## From The Superintendent's Desk — By Dr. Plas

### Shell Creek Addition

It is an exciting time at Lakeview Community Schools with our improved facilities, winning activity programs, and solid student culture! One byproduct of having an amazing district is the continued growing student enrollment and expansion necessary to accommodate that growth. As previously announced, Shell Creek Elementary will be expanding by six classrooms for the 2022-23 school year.

On Monday, November 29<sup>th</sup>, the Board of Education approved BD Construction, Inc. to complete the work. BD Construction didn't waste any time and broke ground just seven days later. The final product will provide the opportunity for Shell Creek Elementary to offer preschool and add a third section of the primary grades. Not all of these classes will be added immediately but will be phased in over a couple of years.

Shell Creek Elementary was last expanded in 2012 when the student population reached a new high of 183 students. The remodel and expansion project created enough space for two teachers per grade level and increased the building capacity to 300 students. Since that time, Shell Creek has boomed in enrollment with over 300 students in three of the last five years. Enrollment projections indicate that number will only grow over time with the increase in housing throughout the Lakeview Community Schools district.

We are thrilled about not only the present state of the district but the future of our community school district. We will continue to progress as a district to provide the best opportunities for our over 900 students. As one of my favorite author's John Maxwell stated, "growth today is an investment for tomorrow."

I hope this newsletter finds everyone in excellent health and spirit. Have an incredibly Happy New Year, and see you in 2022! Go Vikings!

## SENIOR PICTURES DUE NOW! LAST CHANCE!

It's time to submit **senior pictures** for this year's yearbook! Please submit headshots to Mrs. Schatz at [kschatz@lakeview.esu7.org](mailto:kschatz@lakeview.esu7.org). Specifications for submission are below. If we do not receive a picture for your senior student by **January 31**, we will use the headshot taken for school pictures. These pictures will be used for the yearbook, for the senior slide show, and for the Columbus Telegram.

### Senior Photo Submission Requirements:

- CD or email the image to be used ([kschatz@lakeview.esu7.org](mailto:kschatz@lakeview.esu7.org))
- JPG Format
- Minimum 200 DPI
- Cropped vertically
- No special effects (soft focus, b/w, sepia, etc...)
- **Submission due by January 31**

**\*\*Note\*\***Headshots are required for the Telegram. If you wish to use a different photo for the yearbook, you may, but the above requirements still apply. If you are sending 2 different pictures, please specify where each picture is to be used.

## SENIOR ADS FOR YOUR SPECIAL SENIOR - LAST CHANCE!!

### Attention Parents of Seniors!!

Graduating from high school is such a wonderful milestone in your child's life. We would like to offer the opportunity for you to mark this occasion by ordering a senior advertisement in the yearbook. These "ads" will contain your child's senior picture already submitted and a baby picture if that was also submitted. You can then personalize the ad by writing a note to your child. Past notes have been ones of encouragement and love. The limit is 150 words. You can submit these ads to [kschatz@lakeview.esu7.org](mailto:kschatz@lakeview.esu7.org). The cost is \$50 per ad. Please make payment to Lakeview High School with senior ad marked in the memo. All ads and payment must be submitted by **January 31**. We only have 2 spots available, so get your senior ad today!

## ***Lakeview High School Counselor Update***

December 2021

### **Second Semester Schedules:**

Please review your student's schedule with them during break to identify any adjustments or changes that may need to be made. Students will have the first 5 days of the semester to change their schedule, if needed. Schedules will not be changed to adjust the timing of their class period, but rather to drop one class and add another.

Seniors- you must be enrolled in at least 20 credit hours (4 full credit class periods) during the semester. National Honor Society students must be enrolled in at least 25 credit hours. If your student is taking a "work release" class period, they must complete the appropriate paperwork that is signed by the student, parent and work placement at the beginning of the semester.

Below is a list of the Lakeview Graduation Requirements. If you have questions or concerns regarding your students schedule or graduation progress, please call the school and ask for Mrs. Rambour.

### **Lakeview High School Graduation Requirements:**

What is Math Anxiety?

By: Brittany Niedbalski

Does your child often avoid math homework or get easily frustrated when trying to solve mathematical problems? Do you as a parent feel frustrated or overwhelmed with helping your student with math? The cause of the math stress is often math anxiety. Math anxiety includes an extreme negative physical, emotion, and cognitive reaction to math that hinders a person's ability to learn and perform math activities. Students as young as five years old can experience math anxiety, this not only affects standardized testing, and school exams but also affects a student's ability to learn new math concepts. Math anxiety can also affect other areas of a student's or adult's life, it can impact the career choice a person makes, and it can affect their financial and personal choices due to avoidance of using math.

What can we do to help a student with math anxiety?

If we notice our child is experiencing math anxiety, we can increase our knowledge in math and not show anxiety towards math or a negative attitude towards math. Find math apps to help our child increase their confidence in math and increase his/her skills in math as an app is not judgemental and cannot react to a student's behavior towards math. Praise your child when he or she has math success and remind him/her of their past math success to boost self-confidence. Talk to your child's teacher about what you are seeing and experiencing at home, he/she may be seeing the same things at school and you can work together to make a plan to help your child be successful at home and school.

## Shell Creek 5th Grade Happenings

On Friday, November 19 the Fifth Grade students went to the Aurora Edgerton Science Museum. Students were able to have access to many hands-on experiments to learn more about different science materials. Students also attended three different sessions where they learned more about motion, sound waves, and the states of matter. This allowed students to build on ideas that we have been learning about in the classroom or will be learning about in the future. Thank you to the parents that were able to attend with us! It was a great day! Check out the 5th Grade Teachers Twitter pages for lots of pictures and videos: @michalawurdeman & @blumenthal\_5

Upcoming things in 5th Grade:

- We will be reading a novel called *Esperanza Rising* after Christmas break. In this novel we will be learning and studying about the Mexican Revolution, Cesar Chavez, and the California Labor Strikes.
- We will also be focusing on Figurative Language.
- We will have an AR party before Christmas break.
- In Science students will be wrapping up their Water Unit.
- In S.S. students will be learning about the American Revolution and wrapping up their study on the 13 colonies.

## In & Around Shell Creek Elementary...

It's that time of year again! One of the kindergartener's favorite classroom memories is making Gingerbread Houses. It's always so much fun to see the houses take shape!

We introduce our theme by reading many different versions of the Gingerbread Man books. These books really help reinforce the characters of each book and the setting of the story. The highlight of the unit is getting to decorate their own house with lots of frosting and colorful candy!

# 4th Grade at Shell Creek

Our fourth graders have been busy learning about Native Americans of the Great Plains and just finished their Native American homes project. They all did a fantastic job! Fourth graders have also been working really hard in math tackling 2 digit times 2 digit multiplication and long division. They now know why learning their multiplication and division facts are so important. In music, they are learning how to play their recorders and even got to take them home to share with their families. First semester has flown by, but everyone is excited to get the second semester going!

## In & Around Platte Center Elementary..

What do you do with pop tarts, candy and frosting? Make a gingerbread house of course! The Platte Center kindergarten and 1st grade students invited their grandparents to eat lunch with them and then build a gingerbread house. 60 grandparents enjoyed the afternoon at Platte Center and a good time was had by all.

#### Christmas Around the World

Christmas is celebrated all over the world. Here are a few cool facts we learned. In the United States we celebrate with Christmas trees, decorations, Santa, presents, and elves. In India instead of using a traditional Christmas tree they use a banana or mango tree. In New Zealand they have a barbeque because their Christmas is in the summer. In Brazil children leave a sock in their window. If Papai Noel finds your sock he exchanges it for a present. Hope you enjoyed these fun facts! HAPPY HOLIDAYS!

## Christ Lutheran School News

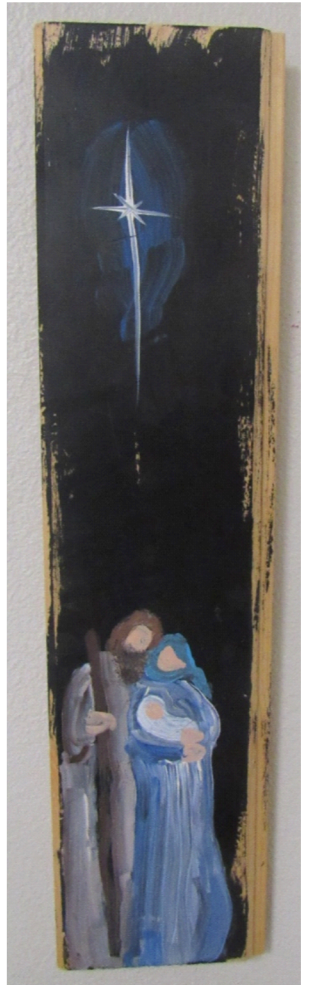

*"Give thanks to the LORD, for he is good; his love endures forever."* 1 Chronicles 16:34. During the months of November and December, the families of Christ Lutheran School gave thanks for many of God's gifts.

We give thanks for our PTL! This energetic group of people created a Holiday Catalog of local businesses selling items with a percentage coming back to the school. The unique fundraiser was very appropriate for these times of trying to support the local economy. CLS was very blessed with the generous donations as well as the vendor donations.

We give thanks for the Cattlemen's Ball grant! This funding purchased playground equipment including soccer balls and goals, flag football flags, Nine Square in the Air, a gaga ball pit and balls, an adjustable basketball hoop, and two picnic tables. Students have thoroughly enjoyed the new items.

We give thanks for our creative teachers! The K-4<sup>th</sup> classes have been preparing for Christmas. Students created Christmas art projects as well as gifts for parents. Mrs. Murray's class painted nativity wall hangings as well as snowflakes. The K-1 class collected toys to donate to children in need. They are learning to gift of generosity.

We give thanks for new opportunities to learn. The upper grade classroom had a busy month. First, they assembled the new soccer goals, Nine Square in the Air, and the gaga ball pit. These hands-on activities required teamwork and following directions. December 7<sup>th</sup>, the students traveled to the Clayton Ancient History Museum located at York College. This visit coordinated well with their studies in history and theology classes. Students created Google slide shows to connect what they saw at the museum with what they have learned in school. Then the evening of Dec. 7<sup>th</sup> Drs. Anderson from Columbus Family Medical gave a presentation about human growth and development to 5<sup>th</sup>—8<sup>th</sup> grade students and their parents from Christ Lutheran and St. John's Lutheran. We are very thankful for Drs. Anderson's time and knowledge.

We give thanks for the musical abilities of Mrs. Cassandra Splittgerber and Mrs. Karla Dixon! Since Thanksgiving break, students practiced for many hours to present the Christmas musical "The Christmas Cafe". The production will be presented on December 24<sup>th</sup> beginning at 6:00 PM. Cassandra Splittgerber, our Music Director, led the group during this memorable program.

We give thanks for new beginnings and fresh starts! January is the beginning of the new quarter and new semester. Christ Lutheran School is excited about the new opportunities coming in 2021. Christ Lutheran is offering Monday-Friday morning Preschool beginning in January. This program is a supplement to our three-day program. For more information, please contact the school office at 402-564-3531.

## In & Around St. Johns Lutheran School...

We welcomed over 20 Veterans for our Veterans Day Program this year. The children were excited to honor our Veterans with special poems, and songs from our children's choir and our student bell choir.

**Big Room News:** The Big Room has continued to stay busy as we near the end of the semester. We are reading A Christmas Carol and The Westing Game in our literature classes. They are very different books, but interesting too. We can't wait to see "who did it" in the Westing Game! We continue to learn physical science and we are focusing on physical and chemical properties and changes. We are gearing up for the Christmas program by studying our songs and speaking parts. We can't wait to share the good news and celebrate the birth of Jesus!

**Middle Room News:** We have been painting art with the Three Little Pigs theme. The 2nd grade has been learning about their addresses, in Social Studies and in Math they have been learning geographic boards. The 3rd grade has been reading the book The Littles and in Math they are learning about Equivalent Fractions. The 4th graders have been reading Tales of a 4th Grade Nothing and in Religion they have been reading The Parable Of The Tenants. We will draw for our secret angels this week and will also be baking treats for our Bake Sale after church this Sunday. They would also like to wish everyone a Merry Christmas and a Happy New Year!

**Little Room News:** The Little Room has been learning about long vowels versus short vowels. In Social Studies, we have been learning about spending, saving, and trading. Kindergarten has been learning about verbs and pennies. First Grade has been working on subtraction, silent final -e words, and capitalization rules. We have been preparing for our Veteran's Program. We are singing songs that Mrs. Sonntag taught us and we made art for it with Miss Warneke. We love to be creative, especially in Art and Music class. We look forward to all the fun things that the Thanksgiving and Christmas holidays will bring in the very near future!

**Preschool Room News:** Pre-School has settled into the classroom routine. All of the children now know how a school day works. I'm so proud of them! We have continued to work on letters. We are a little over half way through the alphabet. We've also learned about shapes. Our next big topic is numbers! Thanksgiving this month will bring a bit of History as well as we learn about the very first Thanksgiving Day. We are excited to make our parents special Christmas gifts!

We raised \$493 at our Christmas Cookie Bake sale for our missionary, this money along with our weekly chapel offerings will go to Rev. Dr. Thomas Park in Taiwan.

We are excited for basketball season to start this year!

*Merry Christmas Everyone and have a Happy New Year!*

# *Support Lakeview Viking History...*

## **BUY A BRICK!**

For all those fans who wish to become a permanent part of Lakeview High School history and continue to building the Viking tradition, we offer a unique opportunity. Be a part of the most distinctive feature of the Lakeview Athletic Complex...the "VIKING WALK OF PRIDE". The entrance to the newly renovated stadium will consist of personalized bricks which will form a walkway for our fans. The walkway, to be named the "VIKING WALK OF PRIDE", will capture the LHS tradition of excellence. Viking athletics have produced some outstanding athletes. Now, the "VIKING WALK OF PRIDE" provides a unique opportunity to leave an enduring symbol of your support for Lakeview High School Athletics.

**YES!** I want to be a part of Viking History with a personalized **VIKING WALK OF PRIDE** brick!
