

We are going paperless!

Lakeview Community Schools will no longer send paper copies of the monthly newsletter starting from the 2023-24 school year. Instead, we will use the school message system (Bright Arrow), the school website, Facebook, and Twitter to distribute the newsletter each month. While this change differs from past practices, it will enable the newsletter to be more timely, efficient, and cost-effective, while also ensuring that patrons receive the newsletter and stay informed about all school district-related news.

If you would like to be added to our monthly email list, please email Nicole Osborn at nosborn@lakeview.esu7.org or call the District Office at 402-564-8518.

Thank you for your continued support. Go Vikings!

	Dr. Aaron Plas	
--	----------------	--

Lakeview is a Fantastic Place!

Lakeview is a fantastic place! As we welcome neighboring schools to compete with us throughout the year, it's natural to compare our school, town, and students. However, every time I do so, I come back to the same conclusion: Lakeview is a remarkable place to learn and grow! Our community is filled with kind, accepting, and competitive students who inspire us every day. Our tight-knit rural town on the eastern side of the state is unparalleled in its supportiveness. Additionally, our teachers and coaches do an excellent job preparing our students for success in life. When I wear the Royal Blue and White, I feel immense pride!

I encourage you to take a moment to appreciate the remarkable opportunities our community and school provide our students. It's truly amazing! Lakeview is a fantastic place!

Support Staff

Furthermore, I want to take a moment to recognize the vital Support Staff at Lakeview Community Schools. It takes a total team effort to provide the best possible education to our students, and our para-educators, administrative assistants, bus drivers, school cooks, custodians, and maintenance staff are the backbone of our school system. Without their essential work, we wouldn't be able to offer our students the same level of high-quality programming, opportunities, differentiated instruction, safety, or nutrition.

Please join me in expressing our gratitude to these dedicated individuals for their unwavering efforts in helping our students achieve their potential and ensuring that Lakeview Community Schools remains an elite school district. Thank you!

FFA Happenings!

During the last week of March, our FFA chapter brought 58 members to the Nebraska State FFA Convention. Each member that made the trip to Lincoln competed in a Leadership Development Event or Career Development Event. These events are designed to test a member's knowledge on a variety of skills. While at the convention our chapter earned a silver rating on our National Chapter awards, we received the 2023 NIFA grant, and we entered the hall of chapters.

At the end of senior year an FFA member has the right to apply for their state degree. This degree is the third degree a member can earn, preceded by the Greenhand Degree and the Chapter Degree. Members need to show exemplary community service, active membership, and must have a Supervised Agricultural Experience to receive this degree. Eight Lakeview FFA members were awarded this degree at the convention: Tori Osten, Rori Reese, Ashton Stubbart, Niels Schmidt, MaKenna Lutjelsche, Elly Luchsinger, Grace Berkeland, and Kaden Gehring. In the coming years, these members may apply for the coveted American Degree, which is presented at the National Convention.

Each member of an FFA Chapter may choose to have a Supervised Agricultural Experience. Members can then fill out a proficiency application to highlight these SAE's.

This year three Lakeview FFA Members were finalists at state for their proficiency applications. Adyson Grotelucshen was the state runner-up in the beef entrepreneur category. Ashton Stubbart was the state champion in service learning and Niels Schmidt was also a state champion in diversified grain production. Niels was also one of the finalists for the state STAR award.

Leadership Development events are meant to teach FFA members leadership skills. Our chapter had two teams compete in Conduct of Chapter meetings. The Lakeview Blue team, whose members consist of Trevor Sloup, Will Stuthman, Caleb Sloup, Jett Borer, Grayson Vogt, and Parker Osten, received a gold rating. The Lakeview White team consisting of Grace Dawson, Taryn Molt, Rallie Boyer, Quinn Loeske, Rylee Eberhart, Bella Stromberg, Toby Sand, and Preston Wacker, received a silver rating. Also receiving a silver rating was the Parliamentary Procedure team whose members are Jonny Flores, Isaac Stromberg, Grace Berkeland, Elly Luchsinger, MaKenna Lutjesluche, and Kurt Schnieder. Isaac Stromberg received a silver rating for his Extemporaneous Speech. Elly Luchsinger was the state runner-up in Employment Skills. Kurt Schneider was the state's third-place individual in Ag Sales. The Ag Sales Team are the State Champions and will be going to Nationals in October of 2023. This team consists of Elly Luchsinger, Kurt Schnieder, Isaac Stromberg, and Jonny Flores.

FBLA News

May 2023

State Leadership Conference

State Leadership Conference was held April 3-5th in Kearney. Twenty-two members prepared reports, gave presentations, and took tests to compete for a chance at nationals. Keynote speakers and professional development sessions also took place throughout the conference. Twelve events placed in top 10 with six qualifying for nationals in Atlanta, GA in June.

Junior, Isaac Stromberg ran for state secretary and was elected to serve as your 2023-2024 Nebraska FBLA Secretary! This will be his second term in this position.

Dr. Plas was nominated as a STAR volunteer and received recognition and an award at the conference. Thank you Dr. Plas for your dedication to FBLA!

Induction Night/End of Year Banquet

Induction night will be held April 30th at 6:00. We will start with awards and induction and conclude with a meal. Everyone is invited to attend and celebrate our success this year!

Viking Way Student of the Month

Joan Jimenez

Congratulations to Joan Jimenez for being selected as a Viking Way Student of the Month for March! Joan is a good classmate and excels in his academics. He treats others with respect, has a good attitude, and demonstrates good leadership skills. Awesome job Joan!

Karsten Killham

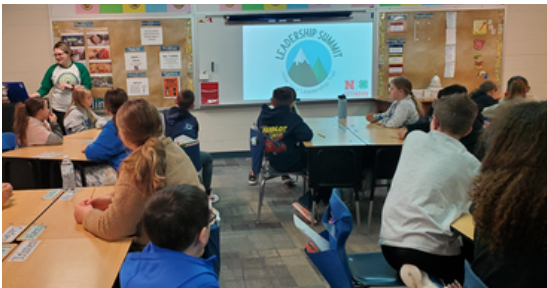

Congratulations to Karsten Killham for being selected as the Viking Way Student of the Month for March! Karsten is a great student, he works hard, has a good attitude and he is very responsible. Great job Karsten!

In & Around Shell Creek

5th Grade 4H Leadership Day

By: Alicia Blumenthal and Michala Wurdeman

On April 4 and 5, the 5th grade students at Shell Creek participated in 4-H Leadership Day presented by Kimberly Johnson. Students learned exactly what leadership is, entails, and looks like. Students then took a survey to figure out what type of Leadership qualities they possess. Shell Creek students soon realized their similarities and differences with their classmates and how that affects their thinking and actions.

Students were later immersed into many leadership activities. One involved our students' listening skills. Kimberly read a story that had the words right, left, front, and behind buried within. As she read the story, students had to pass Popsicle sticks in the correct direction. In another activity, students had to work in groups to get a tennis ball in a cup using only a giant washer and ten strings attached to it.

Then they worked together to build a free standing tower with PVC Pipe. Kimberly added in extra challenges by picking people that weren't allowed to talk and only being able to use one hand to build. Students really saw what it was like to work together as a team and how a leader can impact the work being done! Overall, students learned and discussed leadership qualities that can be used in the classroom and everyday life along with realizing the differences that make up our unique

In & Around Platte Center

Platte Center had a lot of business to take care of at the March Birthday Assembly. There were 6 students that celebrated birthdays in March.

Emma Haschke in kindergarten and Remi Sutton in 3rd grade were Platte Center Elementary Viking Way award winners for March. Emma makes good choices, respects her friends and teachers, and always works very hard in the classroom. Remi has been a leader in helping build relationships with his peers in his Circle of Friends group. Even though he has missed some school days that were out of his control, he shows up with a positive attitude ready to be coached, and works extremely hard to get caught back up and stays on top of his work.

The winner of this month's School Mission Challenge was kindergartener Effie Rambour. She was able to "phone a friend" like on 'Who Wants to be a Millionaire' to help her recite the school mission statement. She phoned her friend Charlie Krienert in 2nd grade.

Mr. Nygren added a new award to the Birthday Assembly festivities. This award is the Integrity Award for always doing the right thing, even when no one is watching. James Martinez was the very first recipient of this award.

In & Around Platte Center

Platte Center had a friendly book competition for March Madness that our wonderful 2nd grade teacher, Mrs. Plemons organized. The competition came down to the final 2 books, Chez Bob and When Pencil Met Eraser, with the winner being Chez Bob.

Platte Center K-6th graders took part in a dance off competition to the Macarena. Mrs. Sprunk's 1st grade class had the best moves to win the dance off.

Lakeview High School Viking Voices came to Platte Center to show off their talent and one of the many activities to get involved in when students reach the high school level of their education.

Platte Center and Shell Creek Elementaries held their annual Family Night. It was held at Lakeview in the cafeteria on March 14th.

We started with a parent meeting on Title I topics. We discussed the importance of the Title I program in our schools and how it works. Families then enjoyed cookies and played various games together. It was a fun night to meet new families and get together!

In & Around Christ Lutheran School

The Christ Lutheran School students and children from the Childcare Center worked hard over the last month selling for our annual Plant Sale Fundraiser. Families sold to family, friends, and neighbors. The 5th-7th Graders also talked on the radio and sat in Big Apple Bagels to sell. All their hard work paid off as they not only met the goal but surpassed it! Way to go!!

Students in Grades 1-2 got to experience the Resurrection of Jesus in virtual reality, and the 3-7 Graders got to see Jesus' Crucifixion and Resurrection in virtual reality when the VR Truck came to our school. What an awesome way to learn about all Jesus went through for us and to celebrate this Easter season!

Preschoolers braved the cold and wind to attend Vehicle Day in Columbus. They learned about the different vehicles in our community and how they help us. They will be learning about plants and actually growing their own plants. They will also be studying Earth Day and finishing up their study of the ABC's. They are looking forward to Donuts with Dads and Muffins with Moms coming up before the end of the school year.

In & Around Christ Lutheran School

The 1st and 2nd Graders have had a busy month. They enjoyed going to Country Gardens where they got to plant sunflowers, paint a cross picture at Artzy Haven, and learn all about animals at the "Life on the Farm" event. In Science, they learned about how water travels through a plant by doing a flower experiment. They also got to be engineers and make space shuttles. Their shuttles had to take-off and land without the astronaut inside falling out. It took teamwork, but all landed their shuttles safely!

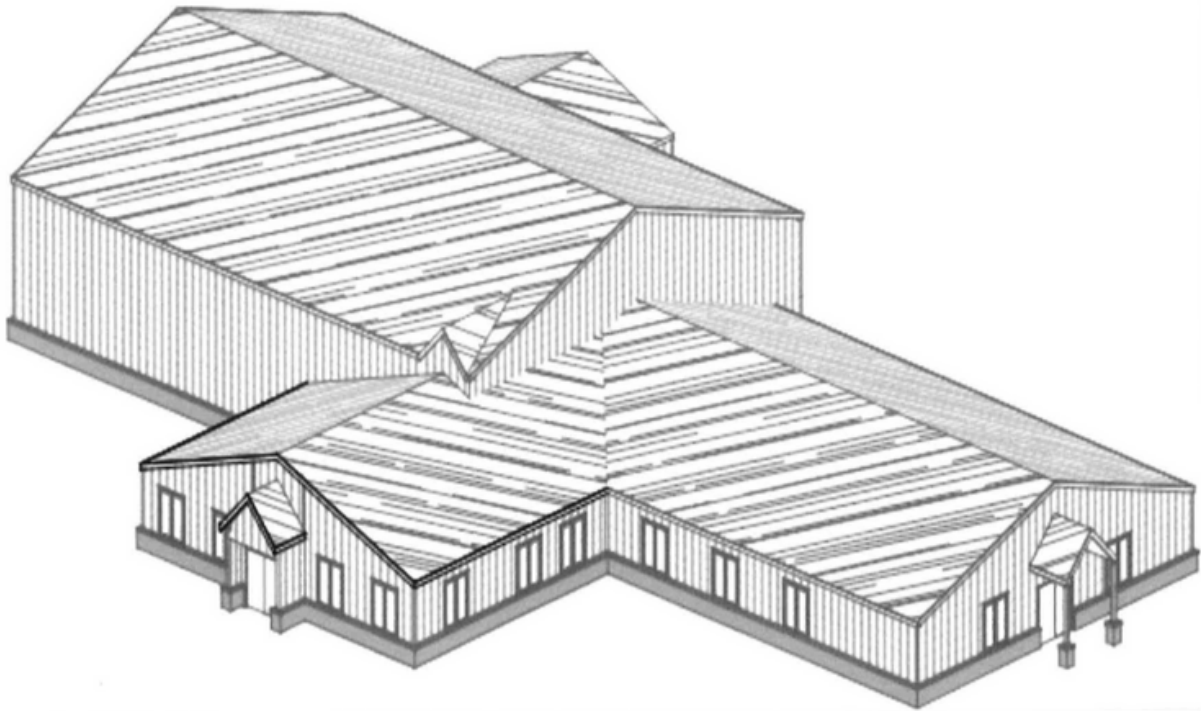

The 3rd and 4th Grade students researched a country of their choice and then wrote a paper on it. They presented them on youtube.com so family members could view them. In Science they have been learning all about fossils.

To put into practice their learning about being a servant through their Lenten study called Red Letter Challenge, the 5th-7th Graders made and served lunch to the rest of the school. Novel studies continue with the 5th Graders reading "The Night of the Twisters" and the 6th-7th Graders reading "All Rise for the Honorable Perry T. Cook. In Science they are starting a unit on Kinetic Energy. They are also busy preparing their projects for the upcoming Science Fair.

On May 4th, the campus-wide Christ, Kids, and Coffee Open House will be held from 8:00-10:00am. Tin Can Coffee will be in our parking lot for anyone to stop by and purchase your favorite coffee drink as well as a pastry. You will be able to tour the Childcare Center, the church, and the school. Join us in a short National Day of Prayer program around our flag pole. We look forward to seeing you there!!

In & Around St. John's School

We are excited to announce our “Ground Breaking” on our new addition to the West of our existing school on Sunday, April 16th. New offices and two new classrooms will be added, and we will be adding a new classroom teacher.

The students enjoyed the performance of “The Lion King” in March at Columbus Middle School.

The Easter Egg Hunt on Wednesday, April 5th was a great success, as we carry on the goober egg tradition.

The Lutheran Schools Field Day will be held at Lakeview Friday, May 5th. The Lutheran Schools that participate in this track meet event are Trinity Madison, Christ Lutheran, Immanuel Lutheran, and of course St. John's.

In & Around St. John's School

Our end of the year school field trip is May 11th. The Kindergarten through 5 grade will be traveling to the Children's Museum in Lincoln. The 6th through 8th graders will be going on a special field trip with Pastor Birtell and Mrs. Hoesly, their destination is yet to be determined.

Congratulations to our soon to be Kindergarten graduates; Matthew Goering, Kord Groteluschen, Kyston Hellbusch, Piper Kapels, Sully Kapels. Our 8th grade graduates are Jordan Burns, Argent Grosjean, and Ryann Leibhart.

The last day of school for St. John's is May 16th. We will enjoy our annual softball game with Pastor Brad and Pastor Paul, followed by a picnic and have a noon dismissal that day, and awards that night.
