School Cancellation Information

In the event of a school closing, Lakeview Community Schools will communicate in numerous ways. Information can be found:

- Watching WOWT, KMTV, KETV, KOLN/KGIN or listening to local radio including KLIR
- On my twitter account - @aaronplasLCS
- Through our messaging system on PowerSchool
 - o Please call the district office to ensure you have 'opted-in' to the Bright Arrow system.
 - o This will send you text messages, emails, and call your phone.
 - o Please ensure you have your current phone number(s) on file at the school to guarantee you receive all communication.

Making decisions regarding snow days is never fun or easy. If you don't believe me, spend some time watching all of the names superintendents get called on social media during a storm. These tough decisions will inevitably make some mad because they think we should be called off while others can't believe how 'soft' schools have become with their decisions. I can promise we will do the best we can with the information and resources we have at the time. Please remember, you can keep your child(ren) home on days that we have school but you think we shouldn't.

We have one of the most unique set-ups of any school district in the state of Nebraska. First, our district covers an incredible amount of land. We can have one section of the district completely covered in snow while the other only gets a dusting. This creates tough scenarios as we try to do what is best for our students. This HAS OFTEN resulted in Lakeview not having school while Columbus Public and Columbus Scotus are in session. In addition, Mid-States School Bus Inc. has the ability to plug in their buses at night which keeps them from freezing during those cold winter nights and early mornings. With that said, we will not often call school due to 'cold days' like many districts are forced into because their buses won't start. Again, if you think we shouldn't have school on a 'cold day' where other districts have shut down, please feel free to keep your child(ren) at home.

If we have a tough winter with several cancellations, we may be forced to make up some student days throughout the year or on May 19th, May 22nd, May 23rd, and so on. We are hoping to end school as scheduled but we are restricted by state mandates on the number of instructional hours we must provide to our students. Any changes to the school calendar will be communicated early and often!

We take the safety of our students and staff very seriously. We will make what we feel is the best decision for the school district as a whole during these difficult scenarios. Please feel free to contact me with any questions, comments, or concerns. Go Vikings!

State Penitentiary Tour

The Lakeview FBLA Chapter took a group of kids to visit Nebraska's State Penitentiary on November 22nd. Students took a tour of the facility and got to interview two inmates. The chapter and inmates talked about the consequences of being convicted and life inside of the State Penitentiary. Overall this trip was something different for the FBLA Chapter. The chapter got to explore something new while also having fun. Junior Kurt Schneider quoted, "I didn't know what to expect going into the tour, but it was very eye opening seeing how inmates have the opportunity to better themselves and how one mistake can affect the rest of your life."

Secret Santa

Every year the chapter hosts Secret Santa. Students get the opportunity to give gifts & clues for a week to an assigned teacher. This could be as small as a candy bar or as big as a gift card! This event brings more appreciation for teachers and what they do for our school. The Secret Santa event starts on December 12 and ends on the 16th of December. Overall this Secret Santa event brings a jolly mood to our chapter.

Chamber of Commerce Luncheon

Eight members got the opportunity to attend the December Chamber of Commerce Board of Directors meeting. Members heard about things happening in our community and plans for the future.

Meeting Keynote Speaker

On December 7th, the chapter brought in Columbus Chamber of Commerce President, Dawson Brunswick. Dawson is a national award winner at the collegiate level and serves on the board of directors. Holidays Around the World

By: Mrs. Wilczynski - 2nd Grade

During the month of December, our stockings were hung, and the second graders spent the last few weeks before Christmas break studying our Holidays Around the World unit. We virtually visited countries like England, Italy, France, Sweden, Germany, Mexico, and many more. During our discussions, we learned about the weather, the flags, and different holiday traditions in those countries. We made crafts that represent each country that we visited; stockings that are a United States and England tradition, a yule log which is a French tradition, a Brazilian tinsel tail bird, and others. We listened to and sang various Christmas Carols from around the world as well. Our favorite part was learning how to say Merry Christmas in different languages!

Buon Natale, Feliz Navidad, Merry Christmas from second grade!

Gingerbread Fun!

By: Mrs. Wilke

The kindergarten gingerbread unit at Shell Creek is a favorite of the students and the teachers! We read books such as "The Gingerbread Girl," "The Gingerbread Boy," "The Gingerbread Man" and "Gingerbread Friends." We focus on the different characters, settings and have fun learning about the different surprise endings to each book. One of their favorite kindergarten memories is the day we bake our own Gingerbread Man! Luckily, ours is safe inside the oven and does not escape around the school.

1st Grade Happenings

By: Mrs. Bender

We have been busy in the 1st grade! We have been learning so much but have also had a ton of fun!

In math, we have been learning about the different coins, such as the penny and dime. We also have been learning how to tell time, adding numbers, and all about even and odd numbers. In reading we have been learning words with short vowel sounds and this week we have been learning about the long a vowel sound. We can read a lot of words now! In social studies we have been learning about maps and science we have been learning about animals.

In September, we were able to go to Poppy's Pumpkin Patch, and in December we have a Christmas concert! So many things to look forward to!

In & Around Platte Center

Platte Center Elementary held its Veterans Day Program on November 10th. Mrs. Katie Loseke was our guest speaker and talked about the sacrifices our Military personnel have to make to serve our country. Gingerbread & Grandparent

By: Mrs. Jarecki - Kindergarten

It's the most WONDERFUL time of the year! Christmas cheer was in the air at the Platte Center School as the 1st grade and Kindergarten students enjoyed lunch and making Gingerbread houses with their Grandparents. A full house of 58 grandparents enjoyed a delicious lunch and then turned their attention to making gingerbread houses. Some amazing and creative gingerbread houses and many memories were made by all.

School Mission Challenge Winner

Serenity Ellis was the November School Mission Challenge winner. She knew all the components to the School Mission and was able to recite them all from memory. She chose to do the hammer for Character.

In & Around Christ Lutheran School

December brought the start of practicing for the Christmas Program. This year's program was entitled "Journey to Bethlehem" complete with shepherds, angels, donkeys, and of course, baby Jesus. All students in Kindergarten-7th Grade had speaking parts. Mrs. Cassandra Splittgerber directed the program while Jill Goedeken served as the piano accompanist.

The Preschoolers learned all about Advent and Christmas during December. One of their favorite things was when the Big Room kids came in and read to them. Eden, the Comfort Dog, also visited this month. They loved to listen to her caregivers read to them as they snuggled with Eden. Another fun activity was practicing their handwriting skills in Christmas sprinkles.

The 1st and 2nd Graders had lots of fun making "reindeer food" to sell in the Christ Lutheran School Christmas catalog. Special ornaments for their classroom tree were made out of popsicle sticks. They also enjoyed counting down to Christmas with their Advent calendar.

In & Around Christ Lutheran School

The 3rd and 4th Graders read the novel "Molly's Pilgrim." After finishing, they each got to create their own pilgrim doll. They also did a unit study on the book "On Christmas Eve." In Religion they studied the symbolism of the Advent wreath. In honor of Jesus' birth, they painted an image of The Madonna in Art class.

The 5-7th Graders have been busy this 2nd Quarter. They created their own businesses for a Market Day. Through this project, students learned marketing skills, money skills, and communication skills. Each student came up with an idea, made it, and sold their product on Market Day which was held on Dec. 15. They enjoyed spending time with the Preschoolers. In December, they read Christmas books to them. They look forward to doing Art projects and playing games with them in the upcoming months.

As the second semester begins, we pray God's blessings to everyone for a Happy New Year!

In & Around St. John's School

St. John's students enjoyed preparing for Christmas during December. Multiple-grade student groups used their creativity and effort to decorate doors with a festive theme. They really caught the joyfulness of the season! Doors were judged and a winner was named - the Little Room door.

Students also did some cookie decorating for our Christmas cookie sale, which went to support our missionary family in Romania. We sold out, and raised over \$500 for this mission.

In & Around St. John's School

Food Donations were collected for the Columbus Rescue Mission. A "Reverse Advent Calendar" helped us by naming a special item to bring each day of December. Our Middle Room students had the biggest box of items.

Our students combined with the St. John's Sunday School students from our church to prepare and present a Christmas Eve program. We had over 103 children participate with the theme of bells. They presented Christmas songs, and a special message that shared the true meaning of Christmas.

Each week our students concentrate on a virtue of the week, and then we recognize students who demonstrated that virtue. Some of the virtues we have practice are: caring, faithfulness, generosity, obedience and joyfulness. As we finished out the first semester, we feel absolutely blessed to have such a school full of these special traits!

In January we will be celebrating Lutheran Schools Week (January 26th – 30th), and are now planning our celebration activities for that week.

Lakeview Education Foundation

Mission Statement: Inspire investment in scholarships, innovative programs and facilities that enhance the educational experience and opportunities for students & faculty of Lakeview Community Schools.

The “Year of 2022” is quickly coming to a close! As we reflect on the opportunities, we each took to support Lakeview Community Schools or to do so through Lakeview Education Foundation (LEF), they were amazing.

One fun opportunity to support LEF was through the 6th Annual Richard “Dick” Kamm Memorial Golf Tournament. With 144 players golfing on a perfect August afternoon enjoying food and drink on the course along with the enjoyment of each other while knowing you were supporting a great cause. Participating as a Philanthropist and showing your generosity is so appreciated as you give of your time, talent, and treasures. After all, Philanthropy is simply **“love of humanity.”**

You can do so in many ways:

1. Give Online at – <https://www.lakeview.esu7.org/domain/28>
2. Give to Lakeview Education Foundation Fund Quasi-Endowment Account – thru Nebraska Community Foundation – nebcommfound.org/give/lakeview-education-foundation-fund/
3. Use your Checkbook – the most common and easiest form of philanthropy
4. Estate Planning, death gift, gift annuity or gift assent plan to LEF
5. Purchase an Annual Membership Card - \$50. Every bit helps.
6. Donate to support a Scholarship in the name of a Loved One or cause

One Scholarship has been recently created by alumni/individuals to LEF:

1. \$1,000 Scholarship donated/sponsored by the Lakeview High School Class of ‘72

The Lakeview Education Foundation (LEF) is a non-profit organization dedicated to generating funds managed by the Board of Directors. The gifted funds enable LEF to award scholarships annually to Lakeview’s graduating seniors, provide annual teacher grants and distribute funds for special projects that may arise for the benefit of Lakeview Community Schools students.

Supervised by a Board of Directors, the foundation is incorporated under the Laws of the State of Nebraska. The LEF Board of Directors are *Ann Cattau, Aaron Chochon, Brad Luchsinger, Chad Anderson, Dan Luedtke, Mary Ann Schreiber, Jake Jarecki, Jamie Meyer, Dr. Aaron Plas, Jaci Tessendorf, Janet Jaixen, and Clete Pillen.*

The Lakeview Education Foundation thanks you for your support and consideration when including the foundation in your estate plan.
