special Prayer Partner/Congregation socials after church throughout the year. In addition, on Thursday, November 11<sup>th</sup>, Mrs. Murray and her class are leading a special Veterans Day assembly. It begins at 10:30am-noon. There will be a lunch provided for all in attendance.

Christ Lutheran is gearing up for holiday fundraisers. From November 1<sup>st</sup>-15<sup>th</sup>, Christ Lutheran's Holiday Catalogue is available for ordering. This year's catalogue contains many local vendors and a variety of items that will make great Christmas gifts. Also, our annual Puffin Sale occurs during the same time frame which provides funding for spring class field trips. For more information on any of these opportunities, please contact the school office.

This season is not just about fundraising, but also about giving back to our community. Christ Lutheran students are collecting money to support Eden Comfort Dog's ministry. As of the beginning of November, the students have raised over \$247 for Eden's ministry. Also, students are sending cards to shut-ins and care packages to active service members.

Christ Lutheran School welcomes new families to join our community. We offer Christ-centered education for Preschool-8<sup>th</sup> grades with qualified teachers and low student-to-teacher ratios. If you are interested in more information or to schedule a tour, please contact the school office at 402-564-3531. Our Childcare also has a few openings available. If you are interested in childcare, please contact Mrs. Hailey Crumley at 402-564-3531 and ask for Hailey.

## In & Around St John's Lutheran School

The students had a good time at our Fall Party where they got to wear creative costumes. The Big Room students prepared fun games for the children to play. They spent several weeks making props and pieces for these games, and they turned out great!

In our Big Room students are reading 2 novels, Falling Towers and A Night Divided. They enjoy lively discussions and discovering new vocabulary. They were excited about Lakeview's big win in volleyball and congratulate them on a job well done. Students just finished a science unit on work and machines. That fit well with "Manufacturing Day" in Columbus and where students got to tour several companies to see what happens in their daily business; thankful for the companies in Columbus that sponsored this day. Students are looking forward to going to Mission Central in Iowa where they will learn about missionaries around the world.

In our Middle Room in Literature the students finished Little House on the Prairie. The students enjoyed making craft projects for this unit. In Science they have been learning about the universe, planets and Constellations. In Nebraska History they were surprised to learn that Kool-Aid is our state soda. Students enjoyed a field trip to Ag Park where we learned about Animals Inside and Out. We got to touch a cow and pig heart. After that we learned about by-products.

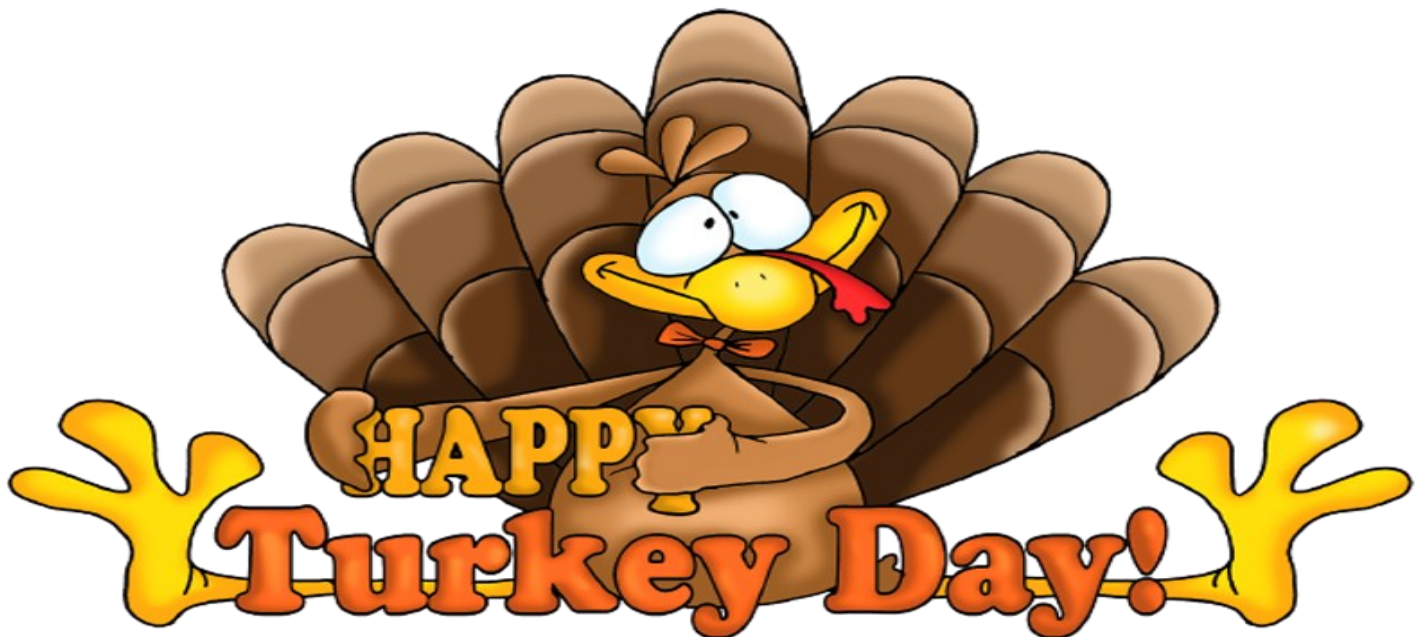

In our Little Room students went to the play "Alice in Wonderland" at the Middle School in Columbus. They are enjoying library day on Fridays with Mrs. Brock.

Students prepared for our Veterans' Day breakfast on November 11<sup>th</sup>. Veterans' and their families were invited to enjoy a hot breakfast, and a patriotic program presented by our students. The Big Room student bell choir played patriotic songs, the Middle Room students presented a short skit, and the Little Room sang songs and used their rhythm instruments.
